Marxism as cultural movement, historical development; 87R3603
meditation as withdrawal/action as return, East vs West; synopsis of Jose Ortega y Gasset work; 87R5482
money economy, Georg Simmel's culture theory; 87R3378
political science discipline/profession, historical development, GB vs US; 1950-present; 87R8710
Simmel, Georg *Philosophy of Money*, "play" conception/methodology; 87R5457
Soviet philosophy, *Voprosy filosofii* articles; 87R9579
understanding, philosophical/methodological problems; round-table discussion, USSR; 87R3176

Phobias
agoraphobia, sociological perspective; 87R3457
phobias, gender differences; social roles; interviews; 87S1935

Phoenix, Arizona
residential segregation, minority groups, intercensal years; birth/death records; Phoenix, Arizona; 87S1937

Photographs
elite visual aesthetics, fine art vs camera club photography; ethnographic data; 87R2281

ethnographic photography, film theory; 87R8940
geographic research, communication patterns, rural Latin America; 87R4122
photographs' ideological content, teaching critical awareness; 87R8942
"Photography and Sociology" by Howard S. Becker; translated excerpt; 87T1067
photography vocabulary development, neologism formation; 87R5308
published consentless sexual portrayals, individual rights legal doctrine; 87R8100
queueing, social organization; 87R8938
social science research, still/moving pictures as heuristic instruments; 87R8949
sports research, US, photo-elicitation method, interview technique; case study; 87R1948
teaching sociology, photo comparison technique, actual vs ideal self-images; 87R8939
visual sociology, social reform/behaviorism traditions; 87R5306

Physical Characteristics
changing body shape, Japanese women; national surveys; 87R2587
dental occlusion, rural vs urban Bengali male youths; interviews; 87R2764
employment/career advancement, women; height; experiment; 87R4633
genetic diversity, Liberia; sociocultural/ethnohistorical factors; case study; malarial resistance trait; 87T0361
physical cultural concepts/value, Poland/Hungary; questionnaires, interviews; secondary school students/their parents; 87R5522
psychological well-being; exercise, overweight, physical health; telephone interview survey; adults, Illinois; 87R5516

Physical Contact
child development, Tunisia; mother-child physical contact; 87R2603
child self-esteem; sex, parental support dimensions; self-report questionnaires; college students; 87R6514

Physical Fitness
body-building orientation; conventional vs luxury gym type; West Germany; 87R5858
body-sport relationship, consumer culture, GB; 87R7531
feminist self-defense strategies/movement vs victim prevention strategy/services; case study; 87T1010
health-related behavior; social class; interviews; 87T0578
lifestyle/health behavior, socialization/social-environmental/cognitive influences; survey; fitness class/program participants; 87R8581
physical activity involvement, large corporations, employee socialization; questionnaires; Canada, Japan; 87R5881
physical culture/exercise, USSR; conference proceedings; 87R9693
physical recreation, social barriers, Poland; human consciousness; research review; 87R5870
psychological well-being; exercise, overweight, physical health; telephone interview survey; adults, Illinois; 87R5516
"sauna culture," Austria; literature review, interviews, participant observation; 87R1513
schoolchildren's health behaviors, international psychosocial aspects; World Health Organization survey data, 1983/84; 87T0569
self-initiated diet/exercise behavioral changes, whites vs blacks; heart disease worry; national survey; US; 87R8505
sports participation/physical culture, USSR; 87R7558
sports/exercise participation, Finland; 87R1951
student achievement; teacher expectations; observation; physical education setting; 87R4335
student's physical activity attitudes, Beijing, China; school type; scale; 87R5860
teacher-initiated curriculum innovation, change perspectives/coping strategies; case study; physical education department; 87R8035
women's exercise classes, social enterprise characteristics, US; participant observation; 87R7551
working class sports participation, Poland; 87R3939

Physical Sciences
scientists' productivity, atomic research facility, West Germany; survey; 87T0262

Physically Handicapped
depressive symptomology assessment, eventful vs chronic strains, methodological innovations; life events checklist; 87S1946
DisAbled Women's Network, Canada, history/goals/issues; 87S1943
elderly family member care, full-time working women, work-life management; community/employer/friend support; interviews; 87R7303
elderly, GB, poverty/disability/service utilization; national survey; 87R8638
emotional need expression, disabled, societal impediments; 87R4952
functional incapacitation, myocardial infarction patients; socioeconomic factors; 87R8463
group activity, older adults, practical resource guide; 87R8627
marital status, persons with spinal cord injury; survey; Oregon; 87R7720
normal vs hearing impaired preschool children, family stress/coping/adaptations; survey; 87R8293
physical disabilities, cultural assumptions, embodiment concept; case study; limb-deficient woman, US; 87R9265
psychopathology, disabled children's siblings; chronic family stress; inventory data; 87S1948
self-concept, normal vs segregated/nonsegregated mildly handicapped children, social-comparison theory; scale; 87R3424
self-concept/morale, elderly nursing home vs community residents; auditory impairment; interviews; 87R7100
social isolation, frail elderly, Tokyo, Japan; index; 87R6620
special education students, handicap characteristics; school records; 87R4290
working-age disabled, US, federal policy trends; 87S1940

Physicians
abortion/ethical attitudes, pediatric residents; residency training program; questionnaire; 87R4813
acquired immune deficiency syndrome patients, gay vs straight physicians' treatment attitudes; interviews; 87S1954
acquired immune deficiency syndrome, legal/medical responses, US/Finland/Netherlands; homosexuality prejudice; 87R6547
adolescent medicine, physician fellows; national questionnaire survey; 87R4125
alcoholics' treatment, physicians' role, early 20th-century Sweden; 87T0707
ancilliary health care, professions, medical profession dominance; secondary historical accounts; 87S1960
artificial intelligence, medical decision-making uses; case example; 87R4892
childbirth patients, obstetricians' attitudes; gender, level-of-training; questionnaire interviews; 87R9929
communication patterns, doctors-male patients; discourse analysis; teaching hospital, southeastern US; 87R9270
computer-based medical technology, physician utilization/knowledge, policy implications; 87R7715
conversational interaction, context levels, bureaucratic environment; 87R9205
cybernetic appropriateness review, hospital care; project evaluation; 87R4880
death anxiety, physicians; age, experience, specialty, frequency of exposure; questionnaires; New York, New York; 87R2143
death determination/definition, epistemological issues; 87R4803
diagnosis-therapy gap, doctor's role, health/illness concept changes; professional ideals vs technological/monetary realities; 87R4837
doctor-supply glut, physicians' beliefs, socially constructed phenomenon; literature review; 87R6549
doctor-terminal patient communication; doctor's death attitudes; questionnaires; family doctors, medical students, midwestern US university; 87R2741
doctors' authority/autonomy, medical deprofessionalization process, US; 87S1960
doctor's role changes, historical/cultural analysis, current medical significance; 87R4137
doctors' status, doctors'/patients' attitudes; 87R2786
doctors' strikes, Nigeria, political economic perspective; 87R4074
doctors-hospital symbiotic relationship, conceptual framework; 87S1939
doctors'/nurses' images, advertisement portrayals, US; content analysis; 87R7748
drug-related doctor impairment, treatment/prevention programs; 87R6613
egalitarian organization, medical group practice, Cleveland, Ohio; interviews/survey/published/other data; 87R5721
ethical problems, medical practice, Christian professional viewpoint; 87R4106
general practice consultations, rates/nature, GB; patient's social class; literature review, tape recordings, interviews; 87R4815
general practitioners, job satisfaction/medical care system evaluations, Sweden; interviews; 1978/79; 87R9924
health care goals, West Germany, implementation policy approaches; 87R2782
hospital-physician relationships; competition, regulation, corporatization; published surveys; 87R4807
individual health potentialities, physician's task, phenomenological perspective; 87R8517
mail questionnaire response rate, physicians; pre- vs postpayment; experiment; 87R6866

malpractice litigation system, GB vs US; 87R9905
medical education costs, India, methodological issues; records, interviews, case studies; 87R8022
medical internships, official/unofficial ideologies, US; personal experience; 87T0092
medical practice, job stress/conflicts, federal prisons; questionnaires, interviews; 87R9885
medical practice, professional identity crisis; 87R4869
medical professionals' ethics, Yugoslavia; questionnaires; 87R6014
medical records, recording/interpretation conventions, artificial intelligence system; secondary data; 87R3167
medical school enrollment reductions, effect estimates, Texas; 87T0103
national health service implementation, Nigeria, doctor's attitudes; questionnaire; 87R9925
nervousness treatment/causes, female vs male patients; 19th-century US doctors' gender-role/social class attitudes; 87R6546
pediatrician Medicaid participation; surveys; 1978, 1983; 87T0951
personal flow, US training hospitals, physicians; prestige hierarchies; questionnaires, interviews, directory data; 87R9903
physician as sacred object, social construction; interviews; physicians' wives, California; 87S1944
physician impairment, rehabilitative programs, potential harm assessments; secondary/other data; 87R2157
physician-patient loyalty conflicts, social control functions vs patient's best interests; literature review; 87R9909
physicians as patients "suffering" experiences/understandings; 87R2774
physicians; health care trends; 87R7775
pluralistic communities, doctor's role; 87R2784
political torture, doctors' participation; 87R5993
primary medical care, physician commitment, Israel; interviews; 87R8459
probability values/meanings, qualitative expressions, medical professionals; 87R5348
professional workers, salaried positions status, age/gender differences; US Census Public Use Samples; 1940-1980; 87R4081
professional- vs patient-centered orientations, Israeli primary care physicians; interviews; 87S1947
psychiatric impairment, doctors, social-structural factors; 87R2813
psychoactive drug use, doctors/medical students; questionnaire survey; 87R6614
rational behavior, hospital emergency room staff; environmental uncertainty; observations; 87R4878
resident-patient relationships, surgery/psychiatry staff, urban hospital; participant observation, interviews; 87S1968
role/responsibility perceptions, health care team members; occupational group/aspirations; questionnaires; doctors, nurses, administrative personnel; 87R5991
rural medical practice, students' unwillingness, Pakistan; social class system; questionnaire survey; 87R4143
severely handicapped newborns, medical treatment, federal regulation attempts; 87R2790
social contagion/innovation; cohesion vs structural equivalence explanations; *Medical Innovation* reanalysis; 87R6908
social position/power, physicians; 87R4127
stereotypes, clinical medicine, doctors/medical ethicists/public; 87R2794
surgeons' personality traits/ethos; participant observation, questionnares; community hospitals, New York; 87R9868
tranquilizer prescribing practices, rural vs urban doctors, GB; 87R8578
vasectomy applicants, screening process, eligibility criteria; mail questionnaire survey; family planning clinics, doctors; 87R2732
work/family life, rural doctors/spouses; excessive alcohol use; questionnaires; wives, central California; 87S1955

Physics
high energy physics, social action model; *Constructing Quarks: A Sociological History of Particle Physics* by Andrew Pickering; review essay; 87R4536
ionospheric physics, research funding strategies/sources, US universities; literature review, interviews, other data; 87R6310
meaning uncertainty, quantum/pragmatic vs classical physics/structuralist theories; 87R3171
methodological referencing patterns, physics/sociology/engineering; published articles; 1983; 87R4541
physics articles, citation analysis; *Journal Citations Reports*; 87R6318
physics subfields, Swedish researchers' prevalence, online bibliometric methodology; 87T0257
physiological optics research; 1840-1894, historical analysis; 87T0267
science studies research, interpretive/quantitive approach integration; case study; 87T0258
understanding, philosophical/methodological problems; round-table discussion, USSR; 87R3176

Physiology
dreams/dreaming, social/personal perspectives; 87R3468

Piaget, Jean
sciences of science, cognitive paradigm, Marc DeMey's views; interview; 87R6689
theory of knowledge, empiricist vs Hegelian definitions, Karl Marx's/Jean Piaget's approach; 87R5315

Piecework
female paid home-work, industrial capitalist societies/Uruguay; literature review; 87R9447
work organization, female workers, psychosocial effects; literature review, survey; Montreal, Quebec; 1985/86; 87R9468

Pilgrimages
pilgrimage center, Haiti, social/political function; field research; 87R4405
pilgrimage/ritual, Hinduism; 2-book review essay; 87R8072
religious pilgrimage complex, Tarakeswar, India; socioeconomic change; 87R4378
religious pilgrimages, French-speaking Belgium; 87R4420
sociocultural transition, Portuguese Catholic emigrants, central Europe; Fatima religious pilgrimage; 87R6221

Places of Worship
confessional group interaction, Jerusalem; traditional vs new business/trade association structures; reply; 87R5549

Plague
Black Death epidemic, 14th-century Europe, rat's involvement; 87R3042

Planners
US interstate highway design, engineers'/city planners' influence; 1944-1964; 87R9893

Planning
budget/planning uncertainty, social service agencies, organizational responses; mail questionnaire survey; agency administrators, Iowa; 87R3766
collective behavior research, Dutch sociology; 87R5841
cutback planning/implementation, human service agencies, consultants' roles; 87R5301
development efforts, Third World countries; disaster planning/relief; Sahelian drought; 87R5178
disaster management, informational needs assessed; 87T0919
disaster planning, coordination, developing countries; 87R5181
educational planning/policy, economists' role/perspective; 87T0105
emergency planning/response, interorganizational relations/behavior; interviews; nuclear plant; 87R3054
evacuation behavior/planning, Great Sakara Fire, Japan; questionnaire survey; 1976; 87R3039
health care expansion, planning failures, Netherlands; 87R4844
interinstitutional coordination/policy planning sector, higher education, technobureaucrat's role; 87R4337
international peace, nuclear weapons' role; 87S1932
living wills, older people's interests/preferences; interviews; 87S1934
public preparedness/civil defense performance, people's perceptions, Sweden; 87R5180
quality of life, spatial planning issues, Croatia, Yugoslavia; 87T0879
retirement planning, male-oriented emphasis, feminist perspective; 87S1933
social change, welfare rights organizations, urban poor women; case study; Brooklyn Welfare Action Council, New York; 87R5228
spatial planning approaches/ideology, Israel; 87T0873
tourism, environmentally oriented planning; 87T0907
toxicological mass disaster, hospital deployment scheme; 87T0915
universities, human-resource planning methodology; faculty records; liberal arts college; 1972-1978; 87T0087
urban planning, sociological analysis, Netherlands; literature review; 87R4186
urban planning, triage mechanism; literature review, case study; Philadelphia, Pennsylvania; 87R6064

Plant Closure
capital flight/plant closings, class struggle issues, global political economy; 87S1943
deindustrialization, post-1970s recession, US, human/social costs; official statistics; 87R5761
deindustrialization/plant shutdowns, blue-collar workers' attitudes; interviews; Singer Sewing Machine plant, Elizabeth, New Jersey; 87R5760

displaced workers' adjustment; advance notification of plant closures/layoffs; Current Population Survey; 87S1967
employee firm ownership interest, gender differences; questionnaire; supermarket chain union members, Philadelphia, Pennsylvania; 87R9405
family/occupational/economic stress, Latino female cannery employees; factory closure; surveys; Wilmington, California; 87R5618
fiscal strain, local governments, New York; manufacturing decline; 1968-1979; 87R7438
labor market experiences/participation, retrenched male vs female workers, Australia; longitudinal interviews; Sydney; 87R9382
labor-management conflict, plant closure, Iowa, local state intervention strategies; case study; 87R5660
labor-management relations, workplace control; plant closing; interviews, documents; General Motors Corvette plant; 87R7359
local union turnover/aging; local union environment/structure; case study; United Furniture Workers, US; 1963-1981; 87R9379
plant closings, workers' resistance activities, Marxist production control theories; 87R9449
plant closures, labor union responses, resource dependence vs population ecology theories; interviews, official data; manufacturing plants, California; 87R3708
political attitudes, unemployed workers, Toronto, Ontario; plant closures; questionnaire surveys, interviews; 87R5641
unemployed steel workers' households, South Wales; economic crisis; interviews; married couples; 87R6449

Plantations
agricultural political economy, plantations, antebellum US South; world market production/circulation; historical analysis; 87R9954
fertility, Seychelles plantations; female wage labor, household size; ethnographic fieldwork; 87R7274
plantation slave community, South Carolina; book review essay; 87R6712
pre-Civil War South, slavery, plantation mistresses as helpers/protectors; 87R7245
South Indian plantation workers, 19th-century Peninsular Malaysia, social control system/consequences; 87R7703

Plants (Botanical)
herbal medicine, health/disease beliefs/practices, female practitioners' role/status, Warao Indians, Venezuela; 87R3663
land/botanical resource use, subsistence production systems, Les Alves, France; folk biotape analysis; 87R3652

Play
children's play, cultural/social/communicative aspects; 87R8298
Japanese motorcycle gangs, activities/delinquency as playful behavior; literature review, ethnographic/other data; 87R6671
mountain climbing, subcultural production/reproduction/transformation processes; 87R3941
play-fighting, adolescent residential treatment home males, sexual/aggressive negotiation; participant observation; 87R4508
play/sport/leisure, social change aspects; 87R7545
Simmel, Georg *Philosophy of Money*, "play" conception/methodology; 87R5457
workplace play, adolescents, US; observations; 87S1948
young boys' "dirty play," forms/rationales; ethnographic research; Little League baseball, New England/upper Midwest; 87T0374

Plea Bargaining
charge reduction/sentencing process, gender differences; critique/reply/rejoinder; 87R8092
guilty plea rates, intercourt variations, US; environmental factors; case studies; circuit courts, Illinois; 87T0227
homicide cases, justice system officials' behavior; newspaper coverage; police/court records; Milwaukee County, Wisconsin; 87R2445
prosecutorial discretion; uncertainty; case records; felonies, Superior Court, Washington, DC; 1974; 87R8160

Plural Societies
blacks' drinking behavior, conceptual models; 87T0689
factory organization, economic democracy; 2-book review essay; 87R3713
group dynamics, pluralist ideology/politics, class domination issue; article/comment/reply; 87T1047
interethnic relations management, plural societies; case study; Singapore; 87R3510
pluralistic communities, doctor's role; 87R2784
religious education, nondenominational vs denominational schools, GB; 87R6139

Pluralism
legal pluralism research, legal centralist assumptions, theoretical problems; 87T0195
methodological pluralism, structural vs action perspectives, life history data, social sciences; 87R1220
neighborhood stabilization, urban neighborhoods; 87S1978
popular religion, concept/symbols, modern society; 87R6193
racial pluralism, urban neighborhoods, stabilization efforts; field research census; Indianapolis (Indiana)/Rochester/Milwaukee (Wisconsin)/Hartford (Connecticut); 87S1942
world civilization, worldview components, God's role/power; 87R6708

Poetry
alcohol references, cultural reflections, Chinese poetry; content analysis; poems; 600 BC-1970; 87R4257
anthropologists as poets, collected works; 87R7044
Hindu yearly/ritual cycle, *bārahmāsā* poetic song, northern India; 87R6246
ideological themes, English writers, Middle Ages/Renaissance; 87R6118
intoxication theme, Russian poetry; 87R4259
poems, Homeric era setting, Greece/Persia; 87R5609
poet Adrienne Rich, feminist ideology; 87R6119
poetry-sociology relationship, US/GB; 87R4249
praise poetry, Mukama oral tradition, Africa; 87R1640
sociology of poetry, "surrender-&-catch" concept; 87R4250
Sturzo, Luigi, "The Cycle of Creation" dramatic poem; 87R6990
teaching sociology, reading/writing poetry; 87R6955
vital events, state bar associations' growth, minimalist organizational theory; national data; 87T0196
Yoruba oral poetry, West Africa, sociology of knowledge interpretations; 87R6675

Poets
black poet Phillis Wheatley, life/works; 87R7890
everyday lives, nonprofessional painters/poets, Italy; interviews; 87R7201
Goffman, Erving, discursive practices/preferences, Canadian psychotype; 87R5435
Mangan, James Clarence, romantic Irish poet, themes/ideology; 87R5906
poet Adrienne Rich, feminist ideology; 87R6119

Poisoning
acute poisonings, telephone hotline intervention, task-specific problems; field research, transcriptions; 87R6539
nuclear accidents, at-risk population, time-of-day variations; interviews; households, US; 87T0918
social problem institutionalization, acute poisonings, poison control centers; historical case study; 87R3029
Toxic Oil Syndrome patients, Spain, social reintegration goal; 87R8780

Poland
anti-Semitism tendencies, Poland; 87R9313
authoritarianism, Polish society, mentality vs personality models; questionnaires; urban residents; 87R1443
children's rights/family life, Polish legislation; 87T0376
clandestine/underground university, Poland, purpose/organization; 87R2300
collective/individual mobility processes, Poland, systemic functions; 87R2114
detotalitarianization/deideologization processes, Poland; Andrzej Walicki's claims refuted; 87R4000
ecclesiastical model, Poland; 87R6225
economic adjustments, Polish crisis, policy-making issues; 87R2130
economic changes, control model; Poland; 1946-1981; 87R9590
economic/political crises, "winners'" vs "losers'" subjective feelings, Poland; life histories; 1970-1984; 87R2037
education attitudes, Polish small/medium-sized towns vs cities; questionnaires; 87R2369
educational justice/equality, Poland; 87R4274
employees' self-management, Poland, economic/political reforms; 87R1706
experienced/perceived intergenerational mobility, professionally active men, Poland; 1964, 1976-1980; 87R2092
female occupational mobility, US/Hungary/Poland; national survey data; 87R4135
goods/goals, social autotelic vs instrumental values, Poland; 87R1809
historical monument preservation, Polish rural families' attitudes; 87R2191
housing area residents' self-management, Poland, organizers' role satisfaction/functionality; questionnaires; 1977; 87R2236
housing area residents' self-management, Poland, systems analysis, 1976/1980; 87R2247
intergenerational occupational mobility patterns, Polish males; national survey; 87R7677
juvenile delinquency/aggression, Poland; social conditioning factors; secondary data; 87R1483

life opportunities, working-class vs white-collar class; family material/cultural level; 87R4067
mass communication research, Poland; bibliography; 87R7507
migratory aspirations, Polish rural residents; interviews; 1977, 1983; 87R2560
nonmanagerial/managerial engineers' participation, Polish Solidarity Movement; 87R5804
part-time farming, Poland, economic efficiency; survey; 87R9948
physical cultural concepts/value, Poland/Hungary; questionnaires, interviews; secondary school students/their parents; 87R5522
physical recreation, social barriers, Poland; human consciousness; research review; 87R5870
Poles/Jews/Germans relationship, World War II, Poland; monographs, published accounts; 87R3524
Polish sociology, Max Weber's influence; 87R1335
political legitimation, postrevolutionary socialist transition, Soviet/Polish/Yugoslav society; historical/documentary/survey/secondary data; 87R1982
premarital behavior/family life, Poland; seminar topics; 87T0409
residential self-management institutions, Poland, socialist values; 87R2215
self-management concept, social context; 87R6719
social behavior/patterns, ethos groups; 87R1595
social change/adaptation, Poland; 87R1813
social class consciousness, Poland; interview survey; Warsaw; 87R2083
social class differences/inequalities, Poland, typology of subjective viewpoints; 87R1393
social differentiation, collective perspective, Polish studies; 87R2115
social integration levels, Leczna, Poland; empirical data; 87R2240
social mobility, peasant-origin teachers, Poland; questionnaire; 87R4102
social mobility, Poland; state intervention; 1945-1958; 87R2090
social pathology, residential districts, Silesia, Poland; empirical studies; 1970; 87R2249
socialist society formation, Poland; planning/human interactions/individual interests; 87R1380
sociological writings, Polish, stable vs crisis times; 87R1331
socioprofessional differentiation, Lodz, Poland; empirical studies; 1965 vs 1976; 87R1382
Solidarity/Green movements (Poland/West Germany), commitments/goals; 87R1990
status attainment, intergenerational status transmission, farmers; cross-cultural analysis; Australia/Poland/US; 87R4070
teachers' role/social position, Poland, historical development; 87R4110
teaching profession, Poland; feminization process; literature review; 87R4107
upper-class regional policies, Poland, research/editorial/managerial activities; cross-national comparisons; 87T0936
value systems, Poland, social change/evidence; 87R1319
women's political/social action, Poland vs Western Europe/US; late 18th century-present; 87R9619
workers' demands, Polish Solidarity movement, content/form; documents, interviews; 87R1694
working class sports participation, Poland; 87R3939
Znaniecki, Florian, contribution to Polish sociology; 87R9093

Polarization

party polarization, presidential nominations process, US; 87R3985
political polarization, Pakistan; military-bureaucratic oligarchy; political/historical records; 87R9183
social polarization, economically active males, London vs Southeast, England; census data; 1961-1981; 87R8734
voting behavior patterns/variation, Italy; 1985 election results; 87R2058

Police

antipolice attitudes, young West Indian blacks, GB; interview survey; 87R1555
attitude change, Greater Manchester Police; management control style, personal characteristics; questionnaire, interview; 87R2118
authoritarianism, British police recruits, importation vs socialization explanations; questionnaires, interviews, participant observation; 87R2121
battered women, police officers' attitudes/response; questionnaire survey; 87R2928
career commitment, black police officers; sociodemographic/political variables; field study, interviews, observation; Detroit, Michigan/Denver, Colorado; 87R4523
career patterns, US police chiefs; higher education; mail questionnaire survey; 87R2424
deviant behavior control, urban hospitals, institutional police forces vs hospital psychiatrists; case study; Veterans Administration Medical Center; 87R8549
domestic disputes, police interventions; Ohio; 87R2644
domestic disturbances, police responses; organizational- vs psychological predispositional factors; questionnaire; 87R8163
elderly abuse cases, police involvement; case records, interviews; Detroit, Michigan; 87R8672
immigration problems/policy, police response, Genk, Belgium; case study; 87R2421
interest arbitration, employment outcomes, police officers, US; 1971-1981; 87T0224

Christian Democratic Party, Belgian Catholics' relationship; 87R4370
economics/politics research, sociological theories, Yugoslavia/USSR; 87R5414
epistemology/politics relationship; 87R1188
international political conflict; capital/trade dependence; cross-national data; 87S1972
literacy/language politics, Hispanic women's experiences, Los Angeles, California; life history interviews; 87T1005
pacifism/political commitment, Belgian Catholicism; 87R4398
pilgrimage center, Haiti, social/political function; field research; 87R4405
political conflicts, cultural milieus, Sweden/West Germany; 87R4002
political policy/process, modern society, science's/technology's role; 87R5149
reactionary religious ideologies, modern capitalist societies; 87R6242
social diversification, Quebec; cultural change; 87R7601

Pollution

environmental disaster (man-made), youth vs elderly response; support networks, locus of control; interviews; Love Canal/Niagara Falls, New York, 1978/79; 87R3035
groundwater pollution, US; individual cultural perceptions; 87T0905
Hindu dharma concept, Karma/pollution relationship; Vedic texts; 87R6197
industrial pollution risks, industrial community perceptions, Oak Ridge/Rockwood, Tennessee; 87R5126

Pollution Control

indoor air quality, nonindustrial environments, policy/regulatory issues; 87R2357
pollution concern, environmental group members' gender differences; mail survey; US/GB/West Germany; 87S1936

science policy outcome measurement, journal-journal citations; *Journal Citation Reports*; water pollution, occupational hygiene; 87R5318

Polyandry

polyandry vs monogamy, evolutionary adaptive value, computer simulation model; reproductive life histories; Nepal, India; 87T1036

Polygamy

polygamy, Africa, practice/tensions; fieldwork; Senegal; 87R3591

Polynesia

health/illness perceptions, Rarotonga (Polynesia) islanders; European contact; 87R8485

Popper, Karl Raimund

Marxist ideology, Karl R. Popper's views/work; article/comment/reply; 87R6824

qualitative evaluation methods, hard vs soft relativism, Thomas S. Kuhn's/Karl R. Popper's work; 87T0809

science's logical structure, Karl R. Popper's vs Paul K. Feyerabend's thought; 87R1181

scientific revolution, Karl Popper's/Thomas S. Kuhn's/Paul Feyerabend's concepts; 87R8198

Popular Culture

art valuation procedures, popular-vs high-art galleries; interviews; gallery directors/employees/artists, Chicago, Illinois; 87T0067

black music/popular culture, communicative function; US; 87R2273

black representations, popular culture, symbolic social control; 87R9282

black/female performers, music television video portrayals; content analysis; 87R3909

body-sport relationship, consumer culture, GB; 87R7531

book publicity campaign impact, researcher's personal experience; 87R9616

break dancing, Ute/Navajo/Anglo high school students, social interaction implications; fieldwork; 87R7958

Catholic religious symbols/rituals, social structure/culture relationship, Andalusia, Spain; 87T0167

chronic technical disaster, religion's response; case study; Centralia mine fire, Pennsylvania; 87R8071

collective national popular will, Italy, Roman Catholic Church's role, Antonio Gramsci's analysis; 87R4419

country music, sexual themes; ethnomusicological analysis; 87R7905

elite empowerment/social construction expression, theatrical elements; secondary data; public drama; 87R9646

elite vs popular cultural suppliers, urban areas; 87S1948

Ethopian famine jokes, US, sociosemiotic analysis; 87T0044

family conflicts as popular culture; 87R6486

fictional characters, social norm evolution/women's role representations, US; content analysis; Superman comics; 87R5593

garage sales, ideological content; ethnographic analysis; 87R5592

greeting cards, standarization/rationalization; 87R1514

jukebox's history, GB; 87R1942

law, cultural relevance/influence, US; 87R8128

Le Déclin de l'empire américain (The Decline of the American Empire) by Denis Arcand; film review; 87R8887

mass culture, M. Gottdiener's semiotic analysis; critique/reply; 87R1615

raï popular music form, Algeria; 87R7908

rock music lyrics, USSR; content analysis; 87T0068

rock music performers as cultural symbols, heroic status; 87R6380

science fiction literature, religious themes; 87T0077

scientific knowledge, television's popularization; content analysis; broadcast messages; 87R5833

scientific production/knowledge, popularization process; content analysis; magazines/newspapers, France; 87R6679

self-concept, black youth; popular culture, professional sports, mass media role models; 87R3924

social class relations, annual carnival's role, Barranquilla, Colombia; 87R9326

"stereotype" definitions, social psychology/mass media/popular culture research; 87R3458

stress, popular vs professional literature conceptualizations; content analysis; West Germany; 87R5834

US popular science boom, media perceptions, 1977-1984; 87T0248

visible language, images/functions; 87R2256

Western mass culture, bourgeois society's control/manipulation; 87R3487

Population

cohort fertility rates, Canada; age, period, cohort size; statistics; Richard Easterlin's hypothesis tested; 87T0355

demography journals/papers, productivity/citation impact analysis; 1984 *Population Index* abstracts; 87R8204

division of labor; population size; cross-national/historical data; 87R5458

Malthus, Thomas R., population theory, scientific credibility disputed; 87R8708

Population Density

motor vehicle accident death rates, urban areas; population density/growth; census, statistics; US; 87R4877

public ritual/social density, Emile Durkheim's theory; questionnaire; nonindustrial community residents; 87S2003

Population Distribution

development, population mobility; census data; Thailand, China; 87R7681

housing settlements, Managua, Nicaragua, sociospatial contradictions; 87R5496

intelligentsia's distribution, East German cities; information technology; 87R8793

Jewish population distribution, London, England; synagogue membership totals, telephone listings, electoral roles; 87R3582

mobility desires, nonmovers, Montreal, Quebec; secondary survey data; 87R4611

policing, public fiscal commitment, large vs small US cities; black population size; secondary data; 87R2471

population distribution, Madrid/León, Spain; social class; administrative/church records; 87R9809

population distribution, Malawi; internal migration; census; 87R6361

population redistribution patterns, large cities, US vs India; deurbanization/deindustrialization processes; censuses; 87R2230

population redistribution trends, nonmetropolitan areas, US; 1970-1985; 87S1992

population redistribution, elderly, California; census/public health data; 87R8796

population redistribution, Nigeria, 1940-1980; census data; 87R8249

relative power/social distance perceptions, blacks; black population percentage; national survey; 87R7113

seasonal population dynamics, Abkhaz Autonomous Soviet Socialist Republic, tourism planning implications; official statistics; 87R7442

social movements, niche theory approach; 87R7483

Vietnamese population patterns; telephone directory data; Long Beach, California; 1979-1983; 87R9307

Population Growth
aged population's size/characteristics, India, rural vs urban areas; 87R8239
birthrate trends; intergenerational/gender relations; 87R2542
caste status/occupation/fertility, large villages, India; economic development; survey; households; 87R6346
county-level population projections' generation/updating, migration estimates' utility; census data; Pennsylvania; 87R8252
demographic evolution, Quebec, linguistic/other consequences; 87R8233
economic/demographic projections, Central Asian republics, USSR; 87R9575
International Perspectives on Aging: Population and Policy Challenges, edited by Robert H. Binstock/Wing-Sun Chew/James H. Schultz; review essay; 87R8257
intrinsic vs actual population growth rates, age-specific rates; 87R8264
juvenile delinquency, Utah; population/employment change, energy development; pooled time-series/cross-sectional data; 87S1996
land use control adoption; population growth, community affluence, organizational site; questionnaires; city clerks; 87R5116
nonmetropolitan growth, California; questionnaires; residents, Lancaster, Victorville; 1970s; 87R6357
population aging, India; census data; 1881-1981; 87R8268
population dynamics/industrial growth/social structure, rural Azerbaijani countryside, USSR; 87R4165
population fluctuation, metropolitan vs nonmetropolitan areas, interstate vs intercounty differences; economic recession; US federal income tax return data; 1978-1985; 87S1996
population growth, countries of emigration; US immigration; official statistics; 1983; 87T0353
population growth, current patterns/future trends, Africa; 1950-2025; 87R4626
population growth, development problems, Taipei, Taiwan; 87R9539
population growth, Kibbutz Artzi, Hashomer Hatzair, Israel; demographic statistics; 1970-1979; 87R4615
population growth/marriage patterns, 1520-1661, rural Tongcheng county, China; lineage genealogy analysis; 87R8274
population growth/movement, Orissa state, India; census data; 1971-1981; 87R6356
population growth/planning, China; historical statistics; 87R2571
population increase-economic development relationship, preindustrial Western Europe; 87T0338
population maintenance, US; fertility/immigration policies; article/comment; 87T0545
population practices, rural indigenous community, Mexico; government demographic policies; 87R3084
population projections, census enumeration errors/adjustments; Ohio; 87S1933
population trends, developing countries; socioeconomic development; UN statistics; 87R8247
population/age trends, Walloon; mortality, fertility, migration; Namur/Liège/Mons/Charleroi, France; year 2001; 87R4579
population/economic growth, Sri Lanka vs Sardinia; malaria eradication compaigns; 87R8764
recent fertility decline, supplementary data, Taiwan; 87R9144
social organization complexity; population size; 87R7366
social/economic/political/population change, Portugal; special journal issue; 87R3405
urban development conflict, Switzerland; population growth stabilization; 87R7876
US Hispanic population, characteristics/diversity; census data; 87R5558
white population growth, US suburbs; black population percentage/change; 1950-1980; 87S1981

Population Policy
demographic research issues, USSR; 87T0339
development, population mobility; census data; Thailand, China; 87R7681
emigration trends, Egypt, state legitimacy/economic crisis; 87R4582
family planning policies/programs, India, implementation strategies; discussions, observations; 87S1930
Indian immigration, Canadian policy, discrimination/prejudice; 87R3808
International Perspectives on Aging: Population and Policy Challenges, edited by Robert H. Binstock/Wing-Sun Chew/James H. Schultz; review essay; 87R8257
lowered fertility goal, developing countries, requirements/strategy; 87R5192
migration control policy effects, China; census data, interviews; policy makers/planners, scholars; 1982; 87T0308
national family planning policy, India; 87R4600
one-child policy, China, achievements/potential; 87T0561
population control, African countries, ethnic issues; 87R2562
population growth/planning, China; historical statistics; 87R2571
population maintenance, US; fertility/immigration policies; article/comment; 87T0545
population policy changes, Singapore, pro-fertility goals; 87R8447
population policy issues/goals, Netherlands/Belgium; 87R8276
population policy, Maritius; social scientists' proposal evaluated; 87R8270
population practices, rural indigenous community, Mexico; government demographic policies; 87R3084
population reproduction, policy issues, socialist societies; 87R6730
pronatalist policy, National Socialist regime *SS-Führerkorps*, Germany; 87R2735
quality of life, developing countries; demographic factors; 87R8269
reproductive trends/laws, Western Europe; 87T0311
single-child family rates, China vs other nations; census data; 87R2686
slave breeding, domestic slave era, US; documentary/testimonial/other data; 87R1816
World Population Plan, international conference policy issues; 87R8245

Populism
economic development, democratic socialism strategy, Jamaica; 1974-1980; 87R9540
egalitarian cultural populism, Johann Gottfried Herder's/Jules Michelet's defense, 19th-century France/Germany; contextual historical analysis; 87R5924
left- vs right-wing populist movements, economic/political/cultural/historical contexts; 87R1996
moral Right, New Zealand, Left counterapproaches; 87R3858
moral temper, US, modernity revolt; 87R6727
new fiscal populism, proponents' social/political characteristics, US/France; survey; mayors; 87S1951
political culture, US, liberalism/radicalism/fiscal populism; 87R7587
populism support, wheat vs cattle producers, Great Plains region; 19th century; 87S1991
populist ideology, New Zealand/US; 1860-1900; 87R2034

Pornography
antipornography groups' organization/mobilization, Quebec/US; 1970s; 87R8849
cultural change, public attitudes; pornography censorship; content analysis; policy positions media programs; 87S1939
men's pornographic magazines, women's sexuality/imagery; 87R2638
obscenity criterion, Canadian law, *R. v. Wagner*; 87R4454
pornography attitudes, Christian fundamentalists vs feminists; questionnaires, NORC General Social Surveys; 87R4402
pornography, feminist debate; 87S1939
pornography, penal law sanctions, Netherlands; feminist perspective; 87R6252
pornography/censorship issues; feminist perspective; 87R6409
pornography/sexuality relationships, liberal/conservative/feminist views critiqued; 87R2642
public opinion data usage, US Attorney General's Commission on Pornography, methodological problems; 87R9635
sexual violence perceptions, males; pornographic movie soundtrack; experiment; undergraduates, University of British Columbia; 87R1463
sexually explicit material, sexuality courses, antipornography debate; 87S1930
sexually explicit stimulus, males' vs females' responses; repeated exposure, novelty; experiment; 87R8326
video censorship debate, New Zealand; 87R1917

Portugal
asgricultural abandonment, rural peasant families, Portugal; secondary/empirical data; 87R9934
book market's organization, 19th-century Portugal; 87R3882
change proceses, rural village community, Santulhoa, Portugal; socioeconomic factors; historical analysis; 87R7825
democratization process, Greece/Spain/Portugal, elites' role/electoral system; mid-1970s; 87S1966
democratization, Greece/Portugal/Spain; economic growth; Seymour Martin Lipset's views critiqued; 87R5905
family values/attitudes/behavior, Portuguese youth, post-1974 revolution; statistical/interview/other data; 87S1999
family/marriage attitudes, Portuguese young people; national survey; 87R8338

female labor, rural migrants, Lisbon, Portugal; 87R4694
household composition, regional differences, 19th-century Portugal; electoral census, "Rol da Desobriga" residential listing; Minho municipalities; 87R2684
household composition/formation, Minho province, Portugal; literature review; 87R6434
industrial relations/labor process changes, Portuguese ship building industry; 1974-1984; 87S2002
labor markets/household budgets, rural Portugal; small-scale manufacturing enterprises; interview surveys; industrial workers; 87R6033

geography discipline, Kuhnian model; 87R8794
political science discipline/profession, historical development, GB vs US; 1950-present; 87R8710
positivist criminology, Adolphe Quetelet's contributions, 19th-century France; 87R6636
psychoanalysis, scientific status; 87R8712
social theory, 1960s vs 1980s; 87R5750
the self, Erving Goffman's skepticism/positivism; 87R1316
Theoretical Logic in Sociology by Jeffrey C. Alexander; review essay/reply; 87R9091

Postdoctoral Programs

applied sociology, National Institute of Mental Health postdoctoral training program; personal experiences; 87R6658

Postindustrial Societies

artistic production/work, postindustrial society; 87R7913
artistic work, sociological aspects, Italy; 87R7758
cultural institutions/artistic work, postindustrial society; 87R7200
cultural patterns, advanced industrial societies; questionnaire surveys; 87R9573
fashion industry, creative/managerial functions, Italian postindustrial society; 87R7383
ill-housed/homeless population, New York, political reform issues; survey; 87S1961
industrial-information society transition, US; 87R3402
information/communications technologies, modern society, space concept; 87R5835
Japanese family structure, William J. Goode's work; 87S1969
job satisfaction, high technology vs traditional industrial sectors; Silicon Valley, California; 87S1974
labor-work-leisure ratio, postindustrial capitalism; 87R7530
masculine identity, French men; women's movement; interview/published/other data; 87R6818
modern societies' development, Jürgen Habermas's & Hannah Arendt's theories; 87R7581
New Class theory tested; national surveys; 87R7695
political protest; postmaterialism; collective action theoretical perspective; 87S1974
postindustrial movement, urban underclass, racial dilemmas, US; demographic/labor market data; SMSAs, 1966, 1972, 1982; 87R2229
postindustrial societies, liberal education's role; 87R7936
postindustrial society, sociological approaches; Swiss Sociological Congress introduction, 1985; 87R1830
postindustrial-information society transformation, advanced societies; literature review; 87R8216
postmodernism/poststructuralism, Jürgen Habermas's critique, communicative rationality as modernist theory; 87R7609
postmodernity theory, Jean Baudrillard's work; 87R7503
public vs private life, postindustrial democracies; book review essay; 87R1992
social policy/processes, welfare state crisis, postindustrial society; 87R9726
social state concept, postmodern capitalism; 87R3973
sociology of work, postindustrial era, professionalization theories/concepts; 87R9916
urban sociability forms, postindustrial society; 87R2218
voting behavior, Netherlands; postmaterialist orientations; 87R7636
work organization, small/high-tech companies, US/France; 87S1979
work's role, postindustrial society; 87R9456

Potlatches

"potlatch" concept, Kwagul (Kwakiutl) society, British Columbia, ethnographic research issues; comments/reply; 87R1632
potlatching practice, Southern Kwakiutl, North America; historical data; 87R3648

Poverty

adolescent pregnancy/childbearing/parenthood, low-income blacks, US; literature review; 87T0542
aged population's size/characteristics, India, rural vs urban areas; 87R8239
antipoverty policy, France, minimum guaranteed income proposal; 87R8804
antipoverty policy, US, post-1965; 87R8811
black farmers' poverty/other problems, US South, governmental development/improvement strategies; 87S1928
black poverty, underclass vs economic racism explanations; 87R4041
black women/families, problems/issues; 87R5246
caseload increase, Aid to Families with Dependent Children-Unemployed Parent Program, Wisconsin; economic/administrative data; January 1972-October 1983; 87R5190
child maltreatment, young vs older adolescent mothers, Arizona; socioeconomic factors; case files; child protective services, Maricopa County; 1976-1978; 87T0394
child welfare conditions, Argentina/Latin America, legal system/policy issues; 87T0371
children's poverty; family size changes; 1964-1983; 87R8807
Chilean poor, popular economic organizations; 87R8814
community innovations, Urban Development Action Grant Program applicants, US; community differentiation/poverty/maturity/government; 87R4201
crime rates, US; economic structure, poverty, unemployment; cross-sectional analysis; 1980; 87T0788
crime/clearance rates; poverty, inequality; official data; US; 87S1982
economic mobility, elderly, rural South Asia; reproductive failure; fieldwork; 87R8434
economic situation, female-headed single-parent families, Quebec; statistics; 87R8815
economic well-being assessment, income vs family material hardship criteria; surveys; Chicago, Illinois; 87R6770
economic well-being, elderly, US; 87R2901
elderly, GB, poverty/disability/service utilization; national survey; 87R8638
famine relief operation, Ethiopia, political issues; 87R5189
feminization of poverty, liberal social positions; education; personal interviews; workers/leaders, Australia; 87R7978
financial abuse, elderly, US/Canada, state policy formation; 87R8625
food bank programs, Canada; social welfare cuts; 87R8823
food crisis center, Lexington, Kentucky, development/services; personal experience; 87S1993
gay men's relationships/lifestyles, acquired immune deficiency syndrome's impact; 87T0431

health lifestyles, health care services, lower-status persons' orientations; telephone interviews; Illinois; 87R2078
health status differences, rural vs urban preschool children, Costa Rica; cultural-ecological factors; field research; San Jose, Veintisiete de Abril; 87R4894
health status, Mexican-/black-/white-American children; single motherhood; national surveys; 87S1946
health status/services, rural population, Mexico, political/economic issues; fieldwork; Oaxaca; 87R6569
homicide rates; poverty; time-series data; Detroit, Michigan; 87R2921
income distribution, poverty levels, Yugoslavia; 87T0956
indigent health care, statewide policy planning; organizational processes, interest groups; Texas Task Force; 87R2804
legal services practice, bureaucratic demands vs professional autonomy; attorney time sheets, interviews; 87R4485
mass poverty, England, benefit system; official statistics; 87R6771
mortality patterns, adult/middle-age/elderly populations; poverty prevalence; 87S1989
"new poverty" concept, scientific acceptability; 87R3064
pension programs, poor mothers, 19th- vs 20th-century US; literature review; feminist perspective; 87R8821
poor as caste, modern societies, legal assistance; 87R2095
post widowhood poverty; work experience, life course variables; Panel Study of Income Dynamics; 87R6538
postindustrial movement, urban underclass, racial dilemmas, US; demographic/labor market data; SMSAs, 1966, 1972, 1982; 87R2229
poverty groups, Sitio Caimituhan, Philippines, development programs/strategies; participant observation; 87T0022
poverty persistence, dependency theory vs rent-seeking approach; literature review; 87R6774
poverty preventive measures; Elizabethan era; 87R8825
poverty rates; local opportunity structure; county-level data; South Carolina; 1979; 87R8826
poverty status, urban vs rural female family householders, socioeconomic/demographic differences; census; 87S1988
poverty variations, US; rurality; Census data; northeastern US, 1980; 87R3062
poverty, black community, feminization/racialization; 87R5186
poverty, Brazil, estimation methods; 87R8803
poverty, causes/persistence/policy; Panel Study of Income Dynamics; low-income individuals; 1969-1978; 87R3060
poverty, French political discourse; government discourse; 87R8824
poverty, noneconomic definition/typology; social policy; 87R6769
poverty, US, social stratification vs economic marginality analyses; 1976 National Election Survey; 87R2105
poverty-culture relationship, Chile, interdisciplinary analysis; 87R8812
poverty/deprivation, Hungary; interviews; 87R3059
poverty/income distribution, Uruguay, authoritarian government policy; 87R7866
poverty/relative deprivation concepts, statistical measurement problems; 87T0950
poverty/unemployment traps, tax/benefit structure reforms, UK; case study; 87T0954
poverty/unemployment, Reagan administration policy impact; 87R8820
poverty/welfare dependency; book review essay; 87R6766
poverty/welfare, public attitudes; surveys; 1980s; 87T0949
profit distribution, economic sectors, Uruguay; 87R2035
psychiatric emergencies, indigent persons, hospitalization evaluation decisions; participant observation; city-county hospital emergency room; 87R8554
public housing projects, France; 87R8813
racist attitudes, white residents, West Midlands, England; social class, age, geographic patterns; empirical data; 87R5553
real income distribution, developing nations vs industrial democracies; 87R4584
rural England, early modern times, servants/poverty; 3-book review essay; 87R2208
sample selection bias, War on Poverty Research, corrective statistical techniques; 87R5188
small-scale fishermen, Iloilo Province, Philippines, poverty/quality of life; interviews; 87R9352
social welfare program choices, middle class commitment; questionnaires; 87R6768
socioeconomic survival strategies, Barbadian women; case studies, life histories; 87T0974
survival charcteristics/mechanisms, poor households, Bangladesh; survey, interviews, case studies; 87R6772
welfare programs, conservative opposition; 87R8817
welfare system, US, political debate; 87R8816
worker-government conflict, Tunisia; 87R7477

Power
alcoholism recovery; social organizational variables; questionnaire; inner-city treatment center staff/patients; 87R4976
attributions' role, exchange transactions; power, status, inequity; vignettes; 87S1961
collaboration, human service delivery systems, power distribution/use issues; fieldwork, case study; 87R6660
empowerment model, organizational commitment/communication/resources; 87S1969
empowerment, measurement instrument developed/tested; literature review; 87R5322
Foucault, Michel, analytics of power, punitive practice application, theoretical limitations; 87R9100
Foucault, Michel, power/knowledge theories, mainstream US sociological theory critiqued; 87R9149
Foucault, Michel, responsibility problems, political theory, theory/practice dilemma; 87R9104
health policy, governmental vs professional control debate, decentralization/deprofessionalization alternative; 87R6552
intellectual power, France, Enlightenment-present; 87R9926
interpersonal power, intimate heterosexual relationships; relative dependence; survey questionnaire; university students; 87S1986
knowledge/power mechanisms, academic social scientists, South Africa; 87R9043
literacy/language politics, Hispanic women's experiences, Los Angeles, California; life history interviews; 87T1005
marital power, structural/processual dimensions; socioeconomically diverse couples; survey; 87R2671
marital roles/intimacy/power; cancer diagnosis/remission; interviews, written narratives, case study; 87R4754
moral rationales, male vs female coaches/athletes/nonathletes; questionnaire; 87R3918
national broadcasting, political elites' manipulation/power; 87S1955
Northern hemisphere's dominant organizations, Southern hemisphere's internal state legitimization loss/disorder, interactions/consequences; 87S2001
police calls, professional dominance thesis, linguistic strategies; case studies, published material; 87R1500
power concept, social sciences, theoretical approaches; 87R7584
power definitions, objective vs subjective models, research implications; 87R9155
power interactions, Commodore Matthew C. Perry-subordinates/Japanese, dramaturgical perspective; historical documents; 87R3949
power perceptions, female corporate directors, US; survey, interviews; 87S1957
power, exchange networks, vulnerability criterion; critique/reply; 87R1791
power, industrial relations, unitarist/pluralist/radical perspectives, systems/action/Marxist approaches; literature review; 87R5657
power, Machiavellian/Weberian views; 87R5489
power, unilateral monopolies; peripheral vs central position, weak vs strong connection type; 87S1974
power-centrality relationship, exchange networks; 87R5726
power/prestige legitimacy, task groups, theoretical model; 87R1409
productivity/workplace safety; capital/labor power relations; case studies; Chrysler automobile plants, Ryton, GB/Poissy, France; mid-1970s, mid-1980s; 87R9407
promotion decisions, large organizations, bureaucratic vs power criteria; 87S1951
social reality/problem negotiation; group power; case study; Rosebush Hotel owners vs residents, Chicago, Illinois; 87R6782
sociology of culture, Pierre Bourdieu's theory; 87R3384
statistical power, covariance structure models, analytical strategies; 87R5365
threats, power structure, symbolic interactionism/phenomenological situation theory; 87R9168
two-person cooperative games, economic vs social/political exchange, interaction model; 87R5502
wives' power, nonindustrial societies; nuclear vs extended family structure, residence/descent patterns; ethnographic data; 87R4774

Power Elite
elite empowerment/social construction expression, theatrical elements; secondary data; public drama; 87R9646
New Class theory tested; national surveys; 87R7695
power elite, Nigeria; 87R4004
power elite, rural villages, Delhi, India; case studies; 87R7679
traditional culture construction, elite's role Vanuatu; 87R4007

Power Structure
community association power structure, Japanese suburb, 1955-1983; 87T0853
corporate interlocks, crisis situations, financial vs nonfinancial firms; case studies; 87R5706
cousin marriage, European societies; ethnographic data; Andalusia (Spain); 1871-1975; 87R6430
dealienation process, worker self-managed factory, Stockholm, Sweden; 87R7462
elite empowerment/social construction expression, theatrical elements; secondary data; public drama; 87R9646
housing cooperatives, economic action/space appropriation, Montreal, Quebec; interviews, participant observation, documents; 87R5731
informal networks/organizational structures, county correctional institution; participant observation; Massachusetts; 87R1206
medical practice, bourgeois domination, radical/orthodox socialist viewpoints; 87R6561
political power relations, North Carolina, Jesse Helms's influence; survey/observational/other data; 87S1998
power as communication medium, social intervention rhetoric; 87R7050
power definitions, objective vs subjective models, research implications; 87R9155
power relations, advanced industrial societies; information technologies; 87R6683
power structure, US ruling class, G. William Domhoff's works defended; comment/reply; 87R5930
power, industrial relations, unitarist/pluralist/radical perspectives, systems/action/Marxist approaches; literature review; 87R5657
scientists' role, international power struggle, coercion vs cooperation; 87R2505
top leadership, large US corporations, 1919-1979; 87R5705
top social/political positions, occupants' influence, conceptualization/measurement issues; 87R3778
women's position, US organizational power structure, ruling class domination; survey, interviews, archival data; female corporate directors; 87R5961

Practitioner Patient Relationship
acute coronary artery disease, medical evaluation incidence/duration; case study; 87S1929
alcoholics' treatment, physicians' role, early 20th-century Sweden; 87T0707
alcoholism, middle-aged males, physicians' diagnosis; patient's social class; experiment; 87R4989
battered women, medical personnel vs other help sources, effectiveness ratings; literature review, national interview survey; 87T0957
birth process, obstetrical procedures, hospital settings; patient data, fieldwork; Riverside Medical Center, Tennessee; 87R2791
care continuity, postdischarge mental patients, hospital-community treatment/linking programs; 87R8548
childbirth patients, obstetricians' attitudes; gender, level-of-training; questionnaire interviews; 87R9929
childhood leukemia, parental coping processes; parent-hospital staff communications; interviews, participant observation; university hospital pediatric hematology clinic; 87R8470
clinically applied anthropology, medical care settings, functioning/viability; 87R3153
clinician/patient interactions, ethnographic observation methodology; case study; inner-city pediatric clinic; 87R8493
communication difficulties, English-speaking doctors/Spanish-speaking patients; audiotapted medical interviews; urban family practice clinic, San Jose, California; 87R4866
conversation analysis, doctor-patient relations; book review essay; 87R2785
court testimony, psychotherapist-patient privilege issue; case studies; court decisions; 87R8559
criminals' dangerousness, forensic psychiatrists' predictions/discretion; police/psychiatric/court records; criminal defendants, Northtown One-Day Assessment Clinic, Canada; 87R5200
death determination/definition, epistemological issues; 87R4803
discretionary antipsychotic medication, psychiatrists' prescription; patients' clinical/social characteristics; questionnaire, medical records; 87R2809
doctor-patient communication, cancer cases, Sweden vs West Germany; medical system organization/regulations; questionnaires; Malmö, Kiel; 87R4893
doctor-patient dialogue analysis, methodological approaches; 87R8502
doctor-patient discourse, conceptual structures; taped interviews; 87R8469
doctor-patient relationship, asymmetries; interviews, tape-recorded consultation analyses; Vienna, Austria hospitals; 1981-1983; 87R4897
doctor-patient relationship, Germany; medical specialization, public hygiene policy; 100-year analysis; 87R4872
doctor-terminal patient communication; doctor's death attitudes; questionnaires; family doctors, medical students, midwestern US university; 87R2741
doctors' status, doctors'/patients' attitudes; 87R2786
ethical problems, medical practice, Christian professional viewpoint; 87R4106
family members-medical professionals interaction, linguistic analysis; videotaped conversations; video-taped conversation analyzed; spoken/written channels; information negotiation, methodological benefits; 87T0632
fetal care, maternal/doctors' responsibility, legal issues; case study; diabetic woman; 87R3117
fraudulent psychiatric services charges, legal investigations, doctor-patient privilege issue; case study; 87R8152
general practice consultations, rates/nature, GB; patient's social class; literature review, tape recordings, interviews; 87R4815
genetic counseling medical group, sociologist's fieldwork experience; 87R2755
geriatric sex problems; 87R5011
geriatric sexuality/sex problems; 87R5014
health care alternatives, utilization patterns, physicians'/patients' influence; initiative; participant observation, interviews; mainstream/alternative hemodialysis centers; 87R4836
health care beliefs/practice, rural Italy; field research; 87R7275
health care services, general systems approach, patient-hospital-community relationships; 87R4889
health information, patient recall ability; doctor/patient gender, nonverbal expressiveness; experiments; 87R3119
health service utilization, US elderly, age/period/cohort effects; US Health Interview Surveys; 1972, 1976, 1980; 87R5025
hospital patients, pre-/postoperative care improvement; psychosocial intervention program; case study; Vienna, Austria; 87R4896
illness definitions/symtomatology, medical treatment; doctor-patient relationship, societal health ethic; 87R5235
infant welfare movement, early 20th-century Australia, medical profession's rhetoric; 87R3091
interactive frames/knowledge schema, medical examination/interview; videotape, pediatrician-mother exchange; 87R9194
life prolongation, elderly outpatients'/health care professionals' perceptions; interviews; 87S1931
medical diagnostics, gnoseological analysis; 87R4847
medical ethics, Habermasian communicative action framework; 87R4895
medical ethics, paternalism issue, US vs USSR; 87R4489
medicine, micropolitical processes, ideological/social control issues; 87R8521
mentally ill, medical students' attributes; questionnaire; Tel Aviv, Israel; 87R2812
nervousness treatment/causes, female vs male patients; 19th-century US doctors' gender-role/social class attitudes; 87R6546
neurotic depression overdiagnosis, women; genetic/environmental/cultural/linguistic factors; 87T0664
obstetrical practices/doctor-patient relationship, midwife dispensary, New York City, 1890-1913; case records; 87T0586
outpatient psychotherapeutic care, quantity/quality; client social status; interviews; 87R6579
patient belief models/compliancy behavior, Moroccan-Jewish hypertensives; health intervention, patient-doctor negotiation; questionnaire-interview; 87T0593
patient health care complaints, Netherlands; book review essay; 87R4845
patient understanding/retention, medical advice, Dominican Republic; observation, interviews; patients, rural clinic, El Rio district; 87T0634
patient-doctor communication problems, Turkish women, Western Europe; personal experience; 87R8890
patient-doctor communication; home setting, family members' knowledge; checklist; 87R8511
patient-practitioner encounters, interaction analysis technique; observation; 87R6541
patient's refusal/treatment rights, emergency situations; 87R4942
physical illness-psychological stress relationship; doctor-patient communication; case studies; 87R4842
physician impairment, rehabilitative programs, potential harm assessments; secondary/other data; 87R2157
physician-patient loyalty conflicts, social control functions vs patient's best interests; literature review; 87R9909

plastic surgery, elective vs moral imperative justifications, women's/surgeons' attitudes; interviews; 87S1954
pluralistic communities, doctor's role; 87R2784
primary medical care, physician commitment, Israel; interviews; 87R8459
primary medical care, Sweden, institutional development; interest groups; 87R4841
professional- vs patient-centered orientations, Israeli primary care physicians; interviews; 87S1947
provider-patient relationship; patient communicative behavior; inventories; lower-back-pain patients; 87R4863
psychiatric deinstitutionalization, Italy vs Europe/US; 87T0656
psychological distress/perceived health status/doctor utilization, Americans vs West Germans; 87S1951
refusal of medical treatment, case/statutory law, institutional implications; 87R4881
resident-patient relationships, surgery/psychiatry staff, urban hospital; participant observation, interviews; 87S1968
severely handicapped newborns, treatment decision-making issues; 87R6530
sexual contact prevalence, psychiatrists/patients, gender differences; national survey, psychiatrists, US; 87T0649
staff-patient interaction, intensive care units; technologically intensive medical intervention, staff attitudes; conversation analysis, field research; West German hospital; 1980-1983; 87R4873
stress/anxiety; medical advice seeking, health screening interviews; 87R4812
suicidal patients, commitment criteria validity; literature review; 87T0668
surgical practice communication skills, medical school educational program, Massachusetts; 87T0574
terminal prognosis communication, physicians' attitudes; literature review; 1950s-1980s; 87T0654
therapeutic community, interpersonal/intergroup tensions; case study; coercive borderline patient; 87R8934
therapist-client relations, emotional expression/control issues; audiorecordings; 87T0651
total medication use, elderly, doctor-patient communication strategy; 87S1941
traditional Shamanistic healing practices, Okinawa; fieldwork, interviews, case studies; 87R6577
transference issues, Jewish therapist-Arab patient dyad; 87R8932
treatment research, researcher/practitioner/patient relationship patterns; case studies; 87R8987
West German medical establishment, Turkish women's expectations/satisfaction; 87R8471

Pragmatics
pragmatics/communicative interaction theory, Jürgen Habermas's/Justin Buchler's thought; 87R3393

Pragmatism
meaning uncertainty, quantum/pragmatic vs classical physics/structuralist theories; 87R3171
social science vs natural science models, antinaturalist/pragmatic arguments; 87R8969

Prague, Czechoslovakia
apartment buildings, Prague, Czechoslovakia, suburban development/architectural style; 19th century-present; 87R6069

Praxis
discourse vs praxis, social study of science; 87R4560
educational research, scientific praxis concept; 87R5334
praxis philosophy, sociological transformation, Anthony Giddens's structuration theory; 87R9151
scientific knowledge generation, praxis vs discourse models; 87R4558
social movements' collective identity formation, Antonio Gramsci's/Frankfurt school's theories; 87R9252

Prediction
anorexia nervosa patients, death/relapse prediction; Copenhagen, Denmark; longitudinal analysis; 87R4968
child delinquency prediction, peer behavior evaluations; scales; first-graders, Montreal, Quebec; 87T0808
chronic juvenile delinquency, predictive factors; literature review; 87T0793
crime/traffic accidents; group meditation/prayer; questionnaire, statistics; 87R4435
criminal recidivism, clinical vs statistical predictors; official records; prisoners, Israel; 87R2468
decision-making skills, large systems, evolutionary unpredictability; 87R2999
disasters, coping/evacuation behavior, psychological responses; surveys; Ohbu/Nagasaki/Ako/Tsubota, Japan; 87R3049
earthquake prediction technology, policy formulation, US vs Japan; 87R6334
earthquake prediction, policy/public attitudes, US vs Japan, panel survey; Shizuoka, Japan/southern California; 87R3045
Earthquake Preparedness Project, southern California; 87R3048
election-night predictions, Italian television, reliability/accuracy; 87R1995
family planning status, potential fertility; selection factors; 87R4791
grade average prediction accuracy, age/sex/racial-ethnic subgroups, college freshman; subgroup/dummy variable prediction equations; American College Testing Program data; 87R6169
juvenile delinquency precursors, predictive efficiency; longitudinal data; 87T0825
national preelection estimates; respondent selection/interviewing techniques; case study; 1984 US presidential election; 87R7657
political/social forecasting, methodological problems, conflict analysis technique suggested; *Time* magazine predictions, 1984 US presidential race; 87R7602
poll forecasts, national elections, predictive accuracy; 87R1986
probation/parole decision making, behavioral prediction recommendations; 87R2480
psychological disorders, personal risk factors; questionnaire interviews; adults, Athens, Greece; 87R2825
reflexive public predictions, theoretical analysis; 87R6849
social science prediction/decision rules, microcomputer program; 87R9017
violence prediction, behavioral science theories; juvenile court records; Montreal, Quebec; 87T0965
voting outcomes, politicians' vs voters' predictive accuracy; survey; ballot measures, Oregon; 87R2026

Prediction Models
alcoholism recovery; social organizational variables; questionnaire; inner-city treatment center staff/patients; 87R4976
anorexia/bulimia nervosa epidemiology, Eating Attitudes Test predictive value; 87R4985
demographic projection/inverse projection, ergodicity, mathematical analysis; 87R8278
drug use, adolescents; conformity, commitment, religiousness, parental variables; data reanalysis; simplex vs nonsimplex prediction models evaluated; 87R6384
drug use/abuse, early predictive factors, social development model, children/adolescents; literature review; 87R8584
fertility analysis, Easterlin-Crimmins Synthesis Model critiqued; US, Colombia, Costa Rica, Nepal, Sri Lanka; 87R4607
grade average prediction accuracy, age/sex/racial-ethnic subgroups, college freshman; subgroup/dummy variable prediction equations; American College Testing Program data; 87R6169
marijuana, use escalation, predictive factors; longitudinal questionnaires/interviews; 87R1488
nuclear accidents, at-risk population, time-of-day variations; interviews; households, US; 87T0918
population ecology, specialist vs generalist organizations, "fitness-set" theory critiqued; reply; 87R5707
postearthquake restoration processes, prediction model; Sendai City, Japan; 87R3047
predictor vs criterion variables, nexus analytic approach; 87R5350
rural community development program; socioeconomic growth; dynamic interactive model, predictive ability; Banham Municipality, Fannin County, Texas; 87R2995
school dropout, academically marginal students; predictor variables; interviews; 87R6374
school dropout, juvenile delinquents, prediction model; interviews; 87R9013
socioeconomic modeling, design approach, computer simulation; case study; Canada; 87R9014
stress adaptation, families; family system type; Family Adjustment and Adaptation Response (FAAR)/Circumplex models evaluated; 87R2677
well-being, female heads of households, predictive factors; national interview survey; 87R8374

Preferences
Americal Sociological Association teaching services program workshops; computer interview survey; 1985/86 annual meeting participants; 87R5377
breast vs bottle feeding, Anglos vs Hispanics; interviews; mothers, US; 87T0515
childrearing attitudes/perceptions, married/single women preferring no/one/two children; first child's birth; questionnaire; 87R4708
contemporary music perception/consumption; survey; France; 87R2275

drinking location selection, convicted drunken drivers; sociodemographic characteristics; questionnaires; Mississippi; 1982/83; 87T0713
economic policy preferences; social class/status; survey; adult residents, Indiana; 87R9894
energy supply systems, citizens' intuitive vs calculated preferences, additive utility model; empirical studies; 87R6755
family lifestyle attitudes/plans, high school students; peer/parent influences; questionnaires; Ohio; 87R5534
family type preferences, social/economic factors, Taiwan; national survey; 87T0520
fertility decisions, exchange theory; interviews; couples; 1980, 1983; 87T0516
friendships/academic tasks, students' out-group choices; teachers' tender- vs tough-minded attitudes; survey; 87R8002
housing architectural styles, meaning attributions; scales; 87S1932
infant-mother relationship; maternal auditory stimulation; experiment; Toronto, Ontario; 87R3464
interregional migration selectivity, US; socioeconomic regional changes; Current Population Surveys; 1970-1983; 87R4601
literary genres'/their readers' social hierarchy; interviews; readers, public libraries, France; 87R2290
living wills, older people's interests/preferences; interviews; 87S1934
mate selection preferences, homo-/heterosexual couples; social vs evolutionary factors; 87S1962
mayoral change, social stability, Japan; voters' preference structure; computer simulated model; 87R7572
medical service utilization, Khmer refugee parents, Dallas, Texas; medical beliefs/practices/expectations; 87R3547
musical taste, socialist youth, Eastern Europe; 87R8306
news media, attention/exposure measurement, self-report questionnaires' validity/reliability; longitudinal interviews; adolescents/parents, US; 87R9640
occupational choice; personality/taste/conventional factors; company records; 87R4092
program type preference, West German television viewers; questionnaire survey; 87R7509
racial preferences, self-identity, Canadian Indian children; test language, experimenter race; experiment; Ojibwa reservation; 87R6864
reader preferences, USSR; questionnaire; youth, adults, bookdealers; 87R6958
residential segregation, blacks/whites, metropolitan US; socioeconomic/personal preference/structural/discrimination factors; national censuses, local surveys; 87R7852
secondary school assignment, parents' choice, France; questionnaire survey; 87R4271
skin color preference, class differences, gene/culture co-evolution; secondary data, Human Relations Area Files; 87R2588
social care policy, elderly's needs/preferences; interviews; 1983; Queensland, Australia; 87T0731
social class formation/conflict, Pierre Bourdieu's theory; 87R1304
Spanish-language radio/television preferences, Mexican-Americans vs other Hispanics, US; interviews; 87R7510
sport stratification/preferences/choices, Sweden, social influences; questionnaire, survey; 87R7556
US fertility rate, 1867-1955, parity progression model; census/survey/other data; 87T0554
US tertiary education, Asian students' preference; UNESCO data; 87R2308
voter preferences/decision making; group size; R. G. Niemi's partial single-peakedness; phenomenon extended; 87R7596
wine consumption, colored farm laborers, South Africa; anomie; 87R8614

Pregnancy
abortion/contraception/childbearing decision making, black teenage females; sociodemographic characteristics/educational attitudes/sex education & experience/friends' influences; interviews; 87R4795
abused vs nonabused pregnant low-income women, risk/stress characteristics; interviews; 87T0970
adolescent mothers-partners, behavioral characteristics; intracouple age discrepancies; 87T0412
adolescent pregnancy, US, policy options/interventions; legislation, offical reports; 1970-1985; 87R6379
black teenage pregnancy, Washington, DC; interviews; 87R8322
fecundity/pregnancy, seasonal differences; demographic factors; national data; 87S1984
fertility behavior, Filipino women; pregnancy status evaluation/other factors; survey; married women, Misamis Oriental, Philippines; 87R6414
in vitro fertilization process, social/interactive aspects; 87S1969
job position reassignment refusal, pregnant/nursing female workers, Quebec; statistics; 1981-1984; 87R9425
low socioeconomic status pregnant adolescents, Santiago, Chile, sociocultural characteristics; interviews; 87T0388
marital adjustment, infertile vs first-pregnancy couples; distress/stress; questionnaires; 87R6455
married women's perinatal labor force participation; personal attitudes; National Longitudinal Surveys of Labor Market Experience of Young Women; 87R5642
maternal/infant health outcomes, unmarried pregnant adolescents; psychosocial influences; questionnaire; Pima County, Arizona; 87R4651
neonatal health, pregnancy complications, antenatal care, mentally ill vs other mothers, Stockholm, Sweden; hospital/psychiatric records; 1976/77; 87R6578
perinatal mortality, West Germany, pregnancy counseling/government policies; statistics; 87R8444
perinatal outcome; pregnant women's employment; epidemiological studies; 87R3733
pregnancy outcomes/birthweights; social support; literature review; 87R4934
pregnant women's work reassignment, high risk workplaces, Quebec; 1979 legislation; interviews, statistics; 1984-1986; 87R9364
premarital pregnancy occurrence/outcome; ethnic/socioeconomic variables; interviews; females; 87T0725
prenatal care utilization; sociodemographic/psychological/health variables; 87R8490
reproductive technologies, secrecy/stigma, users' attitudes; interviews, questionnaire; 87S1940
sexual activity/contraceptive knowledge/pregnancy, adolescents, US; sex education; National Survey of Family Growth-Cycle III; 1982; 87R4680
sexual/contraceptive knowledge, adolescents; health-belief attitudes, sex education, demographics; scales; 87R4656
teenage out-of-wedlock childbearing; birth control knowledge vs family attitudes; survey; 87T0403
teenage pregnancy, developmental outcome; socioeconomic factors; questionnaires; black/hispanic mothers, New York City, New York; 87T0541
teenage pregnancy/premarital sexual activity, US, social factors/government actions; 87R2613
workplace reproductive hazards, exclusionary/protective legislation, US vs GB; feminist perspective; 87R5655

Prejudice
acquired immune deficiency syndrome victims, community rejection; survey; Muncie, Indiana; 87R8479
acquired immune deficiency syndrome, legal/medical responses, US/Finland/Netherlands; homosexuality prejudice; 87R6547
criminal sentencing, racial discrimination; literature review, case data; 87R2437
ethnic attitude/prejudice expression, daily conversations, Amsterdam, Netherlands; 87R4236
ethnocentrism/colonialism, cross-cultural research, Eastern vs Western psychologists' attitudes; 87R3531
Haitian immigrants/refugees, US, invisibility/adaptation; secondary fieldwork studies; 87R3542
Indian immigration, Canadian policy, discrimination/prejudice; 87R3808
Ku Klux Klan support/opposition, Tennessee adults, correlated factors; telephone survey; 87R7407
pluralistic ignorance phenomenon, research/epistemological roots; 87R7022
prejudice reduction, Indian Vedāntic approach; 87R3558
prejudice research, cognitive information processing perspective; 87R1465
prejudice research, methodological/theoretical approaches; 87R1466
racial tolerance/prejudice, US; urbanism/region/migration; 87R9316
racial/ethnic prejudice elimination, social anthropology's role, GB; critique; 87T0598
racial/ethnic prejudice; intergroup contact; content analysis; sociology journal articles; 87R1553
social inequalities, intergroup attitudes; education; Mary Jackman's/Michael Muha's theory evaluated; 87R8034

Premarital Sex
dating/marriage desirability; sexual behavior/experience; questionnaires; single undergraduates, North Dakota; 87R2635
emotional intimacy, premarital relationships; career choice; survey; 87R7104
premarital fertility behavior, black vs white women, US; national survey; 87T0540

premarital sexual activity, adolescents; parental communication, traditional/liberal parental attitudes, gender; National Survey of Children; 15-/16-year-olds; 1981; 87R6405
premarital sexual activity, Ijo communities, Nigeria; descent rules; questionnaires, interviews, observations; 87R8310
premarital sexual activity, marriage/divorce attitudes; parental marital status; interviews, questionnaires; young unmarried female university students; 87R6404
premarital sexual behavior, prevalence/timing, black vs white youths; 87T0433
premarital sexual behavior/attitude changes, undergraduates; religiosity/socioeconomic/other factors; questionnaires; church-related southern US university; 87R8304
premarital sexual conduct/attitudes; sex differences, dating stage; questionnaires; students/nonstudents; 87R2624
religions/sexual behavior, church-affiliated college freshmen; parents'/friends' behavior; questionnaires; 87R6410
sex/violence/drug/other attitudes, adolescents; music television viewing; survey; 87R6383
teenage pregnancy/premarital sexual activity, US, social factors/government actions; 87R2613

Preschool Children
childrearing attitudes/behaviors, preschoolers' mothers, rural/mining towns, Australia; extrafamilial/background factors; interviews; 87R4636
children's academic performance/ability; maternal age/other variables; school screening data; 87R7988
children's sex-role differences; teachers'/parents' behavior; observation, "infant" school children; GB; 87R4315
cognitive/motivational competence, infant/preschool children, middle-class families; parental care quality/style; 87R7172
family interaction characteristics, mother-child dyads; early age intervention; experiment, interviews; 87R7699
health status differences, rural vs urban preschool children, Costa Rica; cultural-ecological factors; field research; San Jose, Veintisiete de Abril; 87R4894
normal vs hearing impaired preschool children, family stress/coping/adaptations; survey; 87R8293
preschool children's self-concept, tactile/visual investigatory technique; 87R4645
social relations/gender roles, same-sex groups, kindergarten classrooms; field notes, audiotapes; Minneapolis, Minnesota/Cincinnati, Ohio; 87T1024
young children, sex difference development; home activities; random spot observation; middle class families, US; 87T0525

Preschool Education
child sexual abuse, day care settings; victim/organizational characteristics; national data; 87S1944
children's cognitive/socioemotional development; Head Start program participation; secondary data; 87S1971

Preservation
historical monument preservation, Polish rural families' attitudes; 87R2191
household composition/formation, Minho province, Portugal; literature review; 87R6434

Presidents
civil religious beliefs, US presidents, voluntarism theme; 87S1929
most admired figures, Gallup Poll trends; 1947-1984; 87R5820
party polarization, presidential nominations process, US; 87R3985
political television commercials, US, cultural/ideology/identity messages; 87R4024
president's popularity stability, US panel interview survey; Texas; 1982; 87R5945
print media's editorial policy; US Presidents' criticism; content analysis; daily newspapers; 1970; 87R1915
voting behavior; candidate-elector personality congruence; election data; longitudinal analysis; 87R3968

Prestige
applied sociology, professional denigration, academic settings, Irwin Deutscher's analysis; 87R6998
black academic performance; university prestige; 87R2359
dispute resolution, Fiji, apologies' role; ethnographic case study, Human Relations Area Files; 87R5517
Dutch Medals of Honor, recipients' attitudes; questionnaires; 87R7675
evaluative citation analysis, citer motivation; interviews; authors, University of Iowa; 87T0228
fertility behavior, Filipino women; pregnancy status evaluation/other factors; survey; married women, Misamis Oriental, Philippines; 87R6414
graduate school academic hierarchy, stratification/prestige/equality issues; national questionnnaire survey; graduate students; 1969; 87T0108
graduate/professional school prestige; student's grades/sociodemographic characteristics/undergraduate institutions' prestige; 1969 national survey, US universities/colleges; 87R6149
intelligentsia's social status, socialist societies, Soviet sociological research/theory; 87R7680
management research publications, academic prestige ratings; journal/prose passage readability; questionnaires; faculty members; 87R4525
occupational prestige characteristics, male vs female workers, US labor force; census; 87R7706
occupational prestige scale, validity/reliability, Netherlands; 87R3200
occupational rank orderings, Australia/US, theoretical/empirical issues; 87R7730
personal flow, US training hospitals, physicians; prestige hierarchies; questionnaires, interviews, directory data; 87R9903
power/prestige legitimacy, task groups, theoretical model; 87R1409
prestige rankings, US/Canadian academic institutions, explanatory factors; panel ratings; 87S1985
professional prestige research, Dutch sociology; 87R4121
social position/power, physicians; 87R4127
status hierarchy, medical profession, Czechoslovakia; published data; 87S1961

Pretrial Release
preventive detention, sexually violent offenders, Canada; regional/socioeconomic/offense disparities; parole files, questionnaires; 87R8183

Prevention
adolescent drinking/driving-riding behavior, social learning model; survey; 87R4957
adolescent drug prevention program effectiveness, peer vs other programs; 87R8613
adolescent drug use; adverse drug reaction, psychological stress; 87R4967
adolescent pregnancy-prevention programs, evaluation model; surveys; students; 87R4799
alcohol abuse, individual/population risks, prevention/treatment issues; Stockholm Adoption Study; 87R2866
alcohol-related damage, distribution of consumption prevention approach; 87R2863
alcoholism prevention, distribution of consumption model; county-level statistics; Ontario; 87R8605
alcoholism prevention, distribution of consumption model; sociodemographic variables; county-level statistics; Ontario; 87R8579
cardiovascular disease prevention, family psychosocial factors; 87R8520
child abuse research, definitions, approaches; 87R4639
child/spouse abuse, military families, Hawaii, project development; 87T0966
drug abuse prevention/rehabilitation trends, USSR; 1920s-1960s; 87R8566
drug preventive education, treatment/rehabilitation programs, Singapore; 87R4966
drunk-driving deterrence, politically involved groups, research/policy issues; 87T0877
family violence classes, at-risk populations, teaching problems; 87S1932
genocide, bystanders' noninvolvement, Bibb Latane's/John Darley's formulations; 87R9704
high blood pressure prevention, intervention program, social-psychological models; questionnaire; employee participants; 87S1988
illness prevention/treatment behavior, Health Belief Model; 87R8504
leprosy, social-biomedical treatment model; 87T0635
mental health/disorder; physical/psychosocial/sociocultural supplies access; questionnaire; residents, North Carolina; 87R6586
newborn mortality, Italy; medical records; Institute of Puericulture & Neonatal Medicine, Genoa (Italy) University; 1960-1980; 87R4590
nuclear war prevention, social science research utility; 87R5290
occupational accidents, construction sector, France; work organization stability; fieldwork; 1985; 87R9388
occupational health/safety services introduction, industrial firms, Canada; questionnaire; firm administrators; 87R9463
perinatal mortality, West Germany, pregnancy counseling/government policies; statistics; 87R8444
preventive health promotion, abuses/misuses; 87R2769
preventive medicine, social costs, legal opposition; 87R6570
public health, preventive medicine/community health course, medical students' attitudes/perceptions; questionnaires; Brooklyn, New York; 87T0098
smallpox vaccine acceptance, northern India; traditional medical beliefs; interviews; 1974/75 smallpox eradication program partici-

pants; 87R4817
substance abuse prevention program, middle-school children, curriculum evaluation; 87R8602
substance intervention/prevention, adolescent treatment programs, demographic-based stratification approach; survey; 87R4982
suicide prevention, Ronald Maris/Thomas Szasz debate; award address; 87R9231
technological catastrophes, stress prevention, policy issues; 87R8778
white-collar work automation, productivity/culture/health issues; 87R9349
wife abuse film, parochial school males' justifiability ratings; demographic variables; experiment; 87R6783

Prices
monetary adjustment process, prices' downward inflexibility; 87R3841
price determination, institutionalization patterns; 87R9574

Priests
occupational stress, religious leaders; questionnaires, scales, interviews; 87R7782
power relations, priest/lay brothers, Lindenburgh monastery, Netherlands; internal institutional change, external influences; 1967-1974; 87R4366
religious phenomena research, Europe, survey/statistical techniques; 6-book review essay; 87R4432
sexuality behaviors/attitudes, homosexual priests, US; questionnaire; 87S1987

Primary Education
educational performance, primary schoolchildren; parents' cultural resources; empirical analysis; 87R4304
primary-secondary school transition, scholastic achievement's role; school records; Dutch students; 87R4351
sickness claims, primary schoolchildren, teachers' interpretations; interviews, observations; England; 87R2349

Primates
individual reproductive success, nonhuman primates; social relationships/cognition; experiments/observation; 87R9203
primates' sociopolitical behavior, political science vs primatology theory; 87R8284
social psychology of nonhuman primates, research issues; 87R5506

Principals
statewide principal evaluation systems, inconsistencies/breakdowns; questionnaires; principals, superintendents; 87R7981

Printing
sexual division of labor/skill contradictions, printing industry; computer technology; 87S1936

Priorities
family/career priorities, professional men/women; 1980s; 87R2167

Prison Culture
criminal skills, incarcerated heroin addicts; prison learning; self-reports; addiction treatment center, Baltimore, Maryland; 87R5538
prison newspapers, censorship, inmates' constitutional rights; case studies; US; 87R2481
women's prisons, GB, age-mixing policy; records, interviews; 87R8166

Prisoners
criminal lifestyle, Swedish welfare society; interviews; criminals; 87R6634
criminal recidivism, clinical vs statistical predictors; official records; prisoners, Israel; 87R2468
decarceration process, US/England/Wales, social control issues; 87R8131
decision-making skills, prison inmates; training program participation; experiment; correctional facilities, Massachusetts; 87R4506
educational organization development, state prison inmates; enacted social movement; 87R1849
life history writing, author's experiences; case study; 87R5328
media use, prison inmates, frequency/diversity/derived gratification; questionnaire; 87R2474
offender classification types, incarcerated adults, Dammam Central Prison, Saudi Arabia; interviews, prison records; 87R8641
perceived threat levels; punishment; self-administered questionnaires, personal interviews; federal prison inmates; 87R7101
prison adjustment, individual/organizational/transactional dimensions, classification schemes; official records, interviews; 87R8184
prison education, inmates' participation/attitudes; interviews; prison inmates aged 19-25, Bordentown, New Jersey; 87R2482
prison/postprison experiences, recidivists vs nonrecidivists; questionnaire interviews; 87R4519
prisoner volunteer subjects, biomedical research, ethical/scientific issues; 87R6321
prisoners' families, financial/psychological/social burdens, policy implications, GB; interviews, written documents; 87R8412
prisoners' treatment, GB's vs other West European states' criminal justice systems; case studies; 87R6276
rape behavior/attitudes, rapists vs other felons; sociocultural myths, aggressive socialization; questionnaires, interviews, psychological scales; prisoners, Virginia; 87R6647
rape tolerance, adolescents/college students/prisoners/community members; sexist/antisocial attitudes/personality; psychological scales; Wisconsin; 87R8865
rule-breaking behavior, prison inmates; preinstitutionalization/institution-related traits; census survey; 87R2467
social distance from minorities, prison inmates vs college students; questionnaire; prisoners; 87R9305
subjective concerns, incarcerated males; demographic variables; 87R4515
substance use, incarcerated young males; arrest/adjudication/incarceration attitudes; scales; 87R8592

Prisoners of War
prisoners'-of-war families, coping strategies; longitudinal data; 87R9479

Prisons
alienation/powerlessness/social isolation, correctional officers, Montana State Prison; prison structural variables; questionnaires; 87R7803
correctional facilities provision, private industry's role; 87R8162
correctional institutions, academic/vocational education programs, California; institutional security/crowding/finances; descriptive/official data; 1980-1985; 87R4505
correctional institutions, judicial interventions, Arkansas; case study; 87R2443
correctional institutions, security levels, classification system; case example; 87R4511
crime control, penitentiary development, Illinois; historical data; early 19th century; 87R4520
determinate sentencing reform, objective attainment; Illinois, Minnesota, Connecticut; 87R4507
educational organization development, state prison inmates; enacted social movement; 87R1849
future correctional institutions, conditions/programs; 87R4514
informal networks/organizational structures, county correctional institution; participant observation; Massachusetts; 87R1206
interaction style, correctional officers; urbanization, race, age; questionnaires; maximum security prisons, New York; 87R2473
legalized prison discipline, Canada; 87R8173
medical practice, job stress/conflicts, federal prisons; questionnaires, interviews; 87R9885
modern reformatory prison development, Western vs Eastern societies; archival surveys; Tokugawa, Japan; 18th century; 87S1962
objective prison classification systems, design/implementation evaluation; 87R4501
objective prison classification systems, development/implementation/evaluation activities; survey; US; 87R4503
prison abolition, political issues; 87R2440
prison abolitionism, criminal justice system reform; 87R2451
prison after care services, New Zealand, policy issues; self-report survey questionnaire; professional/volunteer service providers; 87R6289
prison classification risk assessment instruments, validation research designs/methods; 87R4510
prison crowding/crime rate, Illinois; early release program; National Council on Crime & Delinquency data; 1980-1983; 87R4502
prison education, inmates' participation/attitudes; interviews; prison inmates aged 19-25, Bordentown, New Jersey; 87R2482
prison industry, NY, 18th-20th century; 87S1957
prison newspapers, censorship, inmates' constitutional rights; case studies; US; 87R2481
prison riot variables, identification theory; case studies; state prisons, New Mexico, Michigan, California, Illinois, New York; 1967-1981; 87T0225
prison violence; crowding vs social control models; death logs, disciplinary/major incident reports, field observations; Texas; 87R2463
research obstacles/state interference, correctional institutional settings; personal experience; 87R3215
small-group prison concept, applicability in GB; 87R2478
student achievement, prison classroom; teacher expectations; participant observation; 87R2465

Privacy
acquired immune deficiency syndrome, homosexual bathhouse closure, constitutional issues; 87R4491
adolescent sexuality/childrearing, privacy rights, cultural/legal issues, US; Supreme Court decisions; 87T0390
media vs personal images, legal ownership rights; case analyses; 87R1924

modern society, privatization tendency; 87T0003
personal data, 1986 West German dissemination restriction law, social science implications; 87R3265
published consentless sexual portrayals, individual rights legal doctrine; 87R8100
undercover practices/surveillance, technological expansion; 87R5135
university administrative candidates, search/selection process, public disclosure consequences; case study; 87R6154

Private Schools
academic achievement; school system choice; secondary school students, Queensland, Australia; 1980, 1982; 87R2304
classroom instruction, Catholic junior high school, Toronto, Ontario, ritualistic/symbolic aspects; 87R8075
educational achievement, public vs private high schools; socially ascribed factors; Scholastic Aptitude Test scores; 87R6123
Israeli residential schools, structure/internal dynamics; 87R4313
Italian immigrant community schools, late 1800s, Argentina; 87T0347
leisure socialization, children; socialization agents, family relationships; interviews; day school grades 1, 3, 5, 7; 87R2338
microcomputers' emergence, private secondary boarding school students' response; field data; 87R8016
student academic achievement; single-/mixed-sex Catholic vs public schools, US; National Longitudinal Study of the High School Class of 1972, questionnaire, academic test scores; 87R4333
students' educational characteristics, public vs private school seniors; 1980 High School & Beyond Survey; 87R6151
upper class cohesion, social registry, Nichols School, Buffalo, New York; biographical material; 1892-1977; 87R2075

Private Sector
Archipelago National Park development, Montreal, Quebec, state/municipal/private agencies' participation; case studies; 87R5849
bank privatization, economic effects, Third World countries; 87S2001
broadcasting services, state monopoly vs private ownership alternative, West Germany; 87R7515
"Censis" social research institution, Italy; conference papers; 87R5499
charity-state relations, England/Canada/US; 87R8747
correctional facilities provision, private industry's role; 87R8162
health service structure, INSALUD, Spain; economic/social factors, private vs public center concerns; 87R4928
housing rehabilitation, market intervention rationale critiqued; case study; Canada Mortgage & Housing Corporation; 87R9792
labor market segmentation/mobility, public/private sectors, Denmark; statistics, survey; 87R1655
legal system, Italy, private vs public interests; 87R8094
organizational development, private voluntary associations, Third World; institutional/structural factors; field research; Nigeria, Senegal, Togo; 87R7413
performance characteristics, private product-producing vs public human service organizations;; 87S1978
private policing/security, crime prevention measures; national/other data; 87S1939
private sector's role, Hungarian economy; 87R9401
privatization phenomenon, capitalist/socialist societies; 87R2002
privatization trend, Soviet society; 87S1979
public television, interorganizational funding network, US; political environment; Public Broadcasting Service time-interval data; 1976, 1979, 1982; 87R3764
reconstruction policy, post-1985 earthquakes, Mexico City; official decrees; 87R8787
shelter/camp residents' characteristics, post-1985 earthquakes, Mexico City; questionnaire; 87R8782
small-town vigilante murder, mass media coverage; court records; 87R7512
social security program improvements, US; workers' initiatives; 87S1975
US frontier community government, private vs public forms; census data, local newspapers; Denver/Golden, Colorado; 1859-1860; 87R9996
voluntary welfare sector, new definition/social role; 87R5714
welfare state/labor society crisis, mobilization strategy; 87R5153
women's wage employment, public/private sector, Swaziland; official statistics; 87R5231
worker turnover, private vs public sectors, Brazil; questionnaire; Presidente Prudente city; 87R3687

Probability
cross-classification tables, concordance probability models; 87R5359
probabilistic causal systems analysis, conditional probability vs linear flow graph approaches; 87R3251
probability theory, homogeneity concept, epistemology of statistics; 87R5354
probability values/meanings, qualitative expressions, medical professionals; 87R5348
social statistics/social law, cause/probability, theoretical/methodological issues; symposium contributions. XI World Congress of Sociology, New Delhi, India, 1986; 87R9181

Probation
probation/parole decision making, behavioral prediction recommendations; 87R2480
recidivism/rearrest likelihood, alcohol-abusing probationers; age/education/other factors; program data; 87R8600

Problem Solving
adolescents' decision making; parent/peer opinions; questionnaire, psychology students, University of Queensland, Australia; 87R4675
chess, intuitive processing/heuristics; 87R9210
children's group problem solving; social interaction; experiment; 87R8296
cognitive predictions, conserver/nonconserver pairs; social interaction; experiment; kindergartners; 87R8299
group problem-solving, human relations task, scientific ranking test; face-to-face vs computerized conferencing; experiment; college students; 87R9192
multiparty disputes, negotiated collaboration; experiment; elementary schoolchildren; 87R1510
organizational problem solving, middle managers, Regional Institutes for Ambulatory Mental Health Care, Netherlands; questionnaires; 87R3767
problem-solving effectiveness/acceptance, families; communication/participation equality/power; surveys; 87R2688
reasoning/analytical thinking; formal statistical training; experiments; 87R3432
selection task, scientists' performance; disconfirmatory data, problem content; 87R4537
task performance, science research/development teams, industrial companies; social structure; survey; US; 87R3409
value orientations, English-/French-/Italian-background children, Canada; sex, ethnicity; interviews; 87R4640

Problems
educationally difficult youths, egocentric value orientation, Czechoslovakia; 87T0137

Production
individual political consciousness; other household members' social characteristics; interviews; households, Isle of Sheppey, England; 87R5665
labor policy; information technologies implementation; secondary data; machine building industry, West Germany; 87R9412
organizational patterns, mechanical engineering industry, West Germany; technical/economic conditions; 87R5691
social development control, large-scale production departments, Czechoslovakia; 87R5703

Production Consumption Relationship
artistic production, historical development; 87R8947
civilian service sector, work/education/consumer development; 87R3015
London Industrial Strategy, England, conceptual/practical problems; 87R6058
petty commodity production, capitalist society, social structure implication, surveys, fieldwork, interviews; Turkey; 87R9533
production/consumption relationship; advertising firms' literature; content analysis; 87R9582

Productivity
aggregate productivity trends, US, social indicator measurement schemes; 87R6725
corporate wellness programs, corporate interests vs individual health attitudes; 87R8496
manufacturing industry/productivity, modern world; 8-book review essay; 87R9358
organizational productivity; information technology investments; 87R2520
production efficiency; employee absenteeism; company records; food product plant; 87R3159
production organization/management, tool & die workshop, France; technological innovation; personal experience; 87R1701
productivity differences, autonomous work groups; job satisfaction, leadership dimensions; questionnaire survey; 87R3769
productivity differences, US vs Japan, behavioral science perspective; comment/reply; 87R7371
productivity/collegiality, women sociologists, Canada; journal contributions; 87R1267
publication productivity, social work academics; individual/structural characteristics; questionnaires; 87R5061

research productivity, academic females vs males; social/psychological/organizational mechanisms; interviews, surveys; University of Michigan; 87S1954
self-employed, autonomy/production capacity, sociological assumptions; 87R2079
task performance, science research/development teams, industrial companies; social structure; survey; US; 87R3409
white-collar work automation, productivity/culture/health issues; 87R9349

Professional Associations
artisans' *Compagnonnage* association, tradition maintenance, France; personal accounts; 87R5644
Association of Radical Midwives, England, support/philosophy; interviews, questionnaires; midwives; 87T1020
authority/bureaucracy/professionals, Max Weber's theory; 87R2159
chiropractors' corporation, Quebec, discourse strategies; 87R4838
economics/sociology/political science disciplines, Ireland, status/history; 87R9089
Faoro, Raymundo, liberal Brazilian attorney, career/writings/political action; 87R2040
medical spending/health policy,Massachusetts corporations; case study, interviews; 87R4808
professional identity/institutional attachments, computer industry; questionnaire; 87S1937
professional regulation, lawyer-discipline system, Illinois; 87R2163
racial alienation/attitudes, black workers; minority organization membership; questionnaires; 87R3695
scientific research society's development, US, cultural context; historical analysis; 87T0230
Social Science and Humanities Research Council, Canada, rationalization/funding changes; 87R1276
social science theory/methodology network, Swedish Collegium for Advanced Study in the Social Sciences; 87R5325
textbook selection process, National Council for the Social Studies policy; content analysis; official/leaders' statements, journal articles; 87R2312
unionization, domestic flight attendants, Australia; sexism, early retirement; survey; 87R6021

Professional Consultation
science's advisory role, national government; historical overview; 87R8195

Professional Ethics
cancer research, scientific methodology vs patients' best interests, doctors' data misrepresentation, US; 87T0268
civil litigation, negotiation focus/strategy; fee arrangements; telephone interviews; lawyers; 87R7749
clinical judgment proces, social work practice; client social class; questionnaire; mental health agencies; 87R7731
ethical code, information science professions, decision-making guidelines; 87R9895
ethical responsibilities, public service, professional guidelines; 87R9891
ethical/moral issues, applied sociologists' work; 87R6915
fraudulent psychiatric services charges, legal investigations, doctor-patient privilege issue; case study; 87R8152
medical professionals' ethics, Yugoslavia; questionnaires; 87R6014
openness in science, institutional policies; questionnaire survey; engineering/science faculty, Cornell University, Ithaca, New York; 87T0236
physician-patient loyalty conflicts, social control functions vs patient's best interests; literature review; 87R9909
professional regulation, lawyer-discipline system, Illinois; 87R2163
scientific free inquiry vs public need to know, scientist' responsibilities; 87T0241
scientists'/engineers' moral responsibility, organizational culture aspects; 87R9863
scientists'/engineers' professional/ethical dissent, legal protection; 87R9927
severely handicapped newborns, treatment decision-making issues; 87R6530
severely handicapped newborns, treatment decisions, institutional policy formulation; 87R6531
social science critiques/commentaries, professional conduct guidelines; 87R4538
terminal prognosis communication, physicians' attitudes; literature review; 1950s-1980s; 87T0654
transnational corporate crime, UN conduct codes, US business influences; 87T1062
treatment/nontreatment decisions, critical care settings, ethical/implementation issues; 87T0640
unethical/illegal behavior, legal profession, Canada/US; literature review; 87R7783
value orientation, medical students, gender/time variations; questionnaires; 87R7977

Professional Identity
academic hierarchy, sociology, professionalization/politicization/socialization; 87R3295
artistic production, historical development; 87R8947
artistic reputation development, French painters/musicians/writers, 1650-1750; 87R2276
artists, professional status, sociological analysis; 87R2270
chiropractors' corporation, Quebec, discourse strategies; 87R4838
diagnosis-therapy gap, doctor's role, health/illness concept changes; professional ideals vs technological/monetary realities; 87R4837
doctor's role changes, historical/cultural analysis, current medical significance; 87R4137
forensic psychiatry, rhetorical/ideological dilemmas, boundary-work concept; 87S1941
hospital-physician relationships; competition, regulation, corporatization; published surveys; 87R4807
income, male vs female audiologists; mailed questionnaires; US; 87R2164
intellectual work/orientation, empirical/secondary data; Italian sociologists/writers; 87R5985
job dissatisfaction/resentment, professional engineers; autonomy/constraint levels; mailed questionnaire; Rochester, New York; 87S1941
job satisfaction/assertion/professional self-image, hospital social workers; role-set complexity, socioeconomic status; 87R7738
job/role satisfaction, psychiatric staff nurses; assertiveness group leadership; self-report inventories; 87R4095
linguistic construct, freshwater ecologists, Netherlands; tests, scales; 87R8197
medical practice, professional identity crisis; 87R4869
missionary career, moral aspects; interviews, questionnaires, life story narratives; US-based evangelical Christian mission, Ecuador; 87R6244
nursing identity definition, social construction; participant observation; 87R4103
nursing job descriptions, clinical expertise models; 87R7736
person perception; professionals' public religiosity expression; scales; college studnets; 87R4363
personal flow, US training hospitals, physicians; prestige hierarchies; questionnaires, interviews, directory data; 87R9903
professional awards, Yugoslavian lawyers; ascribed/positional/achievement/political status characteristics; registry data; 87R7709
professional contacts/connections, US authors; mail survey; 87R2146
professional ideals/attitudes, Western society; 87R4116
professional identity, artists, France; 87R2282
professional identity/institutional attachments, computer industry; questionnaire; 87S1937
professional occupations, social class identifications; survey; male professionals, Boston, Massachusetts; 87R9866
professional self-image, medical students; internship program participation; interviews; Hamburg, West Germany; 87R2780
professional- vs patient-centered orientations, Israeli primary care physicians; interviews; 87S1947
professionalization processes, adjacent occupations; 87R4072
role relations, organizational structure/interaction; technology; case study; radiological departments; 87R4077
school sociologist, role/attributes/functions; 87R8023
self-perceived productivity, education faculty members; organizational policies/procedures; questionnaires; 87R7790
teacher typology, Indian school, educational/ideological discourse; 87R4133
work consciousness change, male academics aged 50-60; interviews; Boston, Massachusetts; 87R4101
work indeterminary, engineers'/workers' mental models, semiconductor industry; ethnographic study; 87S1961

Professional Malpractice
malpractice litigation system, GB vs US; 87R9905
research misconduct, organizational response, social control/behavior perspective; social variables; case study; 87R2506

Professional Orientations
Architects and Firms: A Sociological Perspective on Architectural Practice by Judith R. Blau; review essay; 87R9873
career commitment, nurses; personal/professional orientation; national questionnaire survey; 87R2132
competing exchange rules, social welfare workers; 87S1936
lawyer interviewing/counseling behavior, consumer bankruptcy law practice; personal observations; initial client interviews; 87R7141

legal work, professions vs state-centered analyses; literature review, cross-national comparisons; 87R7787
medical specialties, medical students attitudes; interviews; London, England; 87T0089
primary medical care, physician commitment, Israel; interviews; 87R8459
professional orientations, USSR; longitudinal questionnaire data; 87R7765
psychiatric diagnosis process; intra/extra-organizational conflicts; participant observations, interviews; community mental health center, northeastern US; 87T0644
psychiatry/medicine, specialty choice trends, US, technological/organizational paradigms; 87R6595
sexual stereotyping, occupations; questionnaires; high school/college students; 87R4088
students' professional orientation, educational impact effectiveness measurement method; secondary data; Eastern Europe; 87S2003
surgeons' personality traits/ethos; participant observation, questionnares; community hospitals, New York; 87R9868
teacher-initiated curriculum innovation, change perspectives/coping strategies; case study; physical education department; 87R8035
value orientation, medical students, gender/time variations; questionnaires; 87R7977

Professional Socialization
attitude/value transmission, medical school students; professional socialization; questionnaires; first-year students, Universities of Vienna, Graz (Austria); 1978-1983/84 comparison; 87R4316
childbirth patients, obstetricians' attitudes; gender, level-of-training; questionnaire interviews; 87R9929
comparative social research, replication/interpretation issues; questionnaires, scales, indices; occupational social workers, Hong Kong; 87R1212
doctors'/nurses' images, advertisement portrayals, US; content analysis; 87R7748
female journalists' situation, West Germany; interviews; 87R7768
female mobility, educational administration careers; organizational socialization processes; ethnographic interview study; 87R5248
first-job socialization experiences, business graduates, gender differences; Likert scales; 87R2162
legal profession, socialization process; qualitative/quantitative data; law schools, Boston, Massachusetts; 87S1937
medical interns, professional socialization, intersubjective processes; 87R1718
medical internships, official/unofficial ideologies, US; personal experience; 87T0092
medical specialties, medical students attitudes; interviews; London, England; 87T0089
medical student socialization, consultation-liaison psychiatry, biomedical vs psychosocial traditions; 87R8480
occupational socialization processes, racial discrimination, black vs white police officers' perceptions; scheduled interviews; New York; 87R6003
professional formation, Scottish accountants; critique refuted; 87R6001
professional self-image, medical students; internship program participation; interviews; Hamburg, West Germany; 87R2780
professional socialization, field naturalists; case study; state university, New England; 87R5989
professional socialization, law/legal institutions, structural vs interactionist approaches; 87R4470
professional socialization, social workers; case study; social work students; 87R9901
professional training/socialization; literature review; 87R7721
scientific career socialization/recruitment, grade school children; science textbooks; content analysis; New York; 87R4547
social categories, cognitive structure; questionnaire; 87R3425
value orientation, medical students, gender/time variations; questionnaires; 87R7977

Professional Sports
aggressive behavior, soccer games, television reporters' coverage/attitudes; content analysis; 87R3913
English Football League, fire/fan violence incidents; 87R7561
foreign professional recruitment, Finnish amateur basketball league; mail questionnaire; 87R3931
leadership recruitment, North American vs Japanese professional baseball clubs; playing position; secondary data; field managers; 87R5872
major league baseball, social problems; 87R7560
occupational mobility, retired professional sports players, Israel; interviews; soccer players; 87R9690
organizational effectiveness, professional baseball teams; managerial selection; team statistics; 87R3920
professional baseball, collective image formation process, mid-nineteenth-century US; press reports; 87R5863
professional soccer, England/Wales, current economic crisis; 87R3938
professional sports team ownership, capitalist characteristics; 87R5862
professional sports, positional segregation, blacks, US; economic factors; *The Baseball Encyclopedia* statistics, 1985; 87R4055
professional wrestling, Japan, popularity/influences; 1953-1963; 87R9691
professional wrestling, semiotic analysis; 87R7563
racial stacking, US professional football; league/media/other data; 87R1586
role careers/conclusions, US professional team sports, retirement strategies/behaviors; 87R1505
self-concept, black youth; popular culture, professional sports, mass media role models; 87R3924
sport/leisure, government policy/televised presentations, Canada; case study; 1984 football Grey Cup; 87T0889
sports associations, West Germany, structural change processes/results; 87R3942
sports events, home team advantage; audience support; professional basketball teams; 87R1954

Professional Training
acute poisonings, telephone hotline intervention, task-specific problems; field research, transcriptions; 87R6539
day care program, worker training, student vs professional staff; ethnographic research; 87R9877
death education, nursing/medical/pharmacy professional colleges, US; questionnaires; 87T0084
diplomatic contacts, multicultural settings, personality/psychological aspects; 87R9702
education systems, career-oriented specialization, German Democratic Republic/Federal Republic of Germany/France; 2-book review essay; 87R7940
educational reform movement, teacher training goal, USSR; 87R7779
family therapy training, feminist-informed vs traditional approaches; Delphi survey; family therapists; 87T0973
The First Year of College Teaching by L. Dee Fink; review essay; 87R5382
friendship, nursing faculty; scholarly activity, social support, demographic variables; questionnaire; New York, Pennsylvania; 87R2779
general/professional education colleges, Quebec, teachers' problems; statistics; 87R7952
health care goals, West Germany, implementation policy approaches; 87R2782
information specialists, training/education, USSR; questionnaires; 87R7352
job satisfaction/characteristics, public sector professional vs blue-collar workers; questionnaires; northeastern US; 87R9869
law school deans' leader behavior, deans' vs faculty perceptions; questionnaire; US; 87R7187
medical education costs, India, methodological issues; records, interviews, case studies; 87R8022
medical internships, official/unofficial ideologies, US; personal experience; 87T0092
neurological profession, trainee needs/quality; 87R5134
occupational attainment, males vs females, India; higher education level; 87R8015
political leadership training, religion/business/law/media occupational background; 87R7189
professional licensure attempt, social workers, Georgia; open-ended interviews; Atlanta; 1970-1980; 87R4076
professional training/socialization; literature review; 87R7721
psychoanalytic training, identity formation process deformation, candidate/institution relationship; 87T0136
psychological well-being, law students; legal education process; self-report instruments; University of Arizona; 87R7718
public administration teaching, professional curriculum, biopolitical/-behavioral issues; 87R8011
sexuality articles, journal/topic preferences, medical/nursing/social work students; content analysis; abstracts; 87R8017
socialization process/worldview/career choices, beginning lawyers, State Attorneys' Offices; participant observation, interviews, case study; eastern US; 87R7739
surgical practice communication skills, medical school educational program, Massachusetts; 87T0574
teacher education as cultural politics, radicalized teaching force; 87R7973
teacher education, progress/goals; 87R7984

teacher education, Spain, pedagogical students' satisfaction; questionnaire; 87R7975
teaching sociology, professional schools; 87R1275
teaching-schooling conceptualization, democracy/social justice values; 87R6137

Professional Women
attitudes toward women, females in engineering/traditional occupations vs male engineers; scale; GB; 87R7740
black female administrators, mental health field; 87R5986
black female managers' work satisfaction; background/perception/organizational variables; interviews; 87R3745
career advancement, female social workers, dual-career families; family lifestyle; questionnaires; 87R7737
career formation process, Japanese female managers; life histories; 87R4118
career patterns, male vs female law school graduates; surveys; 87R7754
career patterns, never-married vs divorced/separated professional women; questionnaire; female alumni, midwestern university; 87R9889
clergywomen's functions/views, US; methodological perspective; 87S1962
dispute resolution, communication strategies, Brazilian vs US female managers; interviews; 87R3731
family/work relations, professional vs nonprofessional working mothers, capitalist societies; literature review; 87R4707
female ministers, obstacles/impact, christian churches, US, GB; 87T0170
female mobility, educational administration careers; organizational socialization processes; ethnographic interview study; 87R5248
female/minority clergy placement, laity/pastor receptivity, United Methodist churches, Ohio; questionnaire; 87T1009
hospital chief executive officers, nuns vs other women, career patterns/opportunities; 87S1937
international development, female academics'/professionals' efforts; 87R3106
lesbians' corporate career advancement; self-disclosure strategies, homophobia; interviews; 87R3479
migration, social consequences, gender differences; survey; dual-career migrants; 87R1442
nursing profession, economic vs noneconomic participation determinants, comparable worth implications; questionnaires; nurses, Illinois; 87R7753
outstanding women, Australian print media's portrayal, government print antidiscrimination policy; 87R1901
pharmacy profession, women's increased participation/status/opportunities, US; census, labor statistics data, interviews, trade journal analysis; 1970s; 87S1975
power perceptions, female corporate directors, US; survey, interviews; 87S1957
professional involvement, highly educated females; family life variables; questionnaire; 87R8884
psychiatric administrative careers, women's disadvantages; questionnaire; 87R6807
religious views, Wade Clark Roof's local/cosmopolitan dichotomy refined; attitude-toward-women-ministers questionnaire survey; Protestants, GB; 87R6219
self-employed businesswomen, US, retirement planning issues; 87T0736
seminary careers, women, research issues; literature review; 87T0982
sex-role identities/orientations, workaholic vs non-workaholic professional women; questionniare, Bem Sex-Role Inventory; 87R6812
sex-typical occupational choices, women aged 14-24; early sex-role socialization; surveys; 1968-1980; 87R9890
social categories, cognitive structure; questionnaire; 87R3425
social work/law enforcement integration, women's contributions, Germany; case study; 1920-1931; 87R9879
women as clergy; regional heterogeneity; census data; states; 87R2177
women clergy, lay church members' receptivity, US, UK; member/church factors; literature review; 87R9899

women-in-ministry research, academic/political value; 87T1015
women-in-ministry, research issues; journal issue contributions summary; 87T0990
women's academic employment/status, science/engineering; 87R7802
women's academic position, higher education, Israel; minority status; faculty listings; 87R7799
women's business attire, magazine advertisement portrayals; content analysis; 87R8882
women's career paths; individual/organizational influences; interviews; female managers/military officers, US/UK; 87R7794
women's history, psychology careers; 87T1008
women's social position/income, US/USSR/Yugoslavia; statistics; 87R6017
work behavioral/leadership style, female executives, Lima, Peru vs Los Angeles, California; personality factors; test/interview/biographic data; 87R7724
work/family role interactions, professional vs clerical vs blue-collar Chicanas; interviews; 87R4749

Professional Workers
academic libraries, electronic technology uses/demands; 87S1930
art director, sociological perspective; 87R7742
black-white females'/black males' representation, white male-dominated professions; census; 87S1981
child welfare workers/supervisors, demographic characteristics, work attitudes/experience; survey; National Child Welfare Training Center inservice, University of Michigan; 87R4136
competing exchange rules, social welfare workers; 87S1936
computer technology, managerial/professional/technical work, rationalization mechanisms; 87R7776
cultural institutions' personnel, organizational structure/characteristics; questionnaire; 87R7909
English usage/cultural identity perceptions, US middle-class black southern attorneys; 87R9823
experienced/perceived intergenerational mobility, professionally active men, Poland; 1964, 1976-1980; 87R2092
family/career priorities, professional men/women; 1980s; 87R2167
manual/professional work, gender inequalities, GB; personal experience; 87R7343
middle class organization/function, political liberalization-process, Brazil; 87R7580
migration, social consequences, gender differences; survey; dual-career migrants; 87R1442
normative vs utilitarian particularistic service orientations, kibbutz professionals; questionnaire; 87R7735
organizational/technological change, employee apprehensions/expectations, high technology settings; occupational status/position; 87S1964
patients' rights issues, state mental hospital staff attitudes; questionnaires; New England; 87R8529
professional deviant/adaptive behavior, determinitive factors; scale; 87R6011
professional expertise, uncertainty reduction, implications; theoretical analysis; 87R5980
professional ideals/attitudes, Western society; 87R4116
professionals'/managers' liberalism, new class explanations vs cumulative trend explanations; critique/reply; 87R7752
publication productivity, male vs female social work academics; individual/professional/other characteristics; questionnaire; 87R2134
social network, Indian immigrant family, Toronto, Ontario; 87R3530
social welfare program choices, middle class commitment; questionnaires; 87R6768
social-cultural specialists, ideological/political consciousness, new-class theory; telephone survey; 87S1970
socioprofessional differentiation, Lodz, Poland; empirical studies; 1965 vs 1976; 87R1382
status hierarchy, medical profession, Czechoslovakia; published data; 87S1961
unionization, domestic flight attendants, Australia; sexism, early retirement; survey; 87R6021
wrongful conviction rate, felony cases, US; legal procedurial/witness errors; case records, mail questionnaires; state attorneys general, Ohio police chiefs/sheriffs/public prosecutors/defenders/judges; 87R4475
young urban professionals, US, political culture/power; General Social Surveys; 1972-1985; 87R5958

Professionalism
advertising, accountants'/dentists'/lawyers' attitudes/behavioral dispositions; mail questionnaires; 87R2122
doctors' authority/autonomy, medical deprofessionalization process, US; 87S1960
educational excellence vs teaching professionalism as reform goals; critique; 87R7959
legal profession, social context, Canada/US; 87R7717
legal services practice, bureaucratic demands vs professional autonomy; attorney time sheets, interviews; 87R4485
normative vs utilitarian particularistic service orientations, kibbutz professionals; questionnaire; 87R7735
nursing, professionalism model, social class/gender issues; 87R9859

perceived crime increases, innovative prevention strategies, police's role/professionalism; 87R8673
professional bureaucracy attributes, military sociology; 87S2002
social-cultural control, Flanders, political corporative networks; 87R7710
teaching profession, qualifications/redefinition, ethical/political issues; 87R5987

Professionalization
academic hierarchy, sociology, professionalization/politicization/socialization; 87R3295
artist, craftsman-professional development; 87R7914
authors' referencing patterns, higher education publishing; citation analysis; 87R8033
certified nurse-midwife profession, historical analysis, current professional problems, US; 87R7781
child/youth care workers, professionalization process; 87R9900
communication/reward system, chemistry discipline, West Germany, scientific society's role; 87R4550
crime situations, criminals' definitions; criminalization stage; interview survey; prison inmates, Japan; 87R6643
empowerment paradigms, clinical/applied sociology; 87S1942
engineering jobs, France, dequalification hypothesis; interviews; engineers/technicians, industrial firms; 87R9872
ethical code, information science professions, decision-making guidelines; 87R9895
interoccupational work boundary issues, legislature factors, US; case study; optometrists vs opthalmologists, Maryland/North Carolina; 1978/79; 87R9860
job satisfaction, correctional officers; educational attainment; questionnaire, interviews; 87R7746
legal profession development, US vs GB; professional reports/records; New York/Pennsylvania, England; 1870-1950; 87R7714
legal profession, France/Germany/Switzerland, professionalization trends; 19th-20th centuries; 87R2174
management consulting expansion, professionalization needs; 87R9862
medical professionalization/service provision, government policy, *homo hygienicus*/health socialization process; late 19th-/early 20th-century Germany; 87R4848
midwifery practice, immigrant communities early 1900s; medical practice professionalization; oral histories, census data; Inwood, New York; 87S2003
nurse practitioners' roles/services, legal issues; 87R4846
occupational attainments, credentialism/ethnicity, Israel; interviews; 87R9857
occupational status, pharmacists, GB; work/market changes; 87R7744
pharmacist professionalization/role negotiation; hospital social context/structure, interpersonal relations; participant observation; teaching hospitals; 87R2155
professional expertise, uncertainty reduction, implications; theoretical analysis; 87R5980
professional workers, salaried positions status, age/gender differences; US Census Public Use Samples; 1940-1980; 87R4081
professionalization process, art museum work, US; case study; 1920-1940; 87S1953
professionalization processes, adjacent occupations; 87R4072
professionalization strategies, urban development occupations, historical analysis; 87R6019
professionalization trends, federal government administrative positions, US; upward mobility programs; personnel statistics; 87R9876
professionalization, black female divinity graduates; sect type; questionnaires; 87R4086
professionalization, lay midwives, Colorado; political aspects; documents/interviews/participant observation; 87R7798
professionalization, social workers, social action consequences; national survey; 1984; 87R2166
public health services professionalization, sanitation reform, New York, NY; 1866; 87R2808
rationality/capitalist development, double-entry bookkeeping's influence; 87S1950
resource mobilization/public support, 1936/37 Emergency Peace Campaign; professionalism form/level; 87R2018
science/politics relationship, professionalism vs politics, socialist countries; 87T0818
social sciences, institutionalization/professionalization, ideological/nation-building context; 19th century; 87R6763
social workers' professionalism, attitudinal attributes; mailed interview survey; 87R6020
sociology of work, postindustrial era, professionalization theories/concepts; 87R9916
sociology/sociologists, Latin America, institutionalization process; internal/external factors; 87R3285
teaching profession/new middle-class development, Spain, political vs economic influences, Franco regime; 1939-1975; 87R9918
urbanism, professionalization trend, France; 1909-1929; 87R9882
Western medical discourse, history, influence in everyday life; book review essay; 87T0639

Professions
alcohol consumption decline, socioprofessional group variations, France; surveys; 1965-1979; 87R8610
information/computer work, US, structure/skills; 87R7329
occupational organization/practice role, academic professions, US; 87R5314
spouse's physical/psychological well-being, high-stress professional employment; mail survey; Certified Public Accountants' spouses; 87R6010

Profiles
weight control, bulimic patients; purgation vs self-induced vomiting; interviews, food diaries; 87R4970

Profit Motive
Cockerill-Sambre steel mill, Walloon-Flemish conflicts, Belgium, corporatism issues; case study; 87R9504
corporate antitrust criminality; firm profit-squeeze; official/economic data; 87R5720
corporate profits/cooptation, structural analysis; book review essay; 87R3811
dowry-related deaths, India; interviews, police/media records; 87R1629
economic crime, West Germany; national registration results; 87R2919
economic offenders, attitudes/characteristics, USSR; questionnaires, interviews; 87T0799
labor management practices, nonprofit human service organizations; interorganizational resource competition; mail survey; 87S1940
modern family enterprises, utilitarian vs moral motivation; 87R4780

Profits
profit-sharing/capital-sharing program effects; 87R9598
sport clubs, socioeconomic characteristics; 87R3927

Program Evaluation
adolescent drug prevention program effectiveness, peer vs other programs; 87R8613
baccalaureate programs, curriculum quality; 87R7993
bilingual program/school effectiveness relationship; case study; elementary school, Chula Vista, California; 87T0082
caseload dynamics, Aid to Families with Dependent Children program; 1981 Omnibus Budget Reconciliation Act; case records; 87T0812
Center for Volunteer Development, Virginia Polytechnic Institute & State University, program goals/evaluation; 87R7405
community crime prevention programs' effectiveness; secondary data; Seattle, Washington/Chicago, Illinois; 87T0223
community development program evaluation, bureaucratic pressures; participant observation; 87R6662
community development, Future Farmers of America's Building Our American Communities program, evaluation research approach; 87S1996
employee assistance programs, research purposes/methods; literature review, interviews; 87T1056
employee performance appraisal, assessment procedure, Amsterdam city government, Netherlands; 87R5296
health education program, schoolchildren aged 12-16, Finland; survey; North Karelia; 87T0428
health/social services; governmental decentralization; case study, questionnaires, published findings; Medicaid personnel, Kansas; 87R5063
housing rehabilitation, market intervention rationale critiqued; case study; Canada Mortgage & Housing Corporation; 87R9792
innovation adoption, villager participation/perspectives, rural communities, Saudi Arabia; structured interviews; Wadi Fatma; 87R5112
Kenya vs Iowa Cooperative Extension Services, organization/functioning; 87S1988
local soil conservation programs, Australia, participants' perceptions; 87S1993
post-hospitalization elderly patients, Homeward Bound program, evaluation methodology; case records; Mercy Hospital, Urbana, Illinois; 87T0588
program effectiveness, community mental health center, evaluation model; 87R8547
program/policy evaluation, conceptual/analytic framework; 87R6738
public health, preventive medicine/community health course, medical students' attitudes/perceptions; questionnaires; Brooklyn, New York; 87T0098

rural development projects, management/outcome evaluation, India; literature review, field research; 87R6027
Semester at Sea program, long-term effects; mailed questionnaires/telephone interviews, 5-year follow-up; 87R4289
social program goals, intentions vs consequences, analytic framework developed/tested; Work Incentive Program (WIN); 87R6731
student achievement assessment, US vs GB; 87T0127
unnatural death rate, Glenochil Young Offenders Institute & Detention Centre, Scotland, program inefficiency/flaws; case studies; 87R8687

Program Implementation
agricultural education, Cooperative Extension Service's integrated approach, interactive factors; questionnaire survey, site visits; 87S1996
agricultural/technological development, international research program's implementation problems, Kaduna, Nigeria; case study; Sub-humid Zone Program; 87R7843
program development, future planning, sociology departments; 87R3259
sports programs, development problems, Nigerian universities; administrative problems, resource lack; statement analysis; 1984 university games participants; 87R5874

Programming (Broadcast)
alcohol portrayals, prime time television programs, US; content analysis; 87T0721
conversation closing, live television news interviews; 87S1951
docudrama, Atlanta (Georgia) child murders, public/official responses; case study; 87S1948
gender roles, television programs, audience perceptions; experiment; soap opera viewers; 87T1034
Greek television, programming policies/content; public corporation status; case study; 87R9338
international radio broadcasting, US vs Soviet messages/emphases, media imperialism thesis; content analysis; 87S1985
program type preference, West German television viewers; questionnaire survey; 87R7509
religious broadcasting, resosurce mobilization perspective; 87R8065
scientific knowledge, television's popularization; content analysis; broadcast messages; 87R5833
sociological instruction, television soap opera material, uses/problems; 87R6453
Spanish-language radio/television preferences, Mexican-Americans vs other Hispanics, US; interviews; 87R7510
women's portrayals, television programs, socialist-feminist perspective; content analysis; 87R7521

Programs
career/educational aspirations, minority/low-income adolescents; significant others; psychometric tests; Asian/black/Hispanic 8th-12th graders; 87R4285
displaced South Korean families, televised Family Reunion Program; 87R3879
migration/mobility behavior, Thailand; experimental program; questionnaire survey; households; 87R2548

Progress
realism, progress/theories, metaphysical issues; 87R5323

Progressivism
Mead, George Herbert, progressive reform commitment; 87S1979
progressive Catholics, social/religious typology; questionnaire survey; delegates, National Pastoral Congress; 87T0156
progressive social movements, urban communities; case study; Santa Monica, California; 87R2217
religious meaning system, women social reformers, early 20th century; biographies; 87S1997

Projective Techniques
family/self drawings, institutionalized abused/neglected children, projective analysis; 87S1939
opposite sex identity, males' vs females' projection; experiment; university students; 87R7096
personality scales, projective-inventory method; literature reviews; 87R3201

Proletarianization
agrarian structure/struggles, Mexico, class position debate; 87S1994
agricultural labor force, proletarianization; *latifondo* economic structure; case study; Calabria, Italy; 1813-1896; 87R9962
economic stagnation, 1970s, US, class structure transformation; secondary data; 87R9856
militancy, southern textile workers, US; farm background, personal/intergenerational industrial experience; 87S1994
petty commodity production, capitalist society, social structure implication, surveys, fieldwork, interviews; Turkey; 87R9533

Proletariat
civil liberties oppression, Marxist societies; 87R6825
labor power/economic processes, sociological analytical tools/methods; 87R1822
proletariat, post-World War II changes, social movement research; personal experience; 87R5431
proletariat's social duty, Karl Marx's/Friedrich Engels's/V. I. Lenin's remarks; 87T1051

Promiscuity
adolescent pregnancy, black females; significant others' attitudes; questionnaire; 87T0399

Promotion (Occupational)
academic hierarchy, sociology, professionalization/politicization/socialization; 87R3295
academic promotion procedures, staff attitudes; interviews; University of Queensland, Australia; 87R8006
individual earnings/promotions, US; organizational characteristics; surveys; 1973-1977; 87R9875
internal labor markets, job distributions, vacancy chain model; 87R3255
job promotion ladders, interorganizational differences; job/organization characteristics; job/description data; 87R4078
promotion decisions, large organizations, bureaucratic vs power criteria; 87S1951
promotion interest, employed women; familial role/workplace factors; interviews; Forsyth County, North Carolina; 87R7733
promotional opportunities, worker expectations/perceptions, gender differences; 87R9921
unemployment/promotion/retirements, males' psychological reactions, Australia; interviews; 87R5695

Propaganda
international radio broadcasting, US vs Soviet messages/emphases, media imperialism thesis; content analysis; 87S1985
political propaganda, Netherlands, ideological interpellation; 87R7605
psychological journals, pre-WWII Germany, National Socialism's impact; content analysis; 87R8210

Property
crime rate patterns/stability, US suburbs; official data; 1972, 1980; 87R2931
democratic institutions, popular sovereignty ideal; 87R4009
financial settlements, divorcing couples; 1984 US Tax Reform Act; 87R4705
violent/property crime rate; age/cohort/period; Uniform Crime Report data; 1964-1977; 87R2917

Property Rights
critical legal scholarship, sociological/ideological aspects; 87T0189
discrimination against women, divorce law, marital property reform legislation; US; 87R2457
group rights, American Indians/Japanese; legal status structures; litigation analysis; 87R5562
intellectual property restrictions, US seed industry, Third World impact; 87R9028
Pope John Paul II's encyclical *Laborem exercens*, private/collective property distinction; 87R8086
potlatching practice, Southern Kwakiutl, North America; historical data; 87R3648
trespass law, GB, Marxist analysis; 87R8926

Prophecy
astrology belief, confirmatory hypothesis-testing strategies; experiment; 87R4394
God images, church perceptions/membership difficulties, gender differences; questionnaires; prophetic Catholic organization members; 87T0186

Prosecutors
homicide cases, justice system officials' behavior; newspaper coverage; police/court records; Milwaukee County, Wisconsin; 87R2445
prosecutorial discretion; uncertainty; case records; felonies, Superior Court, Washington, DC; 1974; 87R8160

Prostitution
gambling/prostitution/easy marriage/divorce toleration, Nevada; economic motives; interviews; Las Vegas residents; 1984; 87R3907
homosexual identity, adolescent male prostitutes; cultural sex/gender constructions; quantitative/qualitative data; US; 87R4677
juvenile prostitution, criminalization recommendation, Canada; interviews; 87R7756
male prostitutes, deviant career mobility; interviews; 87R2153
prostitution as career; life stories; Barcelona, Spain; 87R1227
prostitution, Canada, style/characteristics/social services; surveys; 87R2682
prostitution, societal response, Progressive era; criminal cases; middletown, US; 87T0434

teenage male prostitution phenomenon, Piccadilly, London, GB; homelessness, unemployment; case study; 87R7191
tourist-oriented prostitution, Thai girls'/foreign boyfriends' correspondence; content analysis; personal letters; 87R4679
transvestite prostitutes, subcultural environment/psychological characteristics, Singapore; interviews; 87R9835

Protection
children's sex-role differences; teachers'/parents' behavior; observation, "infant" school children; GB; 87R4315
databanks, international diffusion, judicial problems; 87R2439

Protest Movements
anti-apartheid struggle, South Africa, urban general strikes; 87R9620
antiabortion movement, moral reform interpretation; questionnaire/interview/other data; activists, GB; 87R5797
antiabortionism, GB/US; class, conservatism; 87R1846
anticaste protest movements, India, social transformation implications; 87R1861
antifeminist movements, cross-cultural/historical theory, 19th & 20th centuries; literature review; 87T0981
antipornography groups' organization/mobilization, Quebec/US; 1970s; 87R8849
black music/popular culture, communicative function; US; 87R2273
civil servant bureaucracy, political protest, Mexico; 87R3853
civil violence/nonviolent protests, participation propensity, social marginality hypothesis; secondary data; 87R2033
collective organization/protest, female factory/domestic laborers; class/gender factors; oral history interviews, archival data; textile community, Henderson, North Carolina; 87R6713
Coloured education, 1980 student boycott, Cape Peninsula, South Africa; case study, interviews; 87R8005
criminal justice system, abolitionist approaches, methodological foundations; 87R2466
criticism of US/Non-Aligned Movement, Libyan military action defended; 87R9780
deprivation, Dalit population, India, protest movements; 87R5807
docudrama, Atlanta (Georgia) child murders, public/official responses; case study; 87S1948
ethnic mobilization, Afrikaners (1948) vs black nationalists (1980), South Africa; 87R3494

mentally-ill/retarded group home establishment, community opposition; neighbors' prior notification; interviews, census data; New Jersey; 87R2778
mining project (Cerro Colorado Copper), multinational corporations, Guaymi Indians' protests, Panama; holistic case study; 87R2993
moral temper, US, modernity revolt; 87R6727
new social movements, Western societies, characteristics/effects; 87R7480
Non-Aligned Movement, apartheid opposition; 87R9299
Non-Aligned Movement, current goals/policies, history; 87R9736
Non-Aligned Movement's world peace goal, opposition to US power, international economic factors; 87R9773
nuclear disarmament/moratorium policies, US, supporters' vs nonsupporters' characteristics/attributes; questionnaires, interviews; 87R1427
nuclear pacifism, North America, growth/crisis phases; 87R1870
peasant movement, agrarian policy/crisis, Mexico; 87R4167
political power, Afro-Americans, Non-Aligned Movement's importance; 87R9759
political protest; postmaterialism; collective action theoretical perspective; 87S1974
political violence, Italy, 1960s-1970s; newspaper accounts; 87R8830
prison abolition, political issues; 87R2440
prison abolitionism, criminal justice system reform; 87R2451
progressive coalition building, labor solidarity; personal experience; 87R5155
protest attitudes; education; published surveys; 87R1431
public protest actions, farm women, France; interviews, documentation; 87R6785
public voting behavior, predispositional factors, California tax-cutting initiatives; 87R1866
revolutionary/antiapartheid literature, South Africa; 2-book review essay; 87R1421
right to refuse treatment issue, mental health litigation, legal mobilization style/outcome; case studies; Colorado, New Jersey, Massachusetts, California; 87T0613
Sinai evacuation protest, news media manipulation, ideologically vs economically motivated groups; participant observation, interviews; Israel; 87R9624
social criticism, adversarial movements, US/world politics; 87R3026
social movement organizations, local chapter functioning; membership vs community organization support; case study; Mothers Against Drunk Driving (MADD); 87S1985
social movements, researchers' role/contributions; case studies; 87S1938
strategy crises, Southern Farmers' Alliance, rural Texas, membership-demobilization consequences; longitudinal archival data; 1877-1890s; 87R9605
university students' divestment protest, movement development issues; 87R6747
young adult descendents, Maghreb immigrants, France, social movement; 87R3584
youth movements/protest, Western Europe; 87R2608

Protestant Ethic
Cajun lifestyle/tradition, Acadiana region, Louisiana; 87R7060
ethics/religiosity relationship, US society, Alexis de Tocqueville's vs Max Weber's thought; 87R5442
leisure time/activities, US; work ethic; 87R9676
Protestant ethic orientation, Taiwanese vs Hong Kong college students; sociodemographic/other factors; scales; 87R6389
Protestant ethic, Taiwanese college students; scale/other measures; 87R2334
scientific rationalism, socioeconomic basis, Max Weber's theories critiqued; 87R6324
unemployment coping, nonwork activity participation; Protestant work ethic belief, work involvement; questionnaire; 87R3906
work ethic experiences, alienation, technological change; 87R5693

Protestant Reformation
occupational level/prestige, gender differences; education; 87R7757

Protestantism
Belgian Protestantism, 1978 church merger; 87R4386
criminal behavior, Edwin H. Sutherland's differential association theory; interviews; 87S1957
domestic social processes/gender roles/"machismo" attitudes, religious converts, Colombia; evangelical Protestantism; 87R3632
indigenous society, Kalingaland, Philippines; Protestant vs Roman Catholic missionaries; field data; 87R3649
militant political Protestantism, GB, marginality; 87R4376
political violence, legitimation attempts, Loyalists vs Republicans, Northern Ireland; 87R8828
Protestant churches, political behavior, Guatemala vs Nicaragua; 87R9711
social identity attribution, religion's role, Brazil; field research; 87R6181
urban marginalization/poverty, radical religious movements' role, Brazil; interview; Clodovis Boff; 87R5754

Protestants
alcohol consumption attitudes, Protestants vs Catholics, Scotland; questionnaire survey; 87R8077
Catholics/Protestants, Netherlands, religious categories; 87R4443
conservative vs liberal fertility, white Protestants, US; social characteristics vs doctrinal beliefs; secondary data; 87R6353
deconfessionalization trend, Dutch Catholics/Protestants, religious background typology; survey; Netherlands; 1980; 87R4418
ethnic identity reproduction, youth's role, Northern Ireland; questionnaire/interview/other data; young Protestant males, Londonderry; 1985; 87T0391
liberal-rationalist Protestant theologians, Emile Durkheim's/Auguste

Sabatier's critique; 87R6231
religious views, Wade Clark Roof's local/cosmopolitan dichotomy refined; attitude-toward-women-ministers questionnaire survey; Protestants, GB; 87R6219
women as clergy; regional heterogeneity; census data; states; 87R2177
Provinces
bioethics conference, Spain, key topics; 87R8440
Psychiatric Research
anorexia/bulimia nervosa epidemiology, Eating Attitudes Test predictive value; 87R4985
eating disorders, anorexia/bulimia nervosa, classification/diagnostic criteria revision proposed; 87R4964
gerontology research, scientific aging assumptions/meanings, epistemological conditions; 87R5003
statistical method use frequency, psychiatry, quantitative skills instruction implications; content analysis; psychiatric journal articles; 1983-1984; 87T0096
Psychiatrists
delinquency prevention programs, psychiatric profession's dominance; 87R6667
psychoanalytic training, identity formation process deformation, candidate/institution relationship; 87T0136
psychotherapeutic services, pluralistic reimbursement policy recommended; 87R6585
sexual contact prevalence, psychiatrists/patients, gender differences; national survey, psychiatrists, US; 87T0649
Psychiatry
child psychiatry, socialization/social development disease, sociosis concept; 87T0652
child/juvenile psychiatry, psychoreactive developmental disorders, sociosis concept; 87T0373
contingency tables, loglinear analysis methods; psychiatric epidemiology data; 87R3254
crime, psychiatric explanations, criminologists' critique; 87R8655
deinstitutionalization policy, Italy, psychiatrists' role; 87R8542
diagnostic process, community mental health centers; power relations/value conflicts; case study; 87R8538
fraudulent psychiatric services charges, legal investigations, doctor-patient privilege issue; case study; 87R8152
job/role satisfaction, psychiatric staff nurses; assertiveness group leadership; self-report inventories; 87R4095
late 19th-century insane asylums, custodialism vs therapeutic functions; patient records, other data; 87R6592
law, psychiatric/psychoanalytic perspectives; 87R8148
law-psychiatry relationship, theoretical/real similarities/contradictions; book review essay; 87R4912
lay help/services, psychiatry; 87R2818
medical student socialization, consultation-liaison psychiatry, biomedical vs psychosocial traditions; 87R8480
mental health care, Netherlands, psychiatric opposition movement; 1970s-present; 87R4916
national multiculturalism policy, Canadian psychiatry opportunities/challenges; 87T0657
outpatient psychiatric treatment, legal issues; 87R4929
psychiatric care, medical patients, Hannover Consultation Liaison Model, West Germany; 87R4831

psychoanthropology, cultural research applications; book review essay; 87R5492
religious possession/trance cults, psychological/sociological aspects; 87R8062
social structure, cultural symbols' contribution, theoretical framework; 87R8905
the subject, Anthony Giddens's theory; 87R1392
turn-of-the-century Vienna/Kurt Waldheim's anti-Semitism, Austria, current interest/fascination; 87R6677
Psychodynamics
group shadow, characteristics/ dynamics; 87R9191
Stockholm Syndrome, hostage crises, psychodynamics/treatments; 87R6644
Psychohistory
emotions/anger, childrearing standards, 20th-century US; case study; 87R9250
premodern social history, psychohistorical/mentalities approaches, civilizing offensive concept; 87R9333
warfare, psychohistorical analysis; 87T0849
Psychological Distress
acquired immune deficiency syndrome research, methodology/models; literature review; 87T0601
alcohol consumption, Israeli development town; distress; interview questionnaire survey; 87R9198
apartheid policies, psychiatric effects, South Africa; 87R1424
back pain severity perceptions, self-reports vs physician evaluations; patient's age/psychological distress; national survey; US; 1971-1975; 87T0612
disaster aid, developing countries, mental health service delivery, primary care workers' role; case study; earthquake victims, Arnero, Colombia; 87T0922

distress; social status, sex, marital status, undesirable events; literature review; 87R2827
flood victims, psychological distress, family disruption; demographic variables; questionnaires; Santa Fe, Argentina; 1982/83; 87R5172
lifestyle/health changes, adolescents/children, Western societies; unemployment; secondary surveys; US, Sweden, UK; 87R8498
mental health/disorder; physical/psychosocial/sociocultural supplies access; questionnaire; residents, North Carolina; 87R6586
pathological/alcohol/drug/delinquency problems, male vs female adolescents; gender identity; surveys, interviews, questionnaires, tests; 1979-1984; 87T0404
physical well-being, conceptual perspectives/models; panel study; New York; 87S1968
postdisaster psychosocial adjustment; questionnaires, interviews; volcanic eruption victims' friends/relatives, Mt. St. Helens, Washington; 1981, 1983; 87T0924
posttraumatic stress disorder vulnerability, adolescent soldiers, Vietnam war; combat peer group dissolution, death experiences; interviews, psychological tests; Veteran's Administration hospital patients; 87R7362
psychiatric impairment, doctors, social-structural factors; 87R2813
psychological adaptation, battered women; social support systems; interviews, questionnaire; 87R6816
psychological distress, Chicano women; sex-role/marital/employment/other variables; 1979 Chicana Survey; US; 87R8550
psychological distress, new mothers; social support; interviews; 87R4765
psychological distress, race/social class interactive effects; secondary analysis, epidemiologic surveys; 87R2821
psychological distress, rural vs urban communities, Tennessee; race, social class; interviews; blacks, whites; 87S1992
psychological distress, social structural variables' effect; prior distress; epidemiological surveys; 87R6582
psychological distress, women; work/family role, social support; interviews; 87S1943
psychological distress/perceived health status/doctor utilization, Americans vs West Germans; 87S1951
psychological distress; social support/personality interaction; scales; student sample, South Africa; 87R2810
psychological health, women; home's internal density (crowding); survey; West London, England; 87R4913
"psychopathology of migration," research requirements; 87R4591
psychosocial functioning, young recovering female alcoholics, Bergen, Norway; interviews, medical records; Blue Cross Social Center expatients; 87R6609
psychosomatic symptoms, adolescent-adult transition; educational/familial structural conditions; questionnaire survey; 87R6386
self/spouse/child ratings, parenthood feelings; newborn infant crying, new parenthood; interviews, questionnaires; 87R6508
social support research, concepts/models/measures; 87R1786
southern blacks' psychological depression, rural vs urban residence; community satisfaction; interviews; 1979, 1980-1982; 87S2004
spouse's physical/psychological well-being, high-stress professional employment; mail survey; Certified Public Accountants' spouses; 87R6010
stress vulnerability, sex differences; scale; adults, Wisconsin; 87R2829
stress, popular vs professional literature conceptualizations; content analysis; West Germany; 87R5834
stress/well-being relationship, individual family members; family intimacy variables; scale; questionnaire; adults, midwestern US; 87R6591
unemployment, social-psychological aspects; literature review; 87R1423
wives' marital satisfaction; life-cycle category; scales; 87R4756
work organization, female workers, psychosocial effects; literature review, survey; Montreal, Quebec; 1985/86; 87R9468

Psychological Research

adaptive development processes, adolescents, evaluation scales derived/tested; interviews; psychiatrically disturbed/diabetic adolescents vs healthy high school freshmen; 87R7098
eyewitness testimony research, police investigators' use; interviews; New York; 87R4493
projective psychological test results, Nigerian schoolchildren; Tree Test; 87R6515
the self, psychology's rediscovery, epistemological consequences; 87R1470
the self, social science's emphasis, theoretical/methodological tendencies; 87R1430
war/unconscious aggression, psychoanalytic theory, GB; literature review; World War II-1950s; 87R9484

Psychological Stress

adolescent drug use; adverse drug reaction, psychological stress; 87R4967
adolescent well-being; unemployment; questionnaires; employed/unemployed youths, Adelaide, Australia; 87T0086
agricultural financial crisis, Iowa farm operators social/psychological impacts; 87R7818
alienation/strain, extended family system, India; role disjunction; 87R3364
chronically ill children, family life management; impairment severity; 87T0486
community turmoil, professional behavior strategies model; interviews; mental health practitioners, Sinai evacuation Israel; 87T0916
cooperative agricultural settlement disbandment, mental health stressors/responses; Sinai, Israel; observations, interviews; 87T0917
coping ability, unemployed adolescents, Scotland; psychosocial variables; interviews; 87R9410
delinquency risks, adolescent runaways; stress, mood intensity; questionnaires; shelter facility residents, four-state area; 87R2945
delinquency, student vs working post-high school subgroups; person-environment fit, psychological strain; longitudinal panel data; 87R6753
depression, women, "vulnerability" vs "strain" models; critique/reply; 87R8543
depressive symptomology assessment, eventful vs chronic strains, methodological innovations; life events checklist; 87S1946
disability-unemployment relationship, methodological problems/solutions; Michigan Panel Study of Income Dynamics; 1976-1979; 87R9426
disaster-related psychiatric disorders, Mount Saint Helens (Washington) volcanic eruption; interviews; 87T0928
divorce trends/consequences, US; 87R2658
duodenal ulcer genesis, Soweto population, South Africa; social factors; interviews; hospital patients; 87R8513
family satisfaction, middle-aged couples, Michigan; family stress pile-up; mail survey; 87R4760
family stress, Reuben Hills' ABCX vs contextual models; 87R2711
family stress/adaptation, Double ABCX model; questionnaires; relocating US Army families; 87R2678
family violence, US; stress; 87T0960
family/occupational/economic stress, Latino female cannery employees; factory closure; surveys; Wilmington, California; 87R5618
fear/anxiety/emotions, implicit self-theories; six studies reviewed; 87R3430
frail elderly, caregivers' emotional strain; interviews; Norway; 87T0491
health-stress-social status relationship; interviews; adults, New York City; 87R4910
health/lifestyle practices, gender differences; life events, social network, education; 1979 national telephone interview survey; US; 87R2771
health/sense of control association; aging; literature review; 87R8633
health; unemployment; interviews; 1979-1984; unemployed, employed, southeastern Michigan; 87R9417
help-seeking behavior; job insecurity; interviews; principal wage earners, Los Angeles-Long Beach, California; 87R3677
homicide motivations/justifications, rural mid-western US; interviews; convicted murderers; 87T0802
household division of labor/psychological well-being; male vs female unemployment; mail questionnaire survey; 87R3736
Love Canal (New York) chemical pollution disaster, community activists' vs nonactivists' social characteristics; interviews; families; 1978/79; 87R8784
Love Canal (New York) chemical pollution disaster, mental health consequences; conversation; 87R8779
maladaptive parenting, social support/life stress/personal control risk factors; interviews/questionnaires; white mothers, Canada; 87R2705

stress responses, individual differences; role expectations; survey; 87R7125
stress, male vs female elders; relationships; questionnaire interviews; 87R2879
stress, medical school students; social support/relationships; survey, interviews; 87R6558
stress-buffering effects, perceived vs received social support; national survey; 87R1482
stress-caused illness episodes; social support networks; interviews; Denmark; 87T0583
stress-induced illness/disability; social networks/support; 87R2770
stress/anomie/frustration, non- vs child-abusing families; demographic/personal variables; Family Life Survey; 87R2709
stress/anxiety; medical advice seeking, health screening interviews; 87R4812
stress/coping/life perceptions, elderly, gender/cohort differences; longitudinal interview/questionnaire data, 1955-1980; 87R5020
stress/coping/recovery, Mount St. Helens volcano disaster victims; interviews; Washington; longitudinal study; 87R5177
stress/role strain, dual career couples, coping responses; 87R8427
stressful experiences, long-term recall, Holocaust survivors; interviews; 87S1929
suicide, Denys de Catanzaro's stress-diathesis theory critiqued; comment; 87T0366
suicide/homicide rates; divorce/migration rates; government statistics; 1970s; 87T0475
technological catastrophes, stress prevention, policy issues; 87R8778
Toxic Oil Syndrome patients, Spain, social reintegration goal; 87R8780
unemployment, stress-related/behavioral consequences; urine samples, questionnaire; 87R3670
university faculty stress dimensions; rank, academic discipline, tenure, age, sex, marital status; questionnaire; faculty; 87R7734
urban noise reduction, health professionals' roles; personal experience; 87R8763

Psychologists
experimental psychologist as expert, advocate vs impartial educator role; 87R4482
experimental psychology expert testimony, courtroom admissibility, legal principles; 87R4498
expert psychological testimony, eyewitness identification issue; 87R4449
expert psychological testimony, eyewitness identification issues; 87R4478
expert scientific testimony, ethical issues, historical perspective; 87R4476
expert testimony, experimental psychologists, ethical principles; 87R4499
interinstitutional job mobility, academic psychologists; sex; career history data; 87R4126
psychological testimony, judicial system's distrust; 87R4450
psychotherapeutic services, pluralistic reimbursement policy recommended; 87R6585
scientists' careers research, data source problems; curricula vitae, published data; psychologists, US; 87R9886
social scientists, eminent authors citation analysis; 87R4549
women's history, psychology careers; 87T1008

Psychology
astrology belief, confirmatory hypothesis-testing strategies; experiment; 87R4394
behavioral geography vs environmental psychology, interests/techniques/foci; 87R8798
black/white relation, US, historical roots; 2-book review essays; 87R5570
government-sanctioned mass killing, Nazi Holocaust vs Allied strategic bombing, World War II; 87R3081
mental illness/psychology/personality, Michel Foucault's works; 87R3310
organizational behavior, research areas; literature review; 87R9498
professional activities, institutional constraints, academic vs applied community psychologists; comment/reply; 87R3151
psychological practice, social-democratic aspects; historical analysis; US, GB; 87R4938
psychology as science, current state/cross-cultural applicability; empirical study; India; 87R2502
psychology of religion, research approaches; 87T0176
social class differences/inequalities, Poland, typology of subjective viewpoints; 87R1393
stress, popular vs professional literature conceptualizations; content analysis; West Germany; 87R5834
understanding, philosophical/methodological problems; round-table discussion, USSR; 87R3176
values/goals clarification problems, industrial society; 87R6706

Psychometric Analysis
ordination decisions/ministerial effectiveness, psychological assessment; recommendations; Methodist pastors; 87R2395

Psychopathology
apartheid policies, psychiatric effects, South Africa; 87R1424
DSM-III mental disorders diagnostic tool, classification system; 87R4852
health-stress-social status relationship; interviews; adults, New York City; 87R4910
mass murder, genocide, psychopathology dimension; 87R8530
mental disorders, *DSM-III* diagnostic assessments, gender/race factors; case study evaluations; 87S1969
organic solvent inhalation, adolescent substance abuse, France; 87R4953
psychiatric disorders, Mexican Americans, Los Angeles, California; native vs immigrant status, acculturation; interviews; 1983-1984; 87T0645
psychopathic vs nonpsychopathic sex offenders, sociological attributes; clinical data; 87R8555
psychopathology, disabled children's siblings; chronic family stress; inventory data; 87S1948
symbolic classification, individual vs shared cultural assumptions, inversion metaphor; 87R4926

Psychosis
amphetamine abuse, Japan; clinical case studies; Tokyo; 87R4990

coping/well-being, Alzheimers patients' caregivers; personal/social resources; self-report questionnaires; US; 87R4951
criminals' dangerousness, forensic psychiatrists' predictions/discretion; police/psychiatric/court records; criminal defendants, Northtown One-Day Assessment Clinic, Canada; 87R5200
discretionary antipsychotic medication, psychiatrists' prescription; patients' clinical/social characteristics; questionnaire, medical records; 87R2809
female psychosis/neurosis, sexual explanations, surgical intervention; 19th century; 87R6598
madness-female sexuality, Russian psychiatric theory; 87R2629
madness-sexuality relationship, New Guinea cultures; field data; 87R2634
madness/reason, Jacques Derrida's/Michel Foucault's debate; 87R2975
mental illness/psychology/personality, Michel Foucault's works; 87R3310
tardive dyskinesia as iatrogenic illness, social epidemiology; 87R2756

Psychotherapy
child behavioral assessment/treatment decisions, school psychologists/pediatricians; "hyperactivity" labeling; mail survey questionnaire; 87R3486
classical psychoanalysis, therapeutic/theoretical changes, short-term dynamic psychotherapy development; economic/cultural/clinical factors; US; 87R4939
clinical social psychology, Erving Goffman's impression management theory; 87S1944
compulsory treatment, psychiatric patients, Italy vs Sweden; assessment/scales/other data; 87R2831
dreams, psychotherapeutic uses; book excerpt; 87R5445
geriatric sexuality/sex problems; 87R5014
marriage counseling, social system theory's clinical utility; case study; 87R5287
nuclear holocaust fears/anxiety, therapeutic techniques; 87R6519
outpatient psychotherapeutic care, quantity/quality; client social status; interviews; 87R6579
post-traumatic stress disorder Vietnam War veterans, short-term therapy program; 87S1940
psychiatric care, medical patients, Hannover Consultation Liaison Model, West Germany; 87R4831
psychoanalytic training, identity formation process deformation, candidate/institution relationship; 87T0136
psychological depression, psycho-/drug therapy effectiveness; National Institute of Mental Health study; 87R8537
psychotherapy boom, book market, West Germany; quantitative analysis; 1951-1981; 87R3868
psychotherapy training program, theory/research/practice linkages; 87S1978
psychotherapy, continuation/termination decisions; linguistic/socioeconomic/cultural factors; participant observation, interviews; working class Chicanos, Los Angeles, California; 87R2935
psychotherapy, existentialist approach; case study; 87R5459
psychotherapy-magic relationship; 87R6601
public health care, psychotherapy's contribution; 87R2835
socioanalysis therapeutic method, social/moral issues; 87T1054
Stockholm Syndrome, hostage crises, psychodynamics/treatments; 87R6644
therapeutic communities, practice models, redefinitional processes; case studies; adolescent communities; 87R6581
therapeutic community, interpersonal/intergroup tensions; case study; coercive borderline patient; 87R8934
therapist-client relations, emotional expression/control issues; audiorecordings; 87T0651
transference issues, Jewish therapist-Arab patient dyad; 87R8932

Public Administration
The Feminist Case against Bureaucracy by Kathy Ferguson; review essay; 87R5232
governance problems, higher education institutions, Sweden; 87R8019
operative goal effectiveness, regional councils; local government resource contributions; US; 87R5148
public administration teaching, professional curriculum, biopolitical/-behavioral issues; 87R8011

Public Behavior
disaster studies, Japan, sociobehavioral perspective; literature review; 87R3051
earthquake victims; psychological/behavioral responses; seismic intensity; questionnaire/interview surveys; Japan; 1973-1983; 87R3050
person perception; professionals' public religiosity expression; scales; college studnets; 87R4363
postearthquake restoration processes, prediction model; Sendai City, Japan; 87R3047
postearthquake warning behavior, terminal train stations; simulation models; Japan; 87R3055

Public Debt
democratization, Latin American countries; external debt; 87R9699
economic crisis, Dominican Republic/Caribbean nations, modern vs traditional dependency modalities; official data; 87R9559
Sandinista revolution, Nicaragua, economic strategy; 87R7476

Public Finance
business incubators, federal/state funding, public policy issues; 87R7809
foreign debt crisis, Latin America, political aspects; 87R9720
local fiscal stress, northeastern US counties, causal factors; 87S1989
nuclear energy industrial sector, state finance capital, US vs France; 87R7583
population aging trends, Canada, labor force/government expenditures implications; 87R8238

Public Goods
goods/goals, social autotelic vs instrumental values, Poland; 87R1809
public goods, individual contributions; group size/rivalry, gender; experiment; 87S1973

Public Health
acquired immune deficiency syndrome, homosexual bathhouse closure, constitutional issues; 87R4491
doctor-patient relationship, Germany; medical specialization, public hygiene policy; 100-year analysis; 87R4872
human health, socioeconomic issues; USSR conference reports; 87R2800
malaria, community adaptations, rural Muheza District, Tanzania; cross-cultural contacts; 87R4830
Medicaid expenditures, myths dispelled, US; census, Health Care Financing Administration data; 1959-1981; 87R4825
medical professionalization/service provision, government policy, *homo hygienicus*/health socialization process; late 19th-/early 20th-century Germany; 87R4848
mental health, employed vs nonemployed mothers; home/child care/sex/work role attitudes; survey; Sheffield, England; 87R8906
mental health, Lebanese population; war conditions; survey, interviews; 87R4935
mental health, male vs female elderly; physical health; questionnaire, scale; 87R4999
patient understanding/retention, medical advice, Dominican Republic; observation, interviews; patients, rural clinic, El Rio district; 87T0634
primary health care, China, historical/institutional development; 87R4858
public health care, psychotherapy's contribution; 87R2835
public health regulation, economic justifications; 87R2789
public health services professionalization, sanitation reform, New York, NY; 1866; 87R2808

distribution/retribution decisions, competitive vs cooperative relationships; equality/contribution principles; questionnaire; female nursing students, Sweden; 87R5533
drug consumption, legal prohibition/punishment, social function; 87R8568
Foucault, Michel, analytics of power, punitive practice application, theoretical limitations; 87R9100
homicide sentencing; punishment severity/certainty; experiment; college students; 87R4521
judicial/penal system, metaphorical analysis; 87R6254
juvenile delinquency, Swiss vs other nations' penal law; 87T0829
parental rewarding/punishing persuasive appeals, adolescent perceptions; parental socioeconomic resources; 87R2627
parole decision making, US vs Israel; sentencing structure; prisoner case file data, interviews; 87R4513
penal law development, modern Europe, institutional learning process approach; 87R4461
perceived threat levels; punishment; self-administered questionnaires, personal interviews; federal prison inmates; 87R7101
punishment rates, criminal justice system, stability hypothesis; Montreal, Quebec; 1849-1913; 87R2483
punishment, crime-deterrent value, philosophical/legal/societal justifications, US; 87R6293
punitive attitudes, blacks vs whites, US; General Social Surveys; 87S1952
race-criminal punishment relationship, research inconsistencies, theoretical/conceptual problems; literature review; 87R6291
school disciplinary system, black vs white encounters; longitudinal questionnaire data; public school students; 87R8001

Punjab, India
black representations, popular culture, symbolic social control; 87R9282
bonded labor capitalism restructuring; fieldwork; Peru, India; 87R9589
nationalism/subnationalism, India, historical development; 87R4047
Sikh movement, Punjab crisis, India; 87R3856
urban lower middle class, colonial Punjab, Indian, origins/development/behavior; 87R5743

Purchasing
exchange construction, buyers/sellers, yard sale; 87S1967

Purdah
women's subservient status, Pakistan; traditional Islamic patriarchal structures; 87T1012

Quakers
correctional philosophy, US, Quaker social reform movement; 1670-present; 87R4504
marital violence; religious commitment; mailed questionnaires; Quaker husbands/wives; 87R6419

Qualifications
labor market processes, qualification concept; 87R5682
police work competency/qualification; interviews; police officers, France; 87R5666
qualification concept, sociology of work; Nantes, France, colloquium proceedings reviewed; 87R5633
teaching profession, qualifications/redefinition, ethical/political issues; 87R5987
worker qualifications, market-based aspects; 87R5672

Qualitative Methods
computer applications, qualitative sociology, timeline construction; 87R6874
demographic structure, qualitative change; Marxist perspective; 87R6354
educational research, qualitative approaches; literature review; 87R6876
empirical research, qualitative methodology, life histories; personal experience; 87R1226
"first-person" interview/oral history data, editing issues; 87R6869
individual histories, verbal accounts, research implications; 87R5341
interpretive interactionist methodology, biographically meaningful experiences; 87R1203
life stories, critical phenomenological interpretive method; Jean-Paul Sartre's/William Faulkner's/Martin Heidegger's works; 87R2287
migratory movements, middle-sized towns, Togo, methodological issues; survey; 87S2000
naturalistic social research, interview information, theoretical/methodological issues; 87R6875
open-ended survey questions, qualitative analysis; questionnaires; adolescents, West Germany; 1962,1983; 87R8972
prostitution as career; life stories; Barcelona, Spain; 87R1227
qualitative data analysis, computer application; 87R9007
qualitative data analysis, computer programs; 87R1232
qualitative experiments, empirical social scientific research; text analysis, social psychology examples; 87R5333
qualitative methodology, Alfred Schütz's/Max Weber's approach; 87R7038
qualitative sociology, computer applications; abstracted data set; 87R1214
qualitative sociology, computer applications; 87R1298
science studies research, interpretive/quantitive approach integration; case study; 87T0258
social science research methods, biographical materials; personal experience; 87R1201
social science, documentary sources, life stories; personal experience; 87R1199

sociological research, computer-assisted qualitative analysis, word processor keyboard macros; 87R3190
sociological research, quantitative vs qualitative methodology debate; 87R8959
statistical tests, alternative philosophical interpretations compared; 87R5349
student learning, interview accounts, analytical approaches; 87R6872
text as data, computer-assisted analysis; 87R9031

Quality
baccalaureate programs, curriculum quality; 87R7993
political science research, British universities, evaluation criteria criticized; 87R8706

Quality of Life
black farmers' quality of life, improvement strategies; 87S2004
college environment research, US/West Germany, theoretical/methodological issues; 87R7961
coronary disease treatment/epidemiology, blacks' experiences; Coronary Artery Surgery Study; 87R4853
death rates, age-/sex-specificity, elderly; quality of life factors; census/vital statistics data; South Dakota; 1960, 1970, 1980; 87R2565
drug therapy cost-benefit analysis, life quality dimensions, MIMIC-disability index; questionnaire; psoriasis patients; 87R4851
fertility decisions, single women; quality-of-life/marital perceptions; questionnaire; 87R3120
homicide/suicide rates, US; state's quality of life; archival data; 87R9226
housing development, social quality considerations; 87T0017
individual health potentialities, physician's task, phenomenological perspective; 87R8517
interstate migration, US; political/economic/quality of life factors; state-level data; 1950, 1960, 1970, 1980; 87R4609
leisure time/activities, US; work ethic; 87R9676
life quality, elderly, gender differences; women's longer life expectancy; longitudinal interview data; Cleveland, Ohio; 87R6551
life quality, national identity, political/health stability, Costa Rica; modernizing/distributive policies; 1948-present; 87R3398
modern social welfare state, conceptual/policy issues; 87R7653
neighborhood life quality/activity time use, well-being perceptions, US; national survey; 87R9271
perceived quality of life, Korea vs US; educational attainment; personal interviews; 87R4341
progress as social problem, modern life; 87R8742
psychological well-being/quality of life, blacks vs whites, US; General Social Survey; 87R5576
quality of life concerns; medical sociology award acceptance address; 87T0609
quality of life determinants, assessment methods; questionnaire; US; 87R5138
quality of life perceptions; quality of community environment; survey; households, Waco, Texas; 87R5139
quality of life satisfaction, married couples; economic/noneconomic variables; interviews, questionnaires; 87R8344
quality of life, blacks, US; race/class factors; surveys; 87R9314
quality of life, Colorado boom town; socioeconomic status/factors; 87S1992
quality of life, cross-national research; cultural bias; Illinois/France; 87T0771
quality of life, developing countries; demographic factors; 87R8269
quality of life, interregional inequality equilibrium; secondary data; US; 87R3008
quality of life, metropolitan Moscow, USSR; mathematical model; 87R2214
quality of life, non-Marxist sociology, definitions/conceptions; 87R3006
quality of life, spatial planning issues, Croatia, Yugoslavia; 87T0879
rural/urban migration turnaround, metropolitan- vs nonmetropolitan-origin migrants, economic/environmental quality of life motives; questionnaires; Kansas; 87R8223
shared housing, success factors, Australia; interviews; Adelaide; 87R6055
small-scale fishermen, Iloilo Province, Philippines, poverty/quality of life; interviews; 87R9352
social inequality, Yugoslavia; housing policy; 87T0874
social situation, elderly, less-developed countries; demographic change; 5-book review essay; 87T0782
support system quality/charactistics, elderly, southern California; interviews; 87T0754
urban planning, human factor, USSR; 87R7882
urban quality of life concept, community control era/mass society/information age; 87R7854
urban-rural migrants, quality of life vs economic motivations; interviews; Gallatin Valley, Montana; 87R8279

Quality of Working Life
early retirement policy, West Germany, generational contract issue; interview; retiree; 87R8635
information/communications technologies, capitalist societies; 87R6325
nursing, professionalism model, social class/gender issues; 87R9859
personnel turnover, agricultural specialists; USSR; questionnaire; 1985; 87R9961
quality of work environment, psychiatric hospital nurses/counsels, job stress/task interest; interviews, questionnaires; 87R1742
quality of work life programs, job redesign approach; literature review; 87R5683
Quality of Work Life programs, unionized workers' support/opposition; case studies; US plants; 87R3692
quality of work life, organizational consultants, internal-external teams; personal experiences; 87R5289
quality of working life, Italy; survey; industrial workers; 87R9372
quality of working life, physical environment; literature review; 87R7278
work life regulation, French employers' policies/attitudes; published statements, interviews; 87R3728
worker conditions, transnational corporations, Asia; 87R5712
working conditions; occupational sex segregation; Quality of Employment Survey; 87S1958
working life quality/job satisfaction, petrochemical/blue-collar workers, Ontario; enrichment programs; questionnaire; 87R5669
working life quality/satisfaction, manufacturing industries, Netherlands; trade union practices; case studies; 87R7284
working life/unemployment, new technologies' effects; literature review; 87R9398

Quantitative Methods
association measures, significance testing/confidence interval estimation; 87R3243
complex sample surveys, standard error estimation, methodological issues; interview survey; New Haven, Connecticut; 87R6893
computer statistical packages, vendors' comments; 87R6867
contingency table data, partial rank-order correlation coefficients, variance/covariance estimates; 87R3230
data collection instruments, response categories, quantitative evaluation method; 87R8984
data homogeneity problem, quantitative analysis; 87R6886
distribution similarity, measures; 87R3245
event reinforcement, Markov process model, estimation/testing methods; 87R3218
factor analysis, behavioral science uses; socioeconomic data; India; 87R6900
factor analysis, longitudinal data, common/specific/error variance estimation, low- vs high-technology methods; article/comment/reply; 87R6898
groups of unequal size, contingency table analysis, chi-square test; 87R9006
intercensal age schedules, demographic events, estimation procedure tested; 1880-1930 US census data; foreign-born white population; 87R8273
latent (quasi-)symmetry models, loglinear analysis; 87R6910
latent variables, metric definition; comments/replies; 87R3246
linear causal models, computer estimation programs, behavioral sciences; 87R6904
linear models, spatial effects, maximum likelihood estimators procedure; 87R3250
loglinear analysis, demography/sociology statistical methodology; 87S1951
loglinear models, structural/circulation mobility, methodological issues; 87R9840
mathematical data processing, sociologists' passive role; content analysis; journal articles; 1983; 87R9011
mathematics use, stereotypes/prejudice, Soviet sociology; 87R6956
migratory movements, middle-sized towns, Togo, methodological issues; survey; 87S2000
multilevel propositions, 2-step analytical solution; 87R3208
multinomial logit analysis, parameter assessment, graphical method proposed; 87R6896
multiples distributions, Monte Carlo simulations/Gedanken experiments; 87R6322
nominal/series data, specialized coefficient development; 87R9005
nonadditivity problem, quantitative science studies; 87T0239
numerical variables, association measures; 87R6902

ordinary least squares regression, population residuals distribution, normality assumption; cross-national data; 87R9001
P-STAT/SPSS/BMDP computer statistical packages; comments; 87R6888
physics subfields, Swedish researchers' prevalence, online bibliometric methodology; 87T0257
principal components vs common factor analysis; 87R3221
quantitative analysis, nonadditivity problem; 87T0238
regression analysis, interaction effects, microcomputer graphical approach; 87S1960
retrospective samples, discrete choice models, C. E. Manski's & D. McFadden's maximum likelihood estimation technique evaluated; 87R6909
school effects model, contextual/structural variables, estimation approaches; 87R3253
science studies research, interpretive/quantitive approach integration; case study; 87T0258
science, quantitative studies; bibliography, 1980-1982; 87R6320
scientific activities, statistical analysis, non-Gaussian distributions; illustrative cases; 87R6311
social change models, time series regression techniques; 87R3241
Social Dynamics: Models and Methods, by Nancy Brandon Tuma & Michael T. Hannan; book review symposium; 87R1348
social indicators/quantification, utility/artificiality; 87R3005
social norm measures, modal frequencies interpretation; 87R3228
social roles, graph/semigroup homomorphisms, algebraic analytic framework; secondary data; Renaissance-era Florence, Italy; 87R7392
social variables, mathematical models, methodological issues; 87R9012
statistical analysis packages review; 87R6897
statistical analysis packages, teaching applications; 87R6883
statistical analysis packages; scaling/classification capabilities; 87R6891
statistical method use frequency, psychiatry, quantitative skills instruction implications; content analysis; psychiatric journal articles; 1983-1984; 87T0096
statistical procedure; reply/response; 87R2703
structural equation models, "improper solutions," outliers' role; 87R6890
survey research methods; two-book review essay; 87R1211
tau/lambda/kappa estimation, small sample matrices, confidence intervals; 87R6903
textual meaning, mathematical representation; G. Muskens's critique, reply; 87R3256
Type I error, rate measures, behavioral science research; journal articles; 87R6882
voting power, electoral subgroups, quantifying model proposed; 87R7577
weighted scoring rules, alternatives to impartial culture assumption; computer simulations; 87R1238
within- vs between-subjects studies; 87R3204

Quebec
academic quality, human sciences students, university preparatory colleges, Quebec; statistics; 87R7990
alternative business characteristics, Quebec, Canada; questionnaire, interviews; 87T1060
antipornography groups' organization/mobilization, Quebec/US; 1970s; 87R8849
bilingualism conflict, air traffic control, Quebec, relative deprivation vs resource mobilization approach; official/newspaper reports; 87R5839
causal relationships, longitudinal analysis models; 87R8951
child care centers, working mothers' responsibilities/burdens, Quebec; 87R3088
children's street-hockey games/lessons, Quebec, professionalized participation; 87R5845
chiropractors' corporation, Quebec, discourse strategies; 87R4838
clinical sociology variations, France/Quebec/US; 87R5284
consumer cooperatives, current decline, Quebec; questionnaire survey; 87R3828
contemporary social imaginary, Quebec, dialogical critique; 87R7924
demographic evolution, Quebec, linguistic/other consequences; 87R8233
economic situation, female-headed single-parent families, Quebec; statistics; 87R8815
election campaigns, Quebec; diary excerpts; 87R5938
English-speakers, Quebec, economic/cultural role; book review essay; 87R4196
equity/excellence problems, higher education, Quebec's response; 87R7937
French/English communal inequalities, Quebec, adult citizens' perceptions; language group membership, social stratification variables; national interview survey; 1970/71; 87R7690
general/professional education colleges, Quebec program results; 87R7946
general/professional education colleges, Quebec, founding history; 87R7956
general/professional education colleges, Quebec, teachers' problems; statistics; 87R7952
gifted children, US/Quebec educational systems; 87R4648
home aid health care services, substitutive effects; elderly population; Lachute, Quebec; 87R8467
institutional/discipline choice, university students, Quebec; sociolinguistic group, social class, sex; enrollment data; 87R1543
job position reassignment refusal, pregnant/nursing female workers, Quebec; statistics; 1981-1984; 87R9425
marxism vs feminism; content analysis; women's column, Ligne communiste canadienne's journal, Quebec; 1970s; 87T0977
nationalist movement as expressive social movement, Quebec, Herbert Blumer's typology; 87S1931
occupational health/safety laws, Quebec, legal vs social science research methodology; case study; right to refuse dangerous work law; 87R9466
occupational health/safety services introduction, industrial firms, Canada; questionnaire; firm administrators; 87R9463
occupational inequality, Quebec; sexual/linguistic discrimination; English-/French-speaking newlyweds; 87R5983
occupational mobility structures, Francophones vs Anglophones, Quebec, Ontario; secondary data; 1954-1974; 87R7671
péquiste regime/Quiet Revolution's failure, Quebec, cultural identity threats; 87R7648
philosophical/sociological thought, cognitive/social functions, Quebec; mid-nineteenth century-present; 87R8717
political cartoons, Queen Elizabeth's Quebec visit; semiotic analysis; 1960s; 87R2038
political economy transformation, francophone Quebec, social relations implications; 87R7086
popular music scene, Quebec; 1980s; 87R7916
popular music, Quebec, recent research critiqued; 87R7543
pregnant women's work reassignment, high risk workplaces, Quebec; 1979 legislation; interviews, statistics; 1984-1986; 87R9364
public health services, Quebec, Canada; community health departments; questionnaire, interview, historical document analysis; January 1978-July 1981; 87R2792
Quebec independence movement, motivational dimensions/model; 87R2042
recent election campaign issues, Quebec; comment; 87R5934
regionalism ideology, Quebec; self-management movement; 87R6717
right to refuse work, law's institutionalization, Quebec; case records; 1978-1981; 87R9453
rural life/economy, Quebec, 1800-1850; 87R3791
school autonomy, general/professional education colleges, Quebec; government type; interview survey; 87R7992
scientific community, Quebec, social system development; 87R8206
separatist violence, mass media's coverage/legitimation, Quebec; content analysis; newspapers, Montreal; 87T0958
similarity judgments, Francophone vs Anglophone adults, Quebecs; social identity; experiment; 87R7166
social diversification, Quebec; cultural change; 87R7601
social history, 20th-century Quebec, Catholic Church's role; 2-book review symposium; 87R2412
social life, 20th-century Quebec, Catholic Church's role; 2-book review essay; 87R2389
social/private profitability, professional vs nonprofessional college program graduates, Quebec; census; 87R8042
students' attitudes/achievement, general/professional education colleges, Quebec; radical pedagogy; longitudinal data; 87R7938
theater companies, Quebec, conservative attitude; economic crisis; 87R6109
ultramontanism, 19th-century Quebec; book review essay; 87R2390
university program choice, general/professional learning preparatory college students, Quebec; survey; 87R7950
Ur redevelopment policies, Quebec City; 87R9985
welfare recipient/program characteristics, Quebec; 87R8810
worker health; working group size; questionnaire, interviews; female data entry operators, government offices, Quebec, Canada; 1985/86; 87R9360

Questionnaires
animal subjects' use, medical research, attitudes survey, question/response ambiguities; personal experience; 87R3889

follow-up questionnaire survey, D. A. Dillman's techniques; 87R3193
informant interview responses, contagion/disease survey; cultural competence/knowledge; Guatemala; 87R3203
magazine-distributed questionnaire, exploratory research method; 87R5335
news media, attention/exposure measurement, self-report questionnaires' validity/reliability; longitudinal interviews; adolescents/parents, US; 87R9640
open-ended survey questions, qualitative analysis; questionnaires; adolescents, West Germany; 1962,1983; 87R8972
questionnaire batteries, positively/negatively formulated items; LISREL analysis; 87R3237
racial tolerance questionnaire responses; threatening stimulus wording; General Social Surveys; 87R9629
response order effect theory; experiment; 1984; 87R8989
social life feeling, questionnaire responses; direction-of-wording; interview data; adults, US; 87R5337
survey responses, "poor" vs "welfare" wording; General Social Surveys; 87R6884

Race

adolescent pregnancy/childbearing/parenthood, low-income blacks, US; literature review; 87T0542
alcohol use, racial/gender differences, college students; drinking age onset; questionnaires; southeastern US; 87T0691
alcoholism, North American Indians, race concept; 87R8577
attitudinal perceptions, contemporary black students, traditional black vs white universities; political/social forces; ethnological analysis; Texas; 87R3472
birth-sex ratio, cross-cultural analysis; literature review; 87R6426
career motivations/expectations, white/black/Chicano former athletes; interviews; 87S1971
civil violence/nonviolent protests, participation propensity, social marginality hypothesis; secondary data; 87R2033
cohort fertility, US, racial differences; 87T0301
collegiate athletes, academic achievement prediction, Caucasians vs nonwhites; 87R3912
consumer complaining behavior; social stratification variables; telephone survey, personal interviews; 87R3830
criminal violence, metropolitan areas, demographic structure, local culture; 87R3068
drinking behavior, college students; questionnaires, 1974 vs 1983; 87R4959
drinking problems, racial/gender/academic correlates, US college students; longitudinal questionnaire data; 1982-1985; 87R6608
earnings inequality, work supervisors, race/sex differences; span of responsibility/control; interview survey; white/black males/females; 87R2158
education research, race/social class/gender issues, integrative analysis; 87R7976
electoral consensus, race issues, Conservative/Labour parties, GB; intraparty pressures, electoral opportunities; 1960s-1980s; 87R3549
ethnic stratification, comparative research/theory, methodological problems; literature review; 87S1986
family composition, welfare population; marriage formation/dissolution patterns; public assistance records; Wisconsin; 87R8398
first-birth timing, cohort/racial differences, US women; national survey; 87T0294
household structure, US elderly; race, ethnicity; census; 87R6470
incarceration rates, minority vs white youth, US; arrest bias; 1976-1985; 87T0405
income inequality, race/sex differences, US; social organization of production position; 1979 Michigan Panel Study of Income Dynamics; 87R7698
infant birthweight/mortality, nonwhites/Anglos/Spanish-surname population, Texas; sociodemographic factors; birth/death records; 1980; 87R2568
interaction style, correctional officers; urbanization, race, age; questionnaires; maximum security prisons, New York; 87R2473
interpersonal interaction, white-nonwhite women, US; race, social class, gender; 87S1942
judicial transfer decision, juvenile vs adult justice system jurisdiction; race; court data; 87T0191
living in parental home, young adults' propensity; family size/birth position/socioeconomic/other factors; national survey; 87S1947
mental disorders, *DSM-III* diagnostic assessments, gender/race factors; case study evaluations; 87S1969
mortality variability, nonmetropolitan counties, US; sustenance organization structure, regional demographic/environmental characteristics; public documents; 87R4620
national survey results; race of interviewer; General Social Surveys; US; 1972-1977; 87R3207
neighborhood structure/charge, status/race variations, central city Cleveland, Ohio; 1930-1980; 87R9994
occupational distribution; race, gender statistics; 1958-1981; 87R4073
police officer discretion; community/police subcultural pressures; observation, survey; New York City, New York; 1984/85; 87R4518
psychological distress, race/social class interactive effects; secondary analysis, epidemiologic surveys; 87R2821
psychological distress, rural vs urban communities, Tennessee; race, social class; interviews; blacks, whites; 87S1992
public policy demands/attitudes, rural unincorporated community residents, Mississippi; race; survey; 87R5125
"race" concept, US political discourse; 87R7235
race-criminal punishment relationship, research inconsistencies, theoretical/conceptual problems; literature review; 87R6291
race/gender stratification, computer occupations; Current Population Survey; 87S1937
racial classification/typologies, North America/Europe, 1700-1850; 87R7205
racial differences, criminal processing, differential treatment conclusions; model selection; Minnesota; 87R2476
racial income distribution data, intergroup inequality measures; 87R3224
racial preferences, self-identity, Canadian Indian children; test language, experimenter race; experiment; Ojibwa reservation; 87R6864
real estate agents' attitudes/business practices; race/ethnicity; face-to-face interviews; Denver, Colorado; 87R5568
senior center utilization, elderly; race/sex/socioeconomic factors; interviews; 87R5013
sentencing discrimination, white vs black offenders, Georgia; community inequality vs offender attributes/behavior; Department of Corrections data; 1976-1982; 87R6294
sociology attitudes, black US sociologists; race/other factors; 87R3291
voting bloc formation, women; National Election Studies; 1972-1984; 87R3082
wage differentials, minorities/females/white males, New York; occupational segregation; comparable worth study; 87S1947
welfare spending attitudes; race, conservatism, socioeconomic status; National Opinion Research Center data; males, 1980; 87R3020
work/public transportation disability, American Indians/blacks/whites; socioeconomic factors; US Census; 87S1968

Racial Relations

antipolice attitudes, young West Indian blacks, GB; interview survey; 87R1555
Arab-Jewish relations/reconciliation, Israel, voluntary organizations' role; 87R5557
arrest rates, 1981 urban rioting, England; race/age/other factors; police data; 87R3074
behavioral characteristics, Australian rural white vs aboriginal children, culture-of-poverty notion; questionnaires, school records, interviews; 87R5193
black boundary maintenance, Danville, Virginia, repressive justice; court/police data; 1900-1930; 87R3498
black vs white social mobility, Brazil; 87R9748
black youth killings/disappearances, Atlanta, Georgia, race ideology issues; 87R7220
black-Jewish relations/race riots, Detroit, Michigan; surveys; WWII era; 87R1538
Canadian anti-discrimination policy developments, expansionary logic, statistical methods; 87T0200
collective racial violence, US/GB, typological framework; 87R1544
criminal suspect lineup development, black vs white constructors; own-race bias; experiment; 87R4456
customer-clerk interactions; participants' race; experiment; supermarket/discount stores, northern Florida; 87R3829
desegregation experiences, black high school students, US; voluntary busing; case study; Project Concern participants, Connecticut; 87R9303
ethnic mobilization, Afrikaners (1948) vs black nationalists (1980), South Africa; 87R3494
interethnic relations management, plural societies; case study; Singapore; 87R3510
intergroup relations/educational achievement, black/white/Asian/Hispanic elementary schoolchildren; school desegregation; field observation; 87R6127
labor conflict, Ku Klux Klan mobilization, Wilkes-Barre, Pennsylvania; 1978; 87R3850
labor force participation, black youths, social/psychological perspective; 87R3737

law enforcement policies, police agencies, Netherlands; 3-book review essay; 87R3754
local delinquency rates; external ecological factors; longitudinal data, Chicago, Illinois; 1960-1970; 87R6666
militant fascism, Black Belt South, US; 87S1956
MOVE crisis, Philadelphia, Pennsylvania, economic consequences; interviews; residents; 87S1956
multiracial intellectual Left, South Africa, movement origins/development; 87R7585
neighborhood crime, resident vs nonresident offenders; community racial/socioeconomic characteristics; arrest data; 87R5027
neighborhood stabilization, urban neighborhoods; 87S1978
oral history, research/collection techniques, methodological problems; South African Institute of Race Relations project; 87R1312
paid attendance variability, professional basketball sports; team racial composition; longitudinal data; 87R7557
plantation slave community, South Carolina; book review essay; 87R6712

rape behavior/attitudes, rapists vs other felons; sociocultural myths, aggressive socialization; questionnaires, interviews, psychological scales; prisoners, Virginia; 87R6647
rape legislation, reform effects; 87R5196
rape prevention; defensible space concept; statistics, police records; completed/attempted rapes, Norman, Oklahoma; 1983-1984; 87R5197
rape reporting, New York *Times*, social control aspects; content analysis; 1950-1979; 87T0962
rape research, randomized response technique vs traditional survey methods; experiment; nursing students; 87R8674
rape tolerance, adolescents/college students/prisoners/community members; sexist/antisocial attitudes/personality; psychological scales; Wisconsin; 87R8865
rape victimization rates; ecological factors, victim activities; official crime reports; Buffalo, New York; 1975; 87R3076
sexual murderers, child sexual abuse history vs nonhistory; 87R8669

Rates
psychiatric disorders, Mexican Americans, Los Angeles, California; native vs immigrant status, acculturation; interviews; 1983-1984; 87T0645

Rating
group analysis, rating scales, validation; 87R5547

Rationalism
electronics, social/cultural change implications; 87R7262
Habermas, Jürgen, rationalism defense; 87R1342
interpersonal cooperation, social structural conditions; 87R1464
rationalism critique, Jürgen Habermas's theory of communicative action vs Ch. Perelman's theory of argumentation; 87R4471
sociology-rationalism, Michel Maffesoli's work; book review essay; 87R5415

Rationality
bounded rationality, Herbert Simon's theory; 87R8203
capitalism, Max Weber's theory; 87R7058
caregiving work, rationality concept; 87R9178
comprehension problems, Jürgen Habermas's language communication model; 87R3391
culture/instrumental valuation, institutionalist ideas, insistence on rationality; 87R9159
democratization process, Latin American capitalist societies, rational/irrational dichotomy; 87R7457
desire vs reason, critical theory versions; 87T0899
discourse modes, Jürgen Habermas vs Mohandas Gandhi; 87R7072
economic behavior analysis, socioeconomics paradigm; 87R9211
environmental policy, ecological rationality concept; 87R8762
Foucault, Michel, theory/works; other philosophers' comments; 87R3343
Habermas, Jürgen, communicative action theory vs Max Weber's functional rationality theory; 87R3349
magic/superstition, social function, Western industrial societies; 87R6703
postmodernism/poststructuralism, Jürgen Habermas's critique, communicative rationality as modernist theory; 87R7609
procedural rationality, Klaus Eder's theory; commentaries; 87R8159
public/private activities, men's/women's differential participation, traditional feminist view; 87R3108
racial/gender segregation, individual/collective action, rational choice model; 87R1371
rational actor models, symbolic interactionist theory; 87R9015
rational behavior, hospital emergency room staff; environmental uncertainty; observations; 87R4878
rational communication/consensus, Jürgen Habermas's thought; 87R3165
rational subject vs social structure, social science dilemma; 87R9167
rational suicide, permissive attitudes; 87R7161
rationality debate, philosophical perspective; book review essay; 87R6852
rationality, human behavior, binary synthesis approach; literature review; article/reply; 87R7112
rationality, organizational dimensions, family court legal/social work professions; observations, interviews; midwestern urban community, US; 87R6260
rationality/morals, decision making; 87R1412
rationality/validity/destiny, Franco Ferrarotti's views; two-book review essay; 87R6196
reactionary religious ideologies, modern capitalist societies; 87R6242
reason/rationality, Max Weber's concept; 87R5321
science/values relationship, scientific rationality vs relativism; book review essay; 87T0234
science's rationality, philosophical discussions; 87R5320
scientific discovery, theory's role; Thomas Kahn's, Ernest Nagel's, N. R. Henson's works examined; 87R2956
sociology, approach-based research, crisis of rationality; 87R3316
value systems/changes, US, Max Weber's typology of rationality, conceptual framework; General Social Survey; 1973-1983; 87R8991
voter rationality, Anthony Downs's model; 87R7594
voting behavior, rational choice model, West Germany; 87R7495

Rationalization
bureaucratization process, Western civilization, Max Weber's theory; 87R9086
childrearing developmental model changes, US; content analysis; popular women's magazines; 1830-1940; 87R6373
employee behaviors/appearance, service vs production/clerical workers; fieldwork; fast-food workers, insurance salespeople; 87S1940
greeting cards, standarization/rationalization; 87R1514
ideology of efficiency, administrative/organizational life; 87R1765
industrial rationalization, computer technology strategy; 87R1756
intersubjective understanding, Jürgen Habermas's *Theory of Communicative Action*; 87S1977
labor policy; information technologies implementation; secondary data; machine building industry, West Germany; 87R9412
legal rationalization, Max Weber's analysis critiqued/modified; 87R8151
love theme, social theory; 87R1352
manufacturing decline, Western countries, rationality calculation; 87S1951
meaning/understanding, Donald Davidson's/Jürgen Habermas's rationalizations; 87R8968
microelectronic information technologies, instrumental-functional rationality; 87R7067
modern law, proceduralization/rationalization aspects; 87R2423
quality of work life programs, job redesign approach; literature review; 87R5683

rationalization vs reification, Jürgen Habermas's Marxian position; 87R1314
rationalization, critical theory standards, Georg Lukács's/Theodor W. Adorno's/Jürgen Habermas's works; 87R2375
reactionary religious ideologies, modern capitalist societies; 87R6242
reason/rationality, Max Weber's concept; 87R5321
Western Marxism, ontological foundations/dilemmas; 87R5467

Ratios
birth-sex ratio, cross-cultural analysis; literature review; 87R6426
ratio variables, methodological/theoretical issues; comments/reply; 87R5358

Readership
newspaper reading habits, socioeconomic factors, Western Europe; cross-national survey; 87R9654

Reading
academic achievement-media use, reciprocal relationship, US high school students; national longitudinal survey; 87R4299
beginning school reading books, child as character/reader; textual analysis; 87R7935
children's reading proficiency, racial/ethnic differences, US; parental reading activities/education; surveys; 1980s; 87T0122
cultural values, 2nd-grade reading textbooks, Near Eastern nations; content analysis; 87T0144
education participation, older adults; learning attitudes; questionnaire; senior citizen club members; 87R4995
learning to read, racial differences; school/classroom organization; first graders; 87R1547
literary genres'/their readers' social hierarchy; interviews; readers, public libraries, France; 87R2290
reading textbook selection process, perceived influences; interview/other data; Indiana school districts; 87R2347
reading/literacy, future significance; information technology; 87R7511
reading/writing activity, social class influences, consumer-producer gap, cultural democratic implications; 87R4212
remedial reading, Lev. S. Vygotsky's sociohistorical approach; 87R7951

Reagan Administration
black support, conservative positions, public opinion surveys critiqued; 87R9645
blacks' deterioration, US, Reagan administration era; 87R7247
capitalist society/welfare state, education's role, Reagan administration's policies; 87R2358
conservative culture's development/renaissance, US; 87R5928
economic status, black vs white Americans, first-term Reagan administration; survey/statistical/census data; 87R7251
moral temper, US, modernity revolt; 87R6727
political-economic situation, Reagan administration's first term, US; 87R5932
poverty/unemployment, Reagan administration policy impact; 87R8820
President Reagan's second-term judicial appointees, professional/democratic/attribute profile; 87R8116
public assistance programs, public opinion, US; surveys; 1930s-1980s; 87R7499
Reagan, Ronald, personal characteristics, image vs competence; 87S1967
social class relations, US exceptionalism; book review essay; 87R4032
The Trouble with America: Why the System Is Breaking Down, chapter 4, by Michel Crozier; comments; 87R5500
US civil religion, Ronald Reagan's contributions/voluntarism themes; 87R9708

Real Estate Industry
income inequality, residential vs nonresidential real estate salespersons; occupational sex segregation; interviews; 87S1983
real estate agents' attitudes/business practices; race/ethnicity; face-to-face interviews; Denver, Colorado; 87R5568
real estate developers vs neighborhood associations, Geneva, Switzerland; 87R7860
real estate firms' births/demises, metropolitan southern US; local land market/community changes; 1960-1985; 87S1956
selling success, time-share vacation firm, situated transaction perspective; participant observation, interviews; 87R2144

Realism (Philosophy)
ethnographic genre, realism/representation; 87R3028
realism, progress/theories, metaphysical issues; 87R5323
realism/ideology, Mark Twain's/W. D. Howell's/Henry James's work; 87R4265

Reality
ideology/reason, constructive approach; book review essay; 87R5260
immediate/ultimate reality & meaning, human quest, cosmic holism concept; 87R2986
institutional economics, John R. Common's theories/methodology; 87R3388
official documents, juvenile courts, reality construction models; Hamburg, West Germany; 87R6263
social unit's territoriality weakness, sociological research implications; case study; Comacchio, Italy; 87R5311

Reasoning
energy supply systems, citizens' intuitive vs calculated preferences, additive utility model; empirical studies; 87R6755
ideology/reason, constructive approach; book review essay; 87R5260
jurors' sociomoral worldviews, assessment methodology; 87R6249
moral discussion, straight reason's role; 87R7057

Rebellions
Armies of the Poor: Determinants of Working-Class Participation in the Parisian Insurrection of June 1848 by Mark Traugott, historical/sociological methodologies; book review essay; 87R2054

Recidivism
alcoholism treatment, urban American Indians, recidivism; longitudinal interview study; detoxification unit patients; 87T0696
anorexia nervosa patients, death/relapse prediction; Copenhagen, Denmark; longitudinal analysis; 87R4968
chronicity/violent recidivism, criminal offenders; longitudinal data; 1958 Philadelphia (Pennsylvania) cohort; 87R3075
criminal offenders, India, social needs/characteristics; police records, interviews; Uttar Pradesh; 87R5028
criminal recidivism, clinical vs statistical predictors; official records; prisoners, Israel; 87R2468
criminal recidivism, Netherlands vs US; age, age of onset, criminal history; case data; 87S1948
educational attainment level, adult misdemeanants; type of crime; 87R5053
income-expenditure patterns/school life, criminal recidivists; semi-structured interviews; imprisoned offenders, Tamil Nadu, India; 87R8164
prison/postprison experiences, recidivists vs nonrecidivists; questionnaire interviews; 87R4519
recidivism rates, male sexual offenders, Norway; official/public register data; 87R8325
recidivism/rearrest likelihood, alcohol-abusing probationers; age/education/other factors; program data; 87R8600
recidivistic mentally ill criminal offenders, diagnostic categories; admission assessments; France; 87R4524
social skill development, re-arrest rate, male adolescent delinquents; intevention style; experiment, inventories; 87R6673

Reciprocity
family cycle, Andean mountain communities, Ecuador, social reproduction strategies; fieldwork; 87R4725
group solidarity/individual utility conflict; exchange/reciprocity patterns; 87R3381

Recordings
covert tape recordings, legal analysis, ethical issues; 87R5338
geographic research, communication patterns, rural Latin America; 87R4122

Records (Documents)
medical records, recording/interpretation conventions, artificial intelligence system; secondary data; 87R3167
volunteer subjects' health data files, research utility improvement; 87T0618

Recreation
behavior, motive fulfillment; outdoor recreation case study; backpackers, Grand Canyon, Arizona; 87S1995
disaster events, individuals' convergence; recreational vehicle availability; 87R3041
leisure provision, state's role, UK; 87R3901
leisure/recreation, USSR, ecological education; 87T0906
mountain climbing, subcultural production/reproduction/transformation processes; 87R3941
outdoor recreation's commodification, US Forest Service's involvement; historical data, case study; 87S1959
recreation activities/participation; environmental attitudes; questionnaire; residents, Alberta; 87R3900
recreation choices; housing type/household characteristics; household survey; Mississagua, Ontario; 87R1932
recreational land use politics, GB; Middle Ages-present; 87R9664
recreational space planning, US user participation; 87R5844

shuffleboard social system, seniors; participant observation, interviews; Ohio/Florida; 87R2903
tourism/recreation practices, intercultural implications; 87R5850
Recreational Facilities
cowboy camp meetings, voluntary participation, power/status issues; case study, literature review; 87S2003
recreational space planning, US user participation; 87R5844
social order construction, Jewish summer camp setting, anthropological interactional perspective; interviews, document analysis, participant observation; 87R3500
voluntary cowboy camp organizations, social participation characteristics; case study, field trip; camp meeting, Fort Davis, Texas; 87S2004
women's exercise classes, social enterprise characteristics, US; participant observation; 87R7551
youth recreational center, Manchester, England, sociological research methods; 87R3187
Recruitment
acquired immune deficiency syndrome research/education, volunteer recruitment; 87T0629
first-term soldiers' problems, human service agency use/assessment; interviews; army personnel, US; 87R9483
high-risk/cost activism, recruitment/participation, structural/individual motivational factors; project applications; civil rights workers, Freedom Summer; 1964; 87R1857
membership recruitment/maintenance, Society for Applied Sociology; case study; 87R6917
preferential recruitment, corporate executives, Korea; 87S1979
recruitment trends/military educational benefits, youth's opinions, labor market competition; 87R1748
religious/psychological evangelical groups, recruitment/indoctrination processes; 87R1422
retention intentions, male/female Air Force members; spouse support; interviews; 87R9475
scientific career socialization/recruitment, grade school children; science textbooks; content analysis; New York; 87R4547
Technical & Vocational Education Initiative program recruitment, GB, form teachers' role; 87R4340
work force intersectoral mobility; economic sector; Australian 1973 Social Mobility Surveys; 87R5698
worker recruitment/selection strategies, British/German firms; 87R9517
Reductionism
methodological individualism, reductionist/explanatory versions; 87R5316
Reference Groups
alcohol use/misuse; religious denomination; 87R8565
Church of Scientology, social control/ethics/deviance, symbolic interactionist perspective; 87R3483
drinking behavior; attitudes/social support congruency; interviews; adults; 87R6616
family lifestyle attitudes/plans, high school students; peer/parent influences; questionnaires; Ohio; 87R5534
religions/sexual behavior, church-affiliated college freshmen; parents'/friends' behavior; questionnaires; 87R6410
Reference Materials
Christian evangelical sex manuals; content analysis; 87R2636
social science, conceptual encyclopedia development; 87R7026
truth-producing activities, encyclopedia editing organization; organizational setting/constraints; participant observation; 87R2969
Referendum
nuclear referendum voting behavior, Sweden; pre-election interviews; 87R2010
Referral
elderly vs nonelderly alcoholism treatment patients, referral sources; gender; national interview data; 87R6606
Reflexivity
discourse analysis, reflexivity issue; 87R4535
discourse analysis, reflexivity issues; comment/reply; 87R8967
ethnographic fieldwork, methodology/philosophical issues; 3-book review essay; 87R3186
ipsative variables, common factor model; General Social Surveys; 87R3227
reflexive dimension, teaching humanistic sociology, strategies; open-ended questionnaires; undergraduates; 87R6936
reflexive public predictions, theoretical analysis; 87R6849
reflexive-functionalism, theoretical foundations; 87R9150
Reform
abortion law reform, policy-making process, France; feminist groups' pressures; 1974; 87R4495
agrarian structural reform, Iran; comparative-historical analysis; 87R4179
agricultural reforms, US South, Edmund Ruffin's attempts/work; pre-Civil War; 87R5497
armed forces, structural changes, government relations, Spain, pre-/post-1977; 87R9485
Changing South Africa: Political Considerations by Sam Nolutshungu; review essay; 87R5918
criminal law modification, Italy; post-1970s; 87R2025
determinate sentencing reform, felonies; Minnesota Sentencing Guideline Commission cases; 87R2477
development obstacles, Yugoslavia, democratization proposals; 87R5942
divorce reform, India, law/religious conflict; 87R4487
economic restructuring, unproductive dogmatism, USSR; 87R9568
juvenile correctional system, change process, New York vs Massachusetts; archival records, interviews; 1968-1984; 87R6669
juvenile justice, reform efforts, Maine; post-1960s; 87R2943
law reform, feminist analytical/political dilemmas; 87R2454
liturgical reforms, Catholic Church conflicts/change/continuity, post-Vatican II council; Synod of Catholic Bishops reports; 87R6218
local government, South Africa, constitutional reform; case study; Western Cape; 87R5947
marijuana decriminalization, US; newspaper/legislative records, interviews; 1973-1978; 87R8135
marriage reforms, Communist Party, China, historical phases; 87R4770
Medicaid reform implementation processes, Arizona, California, New York; 87T0571
medical education, reform movements, historical dynamics; 2-book review essay; 87R6168
mental health care, Netherlands, psychiatric opposition movement; 1970s-present; 87R4916
military history, armed forces' domestic interventions, current reforms, Spain; 1900s; 87R9486
modern reformatory prison development, Western vs Eastern societies; archival surveys; Tokugawa, Japan; 18th century; 87S1962
organic crisis/passive revolution/hegemony, Senegal; 87R9731
psychiatric reform movements, curative vs preventive mental health policy, implementation problems, US, France; medical environment; post-World War II; 87R4905
social science research, USSR, reform approaches; 87R9125
socioeconomic development, reform program, USSR; 27th Soviet Party Congress platform; 87R5790
status hierarchy, Muslim/Hindu society, South Asia; 87R4045
transition to democracy, armed forces role/reform, Spain; special journal issue introduction; 87R9477
Verwoerdian apartheid reform efforts, South Africa, President Botha's goals/methods; 87R2479
welfare families, US government support reform effort, 1969-1981; 87R6441
Refugees
adaptation strategies/gender roles, Vietnamese refugee families, Philadelphia, Pennsylvania; family system; participant observation, interviews; 87R9224
aging programs/care, USSR/Israel/US, Soviet-Jewish refugees' perceptions; interviews; 87T0780
Arab internal refugee adjustment, Israel, 1948 war; official documents, participant observation, interviews; 87T0288
Argentinean exiles, post-1983 return migration; 87T0325
Argentinean immigration policy, racial limitations, WWII/Cold War periods; 87T0344
Asian immigrants, US; demographic/social/economic/adjustment characteristics; 87T0354
Cambodian (Kampuchean) refugees, US, Prince Norodom Sihanouk's thoughts; 87R4013
community adjustment/assimilation, ethnic tie maintenance, Soviet Jewish/Vietnamese refugees, San Francisco Bay Area, California; 87R3521
Cuban immigrant adjustment, voluntary vs expelled refugees; interviews; Hudson County, New Jersey; 87R4594
Cuban *Marielistas* exiles, US, adaptation/assimilation; 87R4622
depressive symptomatology, Namibian adolescent refugees, Beck Depression Inventory; 87R4944
health care problems, Hmong refugees, US; participant observation, interviews, demographic/life history data; 87R3538
immigrant adaptation, ethnic enclave/middleman minority strategies, Cuban exiles, Puerto Rico; interview survey; 87R7214
Indochinese refugee resettlement, US, social/economic/psychological adjustment; religious beliefs/practices; interviews; 87R2543

Iranian immigrants vs political refugees/exiles, Los Angeles, California, demographic/religious/socioeconomic differences; census; 87R6359

maternity care practices, Kampuchean refugees, Dallas, Texas; 87R2795

medical service utilization, Khmer refugee parents, Dallas, Texas; medical beliefs/practices/expectations; 87R3547

population displacement/repatriation, internal/external refugees, rural Sudan; 1955-1972 civil war; case studies; Yei, Mariai, Gilo, Aweil; 87R4577

public policy needs, Cuban/Haitian immigrants, Miami, Florida; 87R3519

resettlement experience, Indochinese refugees, US, adaptation/adjustment problems; interviews; heads of households, San Diego County, California; 87R3536

Salvadoran refugees, Argentina, government planning; 1980s; 87T0326

Southeast Asian unaccompanied minor refugees, life situation, Federal Republic of Germany; official statistics, field work; 87T0310

US immigration/refugee policies, public opinion; questionnaire; California; 87R3499

Vietnamese Boat People immigrants, GB, policy issues; 87R5554

Vietnamese population patterns; telephone directory data; Long Beach, California; 1979-1983; 87R9307

Vietnamese refugees, economic/psychological/cultural adjustment; interviews; Edmonton, Alberta; 87R9304

Vietnamese/Cambodian/Laotian refugees, US, resettlement/integration patterns; official statistics; 87R9292

Regional Development

agricultural survival strategies, family farmers, mid-Atlantic US; urban growth; participant observation, interviews; 87R4151

employment development, small businesses' contribution, Abruzzo region, Italy; statistics; 87R3715

entrepreneurship concept, national/regional development; 87R7427

evangelicalism (revivalism), manufacturing vs agricultural towns, New York; 1820/1840 US census data; 87S1977

fishery management, policy development process, anthropologists' functions; personal experience; 87R5133

high technology industry development, Cambridge, England, university's role; 87R4571

high technology industry, regional development, US; interorganizational transactional structure, local labor market factors; WWII-early 1980s; 87T0286

industrial development, territorial-production complex approach, USSR; 87R8738

industrial revitalization, declining regions, France; 87R3004

migration/mobility behavior, Thailand; experimental program; questionnaire survey; households; 87R2548

operative goal effectiveness, regional councils; local government resource contributions; US; 87R5148

peasant migrations, regional economy formation/maintenance, agricultural production, Dosso region, Niger; archival/secondary data; early 1900s-present; 87R2566

political/electoral behavior, Andalusia, Spain; 87R9562

quality of life, spatial planning issues, Croatia, Yugoslavia; 87T0879

regional growth, convergence hypothesis, southern/western US; organizational/technological change; 87R8731

regional labor market, interoccupational interactions, economic development implications; 87R9878

regional land-use planning policy, France; 1980s; 87T0887

regional policy, post-WWII Hungary, aims/concepts/methods; 87T0891

regional studies development, Marxist influences, Greece; literature review; 87T0934

social infrastructure, regional development, USSR; book review essay; 87R3805

social mobility, Haryana State, India; regional rural development; interviews; village residents; 87R6006

social/economic underdevelopment, Tsimshian Indians, Kitsum-Kelum, British Columbia; economic/social forces; historical analysis; 87R3651

spatial development differentials, analytical methodology; Goa, India; 1978-1980; 87R3030

unequal development/exchange, Western Guatemala, peripheral differentiation; 87R9601

uneven development, Great Lakes region; deindustrialization patterns; official statistics; 87S1938

uneven economic development, European mountain communities; 87R2997

urban growth, Irkutsk region, Siberia, USSR; 87R7877

urban social movements/organizations, political/economic/historical aspects, Mexico; case study; Tierra y Libertad squatter's movement; 87R9570

urban/regional systems, research developments; 1980s; 87R8800

wine industry, Rioja district, Spain, dependency status; 87R1817

work organization/opportunities, women, Idaho; dependent development; interviews, participant observation; 87R3686

Regional Differences

abortion rates, state-wide variability; 1973 US Supreme Court decision; government statistics; 87R4621

adolescent drug use, small rural vs mid-sized communities, Rocky Mountain region; questionnaires; 87R8319

agrarian structures, Argentina, 19th-20th centuries; 87R7451

birthrate differences, Moscow vs Fergana, USSR; questionnaire; female factory workers; 87T0548

city-size distribution, subregional patterns, People's Republic of China; census; 1982; 87R9993

cultural features, urban areas, planning implications; official data; USSR; 87R9662

death causes, regional disparities, Ireland; official statistics; 87T0336

dialect (Walloon) usage, situational/social/regional/gender differences, Malmedy Walloon area, Belgium; 87R7883

divorce rate, Canada, regional differences; population mobility; census; 87R4772

economic/demographic projections, Central Asian republics, USSR; 87R9575

educational mobility, Czechoslovakia vs Slovak Soviet Socialist Republics; social origin, sex, birthplace; 87R2336

elderly cohort survivorship, inter-provincial patterns, Turkey; socioeconomic conditions; census data; 1970-1980; 87T0751

employment patterns, Atlantic Canada-Ontario migrants; regional industrial sector differences; census; 1981; 87T0309

employment trends/government policies, postrecession GB; 87R7325

entrepreneurship patterns, black Americans; statistics; 1790-1977; 87R3815

European health care community establishment, World Health Organization plan flaws; 1980; 87R4949

faculty salaries; regional variation; salary data; National Association of State Universities and Land-Grant Colleges; 1977/78, 1980/81, 1983/84; 87R7766

family structure/conflicts, South vs other US regions; national survey; 1976; 87S1986

family-building events, Sweden, changing patterns; secondary data; 1936-1960 female birth cohorts; 87R4701

female labor force participation; tertiary employment/fertility/family composition; census, other data; US cities; 87T1011

fertility, urban-rural differences, Thailand; cultural/educational variables; Accelerated Family Planning & Health Program data; 87R4629

French Revolution, regional social order; 87R1985

homeownership, Orange County, California; years of residence; telephone surveys; 87R2213

household composition, regional differences, 19th-century Portugal; electoral census, "Rol da Desobriga" residential listing; Minho municipalities; 87R2684

infant mortality rate, live birth definition, post-1950 USSR; statistics; 87T0290

international relations, collective violence/regional security problems; global economic vs local/regional factors; 87R6781

interstate migration patterns, elderly, US; economic variables; 87T0345

Japanese sociolinguistics, historical trends; 87R6099

language/power relationship, multilingual setting, India; 87R5569

living arrangements, single adults, Canada; age/gender/other factors; 1979 Micro Data file; widowed/separated/divorced males/females, aged 18-34/50+; 87R4658

living standards, Italy, regional disparities; social/economic development; 87R5756

marriage rates, Yugoslavia, modern vs traditional views, inter-republic/gender differences; census data; 1961-1981; 87T0436

modern political consciousness, 18th-century France; literacy; documents; 87R2335

mortality variability, nonmetropolitan counties, US; sustenance organization structure, regional demographic/environmental characteristics; public documents; 87R4620

mortality, sex differences, USSR; published statistics; 87R8226

occupational/income polarization, areal labor markets; hi-tech industries; official data; southeastern US; 87S1989

population distribution, Madrid/León, Spain; social class; administrative/church records; 87R9809

preventive detention, sexually violent offenders, Canada; regional/socioeconomic/offense disparities; parole files, questionnaires; 87R8183
quality of life, interregional inequality equilibrium; secondary data; US; 87R3008
quality of life, spatial planning issues, Croatia, Yugoslavia; 87T0879
racial attitudes; interregional migration; cross-sectional data; southern in- vs outmigrants; 87R1607
racist attitudes, white residents, West Midlands, England; social class, age, geographic patterns; empirical data; 87R5553
regional employment, urban/rural shifts, Norway; 1930s-present; 87T0855
regional polarization, European countries, index proposed; 87T0935
school experience, work attitudes/behaviors; cultural influences; Palermo vs Milan/Bologna, Italy; 1982; 87R2306
social class mobility, generational/geographic differences, USSR; questionnaire; 1950-1980s; 87R9395
unemployment welfare programs, interstate variation; 87S1941
unstratified society, sociolinguistic patterns; Nganhcara (Cape York Peninsula, Australia) patrilects; 87R4233
urban-rural differences, ethnic/regional factors, USSR; 87R8761
value attitudes, Badajoz region, Spain; age, sex, social class, education; interviews; 87R8358
viral hepatitis epidemiology, lay/medical beliefs, southwestern US county; historical reviews, census tract incidence rate data, participant observation; 87R4854
women as clergy; regional heterogeneity; census data; states; 87R2177
world economy, core/semiperiphery/peripheral stratification, state gross national product/industrialization differences; statistics; 1938-1983; 87R5780

Regional Movements
localism/regionalism trends, modern Europe; 87R3854
regionalism ideology, Quebec; self-management movement; 87R6717
Yugoslav federation, centrifugal political forces; 87R4023

Regional Sociology
regional studies development, Marxist influences, Greece; literature review; 87T0934
social research projects, current topics, upper Normandy, France; 87R6073

Regionalism
regionalistic movements/folk culture, France; 87R5586
upper-class regional policies, Poland, research/editorial/managerial activities; cross-national comparisons; 87T0936

Regression Analysis
dichotomous data analysis, logit/probit regression models, heterogeneity problem; 87R6907
dichotomous dependent variables, regression procedures, statistical properties/interpretation; 87R3232
ecological regression analysis, methodological issues; historical election data; Germany; 87R1240
linear regression models, population heterogeneity problem; 87R3217
measurement error, nominal-level data, latent Markov model; panel survey; civil servants, Netherlands; 87R3244
ordinary least squares regression, population residuals distribution, normality assumption; cross-national data; 87R9001
population size, regression analysis, ratio vs component control methods; 87R3223
ratio variables, methodological/theoretical issues; comments/reply; 87R5358
regression analysis, interaction effects, microcomputer graphical approach; 87S1960

Regulation
collective bargaining, substantive vs reflexive law, West Germany; 87R6261
health care cost containment, US; regulatory vs competitive strategies, health maintenance organizations; SMSA analysis, US; 1971-1981; 87R4856
labor market processes, qualification concept; 87R5682
lawyers as federal agency regulators, recruitment/socioeconomic characteristics; biographical/journalistic sources; 87R2145
neocorporatist arrangements, internal self-regulation, Austria; 87R5948
personnel administrative rules, work organizations, career evolution formulations; 87R1725
school rules, students' perceptions/behaviors; student/organizational characteristics, social background; survey questionnaire; Newfoundland, Labrador; 87R7996
social change/regulation, contemporary Italian society; innovations; 87R2513
socialization process, secondary school students, Belgium; discipline; documents, questionnaire survey; 87R4280
student behavior governance, cultural vs regulatory compliance strategies; 87R4328

Rehabilitation
alcoholic rehabilitation, skid row clients; volunteer sponsors; questionnaires, case study; Re-Entry Program, Compass Center, Seattle, Washington; 87R6607
alcoholism progression/recovery, control perceptions; scale; driving-while-intoxicated program participants; 87T0698
alcoholism recovery; social organizational variables; questionnaire; inner-city treatment center staff/patients; 87R4976
alcoholism treatment, urban American Indians, recidivism; longitudinal interview study; detoxification unit patients; 87T0696
blindness rehabilitation agencies, US; organizational structure/behavior; questionnaire survey; population economy model; 87R8514
change commitments, criminal exinmates, intervention methods; interviews; correctional centers, Canada; longitudinal analysis; 87R4516
coronary disease treatment/epidemiology, blacks' experiences; Coronary Artery Surgery Study; 87R4853
correctional institutions, US, offender rehabilitation/treatment approaches; 87R8177
drug preventive education, treatment/rehabilitation programs, Singapore; 87R4966
drug rehabilitation systems, Malaysia, organization/control issues; observation, interviews; 87R4971
drug-dependent offenders, diversionary sentencing policy/legislation, assessment/treatment standards critiqued, US; 87T0675
drunk-driving offenders, problem severity/voluntary treatment program failure, Finland; laboratory tests, questionnaire; 87T0623
hospital patients, pre-/postoperative care improvement; psychosocial intervention program; case study; Vienna, Austria; 87R4896
late-life myocardial infarction, short-term aftereffects; interviews; postdischarge patients; 87S1987
marital roles/intimacy/power; cancer diagnosis/remission; interviews, written narratives, case study; 87R4754
parent's death, family reactions/recovery patterns, developmental role perspective; 87R2708
personal/social adjustment, recovering alcoholics; education, sobriety length, gender; questionnaire, scale; Nebraska; 87R9254
physical disabilities, cultural assumptions, embodiment concept; case study; limb-deficient woman, US; 87R9265
psychosocial functioning, young recovering female alcoholics, Bergen, Norway; interviews, medical records; Blue Cross Social Center expatients; 87R6609
rehabilitation success, self-help groups; social interactions/support; questionnaire; Overeaters Anonymous active/former members; differential association theory; 87T0686
stress/coping/recovery, Mount St. Helens volcano disaster victims; interviews; Washington; longitudinal study; 87R5177
stroke rehabilitation ideology/practice, peripheral status; interviews; health providers, US; 87R8481
surgery recovery, myocardial infarction patients; psychosocial factors; telephone interviews; white males, Baltimore, Maryland; 87R4818

Reification
consumer products, cultural reification concept; case study; US automobile; 87R5776
rationalization vs reification, Jürgen Habermas's Marxian position; 87R1314
reality construction, reification phenomenon, Berger group's model; 87R3336

Rejection
help rejection, spurned helpers' coping mechanisms; experiments; college students; 87R7155
manuscript rejection rates, scholarly journals, interdisciplinary variation; 87S1960
mental patient rejection; stigmatization vs behavior explanations; mailed questionnaires, vignettes; Cincinnati, Ohio, residents; 87R8540
psychological/social functioning, mental patients; official labeling; scale; 87R6589
publication outcome/review process, *Rural Sociology*; archival data; 87S1989

Relations
human/rat population interactions; ethnographic case studies; neighborhoods; intervention recommendations; 87R7881

Relative Deprivation
civil violence, US blacks, relative deprivation theory; 87R3071
crime/clearance rates; poverty, inequality; official data; US; 87S1982
poverty/relative deprivation concepts, statistical measurement problems; 87T0950

Relatives
nursing home patients' care, relatives' interference, Erving Goffman's "total institutions" paradigm; 87R4868
Relativism
qualitative evaluation methods, hard vs soft relativism, Thomas S. Kuhn's/Karl R. Popper's work; 87T0809
rationality debate, philosophical perspective; book review essay; 87R6852
relativity principle, sociology, 19th-century Italian perspective; 87R9765
relativity/consciousness, epistemological theory; 87S1969
science/values relationship, scientific rationality vs relativism; book review essay; 87T0234
sociology of culture, "relative attention" research paradigm; literature review; 87S1985
Reliability
attitudes toward guestworkers, West Germany, item reliability/"Socratic effect"; 1984 General Social Survey; 87R5332
attitudes toward guestworkers, West Germany, multiple indicator models, item reliability/stability; 87R5367
basic vs applied research, social science, validity/reliability; 87R3210
commercial hair analysis, test-retest reliability, within/between laboratories; Stephen Barrett's data reanalyzed; 87R8771
correlational change analysis, reliability/metric issues; 87R6895
eyewitness reliability, children; literature review; 87R6272
job characteristics/satisfaction management instruments' mobility/validity; contextual content analysis; 87R9915
news media, attention/exposure measurement, self-report questionnaires' validity/reliability; longitudinal interviews; adolescents/parents, US; 87R9640
reliability measurement, statistical methods; 87R5330
scale length, reliability, validity; mathematical analysis; 87R3240
validity/reliability concepts, social sciences, methodological issues; 87R1179
welfare state/minority inequality attitudes, West Germany, single-indicator multiple-wave panel models; 1984 General Social Survey; 87R5363
Religions
organized religion, power/authority issues; 87R8084
privatization tendencies, US society/religion; 87R6203
psychology of religion, research approaches; 87T0176
religion as partial system, Niklas Luhmann's theory; 87R6192
religion-capitalism relationship, Georg Lukács's thought; 87R8059
religions, India; English-language bibliography; 87R4437
religiosity, colonial influences, Third World countries; 3-book review essay; 87R6227
science-religion conflict; 87R4396
science-religion relationship, new science concepts, hyperphysics, Pierre Teilhard de Chardin's works examined; 87R1341
society's evolution, Europe, theoretical approaches; 87R3365
Religiosity
alcohol use/misuse; religious denomination; 87R8565
church attendance, Protestants/Catholics/Jews/other religions, US; poll data; 87T0157
conceptualizations of/commitment to God; academic major, sex, college year; questionnaires; Christian liberal arts college, students, Seattle, Washington; 87R6202
conservative vs liberal fertility, white Protestants, US; social characteristics vs doctrinal beliefs; secondary data; 87R6353
death penalty/punishment attitudes; belief systems/attitudes; questionnaire/test data; university students, Colorado; 87R7120
deconfessionalization trend, Dutch Catholics/Protestants, religious background typology; survey; Netherlands; 1980; 87R4418
drinking behavior, college students; questionnaires, 1974 vs 1983; 87R4959
drug usage, Seventh-Day Adventist youth, North America; religious attitudes/behavior/practices; questionnaire; 87T0681

social/political change, Muslim society, district paradigm; case study; religious leader's rise; 87R6176
urban marginalization/poverty, radical religious movements' role, Brazil; interview; Clodovis Boff; 87R5754
vegetarianism movement as secular religion, 19th-/20th-century Germany; 87R3619

Religious Orders
female religious orders, US, population aging issues/problems; observations; 87T0164
seminary careers, women, research issues; literature review; 87T0982

Religious Orientations
Belgian Catholic Church, involvement/belief/commitment trends; 87R4387
childrearing orientations, religioethnic group differences; secondary surveys; Detroit, Michigan; 87R2716

civil religion concept, Robert M. Bellah's notion critiqued; 87R5920
deconfessionalization trend, Dutch Catholics/Protestants, religious background typology; survey; Netherlands; 1980; 87R4418
divisive factors, Protestant/Catholic communities, Northern Ireland; secondary data; 87R1604
English intellectual history, religion's/Christianity's role; book review essay; 87R7607
ethico-religious orientation changes, sacred/religious structures' roles; 87R2376
ethnic solidarity, subcultural value adherence; crime/violence; case study; Surinamese Creole residents, Bijlmermeer suburb, Amsterdam, the Netherlands; 87R6498
folk vs elite Islam, India, folk theology/theological anthropology concepts; 87R6187
language/power relationship, multilingual setting, India; 87R5569
Mangan, James Clarence, romantic Irish poet, themes/ideology; 87R5906
medical/social welfare services, working classes, Kent, England; missionary efforts; post-French Revolution; 87R6210
religious meanings/cognitive organization; denominational affiliations; interviews; Australians; 87R8081
religious orientation/personality traits, functional-dispositional model; case studies; Revolutionary American aristocrats John Hancock/Robert Carter; 87R2388

Religious Orthodoxy

antitelevision campaign, orthodox Jews, Israel; 87R9642
Christian orthodoxy, J. Timothy Fullerton's/Bruce Hunsberger's unidimensional scale, study replication; 87R4407
orthodox Judaism's survival, women "returnees"; traditional family/community/sex-roles breakdown; participant observation, interviews, questionnaire; orthodox synagogue/Lubavitch Chassidic communities; 87R6188
political Right, origin/growth/prospects, Israel; 87R7656
revolutionary scientific/religious thought, Galileo Galilei/Giordano Bruno, Roman Catholic Inquisition proceedings; 87R8721
unidimensionality, Christian Orthodoxy scale, statistical methods, D. B. Lindsey's/B. W. Sirotnik's/J. Heeren's application critiqued; comment/reply; 87T0158

Religious Revivalism

charismatic religious movement, middle-class America; historical/cross-cultural perspective; participant observation, interviews; 87R2396
Charismatic Revival, Catholic Church, France, 1970s; 87R6182
evangelicalism (revivalism), manufacturing vs agricultural towns, New York; 1820/1840 US census data; 87S1977
Islamic revival vs assimilation, Muslims, India; 87R5566
Latin American Episcopal Council (CELAM), new initiative adoptions; historical analysis; 1955-present; 87R6211
religious revival, Islamic countries, economic/historical influences; 87R6239
social relationship/norm emergence, social gatherings; crowd/evangelical preacher presence; surveys; 87S1975

Religious Rituals

Afro-Brazilian religion, community concept; 87R3787
calendar, India, ritual aspects; content analysis; almanacs, Banaras; 87R5590
class solidarity/social integration, religious systems' role, Teuchitlán, Jalisco, Mexico; capitalism conversion; post-1910 Mexican revolution; 87R3633
ecstatic religion as resource stress response, archeological perspective; 87R8068
epic battle/autumn festival, ancient India, symbolic aspects; 87R6178
Hindu goddess Kali, blood sacrifice ritual, psychoanalytic approaches critiqued; ethnographic material; 87R8070
Ibadite culture, North Africa, Islamic/pre-Islamic traditions; 87R8063
illness, witchcraft explanation, Seneca Indians; ethnographic data; North America; 87R5608
incense ritual, southern Tunisia; magical/religious/mystical dimensions; 87R5605
Islamic fasting ceremony, state vs popular perspectives, Algeria; 87R8053
Jewish Messianism notion, semiotic analysis; 87R8051
Lingayat religious movement, Karnataka, India, social structure; fieldwork; 87R4039
Moslem dance ceremony, Sufi order, Cairo, Egypt; 87R5601
pilgrimage/ritual, Hinduism; 2-book review essay; 87R8072
ponkal ritual, south India, ceremonial/symbolic aspects; 87R5599
religious observance, progressive/traditionalist Orthodox Jews, London, England; 1840-1860; 87R6240
social inequality reproduction, Bihar State, India; supernatural beliefs, ritual practices; historical case study; 87R5972
sports activities as collective representations/emotional expressions, sacred qualities; 87R5864
trance states, psychophysiological model; cross-cultural data; 87R3474
untouchables' social status, India; Shuddhi religious movement; interviews; 87R4428
violence/war management, anthropological perspective; 87R6775

Relocation

Bantustan program, South Africa, racist implications; 87R7249
black middle class, suburban immigration, local resistance vs accommodation; literature review, census/other data; US; 87S1936
community turmoil, professional behavior strategies model; interviews; mental health practitioners, Sinai evacuation Israel; 87T0916
cooperative agricultural settlement disbandment, mental health stressors/responses; Sinai, Israel; observations, interviews; 87T0917
displaced farmers, North Dakota, demographic characteristics; 87S1994
emergency evaluation times, nuclear disasters, computer model developed; case study; Public Service Company, Oklahoma; 87R8785
family stress/adaptation, Double ABCX model; questionnaires; relocating US Army families; 87R2678
indigenous Veddas, Sri Lanka, cultural integration; 87R7216
Indochinese refugee resettlement, US, social/economic/psychological adjustment; religious beliefs/practices; interviews; 87R2543
interstate migration, US; political/economic/quality of life factors; state-level data; 1950, 1960, 1970, 1980; 87R4609
intraurban migration; housing/neighborhood attributes/preferences; interviews; households, Columbus, Ohio; 87R9976
Israeli settlement removal, Sinai occupied territory, background/theoretical issues; special journal issue introduction; 87R9696
labor-management relations, workplace control; plant closing; interviews, documents; General Motors Corvette plant; 87R7359
mental health; postdisaster relocation, US; literature review; 87R2815
migration decisions, desert communities, economic/noneconomic factors; survey; residents, Victorville/Lancaster, California; 87R4619
occupational advancement, geographic mobility willingness, gender differences; 1977/78 Quality of Employment survey; 87R2154
occupational status, relocated women; questionnaire survey; Sweden; 87R6796
population displacement/repatriation, internal/external refugees, rural Sudan; 1955-1972 civil war; case studies; Yei, Mariai, Gilo, Aweil; 87R4577
relocation impact, trailing spouse, dual-career families; interviews; 87S1935
relocation stress, employees/their families, support services; US; 87R9400
relocation, institutionalized elderly's perceptions; patient participation; interviews; Kane Hospital; 87R6574
resettlement strategy/rural development, postrevolutionary Bolivia, organizational problems; case study; 87T0330
settlement evacuation, psychological problems/interventions, Ofira, Sinai, Israel; 87T0923
settlement mobility, forager societies; technological variability; 87R3057
settlement removal, Sinai Peninsula, Israel, peace/national identity issues; 87R9700
Sinai evacuation negotiation, political conditions, public ambivalence, Israel; 87R9634
Sinai evacuation protest, news media manipulation, ideologically vs economically motivated groups; participant observation, interviews; Israel; 87R9624
Sinai settlement removal meaning, national identity conflict, Israel; 87R9697
Sinai withdrawal protest, movement to stop the withdrawal group, background/aims, Israel; 87R9604
social structural change, authority/kin-group patterns, Bedouin population, Negev; relocation; case study; Rahat village; 87R3645
suicide/homicide rates; divorce/migration rates; government statistics; 1970s; 87T0475
urban displacement, neighborhood community effects, Central Harlem/New York City, New York; historical analysis; 87R4192
urban-to-rural mobility, France; residential environment; questionnaires, travel diaries; couples; 87R2212
US Army family relocation, West Germany, support program needs; questionnaire; 87T0485
voluntary/involuntary resettlement, community development, Hopedale, Labrador, Newfoundland; fieldwork interviews; 87R5117

Remarriage

children's development/adjustment, family processes; parents' divorce/remarriage; questionnaires; 87T0442

community integration, remarried persons; remarriage type; mailed questionnaire; northwestern US city; 87R4734
conjugal succession patterns, US, kinship system evolution; 87R8355
divorce, remarriage, recent trends; published data; 1960-1980; 87R6442
divorce/remarriage trends; New Zealand; published statistics; 1945-1980; 87R6422
family cohesion, remarried vs intact families; 87R4761
family divorce/remarriage problems, theoretical/clinical models; 87S1942
family/health functioning, first- vs remarried families; canonical correlation analyses; 87R6503
marital dissolution distributions, first vs second marriages/blacks vs whites; statistics; 87R6494
postmarital family reorganization; remarriage courtship; literature review; theoretical approach developed; 87R6407
remarriage process, life course perspective; 87R8420
remarriage, demographic changes; 87R8357
remarriages/blended families, Western Europe, research issues; 87R8416
second union formation, frequency/type, Swedish/Norwegian women; survey data; 87T0450
spouse abuse, remarried families; national survey; 87R4738

Renaissance
capitalist world economy, 16th-19th centuries, commodity chain concept; wheat flour/shipbuilding case applications; 87R5782
earthquakes chronology, Mexico's Central Basin, 15th century-Sept 1985; documentary/official/other data; 87R7865
household-formation systems, rural Europe, preindustrial era; 87R6765
ideological themes, English writers, Middle Ages/Renaissance; 87R6118
Louis XIV's failure, Netherlands, 1672; sociologial approach; 87R7660
patriarchal family structure/reproductive strategies; 15th-16th century Portuguese nobility; genealogical data; 87T0293
Pictures and Punishment: Art and Criminal Prosecution during the Florentine Renaissance; review essay; 87R8127
revolutionary scientific/religious thought, Galileo Galilei/Giordano Bruno, Roman Catholic Inquisition proceedings; 87R8721

Rental Housing
apartment buildings, Prague, Czechoslovakia, suburban development/architectural style; 19th century-present; 87R6069
homeless population increase, San Francisco (California)/New York City (New York); low-rent housing scarcity; official/interview/other data; 87S1962
lodging/boarding patterns, Boston, Massachusetts, ethnic/occupational linkages; censuses; 1860-1900; 87R1577
mean rents, New Jersey communities; rent control measures; census; 87R5110
psychological health/stress, elderly single-room hotel residents; social networks; interviews; Manhattan, New York City, New York; 87R1787
rent expenditure trends, US; Annual Housing Survey; 87R2227
rent subsidies, low-income families, Belgrade, Yugoslavia; 87T0001
rental housing price/supply, post-1985 earthquakes, Mexico City; newspaper listings; 87R8777
social housing programs, low-income tenants, Canada; rent-to-income policy, shelter allowances; income transfer computer analyses; 87R3023
squatters' rights, neighborhood renters' associations' stance, Geneva, Switzerland; 87R7851

Rents
economic development, Third World countries; rent incomes; 87R1804
labor power reproduction, rent theory; 87R6063
neighborhood renters' associations, Geneva, Switzerland, sociologist's role; 87R7862

Replication
repeatable life events analysis, unobserved population heterogeneity problem, fixed- vs random-effects approaches; marijuana use survey; 87R5357
replicability issue, sociology of science; interview transcripts; biochemists; article/comment; 87R2497
replication, scientific controversy, methodological/historical issues; response/reply; 87T0232

Reports
school dropout/completion rates, divergent definitional/operational systems; 87R6141
social reports/Netherlands, sociology's contribution; 87R3007
thesis development, sociological research, teaching model; 87R3266

Repression (Political)
historians, Czechoslovakia, post-1968 official restrictions; 87R7643
intellectual dissent, suppression, corporate/bureaucratic/elite roles; 87R3994
law/legitimation, East African governments; 87R2004
localism/regionalism trends, modern Europe; 87R3854
political repression, Brazilian authoritarian military regime; content analysis; popular lyrics; 1968-1973; 87R3997
popular resistance, Pakistan tribes, Afghanistan; cultural honor, tribe/state relations; poetry analysis; 1978 revolution; 87R3970

Republics
human rights, concept universality, ancient Greek "natural law"/modern humanist philosophy comparison; 87R4466

Reputation
Kohl, Helmut, West German media coverage/public opinion; content analysis, polls; 87R1900

Research
cooperative development research, Finland; literature review; state capitalism; 87R1823
development studies, Finnish sociologists; literature review; 87R1807
futures rsesarch, volunteer participation; case study; Rocky Moutain community initiative; 87T0865
human-computer interaction research, experimentation methods; literature review; 87R6327
public opinion data usage, US Attorney General's Commission on Pornography, methodological problems; 87R9635
research productivity, academic females vs males; social/psychological/organizational mechanisms; interviews, surveys; University of Michigan; 87S1954
research productivity; sex, organizational position; questionnaires; social workers; 87R2489
social worker instructors' scholarly productivity; research/environmental variables; questionnaires; 87R4554

Research Applications
applied social research principles/experience discrepancies, structural problems, theoretical critique; 87R8990
"Censis" social research institution, Italy; conference papers; 87R5499
organization management, research functions/application; 87R3755
scientific progress/application, industrial/governmental awareness/response; 87R6326

Research Design
"Censis" social research institution, Italy; conference papers; 87R5499
comparative research, India, most similar vs most different systems design; 87R3192
complex organization analysis, population perspective models; 87R9515
follow-up questionnaire survey, D. A. Dillman's techniques; 87R3193
global variables' utility, social survey research; case study; education; 87R6881
housing research, gerontological perspective, GB; 87T0767
independent variables, social/behavioral research, "unpackaging process"; 87R3206
Japanese motorcycle gangs, activities/delinquency as playful behavior; literature review, ethnographic/other data; 87R6671
organization management, research functions/application; 87R3755
organizational activity/evolution; managerial/environmental influences; case study; minicomputer firms; 87R7384
perceptual deterrence research, cross-sectional vs panel designs; 87R8172
serial murder; research agenda proposed; 87R5036
within- vs between-subjects studies; 87R3204

Research Design Error
attitude stability, nonattitude levels, black-gray-white model; panel data; 87R1414
censored sampling bias, Heckman's correction method; 87S1982
data homogeneity problem, quantitative analysis; 87R6886
divorce determinants research, methodological issues; comment/reply; 87R6467
environmental impact assessment, subjective bias; 87R8767
homosexuality research, heterosexuality bias; literature review; 87R8335
in-home child care research project, feminist researcher's difficulties; 87R3720
intelligence, reaction time, Arthur R. Jensen's/Langdon E. Longstreth's findings discussed; comments; 87R3439
parental status attainment, young women's vs young men's reports, simultaneous covariance structure analysis; interviews; US; 87R3222
public opinion polls, variability/bias sources; 87R9641
sample selection bias, War on Poverty Research, corrective statistical techniques; 87R5188

survey interview, fictitious issues, respondents' opinion expression; 87R1198
survey nonresponse classification; content analysis; journal articles; 1980-1985; 87R9626
survey responses, Anglos vs Mexican Americans, Texas; ethnicity-of-interviewer; telephone survey; 87R5336
survey responses, "poor" vs "welfare" wording; General Social Surveys; 87R6884

Research Ethics
appropriate statistical procedures, sociology/research conceptions; 87R9024
"Censis" social research institution, Italy; conference papers; 87R5499
covert tape recordings, legal analysis, ethical issues; 87R5338
criminology, conservative vs critical perspectives; 87R5054
disaster research, methodological problems; personal research; Love Canal, New York; 87R5176
ethical/moral issues, applied sociologists' work; 87R6915
health attitudes/behaviors research, computer-based vs paper mail questionnaire survey, response effects; 87R3195
human sciences research, ethical aspects, technicism critiqued; 87R5379
medical genetics, ethical problems, cross-national perspective; questionnaires; 87S1944
prisoner volunteer subjects, biomedical research, ethical/scientific issues; 87R6321
quality of work life, organizational consultants, internal-external teams; personal experiences; 87R5289
subject understanding, psychiatry experiments; information disclosure method; observation, interviews; 87S1935
treatment research, researcher/practitioner/patient relationship patterns; case studies; 87R8987
women-in-ministry, research issues; 87T0975
women-in-religion research, bias/utility/motives; 87T0992

Research Methodology
Afro-American children, research trends; content analysis; *Child Development* articles; 87R2598
alcohol problems research, Israel, 1940s-1980s; 87T0722
alcohol use, field investigation strategies; 87R8593
animal subjects' use, medical research, attitudes survey, question/response ambiguities; personal experience; 87R3889
anthropological work, modern institutional setting, psychoanalytic metaphor model; 87R5062
attitudes/attitude change, cognition's role; literature review; 1983-1986; 87R9202
book markets, France/US, research approaches; 87R2285
caseload dynamics, Aid to Families with Dependent Children program; 1981 Omnibus Budget Reconciliation Act; case records; 87T0812
computer applications, qualitative sociology, timeline construction; 87R6874
cultural bias, ethnomedical research, qualitative vs quantitative methods; 87R6847
demographic anthropology, methodological changes/research topics; literature review; 1930-1985; 87R6349
depression, women, "vulnerability" vs "strain" models; critique/reply; 87R8543
drug problem, research approaches, Europe/US; 87R8570
economic growth/scientific-technological development, quantification/measurement; 87R5141
elder abuse, research model; 87R5026
empirical research methods; national conditions; content analysis; psychology/psychiatry/sociology journals; US/USSR/Federal Republic of Germany/German Democratic Republic; 87T0245
employee assistance programs, research purposes/methods; literature review, interviews; 87T1056
family interaction, observation measures, observer agreement/reliability/generalizability; videotapes; 87R4711
family sociology, West Germany, research topics/methodology; 87T0519
feminist research, ethnographic methodological concerns; 87S1981
field research, library science; personal experience; 87R3182
"first-person" interview/oral history data, editing issues; 87R6869
functional theory/survey research methods, historical relationship, causation vs ecological correlation; 87R1323
gerontology, research/methodological issues; 87R5010
health attitudes/behaviors research, computer-based vs paper mail questionnaire survey, response effects; 87R3195
health behavior, Turkish/German working class families, qualitative vs quantitative research methods; 87R8483
historical materialism, actor-process model; 87R3142
indiscriminate religiousness, conceptual/measurement issues, scale development; 87T0172
individual life course/household behavior, Netherlands; demographic research techniques; 87R8367
inductive research, "grounded theory" method; case studies; heart patients, schizophrenic adolescents; 87R6594
innovation adoption/diffusion, solar technologies, US vs French research; 87R4574
international comparative research projects, developmental stages; 87R8207
Japanese motorcycle gangs, activities/delinquency as playful behavior; literature review, ethnographic/other data; 87R6671
Lazarfeld generalization-specification model, social science usage; context analysis; Sociological Abstracts's *Thesaurus of Sociological Indexing Terms*; 87S1955
logit analysis, multivariate contingency tables, effect interpretation methodology; 87R5366
marital satisfaction measures, concurrent/discriminant validity, Kansas vs other scales; mailed questionnaires; females, Manhattan, Kansas; 87R4757
material living conditions/social inequality, socialist countries, research issues; 87R3821
monograph writing, modern European ethnography, epistemological problems; 87R3667
national sociological research system, postal employees as surveyors; 87R8988
nominal-/ordinal-/interval-/ratio-level statistics, social science research; 87R3220
organization development field, research/theory; 87R9492
organizational analysis, sociocognitive network approach; 87R5727
peace research, epistemological problems; 87R1962
personality research methodologies, historical development; literature review; 87R7105
policy research, India, hard vs soft data, reliability/validity criteria; 87R3198
population studies, research trends; 87R8801
"potlatch" concept, Kwagul (Kwakiutl) society, British Columbia, ethnographic research issues; comments/reply; 87R1632
project evaluation, feminist perspective; 87R3216
quality of life, cross-national research; cultural bias; Illinois/France; 87T0771
questionnaire batteries, positively/negatively formulated items; LISREL analysis; 87R3237
rape research, randomized response technique vs traditional survey methods; experiment; nursing students; 87R8674
ratio variables, methodological/theoretical issues; comments/reply; 87R5358
research methods, US vs Finland; theoretical orientation; content analysis; journal articles; 87R9079
response order effect theory; experiment; 1984; 87R8989
Russian-language questionnaires, non-Russian Soviet citizens' interpretations; college students, Turkmenistan; 87R8981
sample selection bias, War on Poverty Research, corrective statistical techniques; 87R5188
science studies research, interpretive/quantitive approach integration; case study; 87T0258
self-representation, musical techniques/structures; biographical/other materials; 87R4245
sexuality decline with age, myths/changing social mores; longitudinal data reanalysis; 87R5022
small event assessment inventory, characteristics/development; 87R8999
small-sample generalizability, external validity, disaster research; 87R1242
social research teaching/practice, humanistic approach; student research project; 87R6918
social science research findings; interviewer style; experimental study; Netherlands; 87R3209
social science research methods, biographical materials; personal experience; 87R1201
social science research, still/moving pictures as heuristic instruments; 87R8949
social work research, Hong Kong, Western technology transfer issues; 87R9551
status inconsistency, theory/research issues; 87R4071
student achievement assessment, US vs GB; 87T0127
survey research methods; two-book review essay; 87R1211
use vs gratification, research problems; 87R9218
value orientations research, methodological problems; 87R3442

Vietnamese community's role, Laos; 87T0856
Women in the Caribbean Project, theoretical basis, methodology; 87T0999
women-in-ministry, research issues; 87T0975
women-in-religion research, bias/utility/motives; 87T0992

Research Responses
black support, conservative positions, public opinion surveys critiqued; 87R9645
covariance structure analysis, measurement error/response reliability; questionnaires; school leavers, Scotland; 87R1237
job performance, self-report vs objective measures; maritime industry employees, Odessa, USSR; 87R6901
mail questionnaire response rate, physicians; pre- vs postpayment; experiment; 87R6866
mail survey response rates; return postage; literature review; 87R8975
questionnaire responses; middle-response alternative; telephone survey; 87R8978
response order effect theory; experiment; 1984; 87R8989
response rates, longitudinal surveys, maintenance techniques; 87R3189
social life feeling, questionnaire responses; direction-of-wording; interview data; adults, US; 87R5337
survey nonresponse classification; content analysis; journal articles; 1980-1985; 87R9626
survey response variations, panel studies, index proposed; 87R6878

Research Subjects
influence process, keyperson interviews, information bias; 87R6870
prisoner volunteer subjects, biomedical research, ethical/scientific issues; 87R6321

Researcher Subject Relations
anthropology-medicine conflict, clinical settings; 87R3154
breast cancer patients, psychiatric morbidity, interview research project; interview transcripts; 87R4883
cancer research, scientific methodology vs patients' best interests, doctors' data misrepresentation, US; 87T0268
clinical research participation; patients' misconceptions; observations, interviews; psychiatric patients; 87T0570
cultural analysis/research, ethnographer's own culture; fieldwork; Greek immigrants, Chicago, Illinois; 87R3184
disaster research, methodological problems; personal research; Love Canal, New York; 87R5176
ethical/moral issues, applied sociologists' work; 87R6915
experimental ethnographies, dialogic approach; 87R3177
"first-person" interview/oral history data, editing issues; 87R6869
genetic counseling medical group, sociologist's fieldwork experience; 87R2755
household structure, retrospective survey response inconsistency; national panel survey; young women, US; 87R3183
in-home child care research project, feminist researcher's difficulties; 87R3720
influence process, keyperson interviews, information bias; 87R6870
informant interview responses, contagion/disease survey; cultural competence/knowledge; Guatemala; 87R3203
interpersonal relationships, anthropologist/research community, fieldwork situations; 87R7762
interview refusal rates; interviewers' voices/attributes; recordings, scales; 87R1229
national survey results; race of interviewer; General Social Surveys; US; 1972-1977; 87R3207
naturalistic social research, interview information, theoretical/methodological issues; 87R6875
nontraditional occupations, young women, Austria; interviews; 87R5218
participant observation difficulties, sociological research; sociocultural boundaries; personal experience; Tokyo, Japan; 87R3191
participant observation methods, researcher's member vs nonmember standing; personal experience; field projects; 87R5339
radical political groups, research problems, sociologists as antipartisan; 87R1251
Rajneesh spiritual movement, eastern Oregon, research/interpretation problems; 87T0147
research findings presentation; case study; women's strike experience; 87R1657
research obstacles/state interference, correctional institutional settings; personal experience; 87R3215
response bias; respondent's previous research experience; mail survey; 87R3199
response distribution, telephone survey research; confidentiality reminder; southern Nevada; 87R1210
"shock of unrecognition," sociological fieldworkers, personal experiences; 87R6887
situation-oriented response, research interview, social desirability concept; 87R1207
social movements, researchers' role/contributions; case studies; 87S1938
social science research findings; interviewer style; experimental study; Netherlands; 87R3209
sociolinguistic data elicitation techniques, reporter's test; Welsh examples; 87T0037
sociological fieldwork, methodological expansion; illustrative case; 87R1235
subject understanding, psychiatry experiments; information disclosure method; observation, interviews; 87S1935
survey interview, fictitious issues, respondents' opinion expression; 87R1198
survey research, public participation/attitudes; telephone interviews; US; 87R1881
survey responses, Anglos vs Mexican Americans, Texas; ethnicity-of-interviewer; telephone survey; 87R5336
task performance, science research/development teams, industrial companies; social structure; survey; US; 87R3409
telephone survey statistics, interviewer effects, measurement/estimates; 87R1217
women-in-ministry, research issues; 87T0975
women-in-religion research, bias/utility/motives; 87T0992
youth recreational center, Manchester, England, sociological research methods; 87R3187

Researchers
economics/sociology/political science disciplines, Ireland, status/history; 87R9089
organization management, research functions/application; 87R3755
sex education/research, professional risk; 87S1934
"shock of unrecognition," sociological fieldworkers, personal experiences; 87R6887

Residence
family/marriage attitudes, Portuguese young people; national survey; 87R8338

Residential Institutions
academic skills, failure students; remedial education treatment program; test scores; 87T0120
adolescent therapeutic communities, instrumental intervention vs reality confrontation; participant observation; 87T0643
battered women's shelters, institutionalization/transformation/decline, Canada/US; 87S1953
child care effectiveness, residential treatment homes, Western societies; 87R4647
elderly persons, life care center, environmental assessment procedure; questionnaires; residents, staff; 87R2905
family bonding, visitation, institutionalized chronic mentally ill; social factors, patient's impairment; secondary data; board & care homes; 87R4911
human services design, simulation gaming; case studies; design participants, Ohio; 87R9034
illness careers, elderly retirement facility residents; social-psychological factors; interviews; 87T0589
juvenile delinquency prevention/treatment, Ocean Tides Residential, Educational & Family Services Program, Rhode Island; historical analysis, archival data, interviews; 87R5074
mentally ill, in-patient treatment facility, least-favored-individual principle; 87T0642
mentally retarded residents, public institutions, caretakers' attitudes; participant observation; 87T0670
mentally retarded, residential care/treatment, public policy, Michigan; 1830-1983; 87R8553
mentally retarded/ill group home facilities, community opposition; information control; telephone interviews/mailed questionnaires; New Jersey community residents; 87R2231
mentally-ill/retarded group home establishment, community opposition; neighbors' prior notification; interviews, census data; New Jersey; 87R2778
relocation, institutionalized elderly's perceptions; patient participation; interviews; Kane Hospital; 87R6574
residential care workers, Israel, occupational choice/orientations; 87T0667
residential institutions, disattached youth, Israel; observations, interviews; staff members; 87T0217
temporary/institutional group care, organizational aspects; 87R4359
therapeutic communities, operational styles, GB; participant observation; Ashley/Beeches halfway houses; 87R6580
therapeutic community, interpersonal/intergroup tensions; case study; coercive borderline patient; 87R8934

Residential Mobility
black suburbanization, US; socioeconomic status improvement, social inequality; sociodemographic data; 1960-1980; 87R6351
community formation, old/new Palestinian immigrants, northeastern US; wars, economic/social/spatial mobility factors; participant observation, interviews, questionnaire, historical literature analysis; 1948; 87R3534
Iranian immigrants, US, push-pull/adjustment factors; questionnaire; La Crosse, Wisconsin; 87T0306
mobility desires, nonmovers, Montreal, Quebec; secondary survey data; 87R4611
residential gentrification, supply- vs demand-side explanations; literature review; 87T0033
residential mobility, analytical model, omitted variables problem; panel study; households, Michigan; 87R3249
residential mobility; marriage, divorce, widowhood; longitudinal interviews; 87T0020
settlement mobility, forager societies; technological variability; 87R3057
urban geography, research emphases; literature review; 87R4200
urban residential mobility/transport mobility habits; socioeconomic/spatial factors; France; 87S2003
urban-to-rural mobility, France; residential environment; questionnaires, travel diaries; couples; 87R2212

Residential Patterns
coresidence patterns, Sweden vs US; archival/census/other data; 19th-20th centuries; 87T0505
economic roles, black children/married women, US, residential variations; late 19th-early 20th century; 87R8418
ethnic community formation, Slovene political refugees, Argentina; telephone directory, other data; 1947-1965; 87T0351
family situations, aging women, GB; demographic trends; statistical projections; 1971-1996; 87T0507
homeownership, Orange County, California; years of residence; telephone surveys; 87R2213
inner-city neighborhood structure, Cleveland, Ohio; spatial distance/direction; censuses; 1930-1980; 87S1960
living in parental home, young adults' propensity; family size/birth position/socioeconomic/other factors; national survey; 87S1947
newlyweds-parents relationship, USSR; questionnaire; 87R8433
residential context/behavior, geocoding vs age-based procedures; survey; Baltimore, Maryland; 87T0748
residential distribution patterns, Jewish groups, Western cities; 87R7864
residential distribution, ethnic groups, Ottawa, Ontario; census data; 87R4187
retirement housing preferences; survey; coastal towns, France; 1979/80, 1983; 87T0737
settlement patterns, Italian immigrants; census data; Buenos Aires, Argentina/New York, US; 1880-1914; 87T0291
social relationships; Israeli Arabs/Jews; close neighborhood living arrangements; questionnaire interviews; family heads, Acre; 87R3515
urban-to-rural mobility, France; residential environment; questionnaires, travel diaries; couples; 87R2212

Residential Preferences
black suburbanization, US; socioeconomic status improvement, social inequality; sociodemographic data; 1960-1980; 87R6351
housing access, informal practices vs government policy, Italy; 87T0509
housing movements, divorced men/women, GB; national surveys; 87R3466
identity communication strategies, home as symbolic tool, Italy; 87R9197
intraurban migration; housing/neighborhood attributes/preferences; interviews; households, Columbus, Ohio; 87R9976
occupant satisfaction, rural vs urban households; home's age; survey; Friuli-Venezia Giulia region, Italy; 87R9988
premarital residential independence, young adults' expectations, US; 1980 High School & Beyond Survey; 87R8308
residential decision making, South Slav immigrants; ethnic attachment, household life cycle/socioeconomic status; LISREL methodology; Cleveland, Ohio; 87R1576
residential gentrification, supply- vs demand-side explanations; literature review; 87T0033
residential location choice, nonmetropolitan areas, US; individual perceptions/motivations, societal factors; case study; Bonner County, Idaho; 87R8728
second demographic transition, family type/internal migration flows; 87R9987
urban planning, public opinion surveys, research methods critiqued; interviews; households, France; 87T0908

Residential Segregation
black suburbanization, US; socioeconomic status improvement, social inequality; sociodemographic data; 1960-1980; 87R6351
disproportionate minority unemployment, demographic factors; census data; 1977, 1980; 87R9392
employment, black vs white youths; job availability, residential segregation; business data; Chicago, Illinois; 87R5661
intra-urban migration, ethnic group differences, Winnipeg, Manitoba; 6-group comparison; 87R4198
race/ethnicity research, social geographers' contributions; 87R3535
residential distribution, ethnic groups, Ottawa, Ontario; census data; 87R4187
residential distribution/segregation, Canadian cities; age, sex; censuses; 87T0010
residential gentrification, supply- vs demand-side explanations; literature review; 87T0033
residential racial segregation, 19th-century US cities, index measure; manuscript census; Jacksonville, Florida; 87R4180
residential segregation, Asian immigrants vs whites/blacks/Hispanics, Long Beach, California; census; 87R1603
residential segregation, Asian/black/Hispanic/European ethnic groups vs whites, US; acculturation, socioeconomic status; census data; 1980; 87R3541
residential segregation, blacks/whites, metropolitan US; socioeconomic/personal preference/structural/discrimination factors; national censuses, local surveys; 87R7852
residential segregation, Chinese/Japanese Americans vs blacks, US suburbs; 1960-1980; 87R9296
residential segregation, ecological vs political economic approach, Philadelphia, Pennsylvania; census tract level data; 1930-1980; 87R4046
residential segregation, male occupational groups, Japan vs US cities; Sapporo/Cleveland (Ohio); 87S1984
residential segregation, minority groups, intercensal years; birth/death records; Phoenix, Arizona; 87S1937
residential segregation, US suburbs, Chinese/Japanese/black/white Americans; 1960, 1970, 1980; 87R1567
residential segregation/migration patterns, middle-class Japanese immigrants, Düsseldorf, West Germany; official statistics; 87R3520
segregation trends, dissimilarity index vs alternative measures; 87R1234
socioeconomic assimilation, suburban/metropolitan labor markets, black males, US; housing segregation; Philadelphia, Pennsylvania/Detroit, Michigan/Cleveland, Ohio; 87R9291
urban development, housing inequalities/segregation, Eastern Europe; 87T0035
urban economic transition, dual economy integration; article, comments, questions; 87T0005
urban transport; social/economic stratification; 87R9830

Residents
housing area residents' self-management, Poland, organizers' role satisfaction/functionality; questionnaires; 1977; 87R2236
housing area residents' self-management, Poland, systems analysis, 1976/1980; 87R2247
residential self-management institutions, Poland, socialist values; 87R2215
tourism, residents' attitudes, Korea; demographic characteristics; questionnaire; Kyongju City; 87R5848

Resistance
acculturation assistance, adaptational strategies, Mexican vs US (Oklahoma) Kickapoo Indians; 87R3655
father-daughter incest, girls' resistance/rebellion, sex-delinquent behavior; case records; Boston, Massachusetts; 1880-1930; 87R2666
institutionalized non-action, omissive strategies; 87R1365
victim injury potential, noncommercial robberies; resistance; National Crime Survey data; 87R5033
worker resistance, paint/garment factories, San Francisco, California; participant observation; 87R5662

Resource Allocation
allocation decisions, supervisors; individual vs group characteristics/contributions; 87S1954
community service allocation, informal rationing systems; case study; elderly services, Oxford, England; 87T0955
comparative urban patterns/processes, conceptual foundations; 87S1964
conflict resolution, resource scarcity situations; 87R8835
family income allocation, cross-class employed couples; tape-recorded interviews; England, Wales; 87R5970
health care services, urban poor, political aspects; case study, US Medicaid program; 87R8477
higher-status occupational groups, government resource allocation, Thailand; 87R4075

household division of labor, women's economic roles, efficiency-oriented analysis; 87R9444
household labor allocation, Central Javan villages; agricultural/nonagricultural resource access; observations, interview surveys; 87S1990
human time uses, economic analysis; book review essay; 87R3382
interorganizational cooperation, service delivery programs, hospital network systems; cancer programs; 87R3762
primary health care development, rural communities, intraorganizational relationship problems; 87T0636
psychiatric hospital admissions/length-of-stay, Japan; cultural system; 87T0660
surplus distribution/contraband trade, social mechanisms, Ecuador; 87R7423
urban land allocation, Beijing/Shanghai/Tienjin, People's Republic of China; case studies; 87T0028
urban planning, triage mechanism; literature review, case study; Philadelphia, Pennsylvania; 87R6064
welfare state, environmental tax financing, implementation problems; 87R6724

Resource Management
agricultural conservation/social structure; biotechnological applications; 87S1989
agricultural management policies/organic alternatives, farmers' attitudes/behaviors, US; content analysis; farm magazine advertisements; 87R7814
agricultural organization, demography; irrigation changes; counties, Great Plains; 1940-1980; 87R2180
biofuel energy shortages, peasant overuse, rural Java; fieldwork; 87R8768
economic development, social resource utilization, USSR; 87R7380
ecstatic religion as resource stress response, archeological perspective; 87R8068
environmental concern, rural residents, manipulative vs exploitative occupations; Colorado; 87S1990
environmental conflict local residents vs resort developers, Lake County, Colorado; case study; 87R8737
forest resources, utilization policies, USSR; 27th Soviet Communist Party's recommendations; 87R6754
leadership training workshops, community development context, impact assessment; quantitative/qualitative data; Community Natural Resource Development Program, Ohio; 87R6034
natural resource development, tribal sovereignty, American Indians; 87R8773
opinion leaders/early adopters, nonindustrial private forestland owners; test, interviews; Piedmont Region, South Carolina; 87S1991
religious broadcasting, resosurce mobilization perspective; 87R8065
resource exploitation, cattle-keeping pastoral societies, Africa; 87R3032
traditional wildlife management deficiencies; case study; black-footed ferrets, US; 87T0902
tropical deforestation rates/process, developing countries; UN data; 87S1995
well-being perception, reservoir-development area residents; water resource projects; questionnaire; Ohio; 1980; 87R2195

Resources
New Christian Right, development/prominence, resource mobilization theory; 87R6226
new social movements vs resource mobilization theories, Europe vs Us; 87R5805
social movements, Third World countries, resource mobilization perspective's limitations; case study; 87R5800

Respect
elderly status, traditional societies, cultural variables; 87T0758

Respondents
response bias; respondent's previous research experience; mail survey; 87R3199

Responses
informant interview responses, contagion/disease survey; cultural competence/knowledge; Guatemala; 87R3203
postal surveys, nonresponse problem, social desirability dimension; judges, prosecutors; 87R1219
response bias; respondent's previous research experience; mail survey; 87R3199
response distribution, telephone survey research; confidentiality reminder; southern Nevada; 87R1210

Responsibility
blame assessment, friends of rape victims; rape myth beliefs, self-esteem, gender; questionnaires; college students; 87R2913
crime, punishment as domination/discipline, Europe; 87R2456
elderly parents' care, Jewish adult children's moral obligation; 87R5524
filial responsibilities, elderly mothers, middle-aged daughters' perceptions; demographic/subjective variables; questionnaires; nurses, educators, secretaries, homemakers; 87R2898
Foucault, Michel, responsibility problems, political theory, theory/practice dilemma; 87R9104
terrorism/civil disobedience, social change actions, assumption of responsibility; 87R1493
workplace responsibility/roles; 87R1717

Restitution (Corrections)
victim support scheme evaluation; questionnaire; victims, workers, community residents, Merseyside, England; 87R2484

Retail Industry
employee behaviors/appearance, service vs production/clerical workers; fieldwork; fast-food workers, insurance salespeople; 87S1940
employee firm ownership interest, gender differences; questionnaire; supermarket chain union members, Philadelphia, Pennsylvania; 87R9405
interior design business, Victorian era, William Morris's influence; 87R7911
retail sales personnel strike, Finnish Alcohol Company, press reactions; 1985; 87R1908
retail sales personnel strikes, Finnish Alcohol Company, public opinion; interview polls; 1972, 1985; 87R1876
skill/deskilling, retail meat industry workers, US; technological changes; interviews, trade journal articles; 87S1985
union-led worker cooperative movement, A&P supermarkets, Philadelphia, Pennsylvania; 1981/82; 87R1738
urban retail economy, women's participation, Togo, West Africa; 87R1667

Retirement
competitive sport, retirement process; 87R3416
early retirement adaptation, gender differences; health/financial status; longitudinal interview survey; 87S1946
early retirement policy, West Germany, generational contract issue; interview; retiree; 87R8635
early retirement programs, cigarette/chemical industries, contexts/consequences; case studies; 87R7316
early retirement programs, France; content analysis, interviews; 87R3399
early retirement trend, West Germany; statistics, interview survey; 87R8231
labor market flexibility, municipal authority; case study; Piteå, Sweden; 87R3690
parent/grandparent/marital role activities, retired Israeli workers, pre- vs postretirement; questionnaire interviews; 87R5004
planned vs actual retirement date, older workers; Normative Aging Study; 87S1954
postretirement labor force activity, US males, occupational mobility; longitudinal surveys; 87R5982
retirement attitudes, gender differences, older workers; sex-role identity, work attitudes; 87R4994
retirement attitudes, pre- vs postretirement; longitudinal interview data; 87S1930
retirement causes/consequences; book review symposium; 87R8640
retirement decisions, blue-collar vs white-collar workers; work disability; employment records; Canada; 1973-1983; 87T0740
retirement housing preferences; survey; coastal towns, France; 1979/80, 1983; 87T0737
retirement planning, male-oriented emphasis, feminist perspective; 87S1933
retirement satisfaction levels/antecedents, men vs women; questionnaire; Washington; 87T0777
retirement, marital status changes, happiness impacts; longitudinal study; 1969, 1975; US; 87T0753
role careers/conclusions, US professional team sports, retirement strategies/behaviors; 87R1505
self-employed businesswomen, US, retirement planning issues; 87T0736
self-reported health measures, older male workers; symtom/condition/activity limitations; national longitudinal surveys; 87R6550
social security program improvements, US; workers' initiatives; 87S1975
unemployment/promotion/retirements, males' psychological reactions, Australia; interviews; 87R5695
US Social Security early retirement benefits, eligibility/change proposals, policy implications; 87R8620
work consciousness change, male academics aged 50-60; interviews; Boston, Massachusetts; 87R4101

workforce participation, older Australians, political issues; 87R1703
Retirement Communities
aging attitudes/responses, elderly; cultural age meanings; historical/ethnographic analysis; midwestern US residential homes; 87R4993
health/well-being, elderly; control-enhancing interventions; experiment; retirement communities, Ohio; 87S1933
informal support systems, elderly, planned retirement communities; Sun City Area Long Term Care Survey; Arizona; 1982; 87T0779
policy making, retirement communities, resident participation; literature review, historical/political analysis; 87R2874
primary group task performance; neighborhood age homogeneity; interviews; elderly, New York, Florida; 87R6633
Return Migration
Argentinean exiles, post-1983 return migration; 87T0325
Australian immigrant program, retention rates; government data; 87T0323
capital accumulation, return migrants, Jamaica; interviews, sociodemographic data; 87R3837
crime increases, rural communities, Kansas; population migration; crime/census/questionnaire data; 87R8677
development Turkey; migration patterns; 87R9572
Moroccan emigrants, eventual return myth; 87R3417
population displacement/repatriation, internal/external refugees, rural Sudan; 1955-1972 civil war; case studies; Yei, Mariai, Gilo, Aweil; 87R4577
psychological stress, return immigrant children, Federal Republic Germany; case study; Spanish children; 87R8253
reintegration/health care problems, Greek migrant workers, West Germany; 87R8240
return migrants, sociodemographic characteristics; Panel Study of Income Dynamics; 1968-1975; 87R2564
return migration strategy, seasonal agricultural workers, France; rural peasants, Meimão, Portugal; 87R2200
rural-urban mobility plans/behavior, northeast Thailand; social/psychological factors; interviews; 1978/79; 87R9821
rural/urban migration turnaround, metropolitan- vs nonmetropolitan-origin migrants, economic/environmental quality of life motives; questionnaires; Kansas; 87R8223
temporary migration, structural patterns/institutionalized sequences; 87R2554
Reunion
displaced South Korean families, televised Family Reunion Program; 87R3879
Revisionism
neo-Marxist/revisionist theory, Western bourgeois countries, fundamental inconsistencies; Soviet perspective; 87R7007
Revolutions
educated stratum's situation, revolutionary Iran; 87R3955
liberation theology, precursors, 1965 revolution, Dominican Republic; 87R9769
Marxist theory, Alvin W. Gouldner's work; book review essay; 87R5472
revolution likelihood; bureaucratization; logistic regression; 50-nation analysis, 1960/61; 87R1979
revolution recruitment/involvement, Aliabad village, Iran; community change/participation, economic/ideological alternatives; 87R2386
scientific paradigms/theory, natural sciences; 87R2501
scientific revolution, Karl Popper's/Thomas S. Kuhn's/Paul Feyerabend's concepts; 87R8198
sexual revolution, long-term developments; 87R4687
States and Social Revolutions by Theda Skocpol; review essay; 87R1858
survival economy, results/viability, revolutionary Nicaragua; 87S1997
workers' control, pre-/postrevolution, USSR; literature review; 87R9791
Rewards
choice theory, cost- vs reward-sensitivity model; experiments; 87R5501
occupational rewards; social class divisions; national survey; 87R7326
parental rewarding/punishing persuasive appeals, adolescent perceptions; parental socioeconomic resources; 87R2627
reward allocation incongruity, in-/out-group members; intergroup/-personal bias; experiments; sports enthusiasts; 87R3533
reward allocation, decision-making process; group/individual behavior; experiment; 87R5503
rural/agricultural policy, reward structures, China; 87R9550
Rhetoric
academic sociology/Marxism critiqued; 87R5410
claims-making rhetorical devices, missing children problem; media reports, government records, US; 1980s; 87T0789
dialectical irony, literary method of logic, social science's use; 87R6081
ethnicity; group-level interactions/structure/belief transmission; blacks, Indians, US, colonial era-present; 87R3902
ethnographic texts, construction practices; 87R3646
fictional characters, social norm evolution/women's role representations, US; content analysis; Superman comics; 87R5593
information dissemination, language use; personal experience; mass media research; 87R5822
Moral Majority, romantic rhetorical form; 87R7888
new rhetoric, jurisprudence theory; 87R8115
political speeches, rhetorical format/audience response; political party conferences, Great Britain; 1981; 87R1503
political terrorism, rhetorical genres; 87R5207
poverty, French political discourse; government discourse; 87R8824
power as communication medium, social intervention rhetoric; 87R7050
power notions/practices, peace movement rhetoric; Michel Foucault's juridical/legal model vs strategic/military model; case study; Greenham Commons Women's Peace Camp Campaign; 87S1948
religious rhetoric modes, Mormon leaders; content analysis; conference addresses; 87R2404
sociological irony, rhetorical analysis; 87R6077
Rhode Island
dual career management/sex-role attitudes, political wives/their spouses; interviews; Massachusetts, Rhode Island; 87R9867
juvenile delinquency prevention/treatment, Ocean Tides Residential, Educational & Family Services Program, Rhode Island; historical analysis, archival data, interviews; 87R5074
mortality patterns/causes, Jewish residents, Rhode Island; official records; 1979-1981; 87R2552
substance intervention/prevention, adolescent treatment programs, demographic-based stratification approach; survey; 87R4982
Right Wing Politics
antiabortionism, GB/US; class, conservatism; 87R1846
conservatist trend, Federal Republic of Germany, Max Scheler's work; 87R7627
economic crisis, capitalist system transformation, Latin America; statistics; 87R9755
economic New Right movement, Nick Bosanquet's arguments; 87R9136
entrepreneurial political interests, Right's development, Mexico; 87R2060
humanistic sociology/secular humanism relationship; questionnaire; members, Association for Humanist Sociology; 87R9110
Ku Klux Klan movement, women's role, gender ideology; primary documents; 1920s; 87R5795
left- vs right-wing populist movements, economic/political/cultural/historical contexts; 87R1996
Moral Majority, romantic rhetorical form; 87R7888
moral Right, New Zealand, Left counterapproaches; 87R3858
National Right to Life Committee vs Moral Majority, antiabortion stance/support, ideological convergence; content analysis; newsletters; 87R1862
New Christian Right, development/prominence, resource mobilization theory; 87R6226
New Christian Right, social science analysis; response/reply; 87R4395
New Right movement, family morality issues, US vs GB; 87R3969
New Right, financial support, leftist/liberal implications; 87R6222
New Right, US, free-market ideology/Christian fundamentalism; 87R9749
paranoid style, US political Right, news media impact; 87R5927
petite bourgeoisie, fascist ties, GB/New Zealand/Australia/other countries; 87R4020
political Right, origin/growth/prospects, Israel; 87R7656
political transition, Portugal, radical Right's role; 1920s-1930s; 87R2043
politicized attitudes, New Christian Right; religious television; secondary data; 87R2409
President Reagan's second-term judicial appointees, professional/democratic/attribute profile; 87R8116
presidential/senatorial elections, 1980, US; evangelical Christian political activity; 87R5909
Reagan administration support, social traditionalism, economic conservatism; religious beliefs; interviews; "Middletown" residents; 87R2387
right-wing attitudes/views, secondary school students, Netherlands; survey; 87R2610
right-wing ideology, France, 1930s, Roger Caillois's address, Collège de sociologie; 87R3977

sexual matters/issues, family policy, British New Right groups; 87R2657
World War II atrocities, denial by right-wing extremist youth, West Germany; interviews; 87R1855
youth politics, moderate-extreme/Left-Right typology; national surveys; 87R3961

Rights
abortion, spousal notification; government legislation; survey, interviews; women seeking abortions, US; 87T0552
abortion/procreation decisions, fathers' rights; 87R4793
adoption records, sealing controversy, adoptees'/adoptive parents'/birth mothers' perceptions; content analysis; letters of response; 87R4721
alien residents' voting/participation rights, national parliamentary elections, Sweden; 87R3580
animal rights, Western philosophical ethics; 87T0188
immigrant political rights/integration, Sweden, representative governments, dual-citizenship solution; 87R3528
legal rights/autonomy, US Indian reservations, colonization patterns; 87R2416
patient's refusal/treatment rights, emergency situations; 87R4942
psychiatric hospitalization, "mentally ill," patients' rights; case study; Michigan mental health statute; 87R2822

Riots
arrest rates, 1981 urban rioting, England; race/age/other factors; police data; 87R3074
black-Jewish relations/race riots, Detroit, Michigan; surveys; WWII era; 87R1538
civil violence/nonviolent protests, participation propensity, social marginality hypothesis; secondary data; 87R2033
community concept, riot participants' discourse, Bristol, England; content analysis; newspaper/radio/television/personal accounts; 87R7525
crowd behavior, GB, multidisciplinary research program; 87R7524
Cuban immigrant internment camps, US, 1980 Marielito riots; 87S1945
police legitimization, GB, 1833-1985; 87R6295
prison riot variables, identification theory; case studies; state prisons, New Mexico, Michigan, California, Illinois, New York; 1967-1981; 87T0225
race/ethnicity research, social geographers' contributions; 87R3535
racial riot, Brixton, England; personal/descriptive account; 87R3894
riot control, special police unit, GB; 87R4488
urban disorders, GB, Right's vs Left's response; 1985; 87R5202

Risk
acquired immune deficiency syndrome, risk reduction education; content analysis; safe sex brochures; 87T0628
adolescent pregnancy, black females; significant others' attitudes; questionnaire; 87T0399
alcohol abuse, individual/population risks, prevention/treatment issues; Stockholm Adoption Study; 87R2866
coronary disease treatment/epidemiology, blacks' experiences; Coronary Artery Surgery Study; 87R4853
crime control, insurance/risk management techniques; 87R6274
early parenting maternal attitudes, adolescent mothers, interviews, observations; 87R8312
environmental risk assessment/regulation; scientist's social/political values; interviews; industrial hygienists, occupational doctors; 87R3034
industrial pollution risks, industrial community perceptions, Oak Ridge/Rockwood, Tennessee; 87R5126
modern technology, toxic risks; 87S1972
nuclear accidents, at-risk population, time-of-day variations; interviews; households, US; 87T0918
nuclear power regulations, probability risk assessment; interviews; engineers/other technical personnel; 87S1974
parole decision making, US vs Israel; sentencing structure; prisoner case file data, interviews; 87R4513
pregnant women's work reassignment, high risk workplaces, Quebec; 1979 legislation; interviews, statistics; 1984-1986; 87R9364
psychological disorders, personal risk factors; questionnaire interviews; adults, Athens, Greece; 87R2825
psychological well-being, risk-taking behavior, adults; parenthood, social environment; national probability sample data; 87R2706
public health regulation, economic justifications; 87R2789
risk analysis policy, social dimensions; 87T0880
risk assessment, ideological uses, expert decisionmakers' roles; historical analysis; 87S1951
risk communication efforts, citizen participation programs, US; 87T0920
risk perception, social policy, public discourse; acid rain issue, France/West Germany; 87R6760
security measures' effects, quantification method; 87T0968
service economy, industrial societies, risk management strategies; 87R5777
sex education/research, professional risk; 87S1934
sexual identity disclosure, work settings; workplace characteristics, coworker socialibity; questionnaires; lesbians; 87R5686
societal risk management, nuclear technology, excessive cost criterion questioned; article/comment; 87T0285
voluntary risk, public health/safety, government regulation; 87R2753
wife assault rates, risk factors; interviews, medical/school records; New Zealand; 87R5195

Rites of Passage
clitoridectomy practice, 1850s, London, England; 87R2981
college education, initiation paradigm; 87R8049
olfaction/transition, ritual uses; 87R9329
organizational rules/values; rituals' role; case studies; 87R7372
religious quest faith, conflict/anxiety factors; empirical measures; college students; 87R8069
search for meaning, Western youth, elective centers concept; 87R8302
smoking behavior variations, rite of passage, health education implications; 87R9241

Rituals
bahri alang (going outside) practice, India, ritual aspects; fieldwork; artisans/shopkeepers, Banaras; 87R1934
consumer behavior/grooming activity, ritual aspects; questionnaires, thematic apperception tests; students, general population; 87R5779
Dionysian orgiastic rituals, ancient Greece; 87R8058
food, ceremonial/ritual/hospitality uses, Muslims, New Delhi, India; ethnographic data; 87R6230
food/drink activity, Japan, semiotic/symbolic functions; 87R5587
group rituals/charismatic leaders, urban communes, US, collective effervescence; 1970s; 87R8055
media ethics, cultural celebration vs information transfer perspective; 87R1890
Olympic games as cultural ritual; observation; 87R1956
political inauguration ceremony, Netherlands, religious/other symbolism; content analysis; newspaper/official documents; 87R8091
potlatching practice, Southern Kwakiutl, North America; historical data; 87R3648
pow-wows, ethnic/economic functions, rural tribal Indian communities, Oklahoma; 87R3628
professional wrestling, semiotic analysis; 87R7563
public ritual/social density, Emile Durkheim's theory; questionnaire; nonindustrial community residents; 87S2003
Rishi Valley school, southern India, rituals/values/norms; ethnographic case study; 87R8040
ritual solidarity, sports groups; 87R3925
social metaphors, Binalayan fishcorral ritual, Philippines; 87R9335
stratification systems, legitimation processes; public ritual; 87S1953
table manners, Hong Kong, symbolic inventory; field research; 87R3635
torture, organization/ritualization, Argentina, victims' reports; 87R5198
tradition changes, familial relationships, Ismaili migrant community, Vancouver, British Columbia; migration; 87R3516

Robbery
attitudes toward crime, victim's sexy vs conservative clothing style; experiment; college students; 87T0792
criminal activity, black ghettos, offense-residence linkage; arrest data, census; Milwaukee, Wisconsin; 87R5049
criminal income/drug expenditures, cocaine/heroin abusers; interviews; New York City; 87S1964
New York City 1977 blackout looting; neighborhood characteristics survey, statistics; 87T0794
urban robbery, lethal/nonlethal cases; police reports; Chicago, Illinois; 1982/83; 87R5058
victim injury potential, noncommercial robberies; resistance; National Crime Survey data; 87R5033

Rokeach, Milton
discrimination motivation, racial vs belief determinants, Rokeach theory; 87S1999

Role Ambiguity
mature unmarried Christian women, ambiguous status, Bangladesh; 87R7836
medical sociology, institutional development; historical evidence; 1945-1955; 87R4814
psychosomatic symptoms, adolescent-adult transition; educational/familial structural conditions; questionnaire survey; 87R6386

role changes, adolescence-adulthood transition, gender differences; longitudinal survey; high school students, Illinois; 87R8313
role requirements/overlap, social workers, Israel; Job Analysis Questionnaire; 87R6016
task-role satisfaction; instruction clarity/source/expectations; experiment; midwestern US university; 87R5689
womanhood vs motherhood roles, ambivalence conflicts; interviews; mothers; 87R8853

Role Conflict
African students, marginalization process, interwar French West Africa; content analysis; school texts; 87R7987
alienation/strain, extended family system, India; role disjunction; 87R3364
depression, women, "vulnerability" vs "strain" models; critique/reply; 87R8543
ethical/moral issues, applied sociologists' work; 87R6915
family/work relations, professional vs nonprofessional working mothers, capitalist societies; literature review; 87R4707
foreman position, work status/satisfaction/roles, automobile assembly plant; self-perceptions, management- vs dual-orientation; mail questionnaire survey; 87R4096
job satisfaction/assertion/professional self-image, hospital social workers; role-set complexity, socioeconomic status; 87R7738
leisure, social-role constraints/self-expression dimensions; experiment, questionnaire; 87R7538
military families, institutional/occupational conflicts, US; 87R7361
nurse assistants, nursing homes, role conflict; 87S1930
professional training/socialization; literature review; 87R7721
professionalization processes, adjacent occupations; 87R4072
psychological distress, Chicano women; sex-role/marital/employment/other variables; 1979 Chicana Survey; US; 87R8550
psychological well-being/role strain, employed vs nonemployed mothers; child care arrangements; national data; 87S1977
religious quest faith, conflict/anxiety factors; empirical measures; college students; 87R8069
role choice/satisfaction, self-esteem, women; mothers' role choice/satisfaction perceptions; self-report inventories, interviews; Connecticut, New York; 87R8910
role conflict, college teacher-coaches; Role Conflict Scale; National Association of Intercollegiate Athletics members; 87R3916
role conflict, psychiatric residents; 87R2133
role conflict, stress, working women; personal characteristics, career saliency; survey; women in banking; 87R1668
role relations, organizational structure/interaction; technology; case study; radiological departments; 87R4077
role strain, coping styles, dual career couples; interviews; US; 87S1981
sex-role strain, kibbutz-born vs other kibbutznik adults/adolescents; ego development test; 87R4670
single mothers, dating participation; 87S1934
sociologist as social worker, role conflict/pressures; participant observation, interviews; child welfare agency; 87S1933
stress responses, individual differences; role expectations; survey; 87R7125
stress/role strain, dual career couples, coping responses; 87R8427
stress/strain, social workers; work setting/role; questionnaires; 87R7797
teenage girls' subculture, labor market possibilities, Australia; economic recession, unemployment; 87R4350
women's family-work role integration, Indonesia vs US; literature review, personal observation; 87T1002
women's labor force/domestic roles, men's responses; interviews; West Germany; 87R8385
work-family conflict; job/family involvement; questionnaire; university employees, northeastern US; 87T0461
work/domestic conflict, post-World War II New Zealand women, social/educational context; 87R6801
workplace sex-role spillover, males' vs females' experience; questionnaire; adults; Los Angeles County, California; 87R7307

Role Models
drinking/drunkenness portrayals, US detective stories; 87R4253
law, cultural relevance/influence, US; 87R8128
role careers/conclusions, US professional team sports, retirement strategies/behaviors; 87R1505
role identities project, undergraduate students; twenty statements/SII test; 87T1069
role model, conceptual validity/utility; 87R9222
self-concept, black youth; popular culture, professional sports, mass media role models; 87R3924
sex-role attitudes/family plans/role models, adolescents; dual- vs single-career family backgrounds; questionnaires; high school students, southwestern US; 87R1477

Role Playing
action/order paradox, organization/role development, theoretical model; 87R1761
adult socialization, medical care preferences; migration, initiate network membership; interviews; Taiwan; 87R2718
conversational behavior, interior settings, spatial patterns; experiments; 87R5165
conversational behavior; gender identity; recorded conversations; undergraduates; 87R4208
conversational configuration/location, role-played simulations, model-figure placement technique; experiments; 87R5164
fantasy game participation, social/psychological causes/consequences; surveys; boys aged 10-17; 87R7199
juvenile delinquency, theater/drama role playing as socialization model; secondary data; 87R2717
language learning performance; normative expectations, self-perceived abilities; experimental test; undergraduate psychology students; 87R3726
role disengagement process, events/stages progression; interviews; 87S1954
role identities project, undergraduate students; twenty statements/SII test; 87T1069
role identity negotiation, interaction strategies; transcripts; 87R9249
romantic-love relationships, associated subroles; 87S1961
social cognition, college students; social role/position; experiments; 87R7164
social order, constraint/collaboration paradox; 87S1984
social relations, interpersonal construction processes, macrostructural context; 87S1984

Roles
adult role entry, initiation process; longitudinal survey; 1940s birth cohort; 87R9230
agricultural extension agents, role performance/impact, Kaduna State, Nigeria; structured interviews; 87R4146
anthropological work, social involvement issues; literature review; 87R5421
blood donation intention vs behavior, reasoned action theory; 87S1950
deviant roles, small groups, hostility displacement; questionnaires, videotapes; 87R9189
doctor's role changes, historical/cultural analysis, current medical significance; 87R4137
elderly's status/role, societal attitudes/beliefs, US; literature review; late 19th century-present; 87T0750
organizational entry, students' adaptation experiences; peer group separation, role/self-redefinitions; interviews; social science doctoral students; 87R2169
organizational socialization/adjustment, newcomers, stress of socialization model; longitudinal analysis; university, oil field servicing company, electronics defense contractors; 87R1774
role conceptualization, structural/interactionist synthesis; 87R3420
role identities project, undergraduate students; twenty statements/SII test; 87T1069
role identity negotiation, interaction strategies; transcripts; 87R9249
role structures, blockmodel vs homomorphism definitions, 2-community demonstration; comment/reply/rejoinder; 87R4190
role structures, Greek-language usage, New Testament gospels; content analysis; 87R6179
role theory, recent developments; literature review; 87R1353
social roles, social-structural dimensions, theoretical model; literature review; 87R9237

Roman Catholicism
academic freedom vs Church authority, Catholic universities; case study; 87R7954
Catholic religious symbols/rituals, social structure/culture relationship, Andalusia, Spain; 87T0167
charisma/mass media use, Pope Wojtyla, Roman Catholic Church; 87R6177
Code of Canon Law (1917), Roman Catholic Church, Second Vatican Council's challenges/revisions; 87R6215
contemporary Spanish Catholicism; journal issue introduction; 87T0171
counterreform movement, Catholic Church, post-Vatican II Council; 87R6224
ecclesiastical model, Poland; 87R6225
female's negation/devaluation, Catholic/Orthodox ideology, Virgin Mary cult's role; 87R6236
God images, church perceptions/membership difficulties, gender differences; questionnaires; prophetic Catholic organization members; 87T0186

liturgical reforms, Catholic Church conflicts/change/continuity, post-Vatican II council; Synod of Catholic Bishops reports; 87R6218

educational extension programs, local government involvement/needs; 87R7815
elderly household status/composition, rural community, Kentucky, historical change; census; 1900-1980; 87R4992
elderly, age groupings, health status/costs consequences; interviews; Minnesota; 87R8472
end-stage renal disease patient, Appalachia, kinship/social/religious support networks; ethnographic case study; US; 87S1931
extension program, local library system's role, Texas County, Missouri; 87S1994
family labor unit, socioeconomic potential, rural areas, USSR; 87R2694
farm crisis, rural residents' social awareness; voluntary association membership; telephone surveys; North Dakota communities; 87S1990
geographic research, communication patterns, rural Latin America; 87R4122
health care beliefs/practice, rural Italy; field research; 87R7275
health needs, rural vs urban US, biopsychosocial perspective; 87R4150
historical monument preservation, Polish rural families' attitudes; 87R2191
house/neighborhood satisfaction, community-based rural elderly; ecological/architectural/psychosocial/other variables; interviews; Kansas; 87R2906
household composition, regional differences, 19th-century Portugal; electoral census, "Rol da Desobriga" residential listing; Minho municipalities; 87R2684
household labor allocation, Central Javan villages; agricultural/nonagricultural resource access; observations, interview surveys; 87S1990
industrial enterprises, Calabria region, Italy; interviews, case studies, questionnaire survey; 87R5624
interpersonal communication, highway hand signaling, symbolic interaction aspects; observation; 87T0062

labor markets/household budgets, rural Portugal; small-scale manufacturing enterprises; interview surveys; industrial workers; 87R6033
Long Live the Strong: A History of Rural Society in the Apenninne Mountains, Roland Sarti; review essay; 87R9947
migration-education relationship, economically depressed areas, rural US South; 1980 family sample survey; 87S1996
mortality variability, nonmetropolitan counties, US; sustenance organization structure, regional demographic/environmental characteristics; public documents; 87R4620
multiple employment adaptation, rural Norway; 87R6032
pandas' fate, rural China, sociology's relevance; 87S1993
peasant religiosity, northwestern Catholic parish, Portugal; 87R2371
political class formation, Mexican peasantry, state's role; social histories; 87R9843
political involvement patterns, Malaysian rural community; interviews, survey; longitudinal analysis; 87R4012
population growth/marriage patterns, 1520-1661, rural Tongcheng county, China; lineage genealogy analysis; 87R8274
population redistribution trends, nonmetropolitan areas, US; 1970-1985; 87S1992
population/age trends, Walloon; mortality, fertility, migration; Namur/Liège/Mons/Charleroi, France; year 2001; 87R4579
primary health care activities, rural Nepal; interviews, observation; 87R4879
primary health care development, rural communities, intraorganizational relationship problems; 87T0636
progressive small-scale farmers, Transkei, South Africa; structured interviews; household heads; 87R7811
residential location choice, nonmetropolitan areas, US; individual perceptions/motivations, societal factors; case study; Bonner County, Idaho; 87R8728
rural banking, structural analysis, credit flows; Missouri; 87R2188
rural capitalist development, Karl Marx-Max Weber synthesis, sociological utility; comment/reply; 87R9952
rural class struggle, African workers/Boer landlords, Transvaal, South Africa; historical case study; 1899-1902; 87R7465
rural labor emigration, west-central Mexico; socioeconomic development factors; population/farm censuses; 87R2541
rural medical practice, students' unwillingness, Pakistan; social class system; questionnaire survey; 87R4143
rural recreational site visiting rates, West Midlands, GB; questionnaire; 87R7527
rural social structure, GB, land vs property ownership; 87R6022
rural social work; 87R7760
social networks, black/white rural families, structural characteristics/supportiveness; interviews; mothers, Georgia; 87R2662
social organization, demographic patterns, Portugal; 16th century-present; 87R2203
social relations/mode of work rural villages, Andhra Pradesh/Utter Pradesh, India; technology; official/historical records, interviews, genealogies, participant observation; 1929,1980; 87R7839
social status/life circumstances, rural elderly; occupational/ecological/sociocultural factors; literature review; 87S1992
social structure, northern Ossetia, USSR; questionnaire; 87R9936
social structure/life conditions, rural Andalusia; agricultural transformation, labor migration, tourism; 87R8246
socialist society experimentation, USSR/Europe; 87R9953
television viewing tastes/habits, Inuit communities, Canada; demographic variables; questionnaire; eleven-communities, Eastern/Central Arctic regions; 87R3891
tobacco contract farming, Kenya, rural social transformation; 87R4043
work/family life, rural doctors/spouses; excessive alcohol use; questionnaires; wives, central California; 87S1955
zealous advocacy, small-town lawyers; in-depth interviews; 87R2150

Rural Communities

adolescent drug use, small rural vs mid-sized communities, Rocky Mountain region; questionnaires; 87R8319
African tradition legacy, black rural community; oral/historical/folkloric/archival fieldwork; Springtown, New Jersey; 87R5107
aging attitudes; age, gender, occupation; quiz instrument; residents, Wisconsin towns; 87T0765
agrarian community, Mexico, structure/development; 87R4178
alienation, rural farm population; church membership; interviews, participant observation; 87R2408
Chinese society; 3-film review essay; 87R2198
class solidarity/social integration, religious systems' role, Teuchitlán, Jalisco, Mexico; capitalism conversion; post-1910 Mexican revolution; 87R3633
community attitudes/satisfaction, rural high school students, District Gujranwala, Pakistan; community size, gender; questionnaires; 87T0850
crime fear, rapid-growth rural communities; individual vs contextaul variables; longitudinal data; 87S1992
dispute treatment/solution, rural vs industrial communities, Georgian Soviet Socialist Republic, USSR; questionnaire interview survey; Telavi, Tschinvali; 87R2458
elderly household status/composition, rural community, Kentucky, historical change; census; 1900-1980; 87R4992
ethnographic data, rural Appalachia daily life, hermeneutical approach; 87R5544
everyday rural life, agricultural workers, Picardie, France, conflict/morality; secondary accounts; 87R2194
family cycle, Andean mountain communities, Ecuador, social reproduction strategies; fieldwork; 87R4725
farming town development, post-1945, Great Palin, Hungary; 87R9932
grain-threshing technology adaptation, cultural/social consequences, rural folk areas; historical data, interviews; 18th century-1945; 87R2201
household composition/formation, Minho province, Portugal; literature review; 87R6434
household-formation systems, rural Europe, preindustrial era; 87R6765
household/family types, labor migrant community, South Africa; resource access, agricultural policy; 87R3587
improved farm practices, India; key communicators' role/characteristics; interviews; Rajasthan villages; 87R3888
innovation adoption, villager participation/perspectives, rural communities, Saudi Arabia; structured interviews; Wadi Fatma; 87R5112
land tenure/transfer patterns, Illinois farm communities; ethnographic data; 87R4172
malaria, community adaptations, rural Muheza District, Tanzania; cross-cultural contacts; 87R4830
mate choice formation, farming community, Illinois; economic/social/familial/dyadic factors; archival records, survey, interviews, participant observation; 87R8350
migration decisions, desert communities, economic/noneconomic factors; survey; residents, Victorville/Lancaster, California; 87R4619
occupational mobility, cross-national invariants; published tables; 87R7727
part-time farming, rural survival strategy, West Germany; 87R6052
policing styles, patrol officers, midwest US; organizational/community characteristics; James Q. Wilson's *Varieties of Police Behavior* findings expanded; 87T0221
population displacement/repatriation, internal/external refugees, rural Sudan; 1955-1972 civil war; case studies; Yei, Mariai, Gilo, Aweil; 87R4577
postmarital residence patterns, rural Catalonia, Spain; farming, industrialization/modernization; census data; post-Civil War; 87R6437
public policy demands/attitudes, rural unincorporated community residents, Mississippi; race; survey; 87R5125
religious pilgrimages, French-speaking Belgium; 87R4420
rural community development, strategies, federal intervention; 87R2207
rural cooperatives, India, technical/social aspects; field studies; 87R6023
rural health care delivery/policies, developing countries; Alma-Ata Declaration; case study; Zimbabwe; 87T0599
rural life/economy, Quebec, 1800-1850; 87R3791
rural politics, France, 1750-1880; book review essay; 87R9933
Saint Christopher festival, Montagnac, France, reversion ritual; participant observation; 1980; 87R1231
small-town vigilante murder, mass media coverage; court records; 87R7512
social integration levels, Leczna, Poland; empirical data; 87R2240
social/political change, Anguillara Sabazia community, Italy; secondary/archival data; 87R6036
spatial discrimination, lower castes, Haryana, India, villages; 87R4036
survival strategies, rural merchants, declining vs growing farm communities, regional-historical context; 87R2989
traditional culture, social/political power relations, rural Spanish community; religion; historical/ethnographic analysis; 1600-1980; 87R5114
uneven economic development, European mountain communities; 87R2997
village community structure, Goa, India; Marxist perspective; 87R6026
village problems/urban migration, villagers' perceptions, Zaire; interviews; 87R6047
village-level community formation, collective religious worship; 18th-/19th-century France; 87T0161

water allocation, farmer-managed irrigation systems, Indonesia; system/age/design, interpersonal processes; interviews, field observations; Balinese "subak" analyses; 1981-1983; 87R2209

Rural Crime

crime increases, rural communities, Kansas; population migration; crime/census/questionnaire data; 87R8677

crime victimization, rural Mississippi; social change, crime prevention practices; survey; 1983; 87R5035

Rural Development

agricultural production/policies/structure, rural inequalities, Ecuador; interviews, government documents, newspaper articles; 87R3826

agricultural/industrial development policy/capital accumulation, sub-Saharan Africa; 87R7429

black social scientists' contributions, Tuskegee University, Alabama, rural development; 87S1928

change proceses, rural village community, Santulhoa, Portugal; socioeconomic factors; historical analysis; 87R7825

community development, process-/p.oject-oriented approaches, applied sociologists' role, rural US; 87R7831

development towns, Israel, migration propensity; official statistics; 87R2224

development, political economy; viability/surplus/social class formation interrelationship; case study; rural labor systems; northern Nigeria; 87R9949

factory-working daughters, family economic contributions, peasant villages, north-central Java; 87R3825

land redistribution/ceiling laws, India, enactment/implementation; Karnal District, Haryana; 87R2206

nonmetropolitan growth patterns, Oregon/Washington; 1970-1985; 87S1989

outer-city/greenbelt development, rural England, social costs; 87R2994

part-time farming, rural survival strategy, West Germany; 87R6052

political development, community participation, rural Haiti; Catholic Church; case study; 87R4166

population dynamics/industrial growth/social structure, rural Azerbaijani countryside, USSR; 87R4165

resettlement strategy/rural development, postrevolutionary Bolivia, organizational problems; case study; 87T0330

rural banking, structural analysis, credit flows; Missouri; 87R2188

rural capitalist development, Karl Marx-Max Weber synthesis, sociological utility; comment/reply; 87R9952

rural community development program; socioeconomic growth; dynamic interactive model, predictive ability; Banham Municipality, Fannin County, Texas; 87R2995

rural development issues/needs, state-level policy efforts; 87S1993

rural development process, India, human compassion factor; case study; Duari, Uttar Pradesh; 87R5191

rural development programs, quality of life considerations, Bangladesh; field survey; Rajshahi villages; 87R9942

rural development project, southern Thailand; participatory facilitating techniques; case study; 87S1984

rural development projects, management/outcome evaluation, India; literature review, field research; 87R6027

rural development, 1890 land-grant institutions, social scientists' contribution; 87S1996

rural development, Third World; local participation; open-ended interviews, document analysis; Operation Feed Yourself, Ashanti Ghana, 1972-1978; 87R1795

rural England, early modern times, servants/poverty; 3-book review essay; 87R2208

rural industry, modernization process, Haryana, India; sociodemographic variables; interviews; village entrepreneurs; 87R7820

rural intermediate technology projects, implementation problems, India; anthropological research; Gujarat, Tamil Nadu; 87R7810

rural life/economy, Quebec, 1800-1850; 87R3791

rural/agricultural policy, reward structures, China; 87R9550

Sa'o bonito hunting, Small Malaita, Solomon Islands; rural development; 87R3809

service delivery, social work mandates/tasks, rural developing areas, industrial nations/Third World; 87R6038

social change/development programs, male vs female receptivity, Third World; economic/political power access; case study; rural Mexico; 87R6811

Rural Education

educational attainment-fertility decline relationship, married women, rural Sierra Leone; 87R8227

Rural Population

black composition/change, nonmetropolitan South; 87R4603

country music, sexual themes; ethnomusicological analysis; 87R7905

demographic changes, rural Brazil; labor proletarianization; 1980 census; 87S1987

demographic characteristics, farm vs nonfarm population, US; census data; 87S1995

depressive symptomatology; chronic medical problems, coping resources; longitudinal surveys; rural residents, Tennessee; 87R2783

disease treatment/concept, tribal Munda village, West Bengal, India, social/cultural aspects; 87R8462

environmental concern, rural residents, manipulative vs exploitative occupations; Colorado; 87S1990

fecundability, rural Bangladeshi women, seasonal patterns; longitudinal field study; 87R8228

labor exchange, village households, Hungary; questionnaire, case study; Tiszaigar; 87R9967

male identity, Grendi village, Crete; book review essay; 87R5509

musical culture participation, rural residents, USSR; questionnaire; 87R7840

population/age trends, Walloon; mortality, fertility, migration; Namur/Liège/Mons/Charleroi, France; year 2001; 87R4579

reproductive success, rural village, Trinidad; genealogical/demographic/economic factors; interviews; households; 87R6525

social demography, Hungarian villages, 18th-19th centuries; fertility/mortality/other data; Sárpilis; 87R4144

social well-being, agricultural modernization, Sri Lanka; vertical/horizontal intra/intercommunity linkages; 87R7823

traditionally male blue-collar jobs, nonmetropolitan females employment preferences/experiences; questionnaire; Walden/Meeker, Colorado; 87R3709

tribal health beliefs/practices, India, social/cultural dimensions; 87R8509

Rural Poverty

adult-equivalent income, poor households, Oaxaca, Mexico; domestic cycle stage; cross-sectional/ethnographic data; 87R6469

agrarian structure models, policy inadequacies, Nicaragua; 87R9945

agrarian structure, rural semiproletariat, Nicaragua; 87R9944

behavioral characteristics, Australian rural white vs aboriginal children, culture-of-poverty notion; questionnaires, school records, interviews; 87R5193

black rural development problems, land grant colleges'/universities' role; 87S1991

economic distributional patterns, rural India; gender, agricultural growth; secondary data; 87T0939

economic survival strategies, rural black/white residents, Tennessee; interviews; 87S1936

educational expenditure, school districts, Kentucky; intra- vs intercommunity income inequality; 87S1991

infant mortality-farm structure relationship, US nonmetropolitan counties; community socioeconomic status; 1980 data; 87S1995

migration-education relationship, economically depressed areas, rural US South; 1980 family sample survey; 87S1996

rural development process, India, human compassion factor; case study; Duari, Uttar Pradesh; 87R5191

rural poverty, India; agricultural development; secondary data; 87R4169

Rural Sociology

cooperative rural development strategies, pre-/post-independence, East Pakistan/Bangladesh; economic/political/policy constraints; case studies; Comilla experiment, Integrated Rural Development Program; 87R9937

Hungarian sociography, WWI-WWII, origins/development; 87R9115

manuscript review, publication outcomes, *Rural Sociology* journal; archival data; 87R8192

publication outcome/review process, *Rural Sociology*; archival data; 87S1989

rural capitalist development, Karl Marx-Max Weber synthesis, sociological utility; comment/reply; 87R9952

rural development programs, quality of life considerations, Bangladesh; field survey; Rajshahi villages; 87R9942

rural sociologist Carle C. Zimmerman, background/research; 87R3272

rural sociology research, US, developmental eras; 87S1927

rural sociology, discipline's history, epistemological goals; 87S1996

rural sociology, Europe; 87R9930

rural sociology, US, research program/resource development; 87R7009

rural/agricultural sociology, Gino Germani's modernization theory; 87R2182

Rural to Urban Migration

emigration fluctuations, agricultural society, rural Latin America; 87R4145

family lifestyle, urban migrants; early socialization; 87T0444
female labor, rural migrants, Lisbon, Portugal; 87R4694
internal/international migration, Indian families, social/economic/psychological impact; census/other data; 87R8393
Mennonite identity; urban area residence; interviews; 87R4430
migration/mobility behavior, Thailand; experimental program; questionnaire survey; households; 87R2548
migratory aspirations, Polish rural residents; interviews; 1977, 1983; 87R2560
occupational achievement, migrants, Kaohsiung City, Taiwan; educational/status attainment; survey; 87S1950
peasant migrations, regional economy formation/maintenance, agricultural production, Dosso region, Niger; archival/secondary data; early 1900s-present; 87R2566
population decline, mortality rates, early modern European cities; secondary statistics; Frankfurt-am-main, Germany/Austria; 1651-1840/1754; 87T0132
postmarital residence patterns, rural Catalonia, Spain; farming, industrialization/modernization; census data; post-Civil War; 87R6437
rural immigration/emigration decisions; background characteristics, social/economic attainments; National Longitudinal Survey of the High School Class of 1972; 87R4605
rural-urban migration, Alfama (Lisbon), Portugal, reproduction strategies; 87R2185
rural-urban migration, Gende, Papua New Guinea; economic inequality, sociocultural factors; participant observation, surveys; 87R1645
rural-urban migration, Oriya migrants, Surat City, India; interviews, participant observation, government data; 87R3786
rural-urban migration, urbanization, squatter settlements, structural crises, non- vs developed nations; 1900-1979, Iran; 87R2219
rural-urban mobility plans/behavior, northeast Thailand; social/psychological factors; interviews; 1978/79; 87R9821
slum/squatter settlements, Indian cities, government planning/policy approaches; 87R4191
social mobility, Poland; state intervention; 1945-1958; 87R2090
social problems, metropolitan areas, US; migration patterns; census, national statistics; 1975-1980; 87T0019
urban-to-rural mobility, France; residential environment; questionnaires, travel diaries; couples; 87R2212
village problems/urban migration, villagers' perceptions, Zaire; interviews; 87R6047

Rural Urban Continuum

aged population's size/characteristics, India, rural vs urban areas; 87R8239
farm victimization, crime type; socioecological factors; survey data; Arkansas; 87S1996
nature concepts/parks, Belgium; social factors; 87R9955
rural-urban differences, Peter M. Blau's structural theory; 87S1991
rural-urban transition, Friulian region, northeastern Italy, housing activity; 87T0021
second demographic transition, family type/internal migration flows; 87R9987

Rural Urban Differences

adolescent drug use, small rural vs mid-sized communities, Rocky Mountain region; questionnaires; 87R8319
economic roles, black children/married women, US, residential variations; late 19th-early 20th century; 87R8418
education attitudes, Polish small/medium-sized towns vs cities; questionnaires; 87R2369
family limitation practices, black vs white/farm vs nonfarm residents, rural South; fertility rates; US; 1905-1910, 1935-1940; 87R8449
fear of crime; perceived victimization rate, community type; questionnaires; residents, Louisiana; 87R8642
fertility, urban-rural differences, Thailand; cultural/educational variables; Accelerated Family Planning & Health Program data; 87R4629
health care delivery, rural-urban inequities, Zambia; cross-national comparisons; 87T0614
health needs, rural vs urban US, biopsychosocial perspective; 87R4150
health status differences, rural vs urban preschool children, Costa Rica; cultural-ecological factors; field research; San Jose, Veintisiete de Abril; 87R4894
health status/morale, elderly rural vs urban adults; questionnaire; 87R2885
health/happiness; urbanism, race, socioeconomic status; surveys; 1972-1983; 87R9236
interaction style, correctional officers; urbanization, race, age; questionnaires; maximum security prisons, New York; 87R2473
life satisfaction, rural vs urban elderly, Japan; interviews; 3-generation families; 87S1966
life satisfaction, rural vs urban employed mothers; work-family role integration; questionnaires; Ohio; 87R1736
life/leisure satisfaction/participation, young-old vs old-old adults, rural/urban southern Louisiana; questionnaire, demographic survey; 87R1929
low-income/neglectful mothers' loneliness; ecological determinants; survey; urban/rural families; 87R4937
marital adjustment/exchange orientation, rural vs urban couples; community size; questionnaire; 87S1990
measles beliefs/health practices, mothers, Senegal; urban integration; interviews; 87T0587
middle class composition/economic functions, rural vs urban regions, Manizales/Antiogueno, Colombia; 87R7705
morality assessment, rural vs urban areas; death registration data; Thailand, Peninsular Malaysia, Philippines; 87R6355
occupant satisfaction, rural vs urban households; home's age; survey; Friuli-Venezia Giulia region, Italy; 87R9988
personal identities; social structure; content analysis, obituaries; 1856-1972; 87R7134
population fluctuation, metropolitan vs nonmetropolitan areas, interstate vs intercounty differences; economic recession; US federal income tax return data; 1978-1985; 87S1996
poverty status, urban vs rural female family householders, socioeconomic/demographic differences; census; 87S1988
poverty variations, US; rurality; Census data; northeastern US, 1980; 87R3062
psychological distress, rural vs urban communities, Tennessee; race, social class; interviews; blacks, whites; 87S1992
regional employment, urban/rural shifts, Norway; 1930s-present; 87T0855
ruble value, urban/rural differences, USSR; questionnaire; 1981/82; 87R9248
rural/urban labor force, southeastern Mexico; petroleum/tourist industries; census; 87R2549
senior center participation/service use, urban-rural/gender differences; survey; Minnesota; 87R8621
social network integration, elderly; rural vs urban residence; questionnaires; Washington; 87R8629
southern blacks' psychological depression, rural vs urban residence; community satisfaction; interviews; 1979, 1980-1982; 87S2004
stress coping strategies, urban vs rural married couples, Montana; questionnaires; 87T0480
tranquilizer prescribing practices, rural vs urban doctors, GB; 87R8578
urban growth, Third World; ecological vs political-economic factors; secondary data; 87R5753
urban quality of life, Slovenia, Yugoslavia; 87R9680
urban-rural differences, ethnic/regional factors, USSR; 87R8761
urban/rural vandalism, Sweden, situational/motivational explanations; police/interview data; Malmö, Arvika; 87T0803

Rural Women

contraceptive use, rural Egyptian women, motivational influences; interviews; 87T0557
economic autonomy, peasant women, Aegean islands, Greece; anthropological survey data; 87R4168
illness/health care perceptions, rural Turkish women, Stockholm, Sweden; culture; 87R8510
public protest actions, farm women, France; interviews, documentation; 87R6785
women's agricultural role, Guyana; interviews; men/women farm workers; 87R9960
women's agricultural work, Egyptian Delta village; field research, questionnaire survey, census; 1960s-1070s; 87R4174

Rural Youth

adolescent participation/experiences, 4-H programs, adult assessments; interview survey; 87S1929
alcohol use, rural youth; questionnaires; 87T0688
career decision-making readiness, high school students; alcohol use/abuse; questionnaire; rural central Pennsylvania; 87R8599
young rural intellectuals' environment, communal/social aspects, Hungary; 87T0117

Rurality

self-identification, farm spouses, Wisconsin; agrarian ideology/values; 87S1994

Russian Soviet Federated Socialist Republic

socialist society experimentation, USSR/Europe; 87R9953

Rwanda

acquired immune deficiency syndrome/-related complex, Rwanda, prevalence/causes/public awareness; interview survey; households, Kigali; 87R6544

Sacredness
physician as sacred object, social construction; interviews; physicians' wives, California; 87S1944
rationality/validity/destiny, Franco Ferrarotti's views; two-book review essay; 87R6196
sacred cow ideology, India, taboo's symbolism/persistence; observations, religious/secondary data; 87R4364
Sadhus
Sadhu organizations' traditions/modernization, orthogenetic changes, India; 87S2001
Safety
burglary fear, home precautionary measures; survey; homeowners/renters, Edmond, Oklahoma; 1983-1984; 87S2005
home/personal safety practices; age, income, sex, education; program data; state employees, Columbia, South Carolina; 87S1939
Sahlins, Marshall David
primitive trade, exchange values, Papua New Guinea, Melanesia; Marshall Sahlins critiqued; 87R3654
Salaries
faculty salaries; regional variation; salary data; National Association of State Universities and Land-Grant Colleges; 1977/78, 1980/81, 1983/84; 87R7766
male/female college administrators' salaries; proportion of female administrators; surveys; 1978/79, 1983/84; 87R9914
paid attendance variability, professional basketball sports; team racial composition; longitudinal data; 87R7557
teachers' role/social position, Poland, historical development; 87R4110
Sales
exchange construction, buyers/sellers, yard sale; 87S1967
garage sales, ideological content; ethnographic analysis; 87R5592
Sales Workers
purchasing commitment, vendors' negotiation strategies; interviews, participant observation; 87S1975
routinization strategies, interactive service work; fieldwork; 87S1967
selling success, time-share vacation firm, situated transaction perspective; participant observation, interviews; 87R2144
Salience
seld-identified political ideology, salience hypothesis; national interview studies; 1972-1982; 87R7599
Salvation
religious afterlife beliefs, compensation model; national surveys; 87T0150
Sampling
censored sampling bias, Heckman's correction method; 87S1982
comparative organizational research, heterogeneous vs homogeneous samples; business/government organizations, California; 87R3758
complex survey data, sampling problems/strategies; 87R3234
population size, regression analysis, ratio vs component control methods; 87R3223
retrospective samples, discrete choice models, C. E. Manski's & D. McFadden's maximum likelihood estimation technique evaluated; 87R6909
sample selection bias, War on Poverty Research, corrective statistical techniques; 87R5188
sample size formula, multiple regression studies; 87R1241
small-sample generalizability, external validity, disaster research; 87R1242
special populations, sampling methods; 87R1243
San Diego, California
Cambodian (Kampuchean) refugees, US, Prince Norodom Sihanouk's thoughts; 87R4013
depressive symptoms; confidant support, demographic variables, marital status; face-to-face interviews; Mexican immigrant women, San Diego County, California; 87R6573
neighborhood crime; public high school proximity; San Diego, California/Cleveland, Ohio; 87R2352
police force use, public vs national legitimation standards; case studies; San Diego, California/Liverpool, England; 87T0219
sociocultural adjustment, trade-off negotiation strategies, Lao Hmong refugees, San Diego, California; ethnographic accounts, interviews; 87R3571
Vietnamese refugees, research methodology problems, policy implications; San Diego, California; 87R1609
San Francisco, California
communities, San Francisco, California; political action/organization, black vs Chinese class structure/relations; archival/oral history data, interviews; 1960s; 87R7408
community adjustment/assimilation, ethnic tie maintenance, Soviet Jewish/Vietnamese refugees, San Francisco Bay Area, California; 87R3521
community development/socioeconomic change, Japanese immigrants, San Francisco Bay area, California; 87R7250
health/human service work, staff reductions, theoretical model; interviews; school personnel, post-Proposition 13, California; 87R2324
homeless population increase, San Francisco (California)/New York City (New York); low-rent housing scarcity; official/interview/other data; 87S1962
informal work, wage work/self-employment comparisons; technological innovation; San Francisco, California; 87R1700
multilingual electoral ballot provisions, language assistance rationalizations; census, interview survey; Chinese adult population, Chinatown, San Francisco, California; 87R3543
nonincestuous rape victimization, women; victim's incestuous abuse history; interviews; San Francisco, California; 87R6372
part-day absenteeism, high school students; gender/ethnic/socioeconomic variables; attendance data; San Francisco (Calif) Unified School District; 87R4266
peace movement, San Francisco, California, ideals/structure/activities; article/comment/rejoinder; 87R3860
secondary school-university cooperation, data collection/feedback methodology; survey; students, secondary schools, San Francisco, Stanford University; 87R5762
worker resistance, paint/garment factories, San Francisco, California; participant observation; 87R5662
Sanctions
sanctioning system, same-sex 4-person groups, US vs Japanese subjects' behavior; experiments; 87S1987
shunning, Old Order Amish, Ohio; civil lawsuit; 87R2430
trade unions, bargaining units' disaffiliations, cost/benefit analysis; 87R7341
Sanitation
malnutrition, urban shanty dwellers, India; environmental pollution, sanitation practices; 87R3058
public health services professionalization, sanitation reform, New York, NY; 1866; 87R2808
Sardinia
population/economic growth, Sri Lanka vs Sardinia; malaria eradication compaigns; 87R8764
Sardinian-Italian bilingualism/language shift; age/education; field study; 14- to 85-year-olds, Ottava/Bonorva; 87T0052
Saskatchewan
crime deterrence/recidivism rates, Regina, Saskatchewan, Canada; court diversion-mediation program; case studies; 1974-1980; 87R8150
Satisfaction
commitment/satisfaction, homosexual vs heterosexual relationships, investment model; questionnaire; 87R4681
hospital services, patients' satisfaction; sociodemographic/psychosocial/situational/attitudinal factors; interviews; Beersheva, Israel; 87R4904
housing space/location satisfaction, urban residents, Taichung (Taiwan) vs Western cities; survey; 87T0031
marital/family life satisfaction, southern black husbands; income, health, education; in-home interviews; 87R6413
organizational entry, students' adaptation experiences; peer group separation, role/self-redefinitions; interviews; social science doctoral students; 87R2169
psychological/physiological sexual satisfaction; coital involvement; questionnaire; female undergraduates; 87R6403
sexual fulfillment, heterosexual/bisexual/homosexual females; interviews; 87R5279
task-role satisfaction; instruction clarity/source/expectations; experiment; midwestern US university; 87R5689
tourist satisfaction, authenticity perceptions; 87R1938
Saudi Arabia
academic achievement, intermediate school students, Saudia Arabia; home background, socioeconomic status, "rentier" economy; questionnaire; 87R4267
academic achievement/self-concept, female intermediate school students, Saudi Arabia; school social climate/structure, family background; questionnaires; students/teachers/principals, Jeddah/Mekkah/Riyadh; 87R2311
career/educational decisions, secondary school graduates, Saudia Arabia; counseling; survey, questionnaire; students/counselors, Riyadh/Jeddah/Mekkah; 87R4091
cultural values, 2nd-grade reading textbooks, Near Eastern nations; content analysis; 87T0144
development, social structural/family impacts, Saudi Arabia; Islamic heritage; 1970-1985; 87R5735
foreign workers/labor migration, Saudi Arabia, citizens' attitudes; background variables; survey; businessmen, government employees,

social security recipients; 87R1523
innovation adoption, villager participation/perspectives, rural communities, Saudi Arabia; structured interviews; Wadi Fatma; 87R5112
medical education, Saudi Arabia, English language use; 87R4300
offender classification types, incarcerated adults, Dammam Central Prison, Saudi Arabia; interviews, prison records; 87R8641
religion-society relationship, Saudi Arabia/Egypt/Syria; 87R7411

Scales
alienation assessment, Srole scale vs alternative measurement model; 87S1946
death acceptance/awareness, thanatometer construction/reliability; scale; US; 87R2739
group analysis, rating scales, validation; 87R5547
male/female homosexuals, social distance scale developed; college students; 87R7115
marital satisfaction measures, concurrent/discriminant validity, Kansas vs other scales; mailed questionnaires; females, Manhattan, Kansas; 87R4757
multidimensional scaling, alternative solution equivalency; 87R3236
occupational titles/attainment, Canadian labor force, socioeconomic index; national census/survey data; 87R6810
Protestant ethic, Taiwanese college students; scale/other measures; 87R2334
scale correlates/factor structure verification, experiential state measurement; questionnaire, scales; university students; 87R9238
scale length, reliability, validity; mathematical analysis; 87R3240
sex-role conflict, scale measure developed; 87R7287
small group structure, group members' similarity ratings; 87R5344
social science scales; book review essay; 87R1236
sociological scale/index measurement, conceptual issues; 87R1193

Scandinavia
community care ideology, policy functions, Scandinavia; 87T1019
feminist health care issues, Nordic countries; conference report; 87T0591
green movements, advanced industrialized societies; 87R7458
housing cooperatives, promotion/management strategies; GB vs Scandinavia; questionnaire survey, written records; 87R7847
law sociology, Scandinavia, developmental trends; 87R6267
penal law/theory, Scandinavia; 87R2419
prosperity potential, mass production industry; book review essay; 87R7435
social services equalization policies, Scandinavian countries; 87R9793
Women's law, Scandinavian law school curriculum; 87R6251
working women, Scandinavia, labor market position; statistics; 87R5245
workplace democratization theories, structural vs generative, Scandanavia; historical analysis; 87R9495

Scapegoating
patient deaths, children's hospital, Toronto, Ontario, Grange Commission inquiry, "nurse-murder" theory; 87R2760

Scheler, Max
conservatist trend, Federal Republic of Germany, Max Scheler's work; 87R7627
society/culture dichotomy, German sociology; 87R3321

Schizophrenia
communication deviance, parents of schizophrenics; experiment, Thematic Apperception Test; 87R4941
inductive research, "grounded theory" method; case studies; heart patients, schizophrenic adolescents; 87R6594
schizophrenia onset, precipitating life events, cross-national comparison; World Health Organization data; 87T0647
schizophrenics, birth seasonality, "winter-born phenomenon," black/white differences; neurophysiological/sociological causes; 87R2814
self/reality construction, suicide/schizophrenia/bohemianism, symblic interactionism perspective; autobiographical works, case studies; 87R5543

Scholarship
legal scholarship, canadian feminist literature; 87T0978
men's/women's studies, feminist theory issues; 87T0980
social worker instructors' scholarly productivity; research/environmental variables; questionnaires; 87R4554

School Attendance
enrollment patterns, French primary schools, 1829-1906; statistics; 87R4308
leaving school/marriage timing, heterogeneity/interdependence relationship; national survey; males; 87R5370
part-day absenteeism, high school students; gender/ethnic/socioeconomic variables; attendance data; San Francisco (Calif) Unified School District; 87R4266
passive vs dynamic self-concepts, children grades 1-12; family vs school social contexts; interviews, questionnaires; article/comments/reply; 87R7139
potential academic dropouts, US high schools; standard-raising recommendations; 87R4323
primary school enrollment, France, methodological issues; statistics; critique/reply; 87R4318
school attendance rates, academic vs vocational tracks, Israel; ethnicity, social class; government statistics; 87R6175

School Boards
social/economic/political profile, black school board members, Texas; 87R3760

School Desegregation
desegregation experiences, black high school students, US; voluntary busing; case study; Project Concern participants, Connecticut; 87R9303
educational placement, black migrant youth, Buffalo, New York, social control issues; 87R6172
intergroup relations/educational achievement, black/white/Asian/Hispanic elementary schoolchildren; school desegregation; field observation; 87R6127
urban school desegregation, ethnographic field studies, synthesis problems; 87R8993

School Districts
science textbooks' complexity, middle vs lower class school districts; content analysis; New York; 1983/84; 87R6156
staff reduction actions, teachers' expectations/evaluations/morale, administrative implications; questionnaires; two-school districts, Lower Mainland, British Columbia; 87R7763

Schools
children's schooling issues, home-school relationship, single parents' perceptions; interviews; metropolitan Washington, DC; 87R2342
classroom teachers, occupational structure; school organizational variables; 87R5984
correctional education, conflicting organizational agendas; ethnographic data; 87T0145
declining enrollment/school closure, Australia, community action; participant observation; 87R2366
Education under Siege: The Conservative, Liberal, and Radical Debate over Schooling by Stanley Aronowitz & Henry Giroux; review essay; 87R4276
educational theory, learning/socialization conceptions, sociology of knowlege applications; book review essay; 87R6682
enrollment patterns, French primary schools, 1829-1906; statistics; 87R4308
family participation, Parent-Teacher Association, US; family/environmental factors; Panel Study of Income Dynamics; 1968-1972; 87T0134
family-school relationships, working-/middle-class communities, cultural capital concept; participant observation, interviews; 87R7691
individual educational achievement; class interaction system; 87R6129
institutional ideology, schools, bureaucratic centralist authoritarianism; 87R2328
law school deans' leader behavior, deans' vs faculty perceptions; questionnaire; US; 87R7187
linguistic stratification, schools, internal/external colonial situations; 87R6093
migratory experiences, Puerto Rican immigrants, US; bilingual educational programs; interviews/observational/other data; 87S1969
perceived job characteristics, rural elementary/secondary school staff; communication network characteristics; survey, sociometric questionnaire; midwestern US; 87R2355
primary school enrollment, France, methodological issues; statistics; critique/reply; 87R4318
Rishi Valley school, southern India, rituals/values/norms; ethnographic case study; 87R8040
school effectiveness, socioeconomic status differentials; social context; classroom observations, interviews, surveys; California elementary schools; 87R6140
school examination system, sociological investigation; 87R7964
school management policy change, England/Wales, Taylor report; 87R4357
school organizations, rationalist vs neorationalist research models; 87R7939
school sociologist, role/attributes/functions; 87R8023
socialization process, secondary school students, Belgium; discipline; documents, questionnaire survey; 87R4280
student achievement; instructional/institutional stratification; observation; 1st-grade classrooms, Chicago, Illinois; 87R4301
student behavior governance, cultural vs regulatory compliance strategies; 87R4328

student quality/school standards, Leningrad State University, USSR; questionnaire; 87R2333
teacher-pupil social interaction, school context, socialization process; 87R4332
teaching profession, Poland; feminization process; literature review; 87R4107
teaching sociology, professional schools; 87R1275
youth gang growth, prevention strategies, school administrators, US; 87T0830

Schumpeter, Joseph Alois
economic theory, sociological/historical/anthropological perspective, Joseph A. Schumpter; 87R9098
Marxian economics, Joseph Schumpeter's theory; 87R3836

Schutz, Alfred
classic sociology authors, historical relevance concept; 87R3311
everyday world, Alfred Schütz's theories; 87R9175
natural/social science relationship, "verstehen" method evaluated; 87R1498
qualitative methodology, Alfred Schütz's/Max Weber's approach; 87R7038
Weber, Max, methodology/concepts, Alfred Schütz's reconstruction; 87R1325

Science
academic research/publication, US vs Indian institutions; structural/psychological variables; 87R4540
academic science, 19th-century Germany; 87R5403
artificial intelligence, masculine gendering preference; textual/discourse content analysis; 87S1963
bourgeois culture, historical development, universalization/individualization tendencies; 87R3620
Christianity/science, historical relationship; 87R3061
English intellectual history, religion's/Christianity's role; book review essay; 87R7607
ethical code, information science professions, decision-making guidelines; 87R9895
fringe science books, publishing trends; citation analysis; post-1945; 87R5825
history of science/scientific progress, historians' contributions; roundtable discussion; 87T0270
ideology/reason, constructive approach; book review essay; 87R5260
mathematics/science majors, "persisters" vs "defectors," female university students; parental/peer/professional/individual factors; 87R6000
psychiatry/social psychiatry, Italy; 87R4903
radical science movement, origins/themes/achievements, US; 1960s-present; 87R6304
science coverage, local press, West Germany; content analysis; 87R6303
science textbooks' complexity, middle vs lower class school districts; content analysis; New York; 1983/84; 87R6156
science, contradictory nature, Marxist interests; 87R6829
science-religion conflict; 87R4396
science-religion relationship, new science concepts, hyperphysics, Pierre Teilhard de Chardin's works examined; 87R1341
science/science education, US public support; questionnaire; citizen's groups; 1975-1985; 87R9637
science/technology research process, social studies, conceptual issues; 87R2507
science/values relationship, scientific rationality vs relativism; book review essay; 87T0234
sciences/arts relationship, divergences/understanding; 87R5080
scientific career socialization/recruitment, grade school children; science textbooks; content analysis; New York; 87R4547
scientific progress criteria, policy issues; roundtable discussion; 87T0271
scientific skepticism/proofs; 87R6300
scientist's personality, German Democratic Republic; conference introduction; 87R4559
scientists' role, international power struggle, coercion vs cooperation; 87R2505
US popular science boom, media perceptions, 1977-1984; 87T0248
women's rights, scientific theories/reason vs passion debate impacts; Enlightenment-present; 87T0261

Science And Technology
administrative vs scientific states, organization/procedures/functions; 87R2050
co-citation analysis, information science; journal article cross-references; *Nauchno-tekhnicheskaya Informatsiya*, USSR; 1961-1973; 87R6315
economic development, India, science/technology manpower employment; published statistics; 1950-1980; 87R5680
economic growth/scientific-technological development, quantification/measurement; 87R5141
engineering/science, USSR, sociophilosophical/methodological problems; 87R4035
futures research, FAST II program description, European communities; 87R6723
industrial systems/enterprise, Marxist sociology; 87R1763
political policy/process, modern society, science's/technology's role; 87R5149
science & technology targeting indicators, policy-making utility, developing countries; 87R6332
science & technology, public distrust, industrialized countries; 87R6338
science advisory committee, Eisenhower administration, current applications; panel discussion; 87R2511
science assessment, methodological debate; 87R4546
science-technology-society education, effective programs; 87R1281
science-technology-society education, social responsibility goal; 87R1274
science/engineering/public policy, graduate educational programs, US; 87R8039
science/technology attitudes, Spain vs West Germany; interview survey; 87T0278
science/technology controversy polarization, mediatory approach; case studies; agricultural controversy, US; 87T0263
science/technology popularization, India; 19th century; 87R2492
science/technology reconceptualization, ethical/policiy implications; 87R5589
science/technology; military spending; 2-book review essay; 87R4544
scientific development intensification, USSR; 87R8200
scientific discoveries, classification scheme, USSR; 87R6316
scientific growth model, national characteristics, Sweden vs Denmark; 87T0833
scientific-technical revolution, socialist society, cultural process issues; 87R4567
scientific-technological/intellectual-cultural progress, German Democratic Republic; 87R4553
scientific/technological development, social mediation issue; 87R8217
social/technological development, objective dialectic; 87R2515
technical/natural sciences linkages, methodological approaches; 87R8219
technological innovation, sociology of technology perspective, GB/France/Western societies; 3-book review essay; 87R8215
utopia/catastrophe representations, science fiction literature; sociolinguistic analysis; 87R2265
values/goals clarification problems, industrial society; 87R6706
women's academic employment/status, science/engineering; 87R7802

Science Policy
genetics technology, human applications, moral standards; 87R2538
presidential scientific advisory apparatus, US, policy-making role; 87R8189
proposed sociological theory of science disputation/decision-making potential; roundtable discussion; 87T0273
reproductive technologies, social control functions; textual analysis; Warnock Report, GB; 1984; 87T0558
science & technology targeting indicators, policy-making utility, developing countries; 87R6332
science advisory committee, Eisenhower administration, current applications; panel discussion; 87R2511
science policy outcome measurement, journal-journal citations; *Journal Citation Reports*; water pollution, occupational hygiene; 87R5318
science policy-sociology of science relationship; 87T0253
science/politics relationship, professionalism vs politics, socialist countries; 87T0818
scientific institutions/science policy development, social factors, Ireland; statistics, historical data; 87T0843
scientific progress criteria, policy issues; roundtable discussion; 87T0271
sociology of science, ideology's role, self-critical agenda; 87T0260
Strategic Defense Initiative vs antiballistic missile debate, scientific advisers' role; 87T0247
technical innovation/change vs scientific paradigm, informational interaction model; 87T0231
university-based research, secrecy concerns; special journal issue; 87R2503

Scientific Community

academic research/publication, US vs Indian institutions; structural/psychological variables; 87R4540
classical social theories, phenomenological/rhetorical perspective; 87R6844
nuclear community's attitudes; Chernobyl power plant accident, USSR; 87R7726
recombinant DNA technology hazards, scientific consensus; 87R8222
research misconduct, organizational response, social control/behavior perspective; social variables; case study; 87R2506
science coverage, local press, West Germany; content analysis; 87R6303
science/science education, US public support; questionnaire; citizen's groups; 1975-1985; 87R9637
scientific attitudes, social vs natural scientists; questionnaire; university faculty, Washington, DC; 1983; 87R9928
scientific community concept, historical development; 87T0240
scientific ethos/values, normative structure; questionnaires; scientists, Warsaw, Poland; 87R7777
scientific free inquiry vs public need to know, scientist' responsibilities; 87T0241
scientific influence, text/bibliography discrepencies, citation analysis, *Science Citation Index*; 15-paper analysis; genetics history; 87R4545
scientific texts, disciplinary consensus; case studies; 87R2498
social scientists, eminent authors citation analysis; 87R4549
socioeconomic development, USSR, Soviet Academy of Sciences' contribution; 87R4100
technical innovation/change vs scientific paradigm, informational interaction model; 87T0231

Scientific Development

academic disciplinary histories, functions/uses; book review essay; 87R3213
academic science, 19th-century Germany; 87R5403
agricultural development myths, ecological agricultural/Marxist critiques; 87R6828
biomedical scientific community emergence, Mexico; literature review; 1959-1979; 87T0250
capitalism/mathematics development, Italy's role; 87T0839
continental drift theory, geoscientists' published opinions; knowledge vs reputation protection motives; quantitative content analysis; 1907-1950; 87R4555
discourse vs praxis, social study of science; 87R4560
Engels, Friedrich, scientific knowledge/theory; 87R6305
Fleck, Ludwik, sociology of knowledge contributions, T. S. Kuhn's works compared; 87R5082
German mathematics/Nazi ideology, professional societies' adaptation/resistance; historical survey; 87T0835
Hessen, Boris, "The Socio-Economic Roots of Newton's *Principia*," sociopolitical roots, 1931 USSR context; 87R5268
high energy physics, social action model; *Constructing Quarks: A Sociological History of Particle Physics* by Andrew Pickering; review essay; 87R4536
history of science research, methodological problems; book review essay; 87R8211
history of science/scientific progress, historians' contributions; roundtable discussion; 87T0270
incommensurability thesis, philosophy of science; literature review; 87R6312
The Intellectual and Social Organization of the Sciences by Richard Whitley; review essay; 87R4530
ionospheric physics, research funding strategies/sources, US universities; literature review, interviews, other data; 87R6310
knowledge growth, algebraic/differential topology; funding variations; 87R6307
knowledge growth, science; government funding; introduction, National Science Foundation workshop papers, 1983; 87R4531
knowledge growth; federal funding; National Science Foundation symposium papers; comments; 87R4561
leading mathematicians' thought, paradigm change, France, 1790s; 87T0237
modern medicine's limits, developed countries; scientific/technological development, socioeconomic values; 87R4860
Nazi "war painter" system, contemporary Western science's evaluation systems, parallels; 87T0831
paradigms, Thomas S. Kuhn's ideas; historical case study; astronomy; 87R6306
pharmaceutical commercialization, penicillin, British vs US efforts; case study; 87T0249
physiological optics research; 1840-1894, historical analysis; 87T0267
proposed sociological theory of science disputation/decision-making potential; roundtable discussion; 87T0273
psychoanalysis, Thomas S. Kuhn's *Structure of Scientific Revolutions* model utility; 87R8703
realism, progress/theories, metaphysical issues; 87R5323
science development, interdisciplinary theoretical approach; 87R8187
science history instruction, non-Western countries, cultural factors; 87T0235
science scholarship, semiotics' relevance; 87R6302
science studies research, interpretive/quantitive approach integration; case study; 87T0258
science, philosophical concepts; 87R2983
science, social/disciplinary structure, evaluation issues; 87R2487
science/magic interaction, pre-17th century Europe; 87R2493
scientific anomalies, dynamics/types; case example; neuroscience research; 87T0265
scientific change theory, historical evidence/methodology, Larry Lauden's hypothetico-deductive model critiqued; comment; 87R8966
scientific change theory, testing methodology; 87T0246
scientific community, Quebec, social system development; 87R8206
scientific development intensification, USSR; 87R8200
scientific development, cultural variations, peripheral countries; 87R8205
scientific development, deterministic factors; 87R4534
scientific development, Talcott Parsons's theory (*The Structure of Social Action*) evaluated; 87R1386
scientific discoveries, classification scheme, USSR; 87R6316
scientific discovery, natural philosophy-scientific discipline transition; historical case studies; nineteenth century; 87R4552
scientific enterprise, "colonial" characteristics, Australia; local economic imperatives, imperial relations; 1880s-1916; 87R4542
scientific output/knowledge decline, France; scientific organizational structure; Ben-David's/ethnographic analysis, case studies; 87S1975
scientific paradigms/theory, natural sciences; 87R2501
scientific progress criteria, policy issues; roundtable discussion; 87T0271
scientific relativism, social construction of technology, radical political analysis proposed; Trevor Pinch's/Wiebe Bijker's work critiqued, reply; 87R4551
scientific research trends/institutions, Mexico; longitudinal data; 1970s; 87R6314
scientific revolution, Karl Popper's/Thomas S. Kuhn's/Paul Feyerabend's concepts; 87R8198
scientific theory development, press's role; case study; dinosaur extinction theories; 87R4529
scientific thought/development, Charles Darwin's/D'Arcy Thompson's/Benoit Mendelbrot's work; 87R3608
scientific traditions/community/institutions, India, crisis/failure; 87R6313
society/culture, technological development's impact, "Kranzberg's laws"; 87T0280
socioeconomic vs scientific developments, Hungary, post-World War II; 87R4565
sociology as science, organizational structures/issues; 87R6309
sociology of scientific knowledge, knowledge-generation/-legitimation issues; literature review; 87R5092
sociology's situation, secularization thesis; 87R7010
subjective vs objective, human activity, scientific determinism model critiqued; 87R6861
technical/natural sciences linkages, methodological approaches; 87R8219
technology history, interactive vs contextual dependency approach; 87R4568
truth/knowledge seeking, scientific method's limitations, philosophy of social sciences' potential; 87R6859

Scientific Discoveries

Art and Artifact in Laboratory Science: A Study of Shop Work and Shop Talk in a Research Laboratory by Michael Lynch; review essay; 87R4543
revolutionary scientific/religious thought, Galileo Galilei/Giordano Bruno, Roman Catholic Inquisition proceedings; 87R8721
scientific discoveries, classification scheme, USSR; 87R6316
scientific discovery, natural philosophy-scientific discipline transition; historical case studies; nineteenth century; 87R4552
scientific discovery, theory's role; Thomas Kahn's, Ernest Nagel's, N. R. Henson's works examined; 87R2956
scientific research society's development, US, cultural context; historical analysis; 87T0230
scientific results, publication/verification process; 87R2500
selection task, scientists' performance; disconfirmatory data, problem content; 87R4537

Scientific Knowledge
chaos/transformation theory; natural vs social sciences; 87R3379
contemporary philosophy, Immanuel Kant's/G. W. F. Hegel's/Karl Marx's thought; book review essay; 87R5309
deviance/social control, Western scientific worldview, Eastern alternatives; 87R3482
experimentation vs technological production, cognitive/social aspects; 87R8707
gerontology research, scientific aging assumptions/meanings, epistemological conditions; 87R5003
Hessen, Boris, "The Socio-Economic Roots of Newton's *Principia*," sociopolitical roots, 1931 USSR context; 87R5268
human needs, applied scientific research, Europe; UNESCO research project; 87R8201
human origins/past, college students' beliefs; questionnaire; Texas; 87R5514
knowledge/power mechanisms, academic social scientists, South Africa; 87R9043
London, Jack, evolution/socialism themes; 87R6116
meaning uncertainty, quantum/pragmatic vs classical physics/structuralist theories; 87R3171
normative role/position, Swedish universities; 87R8008
philosophy of science, value crisis; Karl R. Popper's vs Thomas S. Kuhn's conceptions; 87R6856
political policy/process, modern society, science's/technology's role; 87R5149
presidential scientific advisory apparatus, US, policy-making role; 87R8189
publications/conference communications, English language use, French scientists; bibliometric/interview data; 87R4557
rationality debate, philosophical perspective; book review essay; 87R6852
reactionary religious ideologies, modern capitalist societies; 87R6242
representational cognitivism meme, natural selection perspective; 87T0266
science/knowledge, realist/constructivist models; 87R2958
science's logical structure, Karl R. Popper's vs Paul K. Feyerabend's thought; 87R1181
sciences of science, cognitive paradigm, Marc DeMey's views; interview; 87R6689
scientific communication, Jürgen Habermas's/Niklas Luhmann's theories vs organizational-sociological analysis; 87R6308
scientific community concept, historical development; 87T0240
scientific free inquiry vs public need to know, scientist' responsibilities; 87T0241
scientific imagination/practice, changing worldview, elementary particle physics; 87R2499
scientific knowledge generation, praxis vs discourse models; 87R4558
scientific knowledge of production, action/cognition; book review essay; 87R2963
scientific knowledge, historical development; book review essay; 87R2510
scientific knowledge, television's popularization; content analysis; broadcast messages; 87R5833
scientific practice, cognitive/social patterns; case study; biology; 87R8963
scientific production/knowledge, popularization process; content analysis; magazines/newspapers, France; 87R6679
sociology of scientific knowledge, constructivist thesis; 87R2968
sociology of scientific knowledge, knowledge-generation/-legitimation issues; literature review; 87R5092
substance addiction field, philosophy of science perspective; 87T0709
technical innovation/change vs scientific paradigm, informational interaction model; 87T0231
university scientific research, historical development; 87R6319

Scientific Management
Fordism characteristics; control problems/new technology; 87R9457
microelectronic information technologies, instrumental-functional rationality; 87R7067
religious faith/practice, Jehovah's Witnesses, behaviorism-Taylorism models; 87R6190
sociologist, manager's role, scientific work; Hungarian perspective; 87T0817
Taylorist management strategy, contradictions/alternatives; 87R5697
technological development, social causes/functions, socialist countries; 87R8218

Scientific Method
experimentation vs technological production, cognitive/social aspects; 87R8707
Foucault, Michel, theory/works; other philosophers' comments; 87R3343
humanistic vs scientific sociology, William L. Kolb's influence; personal recollections; 87R3309
reason/rationality, Max Weber's concept; 87R5321
science's logical structure, Karl R. Popper's vs Paul K. Feyerabend's thought; 87R1181
science's rationality, philosophical discussions; 87R5320
scientific method, research use limitations, women, Western cultures; 87S1973
scientific method, universal/ahistorical standards, difficulties/incompatibilities; 87R1182
scientific progress criteria, policy issues; roundtable discussion; 87T0271

Scientific Research
aging research, plausible theories; 87T0769
Art and Artifact in Laboratory Science: A Study of Shop Work and Shop Talk in a Research Laboratory by Michael Lynch; review essay; 87R4543
biomedical scientific community emergence, Mexico; literature review; 1959-1979; 87T0250
book publicity campaign impact, researcher's personal experience; 87R9616
futures research, FAST II program description, European communities; 87R6723
health science policy, GB, researchers' accountability; 87R3011
ionospheric physics, research funding strategies/sources, US universities; literature review, interviews, other data; 87R6310
knowledge growth; federal funding; National Science Foundation symposium papers; comments; 87R4561
nationalism-science relationship, scientists' moral responsibility; 87T0255
Nazi scientific data, citation/utilization, ethical issues; article/comments; 87R8202
physiological optics research; 1840-1894, historical analysis; 87T0267
planetary astronomy, renewed scientific interest, US; space program funding; biographical/publication data; astronomers, astrophysicists; 87R6323
primary secondary literature access, peripheral/less developed countries, networking models; 87R3946
quantitative analysis, nonadditivity problem; 87T0238
refereeing criteria, scholarly publishing; article/comments/reply; 87R5380
replication, scientific controversy, methodological/historical issues; response/reply; 87T0232
research misconduct, organizational response, social control/behavior perspective; social variables; case study; 87R2506
research subfield publication activity, bibliometric assessment indicator; 87T0269
science input indicators, classification theory; 87T0254
science/technology research process, social studies, conceptual issues; 87R2507
science's advisory role, national government; historical overview; 87R8195
scientific activities, statistical analysis, non-Gaussian distributions; illustrative cases; 87R6311
scientific disputes, written letters, social structure; conversational analysis; 87R1512
scientific output, Caribbean/Latin American countries; citation analysis; 87T0242
scientific output; author collaboration; 87T0259
scientific production/knowledge, popularization process; content analysis; magazines/newspapers, France; 87R6679
scientific productivity, Spanish scientists; citation analysis; international databases; 87T0252
scientific progress/application, industrial/governmental awareness/response; 87R6326
scientific research intensification, USSR, personnel considerations; 87T0243
scientific research trends/institutions, Mexico; longitudinal data; 1970s; 87R6314
scientific research, educational system's role, Japan; 87R6130
scientific research/career, sociology of science theoretical approaches; 87R2495
scientific research/public policy; case studies; 87T0890
scientific team organization/interaction; researchers' psychological characterizations; 87R7092
scientists' productivity, atomic research facility, West Germany; survey; 87T0262
social movements research, Italian sociology's contributions; 87R5806

sociological research, conflicts; institutional political context; case study; Canadian biotechnical laboratory; 87R4527
strategic maps, scientific research, documentary analysis methodology; 87R3185
task performance, science research/development teams, industrial companies; social structure; survey; US; 87R3409
technology development, social constructivist approach; case study; ultracentrifuges; 87R8213
university-industry cooperative research, economic issues; 87R6136

Scientific Technological Revolution
chemical industry/technology, academic chemists' position, late 19th-century England; 87R4532
patent system, Industrial Revolution; book review essay; 87R3158
poverty preventive measures; Elizabethan era; 87R8825
social/family/work structures, US; technological revolution; historical analysis; 87R2494
Western technology development, medieval Christianity's influence, Lynn White, Jr.'s & Ernst Bing's theories critiqued; 87T0283

Scientists
citation patterns, Cuban scientists; Cuba's political alignment; bibliographic analysis; 87T0244
entrepreneurship phenomenon, university scientists; 87R2504
ethnography acknowledgements, textual constructs/social contexts; content analysis; 87R9023
extramural consulting, personal/institutional consequences, academic scientists/engineers; core vs peripheral institutions location; telephone interviews; 87S1973
future scientists/engineers, supply/demand factors, US; 87R8193
intergroup relationships, scientists, social mapping; survey; 1971; 87T0130
job satisfaction/mobility, clinical laboratory scientists; occupational licensure; questionnaire; Tennesee, Florida, California, Oregon, Washington, Arizona; 87R2168
linguistic construct, freshwater ecologists, Netherlands; tests, scales; 87R8197
nationalism-science relationship, scientists' moral responsibility; 87T0255
openness in science, institutional policies; questionnaire survey; engineering/science faculty, Cornell University, Ithaca, New York; 87T0236
science/technology intelligentsia, USSR, communications/research; questionnaire; 87R7788
scientific attitudes, social vs natural scientists; questionnaire; university faculty, Washington, DC; 1983; 87R9928
scientific development, deterministic factors; 87R4534
scientific expert witness disagreement, jurisprudence/policy making, historical case studies; 1860, 1885; 87R4473
scientists' careers research, data source problems; curricula vitae, published data; psychologists, US; 87R9886
scientist's personality, German Democratic Republic; conference introduction; 87R4559
scientists'/engineers' moral responsibility, organizational culture aspects; 87R9863
scientists'/engineers' professional/ethical dissent, legal protection; 87R9927
selection task, scientists' performance; disconfirmatory data, problem content; 87R4537
Strategic Defense Initiative vs antiballistic missile debate, scientific advisers' role; 87T0247
union affiliations, French/US scientists; scientific discipline; professional association election results; 87R8188

Scotland
alcohol consumption attitudes, Protestants vs Catholics, Scotland; questionnaire survey; 87R8077
anorexia nervosa patients, social class distribution; case notes; psychiatric referrals, Glasgow, Scotland, 1979-1983; 87R4972
community depopulation patterns; census data; Colonsay, Inner Hebrides, Scotland, 1841-1891; 87T0346
coping ability, unemployed adolescents, Scotland; psychosocial variables; interviews; 87R9410
employment/gender opportunities, university students' views/discourse; interviews; Scotland; 87R7356
grandparenthood experience, first-time grandparents, Aberdeen, Scotland; 87R6428
grandparenthood, life cycle significance; interviews; couples, Aberdeen, Scotland; 87T0739
job satisfaction/workplace culture, restaurant, Scotland; participant observation; 87R1702
justice attitudes; juvenile justice panel members, Scotland; occupation, education, sex; mailed questionnaires; 87R8136
labor process control, cooperative workers, Scotland/England; longitudinal case studies; 87R3694
professional formation, Scottish accountants; critique refuted; 87R6001
secondary education, Scotland, state's role/school effectiveness/class conflict; post 1889; 87R6155
secular Sabbath strictures, religious vs nonreligious observance, Calvinist commumunity, Scotland; 87R4412
sporting forms, sociocultural meanings, Highland gatherings, Scotland; 87R3928
Sumner, William Graham, Scottish moral philosophy; 87R7024
time concepts, working class women, Scotland; intergenerational ties, domestic responsibilities; life-history interviews; 87R3134
unnatural death rate, Glenochil Young Offenders Institute & Detention Centre, Scotland, program inefficiency/flaws; case studies; 87R8687

Seasonal Variations
dam maintenance/regulation organizations, social functioning, Botswana; seasonality; survey; 87R4157
fecundability, rural Bangladeshi women, seasonal patterns; longitudinal field study; 87R8228
fecundity/pregnancy, seasonal differences; demographic factors; national data; 87S1984
Hindu yearly/ritual cycle, *bārahmāsā* poetic song, northern India; 87R6246
marriage rates, Cádiz, Andalusia, Spain; statistics; 20th century; 87T0481
recreational travel/tourism, institutional vs natural seasonality; 87R3899
schizophrenics, birth seasonality, "winter-born phenomenon," black/white differences; neurophysiological/sociological causes; 87R2814
seasonal population dynamics, Abkhaz Autonomous Soviet Socialist Republic, tourism planning implications; official statistics; 87R7442
suicide rates, seasonal variations; cause, age, sex; official data; Osaka, Japan; 87R2738

Seattle, Washington
alcoholic rehabilitation, skid row clients; volunteer sponsors; questionnaires, case study; Re-Entry Program, Compass Center, Seattle, Washington; 87R6607
coastal tourism regions, Washington, planning/development issues; 87R9672
delinquency rate, male vs female adolescents; official contacts; self-reports, police/court records; Seattle, Washington; 1979; 87R2947

Second Language Learning
adaptive language strategies, Hmong refugees, US; 87R4232
foreign language communication culture, Hungary, sociological analysis; 87T0059
foreign-language instruction, US, improvements planning; 87T0046
German minority schools, Denmark, pedagogical problems/symbolic values; 87R4345
language maintenance/proficiency, immigrant youth, Australia, occupational consequences; secondary survey data; 87R2264
minority French language education, Ontario, social/historical context; 17th century-present; 87R4225
second-language teaching strategies, vocabulary teaching; personal experience; University of Lisbon, Portugal; 87R2263
spoken Welsh, learners, English speakers' acquisition; ethnographic data; 87R4235

Secondary Education
ability grouping, secondary school students, attribution theory approach; questionnaire; 87S1930
academic achievement, Australian secondary school graduates; attitudinal/motivational/external factors; questionnaires, school records; 87R7948
alienation, public high school students, Hawaii; structural/compositional/sociopsychological factors; survey questionnaires, transcripts; Honolulu; 87R6153
break dancing, Ute/Navajo/Anglo high school students, social interaction implications; fieldwork; 87R7958
cognitive growth, high school graudates vs dropouts; academic vs general vs vocational track curriculum; 1980 High School & Beyond surveys; 87S1973
computer usage/access/attitudes, secondary school students; gender, socioeconomic status; questionnaire; California; 87S1965
de-alienation, human consciousness liberation, theoretical framework derived; case study; secondary school teachers, Israel; 87R5520
degrouping process, liaisons' importance; questionnaire; schoolchildren; 87R8031
Eating Attitudes Test responses; social class; questionnaire; state vs private schoolgirls, England; 87R4958

educational attainment process; educational reforms; secondary school students, Netherlands; 87R6132
educational attainment, secondary school students, Netherlands; Catholic/Protestant/public school sector; longitudinal data; 87S1984
educational policy, curriculum reform; psychological theory; Australia; 1930; 87R2337
educational reforms, Ralph H. Turner's analysis tested; interviews, documents; educational reformers, England; 87R6165
educational success/failure, social group lexes, Australian adolescents; Illawarra/Sydney, New South Wales; 87R2253
elementary/secondary school growth, cross-national analysis; UNESCO statistics; 87R6170
learning opportunities, high school students, US; between-/within-school curriculum stratification; longitudinal survey; 87T0090
microcomputers' emergence, private secondary boarding school students' response; field data; 87R8016
occupational prestige, vocational high school curricular programs, Israel; schools/ ethnic/social status/gender comparison; 87S1987
peace studies/nuclear awareness activities controversy; case study; secondary schools, New South Wales, Australia; 87T0124
primary-secondary school transition, scholastic achievement's role; school records; Dutch students; 87R4351
pupils' study/school commitment, traditional vs innovative schools; longitudinal data; secondary school students, Belgium; 1979-1984; 87R4279
school behavior, sex differences, girls' quietness, comprehensive school, England; ethnographic data; 87R4346
science-technology-society education, social responsibility goal; 87R1274
secondary education, Scotland, state's role/school effectiveness/class conflict; post 1889; 87R6155
sexual stereotypes, Israeli classroom; observations; 87R2351
single-standard/adaptive education, positive results; Red Bank, New Jersey; 87R4277
social climate, comprehensive senior high schools; questionnaire survey; teachers; Norway; 87R4329
student achievement levels, secondary schools; school environment; 87R2368
student achievement levels, West Germany; secondary school expansion; test scores; 87R2350
student performance, British secondary schools; ability grouping; longitudinal data; 87R6144
student resistance, repressive capitalistic influences, Marxist theory critiqued; 5-book review essay; 87R6826

Secondary Schools
academic achievement, intermediate school students, Saudia Arabia; home background, socioeconomic status, "rentier" economy; questionnaire; 87R4267
secondary school assignment, parents' choice, France; questionnaire survey; 87R4271
secondary school-university cooperation, data collection/feedback methodology; survey; students, secondary schools, San Francisco, Stanford University; 87R5762
socialization process, secondary school students, Belgium; discipline; documents, questionnaire survey; 87R4280

Secrecy
court testimony, psychotherapist-patient privilege issue; case studies; court decisions; 87R8559
university-based research, secrecy concerns; special journal issue; 87R2503

Secret Societies
Chinese secret societies, Singapore/Malaysia, criminological vs social organization research; 87R6646
dermatographical patterns (tatooing), Japan; cultural factors; historical analysis; 87R7266
internal disaffection/conflict, Freemasons, GB; 87R5733
Ku Klux Klan movement, women's role, gender ideology; primary documents; 1920s; 87R5795
Ku Klux Klan support/opposition, Tennessee adults, correlated factors; telephone survey; 87R7407
politics-secret societies discourse, peasant societies; 87R4027
sexual discrimination, fraternal secret vs benefit societies, US; content analysis; official publications; 87S1978
silence as aggressive response, Sicilian peasants; allegorical stories; 19th century; 87R3070

Sects
caste/political authority/sect relationship, Tamil Nadu temple, India; 87R6238
convert characteristics, early Christian church vs contemporary cult/ new religion movements, class model; survey; residents, San Francisco, California; 87R6241
drug usage, Seventh-Day Adventist youth, North America; religious attitudes/behavior/practices; questionnaire; 87T0681
early Christianity scholarship, social science theory/method; 87R6248
economic relations, communal religious societies; published data; 87R7452
professionalization, black female divinity graduates; sect type; questionnaires; 87R4086
Rajneeshee movement followers, demographic/psychological characteristics; longitudinal survey data; 87R9614
religious organizations, secularization process; contextual/socialization variables; cross-sectional data, case study; Church of the Nazarene, California; 87R4368
religious/psychological evangelical groups, recruitment/indoctrination processes; 87R1422
spiritist sect, Brasilia, Brazil; fieldwork; 87R2398
Waldensian religious counterculture, 14th-century Germany; manuscript; 87R2391

Sectarianism
professionalization, black female divinity graduates; sect type; questionnaires; 87R4086

Secularization
birth spacing/rate; religious pronatalism's urban secularization; 19th-century Mormon Utah; 87R2723
church attendance, Protestants/Catholics/Jews/other religions, US; poll data; 87T0157
civil religious movements, postrevolutionary communist societies, Max Weber's enchantment/disenchantment theory; case study; Bolshevik party, USSR; 87R7087
deconfessionalization trend, Dutch Catholics/Protestants, religious background typology; survey; Netherlands; 1980; 87R4418
Durkheim, Emile, positive science of ethics; article introduction; 87R9090
ethico-religious orientation changes, sacred/religious structures' roles; 87R2376
freethinking intellectual movements, Belgium, pillarization trends; 87R4384
general/professional education colleges, Quebec, founding history; 87R7956
humanist organizations, Belgium; 87R4401
Muslim status, post-Independence India, political action/ideology; 87R3540
popular religion, concept/symbols, modern society; 87R6193
positive science of ethics, Germany; 87R9140
postmodern man, secularization processes; 87R1618
religion philosophy, modernization/secularization processes; 5-book review essay; 87R4426
religion-politics relationship, secularizing trend, Chile; content analysis; El Mercurio newspaper articles; 87T0166
religion's influence, Czechoslovakia; questionnaire; adult residents, Jihočeský; 1980-1985; 87T0151
religion's role, Spanish society, secularization theory; literature review; 1970s-1980s; 87T0184
religiosity vs secularization trends, modern society; journal issue introduction; 87R6229
religious consciousness, US, modern secularization/spiritual crisis; 87R2382
religious organizations, secularization process; contextual/socialization variables; cross-sectional data, case study; Church of the Nazarene, California; 87R4368
secularization process, contemporary Spanish youth; literature review, questionnaire; 1960-1984; 87T0178
secularization theory challenged; 87R6201
secularization/religious decline, US; content analysis; *New York Times*; 1855-1975; 87T0175
Sikh religious tradition, secularism conceptions; 87R4416
sociology of religion, secularization/integration/compensation theory; 87R6237
youth values/condition, Rome, Italy; urbanization; statistical/ secondary data; 87R6378

Security
correctional institutions, security levels, classification system; case example; 87R4511
family size, Third World countries; old age security beliefs/values; interviews; couples, south-central India; 87S2002
militarization processes/sequences, Israel/major powers; "garrison state" concept; 87R5940
security classification, predictive ability, limitations/objectives; 87R4500

Segregation
pillarization studies, deterministic vs strategic paradigms; 87R3357

racism/segregation, US/South African history; 2-book review essay; 87R9301
segregation trends, dissimilarity index vs alternative measures; 87R1234
self-selected sex segregation, elementary school students; teacher training program; questionnaires, classroom observations; 87R6150
student academic achievement; single-/mixed-sex Catholic vs public schools, US; National Longitudinal Study of the High School Class of 1972, questionnaire, academic test scores; 87R4333

Selection Procedures
book review selection criteria, *Soziologische Revue*; 87R9083
expatriate managers, multinational corporations, selection/training procedures; interviews; 87R6663
jurors' sociomoral worldviews, assessment methodology; 87R6249
reading textbook selection process, perceived influences; interview/other data; Indiana school districts; 87R2347
refereeing criteria, scholarly publishing; article/comments/reply; 87R5380
sample selection bias, War on Poverty Research, corrective statistical techniques; 87R5188
student selection criteria, University of Queensland medical school; questionnaires; English/sociology/computer science students comparison; 87R6158
vasectomy applicants, screening process, eligibility criteria; mail questionnaire survey; family planning clinics, doctors; 87R2732
worker recruitment/selection strategies, British/German firms; 87R9517

Self Actualization
Bulgarian youths' career orientation/work self-realization; social change impact; 87S2003
Carnegie, Dale, presentation coaching movement, dramaturgical analysis; 87R7178
graduate sociology education, personal identity transformation process; 87R7019
individual health potentialities, physician's task, phenomenological perspective; 87R8517
socialization/self-learning experiences, sociology class; experiment; 87R3260
spouse selection; self differentiation; questionnaires; scales; newly married couples; 87T0451

Self Care
acquired immune deficiency syndrome, risk reduction education; content analysis; safe sex brochures; 87T0628
breast self-examination, education impact; survey; women, Monterrey, Mexico; 1984; 87T0627
feminist self-defense strategies/movement vs victim prevention strategy/services; case study; 87T1010
geriatric self-care, cross-national review; 87T0755
health care alternatives, utilization patterns, physicians'/patients' influence; initiative; participant observation, interviews; mainstream/alternative hemodialysis centers; 87R4836
health care, lay/self-care methods, northern Europe; environmental factors; 200-year analysis, Denmark; 87R4826
health promotion education, Japan, 1950s-1980s; 87T0595
health-related behavior; social class; interviews; 87T0578
home ownership problems, elderly, needs/maintenance capabilities; 87R7879
respiratory/muscoloskeletal symptoms, care decisions; health diaries; US adults; 87S1984
schoolchildren's health behaviors, international psychosocial aspects; World Health Organization survey data, 1983/84; 87T0569
stress-caused illness episodes; social support networks; interviews; Denmark; 87T0583
unpaid workers, service industries, gender order; 87R9923

Self Concept
academic achievement, black adolescents, US; self-concept; inventory/scale/test data; 87T0415
alcoholic blue-collar workers, Finland, worldview/self-concept; life histories; 87T0672
amae, Japanese culture, self-affirmation, I-thou delineation, Western implications; 87R8904
anorexia nervosa/bulimia, women's deviant identities; social processes; interviews, participant observation; 87R8596
artists, self-/public perceptions, gender stereotypes; questionnaire; 87S1960
body-building orientation; conventional vs luxury gym type; West Germany; 87R5858
British feminist/pacifist Vera Brittain, personal experience-ideology relationship; biographical case study; 87R7165
community transition, deinstitutionalized mental patients, reasoning processes/life-world perceptions; participant observation, interviews, formal documentation; 87R8532
decision-making skills, prison inmates; training program participation; experiment; correctional facilities, Massachusetts; 87R4506
dominant groups, domination/self-justification/self-doubt processes, social-psychological perspective; 87R1454
environmental cognitions, residental/work settings; setting physical/social attributes; experiment; college students; 87R5159
family/self drawings, institutionalized abused/neglected children, projective analysis; 87S1939
fantasy game participation, social/psychological causes/consequences; surveys; boys aged 10-17; 87R7199
fear/anxiety/emotions, implicit self-theories; six studies reviewed; 87R3430
feminist disclaimers/stigma, contemporary women's movement; interviews; 87S1978
gender identity acquisition; language practices; recorded preschool interaction analysis; 87R4206
group dynamics, sociological subdiscipline, methodology/application; 87R6661
homicide, Bimin-Kuskusmin, Papua New Guinea, personhood/selfhood/deviance notions; case study; 87R7149
ideal vs everyday behavior, Turkish Jewish culture; case study; 87T1027
identities/lifestyle, kibbutz-reared children; California Personality Inventory; longitudinal analysis; 87R3451
identity communication strategies, home as symbolic tool, Italy; 87R9197
identity formation, crisis modality chart, assessment technique; university students, Canada; 87R9208
identity status, political/occupational/religious/sexual components, college women; age, college experience; interviews; 87R7150
identity/intimacy, intergenerational perceptions; psychosocial developmental stage; questionnaire; undergraduates/their parents, Virginia; 87R2719
lesbian social category, self-defined lesbians' understanding, detypified cognitive constructs; interviews, surveys, autobiographical data; 87S1939
life satisfaction, elderly; role support/loss, activity, self-concept; 87S1930
marital attitudes/self-concept/interpersonal relationships, high school students; Family Life Education (FLE) classes; psychosocial scales; 87R4718
migratory experiences, Puerto Rican immigrants, US; bilingual educational programs; interviews/observational/other data; 87S1969
minority groups' psychology, India; 87R3576
minority problems/separation, nation-state's role; 87R3569
missionary career, moral aspects; interviews, questionnaires, life story narratives; US-based evangelical Christian mission, Ecuador; 87R6244
passive vs dynamic self-concepts, children grades 1-12; family vs school social contexts; interviews, questionnaires; article/comments/reply; 87R7139
personal knowing, education approach, direct sensory experience; 87R4292
personal meaning loss, changing organizations/environments; 87R5285
physical disabilities, cultural assumptions, embodiment concept; case study; limb-deficient woman, US; 87R9265
preschool children's self-concept, tactile/visual investigatory technique; 87R4645
psychoanalytic training, identity formation process deformation, candidate/institution relationship; 87T0136
psychological group formation, social/self-definition, ethnic minority; questionnaire; female Catholic school students, England; 87R7171
role disengagement process, events/stages progression; interviews; 87S1954
role identities project, undergraduate students; twenty statements/SII test; 87T1069
school behavior, sex differences, girls' quietness, comprehensive school, England; ethnographic data; 87R4346
school performance; self-concept/valuation; self-report measures, teacher ratings; 4th-10th grade students; 87R3438
self conceptions/perceptions, elderly aged 80+; interviews; 87R8623
self, Marcel Mauss's concept; book review essay; 87R6709
the self, psychology's rediscovery, epistemological consequences; 87R1470
the self, social science's emphasis, theoretical/methodological tendencies; 87R1430
self-/other perceptions, rapid growth- vs stable rural community residents; ecological/class/lifestyle variables; disorganizational/compositional/subcultural perspectives evaluated; 87R6715

self-/sexual identity, genital identity dimension; 87R7174
self-attributions/performance; perceived environmental control; experiment; 87R3473
self-concept structure/formulation, Muslim adolescents, Thailand; index measures; 87R8301
self-concept, adolescents; structural/interpersonal family influences; questionnaires; 87R7122
self-concept, black youth; popular culture, professional sports, mass media role models; 87R3924
self-concept, dynamic interpretative structure; literature review; 87R9232
self-concept, normal vs segregated/nonsegregated mildly handicapped children, social-comparison theory; scale; 87R3424
self-concept, personality development; nuclear war threat perceptions; scales/questionnaires; Pacific Northwest college students; 87R7138
self-concept/esteem, ordinal birth position, black/white/Mexican-American delinquents vs nondelinquents; scale instruments; 87R2939
self-concept/morale, elderly nursing home vs community residents; auditory impairment; interviews; 87R7100
self-concept/social change, US, institution-impulse-bureaucratization shift; literature review 1970s-1980s; 87R9256
self-concepts, black vs white delinquents, GB; scale; 87R8686
self-consistency, age differences; self-esteem, self-concept components; interviews; adolescents, Baltimore, Maryland; 87R3429
self-consistency, boys vs girls; self-esteem; 87S1954
self-identity, rural Nigeria/Niger villages; ethnic ties vs national consciousness; participant observation, interviews; males; 87R3550
self-images, Italian emigrants; photographs, films; 87R5305
self-knowledge, epistemology-social/political reality relationship; 87R2976
self-structure stability/change; identity, sex; questionnaires; college students; 87R5529
self/reality construction, suicide/schizophrenia/bohemianism, symbolic interactionism perspective; autobiographical works, case studies; 87R5543
sex-role stereotypes/self-concepts, males vs females; sexual division of labor; 87R7182
sex-role strain, kibbutz-born vs other kibbutznik adults/adolescents; ego development test; 87R4670
"shock of unrecognition," sociological fieldworkers, personal experiences; 87R6887
social anchorage/self-concept; spousal death; questionnaire; older surviving spouses; longitudinal study; 87R9228
social attitudes/self-concept/life satisfaction, employed wives vs homemakers; questionnaire; 87R8415
social/occupational mobility, social-psychological correlates; interviews; professionals, Dorchester (Boston), Massachusetts; 87R3440
society's self-description, tautology/paradox problems; 87R9154
socioanalysis therapeutic method, social/moral issues; 87T1054
task performance/attributions, high vs low instrumental college women; success vs failure; questionnaire; 87R7177
teaching sociology, photo comparison technique, actual vs ideal self-images; 87R8939
the self, Humean/Kantian conceptions; 87R3455
the self, social psychology's rediscovery; 87R1479
value orientations, English-/French-/Italian-background children, Canada; sex, ethnicity; interviews; 87R4640
womanhood vs motherhood roles, ambivalence conflicts; interviews; mothers; 87R8853
women's achievement behavior; masculinity vs femininity self-concept; questionnaire, experiment; 87R9871
youth identity formation/socialization/expressivity, peer groups' influence; questionnaire; vocational education students; 87R2623

Self Determination

health/sense of control association; aging; literature review; 87R8633
self-consistency, boys vs girls; self-esteem; 87S1954
socialist crisis, Yugoslavia; 87R5943

Self Disclosure

criminal careers, violent juvenile offenders; demographic factors; National Youth Survey; 87T0826
genital herpes, information disclosure/management strategies; observation, interviews; self-help group; 87R6554
interpersonal attraction; personalistic self-disclosure, valuable information delivery; experiment; female undergraduates; 87R3412
lesbians' corporate career advancement; self-disclosure strategies, homophobia; interviews; 87R3479
sexual identity disclosure, work settings; workplace characteristics, coworker socialibity; questionnaires; lesbians; 87R5686
survey response errors, reason assessment; interviews/questionnaires/arrest records; ex-heroin addicts, New York City, New York; 87R3214

Self Esteem

academic achievement, black adolescents, US; self-concept; inventory/scale/test data; 87T0415
academic competence, children's self-appraisals, gender differences; test scores, teacher's ratings; 87S1931
adolescent psychosocial adjustment; parent's marital status; survey; high school students, Quebec; 87T0425
adolescent self-evaluations; parental behavior; mail questionnaire; 87R4657
adolescents' personal adjustment; individuation from family; questionnaire; university students, New England; 87T0460
black teenage pregnancy, Washington, DC; interviews; 87R8322
blame assessment, friends of rape victims; rape myth beliefs, self-esteem, gender; questionnaires; college students; 87R2913
bulimia, self-esteem/-identity problems, social deviance perspective; familial/cultural values/attitudes; interviews, questionnaires; 87R6603
coping ability, bereaved elderly; self-esteem; interviews, mailed questionnaires; longitudinal analysis; 87R5002
delinquent behavior, black/white/Hispanic youths, US; self-esteem level; interview/scale data; 87R5073
depression/self-satisfaction, gender differences, married persons; national survey; US; 87R8545
deviance/self-rejection, latent constructs; 87R1489
dishonest behavior (exam cheating), college students, gender differences; self-esteem, sex-role socialization; Tennessee Self-Concept Scale, experiment; 87R7175
ethnic identity formation, black vs white college students; structural symbolic interactionist approach; 87R9318
family relationships/stress/self-esteem/role expectations; chronically ill/handicapped children's presence; Michigan Early Adolescent Survey; 87R2754
fear/anxiety/emotions, implicit self-theories; six studies reviewed; 87R3430
female adolescents, correctional institution life adjustment; self-esteem, institution's openess; Israel; 87R9212
health/well-being, elderly; control-enhancing interventions; experiment; retirement communities, Ohio; 87S1933
illness careers, elderly retirement facility residents; social-psychological factors; interviews; 87T0589
individual functioning, corporate managers, Lusaka, Zambia; work achievement; interviews; 1985; 87R9908
job satisfaction, dual career couples; self-esteem, sense of competence; secondary data; 87R9920
just rewards sentiments; self-explanations/-evaluations; 87R9848
life satisfaction, sex-role orientation, self-esteem, preschoolers' mothers; employment status, educational level; inventories; homemakers, volunteers/part-/full-time workers; 87R3126
marital adjustment, conjugal power, self-esteem; husbands'/wives' social cognition; questionnaire; 87R6429
occupational conditions/self-evaluation/self-esteem, working men; social class; 87S1957
readjustment/coping, disabled Israeli war veterans; potency; interviews; 87S1947
role choice/satisfaction, self-esteem, women; mothers' role choice/satisfaction perceptions; self-report inventories, interviews; Connecticut, New York; 87R8910
school performance; self-concept/valuation; self-report measures, teacher ratings; 4th-10th grade students; 87R3438
self-concept, middle- vs lower-class Nigerian adolescents; scale; 87R9235
self-concept/esteem, ordinal birth position, black/white/Mexican-American delinquents vs nondelinquents; scale instruments; 87R2939
self-consistency, age differences; self-esteem, self-concept components; interviews; adolescents, Baltimore, Maryland; 87R3429
self-esteem formation; work autonomy; field research; 87R1723
self-esteem, adolescent males/females; parent/peer relations, school/athletic performance, popularity; questionnaire; 87R4674
self-esteem, college students; gender, birth order, family structure; scale; 87R7181
self-esteem, ethnic minority vs Dutch adolescents; family vs nonfamily reflected appraisal; 87R8321
self-esteem, gender differences; perceived family-peer approval/achievement pressure; questionnaire; junior high/high school students; 87R7110
self-esteem, gifted adolescents; family environment; questionnaires; 87R5525

self-esteem, Israeli widows; emotional/instrumental support; questionnaires, interviews; 87R9229
self-esteem, male vs female secondary school students, Hong Kong; academic achievement; questionnaire; 87R9204
self-esteem, US Jews; marital relationship; questionnaire; residents, Chicago, Illinois; 87R4703
self-esteem/deviant behavior, upper-status junior/senior high school students; perceived parental pressure; questionnaire; 87T0822
self-esteem/work motivation, social welfare recipients, legislature assumptions tested; case study; job training program, Delaware; 87T0942
self-image, institutionalized elderly; illness career descent; 87S1930
sex-role identity/self-esteem, cultural influence; psychometric test, scales; college students, Madras, India/Australia; 87T1035
sexual harassment perceptions, college students, US; psychological/demographic correlates; questionnaires; Washington State University; 87R7168
sports participation, female athletes vs nonathletes; sex-role type, self-esteem; Interpersonal Disposition Inventory; Louisiana State University; 87R7548
stress/coping/life perceptions, elderly, gender/cohort differences; longitudinal interview/questionnaire data, 1955-1980; 87R5020
students' performance/feedback perceptions; self-esteem; scale; 87R5519
subjective concerns, incarcerated males; demographic variables; 87R4515
task allocation/decision making, farm women; self-identity; 87R8846
unemployment, stress-related/behavioral consequences; urine samples, questionnaire; 87R3670
well-being, myocardial infarction patients; interpersonal relationships, self-concept; national survey; 87R8522
wives' marital/self perceptions; husbands' unemployment; mailed questionnaires; midwest/northeast US; 87S1965
women's maternal roles, pre-/postpartum self-evaluations; interviews; 87R9239

Self Evaluation
academic self-image development, gender differences; maternal influences; interviews; mothers/children, Baltimore, Maryland; 87R6121
children's self-appraisals; parental appraisals; 4th-7th graders; 87R3431
friendship perceptions, Italian adolescents; social cognition measures; questionnaires; 87R7106
incest experiences, negative-to-positive perceived outcomes; gender, age, guilt, exploitation; questionnaires, interviews; nonclinical sample, US; 87R8329
married couples' class identification discrepancies; working class identifications, husbands' vs wives' perceptions; interviews; Hamilton Country, Ohio; 87R6451
occupational conditions/self-evaluation/self-esteem, working men; social class; 87S1957
self-evaluation, L. Richard Della Fave's social psychological model; critique/reply; 87R5470
self-perceived productivity, education faculty members; organizational policies/procedures; questionnaires; 87R7790
self-perceived vs other-perceived attractiveness, body weight; sex, race; National Health Examination Survey, Cycle III; adolescents; 87R3444
self-reported health measures, older male workers; symtom/condition/activity limitations; national longitudinal surveys; 87R6550
social class self-placement; husband's/wife's status; General Social Surveys; 87R5963
social evaluation process, network approach; 87R8982
stratified social orders, legitimation process, theoretical explication; 87R3967

Self Expression
communicative interaction process, speech expression rules, acquisition model; 87R1417
communicative interaction, individual's social representation; 87R1469
dominant groups, domination/self-justification/self-doubt processes, social-psychological perspective; 87R1454
emotional need expression, disabled, societal impediments; 87R4952
emotions, articulation/signification, rule-governed conduct; 87S1974
health information, patient recall ability; doctor/patient gender, nonverbal expressiveness; experiments; 87R3119
humor; social/personality traits; questionnaires; college students, elderly women; 87R3414
institutionalized confession, Western society, religious/legal/secular forms; 87R2384
leisure, social-role constraints/self-expression dimensions; experiment, questionnaire; 87R7538
mental illness, labeled/labelers interpersonal relationship, social/emotional aspects; 87S1976
presidential vote choice; self-interest; interviews; 87R5951
school behavior, sex differences, girls' quietness, comprehensive school, England; ethnographic data; 87R4346
self-representation, musical techniques/structures; biographical/other materials; 87R4245

Self Help
addictive behavior, treatment focus, self-help group's utility; 87R8586
change commitments, criminal exinmates, intervention methods; interviews; correctional centers, Canada; longitudinal analysis; 87R4516
child abuse, self-help groups' effectiveness, participants' perceptions; participant observations; Parents Anonymous; 87T0453
community mutual aid, lowland Laotian refugees, women's role; case study; apartment residents, St. Louis, Missouri; 87R5572
democratic-socialist advance, Northern Ireland, community action projects; 87R6711
development policy, Kenya, self-help concept; field research; 87R3063
feminist praxis development, Menopause Collective self-help group; interviews, participant research; 87R6799
genital herpes, information disclosure/management strategies; observation, interviews; self-help group; 87R6554
health care, lay/self-care methods, northern Europe; environmental factors; 200-year analysis, Denmark; 87R4826
industrial development, Ireland, local self-help groups' role; 87R5739
noninstitutional learning, leisure/lifestyle implications; 87R9665
parents of child cancer victims, self-help groups, leadership/organizational patterns; case studies; US; 87R7808
rehabilitation success, self-help groups; social interactions/support; questionnaire; Overeaters Anonymous active/former members; differential association theory; 87T0686
self-help housing policy, Nicaragua, revolutionary context; 87R9982
social service cutbacks, alternative self-help groups, social/health policy, West Germany; economic conditions/values; case study; Berlin; 1980s; 87R4827
voluntary action groups, Leon, Guanajuato, Mexico; interview/documentary/archival data; 87R7404
working class identity, France; interviews, statistics, documents; Nouzonville; 87R3454

Self Presentation
attitudes toward crime, victim's sexy vs conservative clothing style; experiment; college students; 87T0792
Carnegie, Dale, presentation coaching movement, dramaturgical analysis; 87R7178
clinical social psychology, Erving Goffman's impression management theory; 87S1944
identity construction, street people; ethnographic field study; Austin, Texas; 87R7162
learning disabled students, passing vs metacognition notions; case histories; 87R8024
mental illness, labeled/labelers interpersonal relationship, social/emotional aspects; 87S1976
table manners, Hong Kong, symbolic inventory; field research; 87R3635
the self, Erving Goffman's skepticism/positivism; 87R1316
working class identity, France; interviews, statistics, documents; Nouzonville; 87R3454

Semantic Differential
bilingual communication, semantic meaning differentials, Jordanian university students; scales; 87R1446
probability values/meanings, qualitative expressions, medical professionals; 87R5348

Semantics
binary communication codes, logical/semantic problems; 87R4223
"environment" concept, origins/definitions; literature review; 87R6757
hermeneutics-human behavior relationship, Paul Ricoeur's work; 87R3172
human emotions, culture-independent semantic metalanguage; 87R3175
political behavior/class power struggles, rural Minho, Portugal; 87R3976
semantic information sources, data types, functional-pragmatic approaches; 87R3166

Seminarians
occupational stress, religious leaders; questionnaires, scales, interviews; 87R7782
seminary careers, women, research issues; literature review; 87T0982
women-in-ministry, research issues; 87T0975
women-in-religion research, bias/utility/motives; 87T0992

Semiotics
acts/objects, symbolic uses, semiotic analysis; 87R9165
Chartist movement, Victorian-era debate, GB; textual analysis; 87R7922
city-society relationship, ancient Middle East, semiotic analysis; 87R5476
contemporary social imaginary, Quebec, dialogical critique; 87R7924
coping strategies, symbolic interactionism vs social semiotic analysis; 87R5480
cultural objects/consumer relations, postmodern era, symbolic interactionist theory; case study; liquor advertisements; 87R9073
Ethopian famine jokes, US, sociosemiotic analysis; 87T0044
family/sexuality, ideological discourse, Greek fairy tale; semiotic analysis; 87R8332
food/drink activity, Japan, semiotic/symbolic functions; 87R5587
historical semiotics, critical evaluation; 87R5461
illness/textual form/social relations, semiotic relationship; ethnographic data; evil eye headaches, Crete; comments/reply; 87R3644
Jewish Messianism notion, semiotic analysis; 87R8051
language/folktale cultural expressions, Japan, semiotic analysis; 87R3660
literary texts, social function, medieval England; 87R7672
literary/interdisciplinary studies, semiotics/intertextuality's usefulness; 87T0076
lonely-hearts columns/advertisements, semiological analysis; 87T0040
male identity, Grendi village, Crete; book review essay; 87R5509
male vs female cultural identities, semiotic theory; content analysis; novels/films/magazines, Finland; 1955, 1985; 87R9327
mass culture, M. Gottdiener's semiotic analysis; critique/reply; 87R1615
professional wrestling, semiotic analysis; 87R7563
recurrence phenomenon, face-to-face interaction, semiotic approach; 87R5463
science scholarship, semiotics' relevance; 87R6302
semiotics, epistemology/history; 87R8921
symbolic interactionism/semiotics integration; critique/response; 87R3366
telephone message-communicational systems, British police force; semiotics analysis; 87R1509
Veblen, Thorstein, economic theory, semiotics perspective; 87R3792

Semitic Languages
Arabic as sacred language, Islamic Koran; 87R6091
Hebrew literature, militaristic aspects, Israel; 87T0074

Senegal
illicit medicine sales, Senegal, authorities' toleration; interviews; medicine vendors, Pikine suburb, Dakar; 87R6543
measles beliefs/health practices, mothers, Senegal; urban integration; interviews; 87T0587
organic crisis/passive revolution/hegemony, Senegal; 87R9731
organizational development, private voluntary associations, Third World; institutional/structural factors; field research; Nigeria, Senegal, Togo; 87R7413
polygamy, Africa, practice/tensions; fieldwork; Senegal; 87R3591
precolonial Islamic leadership definition/holy war involvement, Bundu, Southern Mauritania, northwestern Senegal; 1698; 87R9610

Senility
Alzheimer's disease experience, George Herbert Mead's theory of mind; 87R3434
coping/well-being, Alzheimers patients' caregivers; personal/social resources; self-report questionnaires; US; 87R4951
illness, developmental structure, Alzheimer's disease; literature analysis, participant observation, hospital field study; 87R6548
work-related stress/staff-client interaction, day health care vs social day care programs, Alzheimer patients; participant observation interviews; 87S1940

Seniority
seniority principle, Sonongo social organization, Mali, socialization/institutionalization process; fieldwork; 87R7255

Sensory Systems
olfaction/transition, ritual uses; 87R9329
personal knowing, education approach, direct sensory experience; 87R4292

Sentencing
charge reduction/sentencing process, gender differences; critique/reply/rejoinder; 87R8092
criminal offenders, community service sentencing alternatives; literature review; US, Canada, GB, West Germany, Netherlands; 87T0218
criminal sentencing principles/practices, Court of Appeal, GB; questionnaire interviews; East Midlands magistrates; 87R8169
criminal sentencing, racial discrimination; literature review, case data; 87R2437
current dispositions, juvenile justice decision making; prior dispositions; case records; Florida; 87R5071
determinate sentencing reform, felonies; Minnesota Sentencing Guideline Commission cases; 87R2477
determinate sentencing reform, objective attainment; Illinois, Minnesota, Connecticut; 87R4507
discriminatory executions, Georgia/North Carolina, 1925-1935; minority presence/environmental/other variables; statistics, official records; 87R4517
judicial sentencing decisions, utilitarian principles model; cross-sectional data; incarcerated offenders, Georgia; 87R2923
parole decision making, US vs Israel; sentencing structure; prisoner case file data, interviews; 87R4513
sentencing discrimination, white vs black offenders, Georgia; community inequality vs offender attributes/behavior; Department of Corrections data; 1976-1982; 87R6294
wrongful conviction rate, felony cases, US; legal procedurial/witness errors; case records, mail questionnaires; state attorneys general, Ohio police chiefs/sheriffs/public prosecutors/defenders/judges; 87R4475

Separatism
bilingualism/separatism relationship, social analysis; 87T0043
péquiste regime/Quiet Revolution's failure, Quebec, cultural identity threats; 87R7648
revolutionary separatist leaders, Ireland, social backgrounds/ideologies; 1850s-1920s; 87R1851
separatist violence, mass media's coverage/legitimation, Quebec; content analysis; newspapers, Montreal; 87T0958

Sermons
audience evaluation/retention, religious speeches/sermons, high- vs low-fear arousal; socioreligious factors; questionnaire; 87R2401
church sermon focus/congregation social class relationship; content analysis; Southern Baptist churches; 87R4389

Service Industries
business practices, transportation/communication firms; deregulation; 87R9491
employee behaviors/appearance, service vs production/clerical workers; fieldwork; fast-food workers, insurance salespeople; 87S1940
employee turnover; interorganizational job transfer availability; mail survey; unionized nonmanagerial employees, utility company, US; 87R1730
industries, US; employment changes, nonmetropolitan service state policy; empirical estimations; 87R7421
national industrialization rates/status; manufacturing vs service sector size; cross-national data; 87T0337
routinization strategies, interactive service work; fieldwork; 87S1967
service economy, industrial societies, risk management strategies; 87R5777
service economy, wealth-riches discrepancies, classical economic theory's inadequacies; case study; water pollution; 87R5778
spatioeconomic transformation, information-based service economy, Canada; case studies; 87R8214
unpaid workers, service industries, gender order; 87R9923
working life/unemployment, new technologies' effects; literature review; 87R9398

Settlement Patterns
bicultural oscillation, Paliyan food collectors vs Mongol pastoralists, cultural frontier regions; ethnographic/historical research; India, China; 87R3031
ecological destruction/decline cycles, Latin American settlements, social context/processes; Trans-Amazon Highway, Brazil/Lago Agria, Ecuador/Tambopata Valley, Peru; 87R4149
ethnic/cultural identity, Newar castes, Nepal; caste/religious/territorial systems; 87R1399
settlement history, Mormons (Utah)/Jews (Israel); 87R2575
social structural change, authority/kin-group patterns, Bedouin population, Negev; relocation; case study; Rahat village; 87R3645

Settlers
community turmoil, professional behavior strategies model; interviews; mental health practitioners, Sinai evacuation Israel; 87T0916
cooperative agricultural settlement disbandment, mental health stressors/responses; Sinai, Israel; observations, interviews; 87T0917
Israeli settlement removal, Sinai occupied territory, background/theoretical issues; special journal issue introduction; 87R9696
settlement evacuation, psychological problems/interventions, Ofira, Sinai, Israel; 87T0923
Sinai evacuation negotiation, political conditions, public ambivalence, Israel; 87R9634

Seventeenth Century
arranged marriages, motivations, England, 1600s; reply/rejoinder; 87T0487
capitalist world economy, 16th-19th centuries, commodity chain concept; wheat flour/shipbuilding case applications; 87R5782
Catholic Virgin Mary/Aztec goddess, hybridization/syncretism; Mexico; structural discourse analysis; 87R6194
citizens' religious mentality, León, Spain; social class; testatments; 17th-18th centuries; 87T0207
dream theory/practices, 17th-century Hurons (Amerindians) vs 19th-century Freudian psychoanalysis; Jesuit missionaries' accounts; 87R1643
elite social-structural transformation, Norfolk County, England; abstract religious rhetorics/social network equivalence; 1540-1640; 87R2987
family/household models, 16th-19th century Europe; 87R3585
France's 1695 poll tax, social classification/exclusion characteristics; 87R7684
government/geographical hierarchy, Europe vs imperial China; 18th-19th centuries; 87R3818
house plans/room uses, 17th-century London, England; 87R3056
industrial development, worker peasantries, regional characteristics; case studies, Oberlausitz, Saxony/Friuli, Italy; 17th century-present; 87R2189
labor force transformation, serf uprisings, government policy, Bohemia, 1600s/1700s; symposium contribution; 87R9552
minority French language education, Ontario, social/historical context; 17th century-present; 87R4225
mortality patterns, 1850-1900, Massachusetts; industrialization, urbanization, immigration; census/death certificate data; 87R8280
offender/conviction rates, constancy of crime hypothesis; court data; Plymouth Colony, Massachusetts; 1633-1679; 87R5042
pastoralism transition, communal Sami economy, European Arctic region; 1500-1700; 87R3590
Puritanism/Pietism, 17th-century Europe, Max Weber's work; 4-book review essay; 87T0842
state breakdown, GB, 1640-1642; historical time series data; 87R2006
Virgin Mary cult, Provence, France, 17th-18th centuries; 87R6184
witchcraft crisis, Massachusetts; 1692; 87R2383

Sex
birth-sex ratio, cross-cultural analysis; literature review; 87R6426
police officer discretion; community/police subcultural pressures; observation, survey; New York City, New York; 1984/85; 87R4518
student academic achievement; single-/mixed-sex Catholic vs public schools, US; National Longitudinal Study of the High School Class of 1972, questionnaire, academic test scores; 87R4333
violence/sex portrayals, music television videos; content analysis; 87R3910

Sex Differences
academic achievement, female high school seniors, coeducational vs single sex schools, Victoria, Queensland, Australia; questionnaires; 87T0081
academic achievement, social studies, black vs non-black male/female students, rural North Mississippi; National Assessment of Educational Progress; 87R4302
academic competence, children's self-appraisals, gender differences; test scores, teacher's ratings; 87S1931
academic performance, high school students; out-of-school time use; questionnaire; Michigan, Ohio; 87R8041
academic self-image development, gender differences; maternal influences; interviews; mothers/children, Baltimore, Maryland; 87R6121
accidental death, gender differences; gender-role changes; mortality rate data; US; 1960 vs 1979; 87R2803
achievement motivation configurations; birth order, gender; personality instruments; 87R8432
achievement test/school marks, sex differences; longitudinal research project; 87R2310
actual/perceived career commitment; sex; questionnaires; male/female university students; 87R6456
adolescent drug use trends/attitudes, regional/gender differences; questionnaire surveys; 11th graders, Ohio; 87R4663
adolescent religious activity, gender differences; parental influence; secondary data; 87T0408
adolescent self-evaluations; parental behavior; mail questionnaire; 87R4657
adolescent suicide rates, England/Wales, 1950-1960s; statistics; 87T0565
adult mortality, Korea, levels/trends/socioeconomic differentials; national survey; 87R2559
aesthetic decisions; direct vs indirect influence; experiment; high school students, Switzerland; 87R7093
age differences, prospective spouses, developing countries; World Fertility Survey data; 87R8347
age mating practices, Hillsborough County, Florida; marital license applications; 87R4726
alcohol problems, treatment entry barriers, gender differences; interviews; 87R8612
alcohol use prevalence/patterns, 7th-12th grade students, New York; questionnaire survey; 87R8562
alcohol use, racial/gender differences, college students; drinking age onset; questionnaires; southeastern US; 87T0691
alcoholism diagnosis/treatment, gender differences; interviews; self-identified recovering alcoholics; 87R6619
alternative/traditional medical care, utilization patterns, sex differences; interviews; 87R4855
American Indian-white vs black-white intermarriage patterns; socioeconomic characteristics; census; 87R8403
anorexia nervosa, US blacks, family/sexual/psychiatric/social class history; case studies; hospital patients; 1976-1984; 87R4980
antisocial behaviors, incarcerated male/female juvenile delinquents, California; nutritional modification program; behavioral records; 87R8691
arterial blood pressure, males vs females, central Mexico community; perceived social support; interviews, medical tests; Temascalcingo; 87R4828
assertiveness, gender differences; physical attractiveness; experiment; 87R8895
attempted vs completed rape/assault, determinant factors; case records; 87R5044
attributions' role, exchange transactions; power, status, inequity; vignettes; 87S1961
bathroom graffiti, gender differences, 1972/1984; colleges, universities, Boston, Massachusetts; 87T0036
behavioral sex differences, role differences, theoretical perspectives; literature review; 87R1783
benzodiazepine tranquilizer use, sex differences, elderly; social support; interviews; Durham, North Carolina; 87R4983
bilingualism, non-English-language group members, US, sex differences; official survey; 87R4234
black-white females'/black males' representation, white male-dominated professions; census; 87S1981
blame assessment, friends of rape victims; rape myth beliefs, self-esteem, gender; questionnaires; college students; 87R2913
cardiovascular mortality, spatial/sex differentials, US; environmental/demographic/health sustenance variables; county-level mortality data; adults; 1920-1980; 87R4861
career development patterns, higher education administration, gender differences; social structural/organizational/psychological factors; longitudinal analysis; 1979-1984; 87R7716
career orientations/job characteristics, sex differences; parenthood; National Longitudinal Study; 87R1735
career patterns, male vs female law school graduates; surveys; 87R7754
career/educational decisions, secondary school graduates, Saudia Arabia; counseling; survey, questionnaire; students/counselors, Riyadh/Jeddah/Mekkah; 87R4091
career/family compatability, eminent men/women; *Who's Who in America* data; 87R2137
charge reduction/sentencing process, gender differences; critique/reply/rejoinder; 87R8092
child delinquency prediction, peer behavior evaluations; scales; first-graders, Montreal, Quebec; 87T0808
childbirth patients, obstetricians' attitudes; gender, level-of-training; questionnaire interviews; 87R9929
children's educational aspirations/attainments; parents' modeling/defining influences; survey; 87T0526
children's gender-role preferences; sex, age, socialization; test battery, parent interviews; 87R3123
communicator styles; ethnicity, sex, social class; scale, questionnaire; black/white university students; 87R3435
communion/agency, part-time employees vs homemakers/full-time employees/others, gender stereotypes; experimental data; 87R7728
community attitudes/satisfaction, rural high school students, District Gujranwala, Pakistan; community size, gender; questionnaires; 87T0850
competence assessments; task difficulty/performance; gender experiment; university students, Paris, France; 87R1458
competition, premarital relationships, negative/positive/aggressive aspects; questionnaire; college students, southwestern US; 87T0435
computer access/use, children; family income, age, sex; Current Population Survey; 87S1966
computer usage/access/attitudes, secondary school students; gender,

socioeconomic status; questionnaire; California; 87S1965
conflict resolution, parent-child transmission; race, sex; scale; college students; 87R4784
consumer complaining behavior; social stratification variables; telephone survey, personal interviews; 87R3830
contraceptive use, adolescent females vs males, career/decision explanatory models; literature review; 87T0439
crime fear/victimization experiences, gender differences, Alabama; questionnaires; 87S1992
criminal behavior, delinquent male vs female adolescents; personal/family drug use; interviews; 87T0683
criminal court outcomes, gender differences; interviews; court officals; 87R8103
daily life experiences, gender differences, pre-WWII Sèvres, France; life histories; elderly; 87R1495
dating patterns, emotional/sexual need gratification, elderly; interviews; Minnesota; 87T0732
death concpets/depictions, US vs Swedish children; age, gender, nationality; artwork analysis; 4-19 year olds; 87T0535
death penalty/punishment attitudes; belief systems/attitudes; questionnaire/test data; university students, Colorado; 87R7120
delinquency rate, male vs female adolescents; official contacts; self-reports, police/court records; Seattle, Washington; 1979; 87R2947
depression/self-satisfaction, gender differences, married persons; national survey; US; 87R8545
dialect (Walloon) usage, situational/social/regional/gender differences, Malmedy Walloon area, Belgium; 87R7883
differential fertility, women, US; sociocultural changes; 1980 Current Population Survey; 87R2733
direct vs indirect influence tactic evaluation; sex; questionnaire; managers, Israel; 87R9413
disengagement, nursing home residents; aging factors, institutions' structural/organizational characteristics; National Survey of Institutionalized Persons, 1976; 87R2889
dishonest behavior (exam cheating), college students, gender differences; self-esteem, sex-role socialization; Tennessee Self-Concept Scale, experiment; 87R7175
divorce adjustment, gender differences; family stress; questionnaires; Texas; 87T0495
domestic/wage labor, women's inequality, Canada; uneven economic development; 87R1650
drinking behavior, college students; questionnaires, 1974 vs 1983; 87R4959
drinking behavior/companionship; marital relationship; questionnaire interviews; couples, Finland; 87R2846
drinking driving behavior, females; gender roles; roadside surveys; southern metropolitan US; 87T0703
drinking habits, Spain, age/sex differences; questionnaire surveys; 87R8561
drinking problems, racial/gender/academic correlates, US college students; longitudinal questionnaire data; 1982-1985; 87R6608
drug advertising, gender-oriented popular magazines; content analysis; 87R7522
dual career management/sex-role attitudes, political wives/their spouses; interviews; Massachusetts, Rhode Island; 87R9867
dual-work lifestyle commitment, engaged couples; family variables, gender; questionnaires; scale developed; 87R1666
early retirement adaptation, gender differences; health/financial status; longitudinal interview survey; 87S1946
earnings differences, male vs female faculty; organizational/demographic characteristics; national surveys; 87R4134
earnings inequality, core/periphery/government industries, black vs white males/females; US Census; 87R1727
earnings inequality, work supervisors, race/sex differences; span of responsibility/control; interview survey; white/black males/females; 87R2158
economic distributional patterns, rural India; gender, agricultural growth; secondary data; 87T0939
economic well-being, men vs women, 1959-1983; census, surveys; 87R3097
education research, race/social class/gender issues, integrative analysis; 87R7976
educational attainment/earnings, sex differences; birth order, family size; survey data; 87R2361
educational levels, age/ethnic/gender differences, Yugoslavia; census; 87R8032
educational mobility, Czechoslovakia vs Slovak Soviet Socialist Republics; social origin, sex, birthplace; 87R2336
educational/occupational ambitions, high school youth; significant others; questionnaire; 87T0424
educational/occupational attainment; family background personality/cognitive variables; questionnaire; European/Japanese Americans, Hawaii; 87R1459
educational/vocational opportunities/achievements, young females vs males, West Germany; statistics; 87R4652
elderly parents'-adult daughters' relations, Boston metropolitan area; daughters' employment/religion/socioeconomic status, parental health; semistructured interviews; Massachusetts; 87R5021
elderly vs nonelderly alcoholism treatment patients, referral sources; gender; national interview data; 87R6606
electoral success, male vs female candidates; political/socioeconomic factors; questionnaires; municipal candidates; 87R5537
employee firm ownership interest, gender differences; questionnaire; supermarket chain union members, Philadelphia, Pennsylvania; 87R9405
employment trends/government policies, postrecession GB; 87R7325
employment/career advancement, women; height; experiment; 87R4633
empowerment strategies, workplace situations; gender, job dependency; interviews; 87R7378
enrollment expansion, higher education, post-World War II; sex/institutional differences; labor market conditions; national statistics; 1952-1980; 87R4353
ethnic resettlement process, immigrant Hmong high school students, US; education; 87R4303
ethnic/gender employment inequality, municipal workforce; affirmative action policy; 87S1955
expected grades, undergraduate students, sex differences; 87R5535
family life events, stress perceptions, social support utilization; sex differences; mail questionnaire; rural Michigan; 87R2713
family roles/occupational aspirations, gender differences, Iowa farm families; production agricultural changes; 87R7837
family size; family configuration; secondary data; 87R2727
fear of crime, elderly, causes/consequences; interviews; New York residents; 1980; 87R5023
fear of crime, underlying constructs, college students; demographic/social factors; 87R6653
fear of crime/victimization; gender, residence area; questionnaires; registered drivers, Alabama; 87S1928
feer of crime; gender, anxiety; questionnaire, scales; interactionist perspective; 87T0801
female occupations/employment, US/New Zealand; census data; 87R7759
female political candidates, high school students' attitudes; gender, race; questionnaires; Omaha, Nebraska; 87R9628
female subordination/male vulnerability theories, psychological/anthropological data integration; 87T1016
female vs male verbal behavior, sports associations, participation/power issues; discourse analysis; 1984 General Assembly, Norwegian Confederation of Sports; 87R5861
female/male crime rates, developed/developing countries; gender role convergence; Interpol crime statistics; 1973-1976; 87R7420
female's status, postrevolutionary Cuba, feminist perspective; speeches, documents, statistics; 87R5215
feminist attitudes development, black vs white female heroin addicts; criminal lifestyle; 87S1952
feminization of poverty, liberal social positions; education; personal interviews; workers/leaders, Australia; 87R7978
first-job socialization experiences, business graduates, gender differences; Likert scales; 87R2162

migration, social consequences, gender differences; survey; dual-career migrants; 87R1442

moral rationales, male vs female coaches/athletes/nonathletes; questionnaire; 87R3918
mortality patterns/causes, Jewish residents, Rhode Island; official records; 1979-1981; 87R2552
mortality rates; gender, social factors; death certificates; census; Finland; 1969-1971; 87T0314
mortality, sex differences, USSR; published statistics; 87R8226
mother-son intimacy, psychosocial interpretations; content analysis; Andalusian folk songs; 87R8900
neurotic depression overdiagnosis, women; genetic/environmental/cultural/linguistic factors; 87T0664
nonpsychiatric health service utilization, gender differences; illness rate, socialization, role factors; secondary data; health maintenance organization members, Maryland; 87R4886
nonverbal communication behavior, mixed-/same-sex interactions, sex differences; 87R6107
nursing, occupational choice, gender differences; economic factors, prior work experience; mail survey, interviews; Oregon registered nurses; 87R2148
occupational advancement, female vs male workers; social support; questionnaire; 87R7342
occupational advancement, geographic mobility willingness, gender differences; 1977/78 Quality of Employment survey; 87R2154
occupational attainment, male vs female Hispanic/black/white high school graduates, US; language, post-secondary education; national longitudinal survey; 87R7778
occupational attainment, males vs females, India; higher education level; 87R8015
occupational distribution, foreign-born, Canada; gender; census data; 87R9433
occupational distribution; race, gender statistics; 1958-1981; 87R4073
occupational evaluations; cross-sex participation; college students; 87R4128
occupational labor market structure, gender differentiation, classification schemes assessed; census; 87R7323
occupational level/prestige, gender differences; education; 87R7757
occupational prestige characteristics, male vs female workers, US labor force; census; 87R7706
occupational sexual segregation, long-term trends, US; Public Use Sample; 87S1963
occupational stress, religious leaders; questionnaires, scales, interviews; 87R7782
occupational titles/attainment, Canadian labor force, socioeconomic index; national census/survey data; 87R6810
opposite sex, adolescents' perceptions; cross-sex experiences/interaction; 87R8899
parent/peer orientations, young people, 1960s-1980s; questionnaire; longitudinal analysis; 87R4667
parental separation/divorce effects, high school freshmen, ethnographic analysis; interviews; 87T0393
parental status attainment, young women's vs young men's reports, simultaneous covariance structure analysis; interviews; US; 87R3222
parenthood motivation, older females vs males; psychological variables; questionnaire; 87R7116
passenger survival, *Titanic* sinking; sex, social class; official statistics; 87R4048
pathological/alcohol/drug/delinquency problems, male vs female adolescents; gender identity; surveys, interviews, questionnaires, tests; 1979-1984; 87T0404
personality development, self-/family/friend/value perceptions, Japanese adults, cohort differences; sentence completion test; Mitaka City; 87R7159
phobias, gender differences; social roles; interviews; 87S1935
policy preferences, gender differences; questionnaire surveys; 87R3132
political attitudes/ideology, gender differences, Canada; national survey; 87R8903
political attitudes/understanding, gender differences; national survey; 87R5254
political attitudes; adult life experiences; British Election Study; 87R1987
political differences, gender gap, US; national surveys; 87R5257
political participation, gender differences; socialization/socioeconomic factors; secondary data; 87T1025
political participation/leadership aspirations, gender differences; social status/personal control variables; Pennsylvania; 87R3476
political party preferences, gender differences, Norway; 1949-1985; 87R9715
pollution concern, environmental group members' gender differences; mail survey; US/GB/West Germany; 87S1936
population dynamics/migration patterns, Mexico, social/gender differences; 87R2550
population statistics, female active peasants, Portugal; 1981 General Population Census vs *Inquérito Permanente ao Emprego* (Permanent Inquiry on Employment) data; 87R5229
pornography/censorship issues; feminist perspective; 87R6409
postdivorce functioning, single mothers/children; interviews; mothers, Toronto, Ontario; 87T0511
poverty/deprivation, Hungary; interviews; 87R3059
power distribution, Yugoslav Communist League; 87R9739
premarital sexual behavior/attitude changes, undergraduates; religiosity/socioeconomic/other factors; questionnaires; church-related southern US university; 87R8304
premarital sexual conduct/attitudes; sex differences, dating stage; questionnaires; students/nonstudents; 87R2624
promotional opportunities, worker expectations/perceptions, gender differences; 87R9921
psychiatric patients, Denmark, cohort characteristics; admissions data; 87R2820
psychological well-being, males vs females; marital status; surveys; US, Canada; 87R4713
public goods, individual contributions; group size/rivalry, gender; experiment; 87S1973
publication productivity, male vs female social work academics; individual/professional/other characteristics; questionnaire; 87R2134
race/gender stratification, computer occupations; Current Population Survey; 87S1937
religious behavior, male vs female adolescents; parental marital status; questionnaires; Montreal, Quebec; 87R8300
religious orientation, gender differences; women's social-structural location; questionnaire; Australia; 87T0183
research productivity, academic females vs males; social/psychological/organizational mechanisms; interviews, surveys; University of Michigan; 87S1954
research productivity; sex, organizational position; questionnaires; social workers; 87R2489
residential distribution/segregation, Canadian cities; age, sex; censuses; 87T0010
retirement attitudes, gender differences, older workers; sex-role identity, work attitudes; 87R4994
retirement planning, male-oriented emphasis, feminist perspective; 87S1933
retirement satisfaction levels/antecedents, men vs women; questionnaire; Washington; 87T0777
role changes, adolescence-adulthood transition, gender differences; longitudinal survey; high school students, Illinois; 87R8313
rural/urban labor force, southeastern Mexico; petroleum/tourist industries; census; 87R2549
sanctioning system, same-sex 4-person groups, US vs Japanese subjects' behavior; experiments; 87S1987
scholastic productivity, Monterrey, Mexico; income; questionnaire survey; 87R2360
school behavior, sex differences, girls' quietness, comprehensive school, England; ethnographic data; 87R4346
school/neighborhood language utilization, 5-year-olds; gender, race; recorded speech; 87T0042
Schooling as a Ritual Performance by Peter McLaren; review symposium; 87R8050
self-consistency, boys vs girls; self-esteem; 87S1954
self-esteem, adolescent males/females; parent/peer relations, school/athletic performance, popularity; questionnaire; 87R4674
self-esteem, college students; gender, birth order, family structure; scale; 87R7181
self-esteem, gender differences; perceived family-peer approval/achievement pressure; questionnaire; junior high/high school students; 87R7110
self-esteem, male vs female secondary school students, Hong Kong; academic achievement; questionnaire; 87R9204
self-perceived vs other-perceived attractiveness, body weight; sex, race; National Health Examination Survey, Cycle III; adolescents; 87R3444
self/spouse/child ratings, parenthood feelings; newborn infant crying, new parenthood; interviews, questionnaires; 87R6508
senior center participation/service use, urban-rural/gender differences; survey; Minnesota; 87R8621
senior center utilization, elderly; race/sex/socioeconomic factors; interviews; 87R5013
sex discrimination, male sympathy; personal experience, occupational prestige, marital/parental status; secondary interview data; white men, Boston, Massachusetts; 87R7288
sex-role satisfaction, Australian children; sex, age, cultural group; surveys; 87R8287

sex-role stereotypes/self-concepts, males vs females; sexual division of labor; 87R7182
sex-role strain, kibbutz-born vs other kibbutznik adults/adolescents; ego development test; 87R4670
sex-specific occupational segregation, Federal Republic of Germany; labor-market entry point; life history data; 87R9864
sex-typical vs sex-untypical career choice, female adolescents; questionnaires, school records; Tübingen/Reutlingen, West Germany; 87R5255
sexual behaviors/attitudes/concerns, coitally active university students, gender differences; questionnaires; 87R2630
sexual contact prevalence, psychiatrists/patients, gender differences; national survey, psychiatrists, US; 87T0649
sexual harassment attitudes, sex differences; questionnaire; 87R8327
sexual harassment experience/attitudes, university students; sex, age; survey, inventory; 87R8330
sexual harassment perceptions, college students, US; psychological/demographic correlates; questionnaires; Washington State University; 87R7168
sexual harassment, higher education institutional policies; feminist perspective; 87R5221
sexual harassment, male vs female perceptions; telephone interview survey; Los Angeles County, California; 87R7318
sexual inequality perceptions, Israel; sex, religiosity, education, age, ethnicity; questionnaires; college students, army officers, nurses; 87R6797
sexual interest/happiness/faithfulness, married couples, gender differences; physical attractiveness; interviews; 87R8384
sexual role definition, masculine vs feminine behavior; 87R1435
sexually explicit stimulus, males' vs females' responses; repeated exposure, novelty; experiment; 87R8326
short-period occupational class mobility, men vs full-/part-time working women, GB; 1981 Labour Force Survey; 87R2084
smoking practices/attitudes, Spain; questionnaires; 87R8567
social class identification, married males vs females, independence/sharing/borrowing models; national survey data; 87S1953
social structure perceptions, affiliative patterns, junior high school students; interviews, observation, ratings; 87R4653
sons'/daughters' independent achievement, mothers' demands; mothers' sex-role attitudes; standardized scales; India; 87R6500
sports analyses, capitalist patriarchical societies, gender/social class relationship; 87R3926
sports participation, college students; self-imposed gender constraints, sex-role type; questionnaires, Bem Sex-Role Inventory; Cornell U, New York; 87R7554
spousal assault/injury, male vs females as victims/offenders; National Crime Survey; 87R6780
stress coping strategies, urban vs rural married couples, Montana; questionnaires; 87T0480
stress vulnerability, sex differences; scale; adults, Wisconsin; 87R2829
stress, male vs female elders; relationships; questionnaire interviews; 87R2879
stress/coping/life perceptions, elderly, gender/cohort differences; longitudinal interview/questionnaire data, 1955-1980; 87R5020
structural pluralism, ethnic/gender inequalities, second-generation immigrants, Australia; census; 1981; 87R2123
student achievement, kindergarteners-12th graders, US; question-asking behavior; 87T0091
student drinking patterns; legal minimum drinking age; questionnaires; Oklahoma State University; 87R8587
students' mathematics achievement, sex differences; ability groupings; longitudinal data; 87R7979
students' occupational/educational aspirations, Third World countries; census/statistical/questionnaire data; secondary students, Barbados; 87R8317
subjective work experience; job/gender factors; questionnaire; letter carriers, Alberta; 87R7771
subordinate correction, male vs female leaders' actions; equality/equity norms; experiment; psychology students; 87R7185
substance use rates, women vs men; epidemiologic surveys; New York; 87R2849
substance use, gender differences, university students; demographic/school-related variables; 87R8595
substance use, inner-city black vs white males/females; sexual knowledge/activity; self-administered questionnaire; 87R4991
suicide attitudes, institutionalized vs noninstitutionalized males/females; scales; 87R4672
suicide rate/methods, gender differences, Italy; age/period of death/birth cohort; death certification data; 1955-1979; 87R6535
suicide rates, seasonal variations; cause, age, sex; official data; Osaka, Japan; 87R2738
suicide; sex, age, civil status; secondary/national/other data; Stockholm, Sweden; 87R2743
task group hierarchies, status seeking, bystander interventions; dominance behavior, gender; experiment; 87S1976
teaching profession, Poland; feminization process; literature review; 87R4107
temporary worker migration flow, female component, Canada; government data; 1979-1985; 87R9365
two-year vs four-year college enrollment, gender differences, career outcome; government statistics, secondary data; US, Japan; 1960-1980; 87T0114
underemployment, gender differences, US; family household/demographic/structural inequalities; population survey data; 1972, 1982; 87R1708
unfamiliar babies, males' vs females' interest/interaction; videotapes; college students; 87R6365
university athletes, academic performance; gender, race; student records; US; 87T0104
value orientation, medical students, gender/time variations; questionnaires; 87R7977
victim precipitation, male vs female homicides; court records; 87S1964
violence victimization, courting couples' perceptions; gender; questionnaires; college students, US; 87T0964
voting behavior, gender differences; situational/structural/ideological factors; General Social Survey; 87S1937
voting bloc formation, women; National Election Studies; 1972-1984; 87R3082
wage attainment processes, sex differences; labor market structure/placement; survey; 87R2126
wage differentials, minorities/females/white males, New York; occupational segregation; comparable worth study; 87S1947
wage earnings, males vs females, Malaysia; interview-questionnaire survey; 87R3678
wage earnings, sex differences, Australia; equal pay legislation; 87T1014
women workers; unemployment; longitudinal case analysis; 87R1665
women's achievement behavior; masculinity vs femininity self-concept; questionnaire, experiment; 87R9871
women's drinking/alcoholism, liberal feminist position, ideological contradictions; 87R3105
women's social position/income, US/USSR/Yugoslavia; statistics; 87R6017
women's social role/status, Guaraní society, Paraguay, pre- vs post-Spanish conquest; 87R7117
women's status/social influence, male-dominated societies; women's family/friendship/community networks; participant observation, life histories, interviews; Muslim Arab village; Israel; 87R1559
women's vs men's speech patterns, prestige/status norms; 87R4207
women's work, occupational characteristics/satisfaction, couples'/employers' strategies; interviews; female social security/hospital employees, France; 87R6479
work roles/styles, nontraditional occupation choosers, gender differences; literature review; 87S1947
work satisfaction, human service agency employees; education/gender/organizational influences; mail questionnaire; 87R1671
work values, gender differences; job characteristics; questionnaires; government organization, Australia; 87R9442
work-related stress, teachers; locus of control, age, sex; scale, questionnaire; 87R5994
work/leisure patterns changes, post-1961 UK; employment categories; secondary data; 87R7529
work/marital/life satisfaction, single- vs dual-earner families, sex differences; national survey; 87R4763
workplace sex-role spillover, males' vs females' experience; questionnaire; adults; Los Angeles County, California; 87R7307
young children, sex difference development; home activities; random spot observation; middle class families, US; 87T0525
youth suicide, National Institute of Mental Health research program; 87R8453
youth unemployment/leisure activities, Spain; national age structure; official statistics, secondary data; 87R8307

Sex Education

biopolicy/reproductive technologies, course development/design; 87R8446
Christian evangelical sex manuals; content analysis; 87R2636
human sexuality textbooks, sensitive illustrations, social class/heterosexual biases; content analysis; 87R8946
menarche beliefs/attitudes/socialization, adolescent males/pre-/postmenarcheal females; questionnaire interviews; 87T0389
sex education, father-adolescent son communication; questionnaire/inventory data; 87T0429

sex education/research, professional risk; 87S1934
sexual activity/contraceptive knowledge/pregnancy, adolescents, US; sex education; National Survey of Family Growth-Cycle III; 1982; 87R4680
sexual/contraceptive knowledge, adolescents; health-belief attitudes, sex education, demographics; scales; 87R4656
sexuality articles, journal/topic preferences, medical/nursing/social work students; content analysis; abstracts; 87R8017
sexually abused girls, sexual abuse/sexuality knowledge; interviews; 87R8654
sexually explicit material, sexuality courses, antipornography debate; 87S1930
social attitudes/sex relations, Yugoslav youth; government policy; questionnaire; 87R8901
teenage out-of-wedlock childbearing; birth control knowledge vs family attitudes; survey; 87T0403

Sex Information

menarche beliefs/attitudes/socialization, adolescent males/pre-/postmenarcheal females; questionnaire interviews; 87T0389
sexology field, sexual politics; content analysis; textbooks; 87R6804
sexual/contraceptive knowledge, adolescents; health-belief attitudes, sex education, demographics; scales; 87R4656

Sex Role Attitudes

actual/perceived career commitment; sex; questionnaires; male/female university students; 87R6456
attitudes toward women, females in engineering/traditional occupations vs male engineers; scale; GB; 87R7740
childbirth patients, obstetricians' attitudes; gender, level-of-training; questionnaire interviews; 87R9929
children's sex-role differences; teachers'/parents' behavior; observation, "infant" school children; GB; 87R4315
children's sex-stereotyping, modification possibilities; 87R6814
dishonest behavior (exam cheating), college students, gender differences; self-esteem, sex-role socialization; Tennessee Self-Concept Scale, experiment; 87R7175
domestic social processes/gender roles/"machismo" attitudes, religious converts, Colombia; evangelical Protestantism; 87R3632
double standards; experiment; 87R5532
dual career management/sex-role attitudes, political wives/their spouses; interviews; Massachusetts, Rhode Island; 87R9867
dual-earner families, husbands' vs wives' role-sharing attitudes/behaviors, questionnaire; 87R8410
family planning measures adoption, married women, Patna (Bihar), India; educational/occupational/family status; survey; 87S2000
family roles/occupational aspirations, gender differences, Iowa farm families; production agricultural changes; 87R7837
farming-related accidents; masculinity factors; questionnaire; Canada; 87R7118
female parliament members, political roles/policy-making impact, Australia; questionnaires; 1982-1985; 87R9243
female political participation, preindustrial societies; 87T1006
female status/beauty, cultural trends; content analysis; *Cosmopolitan* magazine; 1965-1985; 87R5251
female's negation/devaluation, Catholic/Orthodox ideology, Virgin Mary cult's role; 87R6236
feminism as deviance, women's views; army officers' wives, ministers' wives, homemakers; 87R3481
feminist movement, college women's support; gender role attitudes, year in school; attitudinal inventories; northeastern US; 87T1004
fertility decisions, exchange theory; interviews; couples; 1980, 1983; 87T0516

athletes' pregame sex, baseball/basketball coaches' advice/attitudes; mail questionnaire; 87S1958
coital frequency; marital duration; critique/reply; 87R2673
coitus initiation, young adolescents; parent's marital status; interviews; 87T0417
ideal vs actual sexual intercourse rates, Victorian-era US women; historical data; 87R8874
perceptual congruence, sexual experiences, husbands vs wives; relationship duration, intimacy; experiment; 87R2640
psychological/physiological sexual satisfaction; coital involvement; questionnaire; female undergraduates; 87R6403
sex references, mass circulation magazines; longitudinal content analysis; 87R7544
sexual activity/contraceptive knowledge/pregnancy, adolescents, US; sex education; National Survey of Family Growth-Cycle III; 1982; 87R4680
sexual contact prevalence, psychiatrists/patients, gender differences; national survey, psychiatrists, US; 87T0649
sexual fulfillment, heterosexual/bisexual/homosexual females; interviews; 87R5279
sexual interest/happiness/faithfulness, married couples, gender differences; physical attractiveness; interviews; 87R8384
sexual satisfaction/intimacy; infertility; interviews; couples, western New York; 87S2005

Sexual Permissiveness
adolescent female sexual behavior; gender role; survey; 87S1934
adolescents' sexual permissiveness/intercourse experience; parents' self-reported/perceived discipline; questionnaires; adolescents, parents; 87R6390
bundling as courtship; ethnographic data; peasants, Austria; 87R6402
low socioeconomic status pregnant adolescents, Santiago, Chile, sociocultural characteristics; interviews; 87T0388
premarital sexual activity, Ijo communities, Nigeria; descent rules; questionnaires, interviews, observations; 87R8310
premarital sexual conduct/attitudes; sex differences, dating stage; questionnaires; students/nonstudents; 87R2624
sexual relations, Netherlands; content analysis; etiquette books; 87R3136
women's movement, sexual libertarian branch; two-book review essay; 87R2628

Sexual Preferences
commitment/satisfaction, homosexual vs heterosexual relationships, investment model; questionnaire; 87R4681

Sexual Reproduction
biopolicy/reproductive technologies, course development/design; 87R8446
birthrate differences, Moscow vs Fergana, USSR; questionnaire; female factory workers; 87T0548
human reproductive vs social success, sociobiological research, theoretical problems; article/comments; 87R2589
individual reproductive success, nonhuman primates; social relationships/cognition; experiments/observation; 87R9203
lifetime reproductive success, farmers vs craftsmen, Lancashire, England; parish registers; married couples; 1754-1772; 87R2729
new reproductive technologies, androcentric bias, France; literature review; 87R8912
polyandry vs monogamy, evolutionary adaptive value, computer simulation model; reproductive life histories; Nepal, India; 87T1036
reproductive scientific research, historical background, US; research report/monograph analyses; 1910-1940; 87R2488
reproductive technologies, feminist-oriented assessment; 87T0996
reproductive technologies, social control functions; textual analysis; Warnock Report, GB; 1984; 87T0558
sexless reproduction, 4th-5th century Athenian thought; 87R6805

Sexuality
adolescent sexuality/childrearing, privacy rights, cultural/legal issues, US; Supreme Court decisions; 87T0390
alcoholism, sexual dysfunction; citation analysis; 1941-1980; 87R6406
Anna O., first psychiatric patient, Sigmund Freud's sexual transference concept; 87R2952
attitudes toward crime, victim's sexy vs conservative clothing style; experiment; college students; 87T0792
Christian evangelical sex manuals; content analysis; 87R2636
church attendance, Protestants/Catholics/Jews/other religions, US; poll data; 87T0157
country music, sexual themes; ethnomusicological analysis; 87R7905
family/sexuality, ideological discourse, Greek fairy tale; semiotic analysis; 87R8332
female sexuality, Victorian womens' attitudes; literary writings, questionnaire; 87R2641
female's negation/devaluation, Catholic/Orthodox ideology, Virgin Mary cult's role; 87R6236
Foucault, Michel sexuality discourse, classified/modern sexual attitudes, censorship process; 87R9066
Foucault, Michel, *History of Sexuality*, feminist/Marxist attitudes; 87R8704
love theme, social theory; 87R1352
madness-female sexuality, Russian psychiatric theory; 87R2629
madness-sexuality relationship, New Guinea cultures; field data; 87R2634
madness/reason, Jacques Derrida's/Michel Foucault's debate; 87R2975
male sexuality, social determinants; interviews; males, Philippines; 87R9255
marital sexuality, social interpersonal/intrapersonal influences, script model developed; interviews; married couples/individuals; 87R2699
men's pornographic magazines, women's sexuality/imagery; 87R2638
participant observation difficulties, sociological research; sociocultural boundaries; personal experience; Tokyo, Japan; 87R3191

psychological/physiological sexual satisfaction; guilt; survey; university students; 87T0432
self-/sexual identity, genital identity dimension; 87R7174
sexual discourse, theory/methodology/research, Michel Foucault's/Harold Garfinkel's work; 87R1511
sexual fulfillment, heterosexual/bisexual/homosexual females; interviews; 87R5279
sexual function/activity, elderly; 87R8334
sexual lifestyles, intergroup/-societal differences, social structure linkages; survey/other data; 87R4690
sexuality decline with age, myths/changing social mores; longitudinal data reanalysis; 87R5022
sexuality instinct, late 19th-century psychiatric discourse, Sigmund Freud's theory; 87R6697
sexuality, social aspects, macro- vs microlevel perspectives; 3-book review essay; 87R4691
sexuality/household division of labor, young people's attitudes, Portugal; survey; 1983; 87R4746
sociology of sexuality, Netherlands; historical analysis; 87R4684
women's movement, sexual libertarian branch; two-book review essay; 87R2628

Seychelles
fertility, Seychelles plantations; female wage labor, household size; ethnographic fieldwork; 87R7274

Shamanism
folk-medical practitioners, Thailand, diagnostic diversity/rivalry; fieldwork; 87R4835
herbal medicine, health/disease beliefs/practices, female practitioners' role/status, Warao Indians, Venezuela; 87R3663
lesbianism/homosexuality, North American Indian tribes, historic/contemporary status; 87R4683
shamanism, power acquisition/manipulation, Korean women; sociocultural gender restrictions; participant observation; Ch'ung Ch'ong Province city; 87R3664
traditional Shamanistic healing practices, Okinawa; fieldwork, interviews, case studies; 87R6577

Shame
male-female relations, Andalusia (Spain), honor-shame code, recent changes; ethnographic data; Peralto; J. A. Pitt-Rivers's analysis; 87R6461
societal transformation, Moslem/Christian Palestinian women, Jordan's West Bank; "'aib" (shame), moral order; participant observation, interviews; 87R5250

Sharecropping
sharecropping, Marxist/neoclassical analysis; 87R9597

Sharing
intergenerational home sharing, social structure/dyad formation; status passages; life-history interviews; Madison, Wisconsin; 87R6626
profit-sharing/capital-sharing program effects; 87R9598
symbolic classification, individual vs shared cultural assumptions, inversion metaphor; 87R4926

Shelters
homeless women's needs/characteristics, shelter policies/characteristics, Greater Boston, Massachusetts; interviews, participant observation; 87R8837
homelessness problem, US, emergency shelters/government assistance; 87S1962
homelessness, demographic/ethnographic portrait; interviews, other data; shelter residents, western Illinois; 87S2005
reconstruction policy, post-1985 earthquakes, Mexico City; official decrees; 87R8787
shelter/camp residents' characteristics, post-1985 earthquakes, Mexico City; questionnaire; 87R8782
spousal violence; battered women's shelters; face-to-face interviews; battered women; 87R6415

Shift Work
hourly wage differences, men vs women; government survey; Australia; 1982; 87R9374
leisure behavior; work hours; interviews; male/female textile mill shift workers, England; 87R9663
shift work patterns, college students; income, age, marital status; national longitudinal survey; 1980-1982; 87R9381
shift work; marital status, child care; 1982 US Current Population Survey; employed mothers; 87R5678

Shintoism
local Shintō shrine festivals, planning/organization; fieldwork; Tokyo neighborhood, Japan; 87R6220

Shipping Industry
industrial relations/labor process changes, Portuguese ship building industry; 1974-1984; 87S2002
lower-paid workers' situation, patron-clientist system, Sierra Leone; 87R7324

Shoplifting
adult shoplifters, GB, theft conviction consequences; court cases; 87R6648
shoplifting/criminality, adult women; demographic characteristics; questionnaires; 87T0796

Siberia
Karl Marx Collective: Economy, Society and Religion in a Siberian Collective Farm by Caroline Humphrey; review essay; 87T0152
natural resources conservation/preservation, Siberia, USSR; 87R5167
social growth, Siberia, USSR, motivational factors; 87R3746
social/cultural growth, Siberia, Soviet domestic policy; 87R3795

Siblings
intergenerational helping behavior, older adult siblings vs parent-child dyads; interviews; North Carolina; 87T0778
marital verbal/nonverbal interaction styles, identical ordinal position dyads; Hill Interaction Matrix, Cognitive-Affective Rating Scale; 87R4714
psychopathology, disabled children's siblings; chronic family stress; inventory data; 87S1948
siblings, developmental tasks, life-cycle perspective; literature review; 87R6443
stepparenting experience, live-in vs visiting children; interviews, questionnaires; stepparents, spouses; 87R6412

Sicily
intercultural contact, modernizing culture, diversification vs convergence processes; Sicily; 87R3616
Mafia/sexual/political aggression, Sicilian observers' judgments; sociocultural factors; scale ratings; 87R3427
second-home ownership, Sicily, Italy; census; 87R9958
Sicilian society; 2-book review essay; 87R5493
silence as aggressive response, Sicilian peasants; allegorical stories; 19th century; 87R3070
social transformation movements, rural artisan leadership; case study; *Fascio* movement, Sicily, Italy; 87R9618

Sick Role
health care alternatives, utilization patterns, physicians'/patients' influence; initiative; participant observation, interviews; mainstream/alternative hemodialysis centers; 87R4836
illness definitions/symtomatology, medical treatment; doctor-patient relationship, societal health ethic; 87R5235
in vitro fertilization process, social/interactive aspects; 87S1969
sick-role socialization, conformity/improvisation, chronically impaired older people; interviews; 87T0770

Sierra Leone
educational attainment-fertility decline relationship, married women, rural Sierra Leone; 87R8227
industrial relations/working class exploitation, Sierra Leone, 1932-1961; 87R9385
lower-paid workers' situation, patron-clientist system, Sierra Leone; 87R7324

Significant Others
abortion/contraception/childbearing decision making, black teenage females; sociodemographic characteristics/educational attitudes/sex education & experience/friends' influences; interviews; 87R4795
adolescent pregnancy, black females; significant others' attitudes; questionnaire; 87T0399
career decisions, rural southern black vs Appalachian white youth; significant others; questionnaire surveys; 87T0420
childbearing attitudes/behavior, childless women vs young mothers; significant others' expectations, personal values/motivations; 87R4588
drug abuse treatment program, family therapy approach; 87R4988
educational/occupational ambitions, high school youth; significant others; questionnaire; 87T0424
myocardial infarction episodes, individual's care-seeking behavior; family; interviews; 87R8456

Signs
Marxism/deconstruction, Louis Althusser's/Jacques Derrida's writings; 87R3145

Silence
abortion amendment, public opinion formation, Elisabeth Noelle-Neumann's spiral of silence theory; telephone survey; North Carolina; 87R7491
monastic escapism, early Christianity; 87R4392
silence as aggressive response, Sicilian peasants; allegorical stories; 19th century; 87R3070

Simmel, Georg

historical materialism/Karl Marx, Georg Simmel's critique; 87R9148
local communities, social life decline, thesis critiqued; 87R9145
money economy, Georg Simmel's culture theory; 87R3378
philosophy of history, Georg Simmel's epistemology; 87R8715
philosophy of history, Georg Simmel's influence; 87R7025
philosophy of history/money, Georg Simmel's/Max Weber's shared views; 87R7011
Simmel, Georg *Philosophy of Money*, "play" conception/methodology; 87R5457
Simmelian adventurer, symbolic aspects; 87R9120
social interaction/inquiry, Georg Simmel's acquaintance concept; 87S1954
society/culture dichotomy, German sociology; 87R3321
sociology conceptions, George Simmel vs Emile Durkheim; 87R7030
sociology of emotions, Georg Simmel's work; 87R6999
subject-object relationship, Georg Simmel's approach; 87R6975
US political sociology, Georg Simmel's influence, post-WWII; 87R9766
women/gender, Herbert Spencer's vs Georg Simmel's thought; 87R1295
women's cultural dilemma, Simmel's views; 87S1985

Similarity
campaign contributions' similarity, political action committees, US; 87S1972

Simulation
Birshtein, Mary M., simulation gaming, USSR; biography; 87R9080
computer simulation models, validity tests; 87R9018
felony criminal case scheduling, simulation model; 87T0202
household cycles, demographic/microsimulation models; hypothetical case studies; 87R9016
human services design, simulation gaming; case studies; design participants, Ohio; 87R9034
multiples distributions, Monte Carlo simulations/Gedanken experiments; 87R6322
nuclear attack, physical/social consequences; computer simulation; 87R8772
social behavior/attitudes; social structure/mobility; simulation game; 87R9818
system dynamics global simulation models, "backcasting," anomaly processing; 87R4526

Singapore
autonomy perceptions, Australian vs Singapore adolescents; family cohesiveness/cultural factors, gender; questionnaire; 87R4664
Chinese secret societies, Singapore/Malaysia, criminological vs social organization research; 87R6646
drug preventive education, treatment/rehabilitation programs, Singapore; 87R4966
interethnic relations management, plural societies; case study; Singapore; 87R3510
population policy changes, Singapore, pro-fertility goals; 87R8447
transvestite prostitutes, subcultural environment/psychological characteristics, Singapore; interviews; 87R9835

Single Parent Family
adolescent psychosocial adjustment; parent's marital status; survey; high school students, Quebec; 87T0425
black female single-parent families, psychosocial implications; 87R8411
children's achievement, 1-parent families; mother's employment; national survey data; elementary/high school students; 87R2339
children's development/adjustment, family processes; parents' divorce/remarriage; questionnaires; 87T0442
children's poverty; family size changes; 1964-1983; 87R8807
children's schooling issues, home-school relationship, single parents' perceptions; interviews; metropolitan Washington, DC; 87R2342
children's well-being/living arrangements, Netherlands second demographic transition; Survey on Alternative Living Arrangements; 87R8292
economic situation, female-headed single-parent families, Quebec; statistics; 87R8815
female-headed single-parent families, Montreal, Quebec; habitat; census, case studies; 87R8400
health status, Mexican-/black-/white-American children; single motherhood; national surveys; 87S1946
migration behavior, public assistance recipients; state benefit levels; national census/panel data; household heads; 87R8809
misbehavior, academic performance, high school students; maternal employment, family structure; High School & Beyond survey, panel data; 87R6157
mother protection laws, agricultural sector, Austria; 87R8097
one-parent families, US/GB, motivational forces; 87R4709
parenting competence perceptions, single fathers; multivariate models tested; Air Force Fathers; 87R2714
postdivorce family, legal regulation, child's interest concept; case records; Paris, France; 87R6495
poverty status, urban vs rural female family householders, socioeconomic/demographic differences; census; 87S1988
premarital sexual activity, marriage/divorce attitudes; parental marital status; interviews, questionnaires; young unmarried female university students; 87R6404
single mothers, financial support program, West Germany; interviews, statistics; 87R8405
single-parent families, media accounts, Canada; content analysis; 87R2668
single-parent family, definition/incidence/causes, India; census, literature review; 87R8345
well-being, female heads of households, predictive factors; national interview survey; 87R8374
well-being/life satisfaction, single-parent, remarried/intact families; phone interviews; Dayton, Ohio; 87R8354
widows' personal/social/financial/childrearing problems, Ludhiana, India; questionnaire; 87R8408
youth unemployment, Australia; family composition, intergenerational immobility; 1981 census data; 87R5616

Single Persons
aging process, single/middle-aged women's perceptions; longitudinal questionnaire data; 87S1931
career patterns, never-married vs divorced/separated professional women; questionnaire; female alumni, midwestern university; 87R9889
"Censis" social research institution, Italy; conference papers; 87R5499
childbearing decisions, single adult women; social factors, family/intimate relationships, life experience; interviews; 87R6526
consumption/finance-handling patterns, happily married vs divorced couples; interviews; 87R4755
fertility decisions, single women; quality-of-life/marital perceptions; questionnaire; 87R3120
health care postponement, unmarried older women; interviews; 87T0602
isolation, unmarried elderly, gender differences; personality characteristics; census data, US; 1969, 1979; 87T0763
love experiences/perceptions, unmarried heterosexual adult couples, symbolic interactionist perspective; interviews; 87R7163
marriage/childbearing expectations, single white females; interview survey; rhetorical analysis; 87R8386
mature unmarried Christian women, ambiguous status, Bangladesh; 87R7836
premarital residential independence, young adults' expectations, US; 1980 High School & Beyond Survey; 87R8308
psychological distress/vulnerability, life event control, women, unmarried persons; panel data; household heads, Chicago, Illinois; 87T1017
psychological well-being older women; environmental variables; interviews; 87T0734
single mothers, dating participation; 87S1934
well-being, female heads of households, predictive factors; national interview survey; 87R8374
well-being, widows vs widowers; support network/other variables; interviews; Winnipeg, Manitoba; 87R8639

Sins
Hindu dharma concept, Karma/pollution relationship; Vedic texts; 87R6197

Situation
drinking-driving behavior decision making, college students, US; situational factors; questionnaires; 87T0718
sexual assault vulnerability, women; lifestyle/age changes; interviews; sexual assault victims, Philadelphia, Pennsylvania; 87R5051
situational definition, social sciences; 87R1447

Sixteenth Century
central European peasantry, early modern times; 7-book review essay; 87R2204
elite social-structural transformation, Norfolk County, England; abstract religious rhetorics/social network equivalence; 1540-1640; 87R2987
family/household models, 16th-19th century Europe; 87R3585
"freedom" concept/word use, German language, historical-comparative analysis; 16th-19th century texts; teaching suggestions; 87R7886
government/geographical hierarchy, Europe vs imperial China; 18th-19th centuries; 87R3818

intertribal alliances/solidarity, North American Indians; 87R1635
pastoralism transition, communal Sami economy, European Arctic region; 1500-1700; 87R3590
population distribution, Madrid/León, Spain; social class; administrative/church records; 87R9809
social organization, demographic patterns, Portugal; 16th century-present; 87R2203
traditional culture, social/political power relations, rural Spanish community; religion; historical/ethnographic analysis; 1600-1980; 87R5114

Size
public goods, individual contributions; group size/rivalry, gender; experiment; 87S1973

Skepticism
astrology belief, confirmatory hypothesis-testing strategies; experiment; 87R4394
scientific skepticism/proofs; 87R6300
technological development, risk assessment policies; France/Sweden/West Germany/US; 87S1963
the self, Erving Goffman's skepticism/positivism; 87R1316

Skid Row
skid row alcoholics, rehabilitation program, recovery/reentry process; 87R8576
skid-row rescue missions, services/programs; mailed questionnaires; International Union of Gospel Missions; 87R8808

Skills
communication competency/classroom success, ethnic differences, assessment instrument; Asian/black/Hispanic/white university students; article/response; 87R6100
criminal skills, incarcerated heroin addicts; prison learning; self-reports; addiction treatment center, Baltimore, Maryland; 87R5538
employee turnover, high-tech settings, worker participation/skill issues; interviews; 87S1961
industrial social work, skills/activities; 87R2135
ombudsmen/industrial social workers, parallel functions/activities; 87R1678
social skill development, re-arrest rate, male adolescent delinquents; intevention style; experiment, inventories; 87R6673
social skills deficits; irrational beliefs; scales; psychiatric patients, students; 87R1457
transition stress reduction, junior high school entrance; skills building training curriculum; experiment; US; 87R4344

Skin
dermatographical patterns (tatooing), Japan; cultural factors; historical analysis; 87R7266
skin color preference, class differences, gene/culture co-evolution; secondary data, Human Relations Area Files; 87R2588

Slang
student jargon, 18th-19th centuries, sociocultural implications; historical documents/dictionaries; 87R8314

Slavery
agricultural reforms, US South, Edmund Ruffin's attempts/work; pre-Civil War; 87R5497
autobiographies, changing social functions, Africa; historical analysis; 87R5331
death fears, slaves' vs masters' perspectives, southern US society; 87R6534
internal colonialism, US blacks; 1640-1986; 87R7217
labor control/resistance, colonial Belize; archival data; London (England), Belize; 87R5898
plantation slave community, South Carolina; book review essay; 87R6712
political/economic/social situation, Guadeloupe; historical/field data; 87R7448
pre-Civil War South, slavery, plantation mistresses as helpers/protectors; 87R7245
proslavery arguments/perceptions, southern US, early 19th century; 87R5551
slave breeding, domestic slave era, US; documentary/testimonial/other data; 87R1816
Zionist/black nationalist movements, W. E. B. Dubois's contributions; 87R5567

Slovenia, Yugoslavia
Slovene folk culture, ethnological research; literature review; Ljubljana, Yugoslavia; 87R5545
social inequality, Yugoslavia; housing policy; 87T0874
social/economic/cultural position, Yugoslav workers in Western Europe vs non-Yugoslavs in Slovenia; literature review; 87R9387
urban quality of life, Slovenia, Yugoslavia; 87R9680

Slums
housing abandonment, spatial distributions, Philadelphia, Pennsylvania; 1930s-1980; 87R4188
slum/squatter settlements, Indian cities, government planning/policy approaches; 87R4191
squatter housing market, Hong Kong, commodification processes; 87R5791
urban squatter settlements, Brazil, popular planning perspective; 87R6054

Small, Albion Woodbury
visual sociology, social reform/behaviorism traditions; 87R5306

Small Businesses
alternative economic enterprises, West Germany, structure/goals/member motivation; 87R3822
"company culture" concept, worker-company relationship, rural France; monographic analysis; 87R1781
economic policy/reform, Hungary, work collectives; 87R1819
employment development, small businesses' contribution, Abruzzo region, Italy; statistics; 87R3715
family day care, home-based work; questionnaire, interviews; Vermont; 87S1974
hazardous waste crime, offense/offender characteristics; case data, interviews; Maine, Maryland, New Jersey, Pennsylvania; 1977-1984; 87R6650
immigrants' self-employment/entrepreneurship, advanced capitalist societies; 87R3823
informal economic sector, Great Paramaribo, Surinam; interviews; independent furniture makers/car mechanics; 87R3820
modern family enterprises, utilitarian vs moral motivation; 87R4780
self-employment projects, Austrian government support, female opportunities; 87R3721
small firm sector, UK, spatial patterns/variations/impact; 87R5302
small-firm development, Italy; political subcultures; 87R4025
small-scale economic units, Hungary, socioeconomic benefit; 87S2001
social policy development/implementation, US Vietnam veterans, Small Business Administration efforts; 87R3675
survival strategies, rural merchants, declining vs growing farm communities, regional-historical context; 87R2989
work commitment/conflict, truckers, small, nonunion companies; participant observation, interviews; 87R7773

Small Farms
aged small farmers, Italy, political economic perspective; 87R8619
agricultural theory, Karl Marx's/Friedrich Engels's views; 87R2187
black farmers' poverty/other problems, US South, governmental development/improvement strategies; 87S1928
conservation technology adoption decisions, farmers, Iowa; economic/diffusion/ecological factors; interviews, observations; 87R9959
family agricultural production, Hungary, rural entrepreneurship; 87R2192
farm organizations/agencies, farmers' utilization; farming dependence; questionnaire; Mississippi; 87S1928
gross income levels, small farms, Louisiana; capital, labor, land, managerial skills; 87S1928
household labor withdrawal, family farms, western Kenya, Africa; internal/external forces; 87R7842
progressive small-scale farmers, Transkei, South Africa; structured interviews; household heads; 87R7811
small farmers, La Laguna region, Mexico; state subsidies; interviews, survey, observation; 87R4170
small-farmer economy, destruction/development threats, Itapúa, Paraguay; structural factors; 87R9548
small-scale tomato growers, São Paulo, Brazil, social class position; 1975 agricultural census; 87R4053

Small Groups
allocation decisions, supervisors; individual vs group characteristics/contributions; 87S1954
conversation quality, small peer groups; age; turn-taking analysis; second/fifth/ninth/twelfth graders, young adults; 87R2254
conversational interaction, group communication behaviors; 87R6098
deliberation process, large vs small juries; experiment; 87R6282
deviant roles, small groups, hostility displacement; questionnaires, videotapes; 87R9189
group communication, rhythmic patterns, paralinguistic features adaptation; interviews; retraining group, Air Force base; 87R4213
group decision making, individual inequity/conflict/satisfaction perceptions; questionnaire; university students, midwestern US; 87R5696
groups, multiple level observation, theory method; book review essay; 87R1405

homophilous friendship, voluntary organizations; interviews; 87R9526
interpersonal vs small group communication, theoretical concepts; 87R1410
leadership emergence, small groups; communicative variables; questionnaires, observation; college theater students; 87R1486
males' vs females' conformity, group pressure settings; experiment; university students; 87R8898
males' vs females' speech styles, dyad/group situations; gender salience; tape-recordings, ratings; university psychology students; 87R3408
multiparty disputes, negotiated collaboration; experiment; elementary schoolchildren; 87R1510
open communication, peer assessment; rater/ratee/relationship/situation/group contingencies; peer ratings; 87R1406
public goods, individual contributions; group size/rivalry, gender; experiment; 87S1973
relative social status, small groups/bounded social networks, measurement indexes; 87R3406
reward allocation incongruity, in-/out-group members; intergroup/-personal bias; experiments; sports enthusiasts; 87R3533
reward allocation, decision-making process; group/individual behavior; experiment; 87R5503
role model, conceptual validity/utility; 87R9222
sanctioning system, same-sex 4-person groups, US vs Japanese subjects' behavior; experiments; 87S1987
small group activities, US/Swedish Japanese industry, diffusion process; outside consultants; 87S1952
small group leadership as myth; 87R1484
small group structure, group members' similarity ratings; 87R5344
small-group prison concept, applicability in GB; 87R2478
small-group process/development principles, college classroom application; 87R1249

Smelser, Neil Joseph
social change concept, W. F. Ogburn's thought; comment; 87R5736

Smith, Adam
ethics-economics relationship, Adam Smith's *Wealth of Nations*; 87R6993
humanist values, state/market compatibility, Thomas Hobbes's/Adam Smith's/Renaissance humanism works; 87R5101
technological innovation, orientations planning, financial/human resources; 87R8190

Smoking
adolescent cigarette smoking; social bonding/differential association constructs; panel data; 87R1492
alcohol/tobacco/marijuana use, adolescents; parental factors/attitudes/practices; longitudinal interviews; New York City, New York; 87T0720
CHAID methodology, smokers vs nonsmokers, South Africa; 87R5340
cigarette advertising, work/leisure/sex/race depiction, consumers' attitudes; content analysis; magazine advertisements; 87R3871
fetal alcohol/tobacco/narcotics effects, publication trends; content analysis; 87R8185
health/lifestyle practices, gender differences; life events, social network, education; 1979 national telephone interview survey; US; 87R2771
lifestyle/health behavior, socialization/social-environmental/cognitive influences; survey; fitness class/program participants; 87R8581
public smoking/health concern, tobacco industry's advertising tactics; content analysis; cigarette advertisements, *Time* magazine; 87R2806
smoking attitudes/practices, young teenagers; family model; questionnaires; Western Australia; 87T0705
smoking behavior variations, rite of passage, health education implications; 87R9241
smoking practices/attitudes, Spain; questionnaires; 87R8567
smoking, children aged 9; personality/environment variables; interviews; 87R2859
smoking/smokeless tobacco use, adolescents; questionnaires; 87R6602
violent crime victimization risk; smoking/bar-going variables; General Social Surveys; 87R5056
workplace antismoking policies, worker/union support; survey; US; 1984/85; 87R9366

Sociability
conversational interaction, group communication behaviors; 87R6098
neighbors' interaction, urban Norway, individuality/sociability tensions; field data; 87R4184
social structure perceptions, affiliative patterns, junior high school students; interviews, observation, ratings; 87R4653
Sturzo, Luigi, sociological system/institutions; 87R3315
urban sociability forms, postindustrial society; 87R2218
working class identity, France; interviews, statistics, documents; Nouzonville; 87R3454

Social Acceptance
classical social theories, phenomenological/rhetorical perspective; 87R6844
emotional need expression, disabled, societal impediments; 87R4952
female ministers, obstacles/impact, christian churches, US, GB; 87T0170
female/minority clergy placement, laity/pastor receptivity, United Methodist churches, Ohio; questionnaire; 87T1009
rational suicide, permissive attitudes; 87R7161
religious distance/social acceptability, US/Canadian denominations; religious vs personal background factors; scale; university students; 87R4375
self-esteem, gender differences; perceived family-peer approval/achievement pressure; questionnaire; junior high/high school students; 87R7110
social policy development/implementation, US Vietnam veterans, Small Business Administration efforts; 87R3675
social science, visibility/public acceptance/policy-making role enhancement, US/GB; 87R7035
women clergy, lay church members' receptivity, US, UK; member/church factors; literature review; 87R9899

Social Action
chaos/transformation theory; natural vs social sciences; 87R3379
ethnomethodology/conversational analysis, action conception/model; response; 87R3459
international pressure groups, Third World sovereignty/citizen's rights threats, conduct code proposed, Latin America; 87R9725
presbyterial/pastoral councils, Belgian Catholic dioceses, organization/key themes; 87R4438
social action, voluntaristic theory proposed; 87R3367
sociological intervention, social movements, effectiveness assessment; 87T0814
spatial structure of action, Thai village; interviews, participant observation; 87R9341
status/status-oriented action, Anthony Giddens's stratification model; 87S1968

Social Agencies
budget/planning uncertainty, social service agencies, organizational responses; mail questionnaire survey; agency administrators, Iowa; 87R3766

Social Anthropology
action anthropology, developmental dynamics; 87R6860
anthropologists as poets, collected works; 87R7044
anthropology of religion, teaching issues, African contexts; 87R6180
anthropology theory, cultural relativism concept; 87R6701
anthropology theory, I. C. Jarvie's philosophy; book review essay; 87R6850
anthropology, cultural relativism ideology; 87R5443
applied anthropology; Malinowski Award address; 87R8933
blood taboo, sexual division of labor, primitive/Western societies; 87R9342
comparative method, sociology/cultural anthropology; 87R6845
cultural anthropology, Clifford Geertz's theoretical contributions; 87R1195
cultural materialism emphasis, North American anthropology, Boasian tradition; 87R7003
cultural translation potential, self-critical capacity, Western society; 87R9332
ethnic group definitions/misinterpretations, Africa; 87R9340
evolutionary theory, Islamic thought; 87R7015
feminist vs anthropological theory, ideational divide; 87R8886
Godelier, Maurice, economic anthropology, Marxist tenets; 87R8918
human nature, anthropological research issues; 87R7131
immigrant acculturation program, Sweden, leader training, anthropology's role; 87R9286
interpersonal relationships, anthropologist/research community, fieldwork situations; 87R7762
racial/ethnic prejudice elimination, social anthropology's role, GB; critique; 87T0598
social anthropology fieldwork; bibliography; 87R7267
social history, structure vs agency explanations, social anthropology/ethnography as alternative perspective; 87R8962
social planning theories, social science specialization; 87T0870
Social Relations and Human Attributes by P. Hirst & P. Woolley; review essay; 87R1363
sociology of culture, goals/tasks; 87R9111
visual anthropology courses, West German institutions; 87R8944

visual anthropology/sociology, course descriptions; 87R6969

Social Attitudes

alcohol consumption attitudes, Protestants vs Catholics, Scotland; questionnaire survey; 87R8077
alcohol consumption attitudes/behavior; questionnaires; young men, France; 87T0690
arriving immigrants' quality, early twentieth century US, alarmist thought; 87R8700
attitudinal perceptions, contemporary black students, traditional black vs white universities; political/social forces; ethnological analysis; Texas; 87R3472
city growth, negative potential, eastern Mediterranean; 87R9989
drinking behavior; attitudes/social support congruency; interviews; adults; 87R6616
drinking/drunkenness portrayals, US detective stories; 87R4253
drunkeness definitions, behaviors/social judgements, France, 19th century; 87T0701
drunkenness/alcoholism, prerevolutionary Russia; 87R8580
elderly, social/political attitudes; survey; Netherlands; 87T0741
family's social representations, France; secondary survey data; 87R4698
formal education, New Britain village, Papua New Guinea, local history/attitudes; fieldwork; 87R1644
future social change, industrialized countries; psychological/social/cultural factors; Delphi survey; social scientists; 87R8741
Israeli policy/government, US Jews' attitudes, sex differences; national survey; 87R7490
justice attitudes; juvenile justice panel members, Scotland; occupation, education, sex; mailed questionnaires; 87R8136
marital attitudes/self-concept/interpersonal relationships, high school students; Family Life Education (FLE) classes; psychosocial scales; 87R4718
mental distress symptoms, cultural meanings, psychiatric patients'/family/community responses/interpretations; case history data; Boston, Massachusetts; 87T0666
nuclear community's attitudes; Chernobyl power plant accident, USSR; 87R7726
nuclear weapons, Lutheran rank-&-file church members' opinions; religious variables; questionnaire survey; 87R8067
other Hispanics' code-switching, bilingual Hispanics' attitudes, personal characteristics; Salinas Valley, California; 87R4202
personality characteristics/future orientations, Japanese youth; content analysis; papers; 87R9221
political/social attitudes, aggregate vs individual stability; 87R1223
premarital sexual behavior/attitude changes, undergraduates; religiosity/socioeconomic/other factors; questionnaires; church-related southern US university; 87R8304
rape tolerance, adolescents/college students/prisoners/community members; sexist/antisocial attitudes/personality; psychological scales; Wisconsin; 87R8865
rational suicide, permissive attitudes; 87R7161
social attitudes, Mizo society, India; education, modernization; questionnaires; adults; 87R3659
social attitudes/sex relations, Yugoslav youth; government policy; questionnaire; 87R8901
social behavior/attitudes; social structure/mobility; simulation game; 87R9818
social images/attitudes, young people, Portugal; religious attitudes; survey; 87R4362
social welfare program choices, middle class commitment; questionnaires; 87R6768
social/economic/political profile, black school board members, Texas; 87R3760
societal beliefs; status inconsistency; survey; Detroit, Michigan; 87R9850
urbanism, space/time dimensions, violence control; 87T0027

Social Background

academic achievement, Australian secondary school graduates; attitudinal/motivational/external factors; questionnaires, school records; 87R7948
alcohol use/sexual experience; traditional/modern background; students, Helsinki University, Finland; 87R2633
alcohol/tobacco/marijuana use, Canadian adolescents; family's/friends' influence; Ontario; 87R8588
biographies/work, Pitirim Sorokin/Vladimir Nabokov; 87R6986
boys from father-absent nuclear/extended family systems, Indian university students attitudes/expectations, South Africa; questionnaire; 87R7135
career success; subjective vs background/family factors; 87S1957
cohabitative union initiation; education level; 1981 Swedish Fertility Survey; women; 87R8362
disciplinary/subdisciplinary commitment, psychology students; personal epistemology; psychometric test; Monclair State College, New Jersey; 87R8320
edcuational attainment; family background, educational resources; national longitudinal data; 87T0139
entrepreneurial success, business managers, India; personal variables; 87R7367
judicial decisions, homicide cases; offender/victim social characteristics; case records; 87R8651
majority/minority socioeconomic group status, psychological consequences, high school students; questionnaire; midwestern US; 87R7094
male spouse abusers, treatment acceptance predictors; program data; 87R8657
males' vs females' income mobility, labor/marriage markets; social background; panel data; 87R2655
marriage age, women; education, occupation, mother's marriage age; life histories; GB; 1946 birth cohort; 87R6350
migration patterns, Indian villages; occupational/social variables; Agro Economic Centre data; 87R4162
migration/mobility patterns, elderly, US; age/period/birth cohort variables; 1940-1980 censuses; 87R8622
murderers, personal characteristics; published studies; India; 87R6652
occupational aspirations/expectations, adolescent females, US; family/school influences; longitudinal/cross-sectional data; 87S1949
occupational attainment/career development, low-income rural youth, southern US; longitudinal data; 87T0397
occupational mobility, women; mothers' occupational attainment; Irish Mobility Study; Republic of Ireland, Northern Ireland; 1973/74; 87R5996
rule-breaking behavior, prison inmates; preinstitutionalization/institution-related traits; census survey; 87R2467
school rules, students' perceptions/behaviors; student/organizational characteristics, social background; survey questionnaire; Newfoundland, Labrador; 87R7996
sexual murders, motivational model; 87R8644
social/economic/political profile, black school board members, Texas; 87R3760
truancy, juvenile detention facility; prior record, background/personality factors; case files; 87R2470
volunteer/involvement levels, adult 4-H leaders; social background/personality/attitudinal factors; questionnaire; 87R7835
young absent fathers' characteristics, US; national longitudinal survey; 87R6388
young adult life course, school/work roles; family background; interviews; 1921/1931/1941 cohorts, Norwegian men; 87R2625

Social Behavior

adolescents' behavior; attitudinal/normative variables; empirical data; high school students, Japan; Fishbein model; 87R6387
behavioral norms' growth/decay, game theory modeling approach; 87R9130
consumption intention/behavior inconsistencies, foods/beverages; unexpected situations; interviews, garbage analysis; households, Tucson, Arizona; 87R5584
future social change, industrialized countries; psychological/social/cultural factors; Delphi survey; social scientists; 87R8741
human behavior, biological perspective, student misconceptions; 87R6963
human behavior/culture, sociobiological analysis; 87T0365
human stimulus, needs; theory/research overview; 87R9225
outport octogenarians, Newfoundland fishing village, bickering/feuding; case study; land feud; 87R4996
primates' sociopolitical behavior, political science vs primatology theory; 87R8284
social behavior/interaction, cognitive approaches; 87R3168
social bondings/affiliative behavior, brain mechanisms' role; experiments; monkeys; 87T0362

Social Change

autobiographies, changing social functions, Africa; historical analysis; 87R5331
bathroom graffiti, gender differences, 1972/1984; colleges, universities, Boston, Massachusetts; 87T0036
bourgeois culture, historical development, universalization/individualization tendencies; 87R3620

political dissensus concept/typology; 87R7586
political system/guerrilla movement, Colombia, 1982-1984 pacification failure, Betancur administration; 87R9797
protest songs, hardrock miner labor union strike, Newfoundland company town (Buchans); case study; 1983; 87R3711
protracted social conflict, Third World, management strategy; 87R8827
racial/social conflict theory, Joseph S. Himes's approach; 87R5423
rural development programs, quality of life considerations, Bangladesh; field survey; Rajshahi villages; 87R9942
social conflict mediation, law's/legal professionals' role; 87R2422
social conflict, Ottoman rule period, Cyprus, religious/ethnic factors; historical/other data; 87R1584
social conflict/collective violence, religion's role, resource mobilization perspective; cross-cultural/transhistorical analysis; 87R6778
social conflicts, Italian peasantry; criminal records; local courts, Cuneo Province; 1901-1903; 87T0851
social crisis investigation, Yugoslavia; 87R8158
social stability/political conflict, communist societies; 87S1985
societal conflict, psychological/social significance; 87R7415
sociology of deviation, Marxist approach; 87R5541
Tamil/Sinhalese ethnic conflict, Sri Lanka, Left's position; 19th century-present; 87R9279
urban conflicts, Geneva, Switzerland, sociological analysis; 87R7855
urban conflicts, Switzerland; 87R7849
urban conflicts/neigbhorhood associations, Geneva, Switzerland; 87R7853
urban struggles, actor groups, Geneva, Switzerland; 87R7861
voting patterns, Uruguay; social/political/structural factors; election results; 87R1976

Social Consciousness
child abuse, sensitization campaign; 87R8303
critical awareness development, introductory sociology course; 87R5389
de-alienation, human consciousness liberation, theoretical framework derived; case study; secondary school teachers, Israel; 87R5520
everyday socialist consciousness, East Germany; 87R7198
farm crisis, rural residents' social awareness; voluntary association membership; telephone surveys; North Dakota communities; 87S1990
graduate sociology education, personal identity transformation process; 87R7019
leader-mass conciousness relationship, facist dictatorship, power/personality aspects; 87R9753
mass consciousness, dialectical nature, socialist vs capitalist viewpoints; 87R9681
nuclear war attitudes, survey question formulations; national sample surveys; 87R5819
physical recreation, social barriers, Poland; human consciousness; research review; 87R5870
political consciousness, traditional vs feminist alternative methodology; 87S1958
prosocial education, objectives/curriculum; 87R8013
social consciousness, Czechoslovakia; 87R5952
social-cultural specialists, ideological/political consciousness, new-class theory; telephone survey; 87S1970
socialist consciousness development; 87R5523
socialist social consciousness, formation/research, Czechoslovakia; 87R5901
sociology of knowledge, methodological issues; 87R6684
teaching-schooling conceptualization, democracy/social justice values; 87R6137
US literary theory, critical perspective; book review essay; 87R7920
worker consciousness, Czechoslovakia; 87R5903

Social Contact
local delinquency rates; external ecological factors; longitudinal data, Chicago, Illinois; 1960-1970; 87R6666

Social Control
amphetamine use, high school senior females; societal bonding; surveys; 1976, 1978, 1980, 1982; 87R4986
appetite control patterns, European society, Middle Ages-20th century; 87R3613
child custody law as ostracism, historical development; 87R2418
child welfare, social control aspects, New South Wales, Australia; literature review; 1800-1940; 87T0382
clan execution as ostracism, feuding tribal societies; historical case study; Montenegro; 19th century; 87R2417
community crime control models; weaknesses/costs; 87R8170
crime control causes/consequences, macro studies, structural functionalist vs conflict perspectives; 87T0203
crime control, insurance/risk management techniques; 87R6274
cultural destruction processes, national/group/individual levels; 87R3621
data protection agencies, Western societies, accountability/surveillance issues; 87R2427
deviance control/attitudes, US military settings; organizational/social characteristics; time series data; 1941-present; 87R3751
deviance/social control institutions, reproductive functions/client experience; case study; 19th-century child saving; 87T0446
deviance/social control, Western scientific worldview, Eastern alternatives; 87R3482
deviant behavior control, urban hospitals, institutional police forces vs hospital psychiatrists; case study; Veterans Administration Medical Center; 87R8549
dispersed social control, advanced capitalism; case study; Australian Press Council; 87R6271
educational institutions, Israeli kibbutzim federation, social control mechanisms; 87R4338
educational placement, black migrant youth, Buffalo, New York, social control issues; 87R6172
environmental education, Australia, societal power/control issues; 87R7997
exclusion/shunning/ostracism practices, historical development; 87R2590
executions/lynchings, blacks, North Carolina, social control issues; secondary data; 1889-1918; 87T0206
family violence, social control issues, child protective agencies; case records; Boston, Massachusetts, 1880-1960; 87T0961
health care system, US, structural dynamics; 87S1968
humor, ostracizing/cohesion-maintaining functions; 87R2581
interpersonal violence, police decision-making/control styles; incident location/context, participant characteristics/behaviors; literature review; 87R6298
Japanese motorcycle gangs, activities/delinquency as playful behavior; literature review, ethnographic/other data; 87R6671
language use/power, state control issues; George Orwell's *1984*, symposium; 87R6090
legal system evolution, autopoietic self-reproduction; 87R8153
legal vs societal regulation, contractualism/formalism/functionalism perspectives; 87R8109
legislation, social control/development functions, democratization process, Yugoslavia; 87T0893
mass media humor, social role, West Germany; content analysis; newspaper column; 87R4242
moral influence development, socialist society; 87R9547
ostracism as social control, children; case study; 87R2414
ostracism patterns, democratic vs authoritarian states; sociobiological perspective; 87R2585

ostracism vs defamation, US law; 87R2413
ostracism, biological/legal aspects, cross-cultural variability; 87R2584
ostracism/boycott, legal institutions, democratic governments; 87R2447
ostracism's functions, Pathan tribes, Pakistan/Afghanistan; 87R1631
ostracism's political significance, biobehavioral perspective; 87R2438
political control cycles, Zurich, Switzerland; 1880-1933; 87R9727
public confessions, Spanish Inquisition vs Stalinist purges; 87R9782
public norm violation, coping behavior modes; subjects' written reports; university students, Netherlands; 87R3485
rape reporting, New York *Times*, social control aspects; content analysis; 1950-1979; 87T0962
research misconduct, organizational response, social control/behavior perspective; social variables; case study; 87R2506
residential self-management institutions, Poland, socialist values; 87R2215
riot control, special police unit, GB; 87R4488
sanctioning system, same-sex 4-person groups, US vs Japanese subjects' behavior; experiments; 87S1987
shunning, Old Order Amish, Ohio; civil lawsuit; 87R2430
social change/regulation, contemporary Italian society; innovations; 87R2513
social class relations, annual carnival's role, Barranquilla, Colombia; 87R9326
social control concept, Talcott Parsons's/Robert K. Merton's structural-functionalist theory, biocybernetic/clinical metaphors; 87R5481
social control patterns, socialist societies; 87S1979
social control, community's role, Western vs other societies; 87R8165
social control, interdisciplinary approach; book review essay; 87R1366
social control/deviance, US/GB; 87R4464
social crisis investigation, Yugoslavia; 87R8158
social order, constraint/collaboration paradox; 87S1984
social-cultural control, Flanders, political corporative networks; 87R7710
society's evolution, Europe, theoretical approaches; 87R3365
sociology of law, imprisonment-economics relationship; 87S2001
sociopolitical control, Greek bureaucratic system; structural/sociopolitical factors; interviews/case studies/other data; 1830-1981; 87R7431
sorcery/illness/social control, Philippine municipality; 87R8489
student behavior governance, cultural vs regulatory compliance strategies; 87R4328
television's ideological/social control, viewer as subject; 87R1893
treatment institutions, staff's social control fucntion; observation; 87R4083
witchcraft as social control/justice system, Franconian peasants, central Germany; 87R2205
worker discipline/productivity, social management issues; Soviet conference reports; 87R1715
youth runaway behavior, criminalization; policy; ethnographic approach; early 1900s vs 1960s-1970s; 87R5068

Le Déclin de l'empire américain (The Decline of the American Empire) by Denis Arcand; film review; 87R8887
realism/ideology, Mark Twain's/W. D. Howell's/Henry James's work; 87R4265
Sicilian society; 2-book review essay; 87R5493
social criticism, adversarial movements, US/world politics; 87R3026
socialism, Cornelius Castoriadis's theories, ontological foundations; 87R7063
teaching-schooling conceptualization, democracy/social justice values; 87R6137
US businessman ideal, journalists'/novelists' portrayals; 87R4260

Social Darwinism
Sumner, William Graham, Scottish moral philosophy; 87R7024

Social Democracy
Capitalism and Social Democracy by A. Przeworski, socialist crisis; review essay; 87R3835
Italian communists, third road to socialism strategy critiqued; 87R9778
psychological practice, social-democratic aspects; historical analysis; US, GB; 87R4938
social services equalization policies, Scandinavian countries; 87R9793
socialist democracy, popular participation, Latin America; 87R9730

Social Desirability
personality scales, projective-inventory method; literature reviews; 87R3201
postal surveys, nonresponse problem, social desirability dimension; judges, prosecutors; 87R1219
situation-oriented response, research interview, social desirability concept; 87R1207

Social Desirability Scales
recalled parent-child relations, homosexual vs heterosexual adult males; questionnaire, scale; 87R2637

Social Determination of Meaning
action/subjectivity/meaning relationship, text theory implications; 87R7059
artistic classification systems, ritual dimensions; 87T0065
cancer representations, political aspects; content analysis; letters, Concertation nationale sur le cancer, France; 87R6564
cigarette advertising, work/leisure/sex/race depiction, consumers' attitudes; content analysis; magazine advertisements; 87R3871
claims-making rhetorical devices, missing children problem; media reports, government records, US; 1980s; 87T0789
classroom as natural social setting, negotiated order perspective; participant observation; 87R8012
contemporary fiction, social situation, traditional narrative's demise; 87R7919
cultural meaning ascription, George Lamming's novels, GB/US/West Indies book reviewers; 87R6112
cultural reproduction processes/codes; 87R4040
culture concept, social sciences; 87R1472
deviance construction, human service organizations, juvenile justice system; organizational characteristics; questionnaires, interviews; 87R7192
disciplinary/subdisciplinary commitment, psychology students; personal epistemology; psychometric test; Monclair State College, New Jersey; 87R8320
discourse analysis, reflexivity issue; 87R4535
distributive justice criteria/rules, Chinese village; field study; 87S1987
Eskimo 'snow' words, language/culture relationship; 87R4224
ethnocentric beauty/ugliness definitions; 87R7259
ethnographic knowledge/fieldwork, interpretive vs subjectivist orientations, empathy concept; 87R6877
everyday life, social meaning construction, ideology's role; 87R6688
family members-medical professionals interaction, linguistic analysis; videotaped conversations; video-taped conversation analyzed; spoken/written channels; information negotiation, methodological benefits; 87T0632
forensic psychiatry, cultural influences; 87R7154
group decision-making process, structuration theory; 87R7095
high energy physics, social action model; *Constructing Quarks: A Sociological History of Particle Physics* by Andrew Pickering; review essay; 87R4536
ideas-social context, relationship typology; 87R6681
identity modes/sources/metadynamics, social constructionist perspective; 87R1481
ideology concept, historical development; Georg Lukács's/Louis Althusser's/Nicos Poulantzas's thought; 87R3359
ideology's function/creation; economic/political interests; 87R3839
illness, developmental structure, Alzheimer's disease; literature analysis, participant observation, hospital field study; 87R6548
Indonesian language development, language/thought/culture relationship; 87R6076
infertilty, social meaning construction, US; 87S1942
The Intellectual and Social Organization of the Sciences by Richard Whitley; review essay; 87R4530
intellectual networks, multiple levels of social determination; case study; philosophers, Germany; early 1800s; 87T0844
interactive dynamics, signaling/interpreting, formal model; 87R1520
international/interpersonal influence, mathematics, Denmark/Israel; stratification; 87R8208
interpretive interactionist methodology, biographically meaningful experiences; 87R1203
juvenile delinquency, Utah; population/employment change, energy development; pooled time-series/cross-sectional data; 87S1996
language preservation/recreation, textual analysis approach; book review essay; 87R4204
language's social nature, Margaret Gilbert's views critiqued; 87T0056
learning disabled students, passing vs metacognition notions; case histories; 87R8024
lesbian social category, self-defined lesbians' understanding, detypified cognitive constructs; interviews, surveys, autobiographical data; 87S1939
linguistic construct, freshwater ecologists, Netherlands; tests, scales; 87R8197
musical meaning, formalist-expressionist model; 87R1499
natural-disaster-related narrative, communication utility, time concept; 87R3489

nursing identity definition, social construction; participant observation; 87R4103
old age perceptions, personal identity/social relations effects, elderly; semistructured interviews; 87R4998
philosophy of science, value crisis; Karl R. Popper's vs Thomas S. Kuhn's conceptions; 87R6856
physician as sacred object, social construction; interviews; physicians' wives, California; 87S1944
pluralistic meanings, everyday events; 87R5487
reality construction, Emile Durkheim's vs modern/anomie theory; 87R1368
reality construction, reification phenomenon, Berger group's model; 87R3336
reality/phenomena, differential experience/conceptualization, "phenomenography" approach; 87R1191
reason/rationality, Max Weber's concept; 87R5321
reinterpretation process, Ludwig Wittgenstein's vs Samoan theory of meaning; ethnographic fieldwork experience; 87R6846
Rules, Exceptions, and Social Order by Robert B. Edgerton, strategic interaction perspective; review essay; 87R4472
scientific communication, Jürgen Habermas's/Niklas Luhmann's theories vs organizational-sociological analysis; 87R6308
scientific ethos/values, normative structure; questionnaires; scientists, Warsaw, Poland; 87R7777
scientific imagination/practice, changing worldview, elementary particle physics; 87R2499
scientific knowledge of production, action/cognition; book review essay; 87R2963
scientific relativism, social construction of technology, radical political analysis proposed; Trevor Pinch's/Wiebe Bijker's work critiqued, reply; 87R4551
scientific research society's development, US, cultural context; historical analysis; 87T0230
scientific texts, disciplinary consensus; case studies; 87R2498
sexual assault vulnerability, women; lifestyle/age changes; interviews; sexual assault victims, Philadelphia, Pennsylvania; 87R5051
situation-oriented response, research interview, social desirability concept; 87R1207
social factist vs social definitionist paradigms, methodological synthesis; 87R1326
social language, group's shared knowledge, communication power; case study; undergraduates, Massachusetts Institute of Technology; 87S1949
social reality/problem negotiation; group power; case study; Rosebush Hotel owners vs residents, Chicago, Illinois; 87R6782
social relations, interpersonal construction processes, macrostructural context; 87S1984
social time concepts, cross-cultural comparison; 87R1448
sociological methodology, speculation vs observation, interpretation; 87R1180
sociology of homosexuality, Netherlands, political aspects; 87R4682
sociology of knowledge course, U of Belgrade, Yugoslavia; 87R5086
sociology of medicine, social constructionist approach; 87T0615
symbolic classification, individual vs shared cultural assumptions, inversion metaphor; 87R4926
symbolic meaning, symbol-referent linkage; 87R3606
technology development, social constructivist approach; case study; ultracentrifuges; 87R8213
truth-producing activities, encyclopedia editing organization; organizational setting/constraints; participant observation; 87R2969
war perceptions, Vietnam veterans; qualitative interviews; 87R4919
women's drinking/drinking problems, US, social constructionist approach; 87R8879

Social Development

acculturation process, rural Mayan communities, Guatemalan Central Highlands; 87S1994
action anthropology, developmental dynamics; 87R6860
agrarian structures, Argentina, 19th-20th centuries; 87R7451
Arab leadership patterns, prophetic-caliphas model; 87R3478
capitalist world economy, southern Africa's status; 1870-1967; 87R5786
change proceses, rural village community, Santulhoa, Portugal; socioeconomic factors; historical analysis; 87R7825
changing economic/social/political conditions, Puerto Rico; statistics, secondary data; 1968-present; 87R9742
civilization development, ecological vs organic system models, control issues, Western civilization's unique status/challenges; 87R9536
computerization, USSR; round-table discussion; 87R6344
decision-making skills, large systems, evolutionary unpredictability; 87R2999
dependent development, textile/electronics/petrochemicals sectors, Taiwan; nationalist state's role; interviews, archival data; 87R5744
deprivation, Dalit population, India, protest movements; 87R5807
development sociology, current stagnation; radical perspectives, Marxist metatheoretical emphases; 87R5408
development, population mobility; census data; Thailand, China; 87R7681
disorganized capitalism, theoretical formulations; 2-book review essay; 87R7621
division of labor, interdependence-differentiation relationship, US; industrial data; 1919-1972; 87R9141
Durkheim, Emile, social development concept; 87R7005
economic problems, new democratic nations, Latin America; 87R7589
economic production, quality emphasis, USSR; labor intensification; 87R7285
economic theory, practical application, USSR; 87R5098
educational development, Liberia; international development funding, interagency conflicts; 1972-1985; 87S1973
engineering/science, USSR, sociophilosophical/methodological problems; 87R4035
higher-status occupational groups, government resource allocation, Thailand; 87R4075
historical comparison, Native American groups, conceptual/practical problems; 87S1959
independence policies, development issues, Iranian revolution; 87R7447
individual workplace, objective/subjective conditions; 87R5619
individual's socioemotional development, intentional value-feelings, quantification coding system; biographical data; 87S1971
international development, female academics'/professionals' efforts; 87R3106
job market, Uruguay, structural changes; 87R2003
Kanaka nationalism, French New Caledonia colony; statistics; 87R1641
labor structure change, pre-/postrevolutionary Mexico; educational expansion, state actions; 1900-1940; 87S1957
laws, cognition/application processes, gnoseological/sociological aspects; 87R5773
life quality, national identity, political/health stability, Costa Rica; modernizing/distributive policies; 1948-present; 87R3398
living standards, Italy, regional disparities; social/economic development; 87R5756
Main Currents in Caribbean Thought by Gordon K. Lewis, Marxist emphasis; review essay; 87R8720
Marx, Karl, history theory, development thesis; 87R1385
material living conditions/social inequality, socialist countries, research issues; 87R3821
middle class composition/economic functions, rural vs urban regions, Manizales/Antiogueno, Colombia; 87R7705
minority nationalities, China, political/social/economic development; 87R1608
Muong ethnic minority, Vietnam, cultural change/policy issues; interviews, literature review; 87R7273
national development, Thailand, rural-urban hierarchy's influence; government data; 1970s; 87R1812
national development, Third World countries; computer industry/use; 87R2523
national socioeconomic development goals, Twenty-Seventh Soviet Communist Party Congress; 87R7472
needs perceptions, Tunisian working class; modernization; 87R7468
peripheral development, Ottoman Empire; capitalist world-economy incorporation; trade data; 1750-1820; 87R3804
personal computer use, USSR, philosophical/methodological issues; 87R4572
political development, Huasteca Potosina, San Luis Potosí, Mexico; 87R7828
political development, Ngeremlengui District, Belau, Micronesia, residents' interpretations, high- vs low-ranking villages; field research; 87R2106
political economy transformation, francophone Quebec, social relations implications; 87R7086
political systems' evolution, punctuated equilibria theory; 87R8961
popular autonomy, Third World, traditional knowledge renewal; 87R7595
popular participation strategy, sociopolitical/cultural development, sub-Saharan Africa; 87T0387
postindustrial Canadian society, problems/self-confidence; 87R1400
protracted social conflict, Third World, management strategy; 87R8827
rural development, regional inequalities, Andhra Pradesh, India; government inputs; surveys; village communities; 1970, 1985; 87R5771

scientific development, cultural variations, peripheral countries; 87R8205

social inequality, functional vs conflict theories; literature review; 87R7696
social inequality, structural barriers, in-class exercise; 87R6933
social inequality, welfare states, vertical-hierarchical stratification system; 87R2088
social justice/economic disparities, modern world; 87R1302
social mobility, Emile Durkheim's writings; 87R7054
social relations network; social differentiation; biased net theory; 87R7400
social status, European vs Yemenite Jews, Israel; archival/other data; early 20th century; 87S1979

social stratification/inequalities research, Kiel University, West Germany, theory/methodology; 87R2073
social stratification/inequality, Mahatma Ghandi's views; literature review; 87R7711
social structure, Yugoslavia, press perceptions; content analysis; 1945-1975; 87R7513
sociology of culture, Pierre Bourdieu's theory; 87R3384
sociology of deviation, Marxist approach; 87R5541
socioprofessional differentiation, Lodz, Poland; empirical studies; 1965 vs 1976; 87R1382
stratification systems, legitimation processes; public ritual; 87S1953
structural equality vs unequal distributive practices, Israeli kibbutzim; doctoral dissertation research findings; 87R5122
underprivilged social groups, Hungary; journal issue introduction; 87T0940
untouchables, myths, discrimination, legel ineffectiveness; economic/religious factors, Brahmins vs Harijans; interviews; household heads, Machra village, India, 1984; 87R4060
urban development, housing inequalities/segregation, Eastern Europe; 87T0035
urban problems, Paris, France, Soviet viewpoint; official statistics; 1976-1982; 87R9990
vocational vs academic tracking programs, secondary school students; 87R8009
wealth distribution justice, people's attitudes, procedural explanation; literature review; 87R7659
women's academic position, higher education, Israel; minority status; faculty listings; 87R7799
work inequalities/developmental contradictions, USSR; 87R4446
workers' social/political attitudes, Western capitalist societies; inequality experiences; interviews; Guelph, Ontario; 87R1695
workplace relations, advanced capitalist societies; published studies; 87R7297

Social Influence

adolescent alcohol use/abuse; parental/peer informal control structures; questionnaires; high school students, Pacific Northwest; 87T0694
award recommendations, personal injuries compensation case; actor's demeanor/status characteristics; videotapes; 87R3450
childbearing attitudes/behavior, childless women vs young mothers; significant others' expectations, personal values/motivations; 87R4588
crowd behavior research, social influence perspective; 87R5840
eyewitness testimony, adults/children aged 6 & 3; developmental differences; experiments; 87R4468
influence measurement, mathematical modeling methods; 87R5146
similarity judgments, Francophone vs Anglophone adults, Quebecs; social identity; experiment; 87R7166

Social Institutions

deviance-social class relationship, consensus vs conflict debate, methodological issues; 87S1998
institutional change, Thorsten Veblen's theory, normative components; 87R9113
social institutions' efficiency, economic analysis; literature review, critique; 87R1775
social institutions, ancient Greece/Rome, Fustel de Coulanges's/Emile Durkheim's work; 87R7062
social/family/work structures, US; technological revolution; historical analysis; 87R2494
socialist institutions, Karl Marx's control concept, problems/deficiencies; 87R8925
students' professional orientation, educational impact effectiveness measurement method; secondary data; Eastern Europe; 87S2003

Social Integration

circulating migration, Puerto Rican families, integration problems; life histories, questionnaire; 87T0465
community attachment; social integration vs satisfaction with community attributes; telephone interview survey; households, Oklahoma City, Oklahoma; 87R5123
community integration, remarried persons; remarriage type; mailed questionnaire; northwestern US city; 87R4734
environmental concern; age/education/other factors; national survey; 87S1993
Eskimos, economic/social integration, Mackenzie valley, Northwest Territories; 87R7270
ethnic organizations, Italian/Turkish immigrants, West Germany, participation/integration/assimilation factors; field study; 87R3570
German educational system, historical development/role; 87R4352
housing integration strategies, Cleveland, Ohio, inmovers' characteristics; survey; 87S1931
immigrant groups, social integration, marriage/birth rates, Buenos Aires, Argentina; 1860-1923; 87T0018
immigrant political rights/integration, Sweden, representative governments, dual-citizenship solution; 87R3528
immigration policy, group integration/cohesion, Chile; 87T0349
indigenous Veddas, Sri Lanka, cultural integration; 87R7216
interracial income inequality, US cities; black population percentage/political influence; census data; 87R7614
Italian immigrant associations, France; cross-generational analysis; 87R4586
Italian immigrants, France, assimilation patterns; 1876-1975; 87R4585
Jewish community integration, US; religious commitment; questionnaire; Jews, Indianapolis, Indiana; 87R2392
migration decisions, peasant agricultural producers, West Malaysia; community sociostructural factors; interviews; 87R4161
North African immigrants, France, postcolonial minority status; 87R4581
Old Order Amish, US, deviant identity/ideology; 87R3484
psychological well-being, risk-taking behavior, adults; parenthood, social environment; national probability sample data; 87R2706
racial pluralism, urban neighborhoods, stabilization efforts; field research census; Indianapolis (Indiana)/Rochester/Milwaukee (Wisconsin)/Hartford (Connecticut); 87S1942
social integration, elderly, Third World societies; 87T0774
social integration/isolation, adjustment processes, elderly; life histories, interviews; Geneva/Valais region, Switzerland; 87R2880
sociocultural integration levels, operational concept; 87R7081
suicide rates, immigrant groups, Canada; social integration levels; official statistics; 87R4805
utopian communities, self-perception/integration mechanisms; literature review; 87R7482
workplace integration, developmentally-disabled/mentally retarded adults; experiment; symbolic interactionist perspective; 87T0810

Social Interaction

adolescent girls' interpersonal behavior, physical eduation classes; age, sex-role orientation; observation, Bem Sex-Role Inventory; New Jersey; 87R3934
altruism, definition/operationalization, motivational varieties; 87R7097
attributions' role, exchange transactions; power, status, inequity; vignettes; 87S1961
attunement process, communication/deference systems, microlinguistics approach; 87R1517
bureaucratic encounters, welfare state programs, citizens' evaluations; interviews; adults, Detroit, Michigan; 87R6767
children's group problem solving; social interaction; experiment; 87R8296
children's play, cultural/social/communicative aspects; 87R8298
classroom as natural social setting, negotiated order perspective; participant observation; 87R8012
cognitive predictions, conserver/nonconserver pairs; social interaction; experiment; kindergartners; 87R8299
communicative interaction process, speech expression rules, acquisition model; 87R1417
communicative interaction, individual's social representation; 87R1469
computerized bulletin board users, social interactions/relationships; observations; 87R2535
control/compliance interactions, abusive vs nonabusive mother-child dyads; videotapes; Toronto, Ontario; 87R4789
conversation as social interaction system, reciprocal orientation/action; 87R7892
conversational interaction, context levels, bureaucratic environment; 87R9205
conversational interaction, group communication behaviors; 87R6098
conversational uncertainty/forgetfulness, syntactic/paralinguistic technique; videotapes; 87R9214
cooperation, social structure, Werner Raub's/Thomas Voss's study critiqued; reply; 87R3810
crime as social vs legal phenomena, victim-offender interactions; 87S1986
customer-clerk interactions; participants' race; experiment; supermarket/discount stores, northern Florida; 87R3829
dbase-III database management system, social research applications; 87R9004
delinquency, student vs working post-high school subgroups; person-environment fit, psychological strain; longitudinal panel data; 87R6753
discourse interaction, intended vs literal meanings; 87R9216
distributive justice criteria/rules, Chinese village; field study; 87S1987

drinking habits, village pubs, Melton, England; gender, age, social class; fieldwork data; 87R3437
educational research, ground theory approach/methodology; 87R1189
emotional behavior/experiences, social interaction, cross-national differences; questionnaire; 87R1480
ethnic attitude/prejudice expression, daily conversations, Amsterdam, Netherlands; 87R4236
family interaction, observation measures, observer agreement/reliability/generalizability; videotapes; 87R4711
group analysis, rating scales, validation; 87R5547
group knowledge/behavior consensus; individuals' interaction level/structural position; case study; undergraduates, Massachusetts Institute of Technology; 87S1950
individual educational achievement; class interaction system; 87R6129
individual identity formation, communication/interaction systems; Franco-German case studies; 87R1568
individual-society relationship, norms/social organization/collective consciousness; literature review; 87R5477
institutional economics, John R. Commons's/Karl Polanyi's theories; 87R9160
interactive dynamics, signaling/interpreting, formal model; 87R1520
interactive frames/knowledge schema, medical examination/interview; videotape, pediatrician-mother exchange; 87R9194
interpersonal behavior/communication, structural complexity; 87R4227
interview exchange, teaching post candidate, England, interactional/sequential structures; 87R9190
intimate relationship termination, bad news delivery strategies; interviews; 87R1419
mentally ill patients, others' fear/dangerousness perceptions; increased contact; questionnaire; Macomb, Illinois/Cincinnati, Ohio; 87R6590
neighbor relations, high-rise residences, Israel; building structure, personal characteristics; interviews; women; 87R2228
neighborhood social networks, summer vs Christmas seasons, transactional approach; questionnaire, interviews; household heads; 87R1790
nursing home life, patients' adjustment; individual/psychological/institutional variables; observation, interviews; 87R2899
organizational culture, interaction rituals; case study; International Harvester Corporation; 87S1957
patient-practitioner encounters, interaction analysis technique; observation; 87R6541
prosocial behavior, sociobiological explanations; literature review; 87R7107
queueing, social organization; 87R8938
racial/ethnic prejudice; intergroup contact; content analysis; sociology journal articles; 87R1553
reciprocity norms, Chinese vs Western societies; literature review; 87R5916
recurrence phenomenon, face-to-face interaction, semiotic approach; 87R5463
religion, individual/society linkage role; interviews; households, Winnipeg, Manitoba; 87R8056
role identity negotiation, interaction strategies; transcripts; 87R9249
Rules, Exceptions, and Social Order by Robert B. Edgerton, strategic interaction perspective; review essay; 87R4472
"sauna culture," Austria; literature review, interviews, participant observation; 87R1513
similarity judgments, Francophone vs Anglophone adults, Quebecs; social identity; experiment; 87R7166
single interaction episodes, conversation analytic modality; 87T0054
social integration/isolation, adjustment processes, elderly; life histories, interviews; Geneva/Valais region, Switzerland; 87R2880
social interaction matrix comparison, nonparametric technique; published empirical examples; 87R3178
social interaction, interpretive conception; 87R5313
social interaction, mass mediation, television programming; 87R9639
social interaction, motivational dynamics theory, alternative approaches; 87R5490
social interaction, traditional manufacturing vs advanced industrial cities; 87R3806
social interaction/inquiry, Georg Simmel's acquaintance concept; 87S1954
social interaction/structure relationship, sociological/social-psychological perspectives; 87S1956
social order construction, Jewish summer camp setting, anthropological interactional perspective; interviews, document analysis, participant observation; 87R3500
social organization studies, analytic categories; 87R7061
social psychological research, sociolinguistic techniques; 87R3433
social relations network; social differentiation; biased net theory; 87R7400
social relations, interpersonal construction processes, macrostructural context; 87S1984
social relations/gender roles, same-sex groups, kindergarten classrooms; field notes, audiotapes; Minneapolis, Minnesota/Cincinnati, Ohio; 87T1024
social rhythms/pauses, human behavior; 87R3492
social/sports sciences, action theoretical approach; 87R5873
sociological theory exchange, US; 87R1318
spatial structure of action, Thai village; interviews, participant observation; 87R9341
status quo, interpretive understanding; 87S1978
stratification systems, legitimation processes; public ritual; 87S1953
stratified social orders, legitimation process, theoretical explication; 87R3967
teacher-pupil social interaction, school context, socialization process; 87R4332
therapist/family interaction; clinical experience; 87R5277
understanding attainment, iterative search, conceptual viewpoint; videotapes; sewing machine operation; 87R3449
women fishsellers, Congolese marketplace, social interaction patterns; 87T1031

Social Isolation

aged population's size/characteristics, India, rural vs urban areas; 87R8239
alienation/isolation myth, elderly, US; 87R2693
alienation/powerlessness/social isolation, correctional officers, Montana State Prison; prison structural variables; questionnaires; 87R7803
child neglect families, social distancing; social class, sex, race; questionnaire; 87R8356
childlessness, social meanings/ramifications, elderly Gende, Papua New Guinea; participant observation, interviews, census, surveys; 87T0787
death/solitude/individualism, Norbert Elias's views; 2-book review essay; 87R5412
depression, housewives; family income, role dissatisfaction, extrafamilial contacts; interivews; southeastern US; 87R4943
depression, older women; intimate relationship qualities; questionnaires; Madison, Wisconsin; 87R8855
exclusion/shunning/ostracism practices, historical development; 87R2590
isolation, unmarried elderly, gender differences; personality characteristics; census data, US; 1969, 1979; 87T0763
living alone, metropolitan elderly, US; housing/social service availability; 87S1966
low-income/neglectful mothers' loneliness; ecological determinants; survey; urban/rural families; 87R4937
mentally ill, in-patient treatment facility, least-favored-individual principle; 87T0642
ostracism, biological/legal aspects, cross-cultural variability; 87R2584
religious participation; incomplete family ties; national survey; 87R4380
social isolation, frail elderly, Tokyo, Japan; index; 87R6620
social isolation, unemployed, theoretical issues; 87R5635
widows'/widowers' life styles, urban US; survey; Chicago, Illinois; 87R2887
word usage sanctions, language community, excommunication; 87R2259

Social Justice

bourgeois political ideology, democracy theories/crisis; 87R3996
educational justice/equality, Poland; 87R4274
labor process democratization/just social order, Emile Durkheim's vs Michael Buraway's theories; 87R9065
legal decision making, interpretive paradigms, social/political control issues; 87R8144
political corruption, policy impact; official data; 87R2922
social justice, USSR, social sciences' role; 87R3842
social justice/economic disparities, modern world; 87R1302
welfare/income equality policies, market liberalism/democratic socialism critiqued, fraternity recommended; 87R6734

Social Life

life-concept, 20th-century German/US social theory; 87S1977
social life feeling, questionnaire responses; direction-of-wording; interview data; adults, US; 87R5337
social life, 20th-century Quebec, Catholic Church's role; 2-book review essay; 87R2389
sociology-rationalism, Michel Maffesoli's work; book review essay; 87R5415

Social Mobility
black vs white social mobility, Brazil; 87R9748
class mobility, females, GB, data analysis approaches/problems; 1983 General Election Study; 87R7682
class structure/mobility, Yugoslavia; 87R5969
collective/individual mobility processes, Poland, systemic functions; 87R2114
community formation, old/new Palestinian immigrants, northeastern US; wars, economic/social/spatial mobility factors; participant observation, interviews, questionnaire, historical literature analysis; 1948; 87R3534
comparative social mobility tables, degree-of-freedom tests, US/GB/Japan; 87T0356
educational/occupational status, intergenerational mobility, higher education students, India; interviews; Bangalore; 87R2093
elite composition, India, caste vs class stratification; 87R4057
ethnic minority housing/segregation, choice/constraint factors; interviews, official data, census; Bedford, England; 87R3568
graduate school academic hierarchy, stratification/prestige/equality issues; national questionnnaire survey; graduate students; 1969; 87T0108
household furnishings, Italy, social status implications; questionnaires, photographs; 87R9807
intra-/intergenerational income mobility, Geneva, Switzerland; survey; 87R2085
loglinear models, structural/circulation mobility, methodological issues; 87R9840
loquocentric society/politics, Jürgen Habermas's critique refuted; 87R7089
migration motivation, migrants' social mobility attainment perception, India, theoretico-methodological perspective; 87S2002
mobility tables, cross-national comparison, association/other models; 87S1987
occupational mobility, cross-national invariants; published tables; 87R7727
opportunity structure, West Germany; job/social class mobility; retrospective interviews; 87R7694
Poverty and Progress: Social Mobility in a Nineteenth Century City by Stephan Thernstrom; introduction/comments/response; 87R7713
social behavior/attitudes; social structure/mobility; simulation game; 87R9818
social mobility analysis, status-specific inheritance/quasi-independence models critiqued; article/reply; 87R5965
social mobility possibility, caste system, India; 87R7689
social mobility research, industrialized countries; 87R9834
social mobility, caste society, India, Louis Dumont's theories; 87S2002
social mobility, cross-national variability; published data; industrial nations; 87R7729
social mobility, Emile Durkheim's writings; 87R7054
social mobility, Haryana State, India; regional rural development; interviews; village residents; 87R6006
social mobility, peasant-origin teachers, Poland; questionnaire; 87R4102
social mobility, Poland; state intervention; 1945-1958; 87R2090
social mobility, social system openness, young industrial workers, socialist countries; survey; Bulgaria, Czechoslovakia, Hungary, Poland, USSR; 1978/79; 87R9824
social mobility, US males; economic transition; census/survey data; 19th-20th centuries; 87R9827
social mobility; ethnicity; survey; Toronto, Ontario; 87S1962
social stratification/mobility, big-time college football, postwar US, vacancy chain models; 87R3908
social/occupational mobility, social-psychological correlates; interviews; professionals, Dorchester (Boston), Massachusetts; 87R3440
socioecological/social structure, cities; social mobility; Bangalore, India; 87S2002
status crystallization, organized sports participants; questionnaires; 87R4054
stratification outcomes, GB/West Germany/Sweden; welfare policy; official data; 87R2112
teachers' role/social position, Poland, historical development; 87R4110
Vietnamese/Cambodian/Laotian refugees, US, resettlement/integration patterns; official statistics; 87R9292

Social Movements
Accuracy in Academia campaign, organizational failure; 87S1943
acquired immune deficiency syndrome, voluntary service organizations' development/structure, economic-political environment effects, Connecticut; 87S2004
antisuffragism movement, US, ideology/mobilization; content analysis; journal articles; 87R3855
battered women's movement, organizational decentralization, local level manifestations; interviews; 87R9622
biography writing, selection/approaches/sources/value; case example; feminist perspective; 87R6794
Catholic social organizations/political party, Belgium, pre-World War II relationship; 87R4371
civil religious movements, postrevolutionary communist societies, Max Weber's enchantment/disenchantment theory; case study; Bolshevik party, USSR; 87R7087

intergroup relationships, scientists, social mapping; survey; 1971; 87T0130
interpersonal network range, Americans, subgroup differences; General Social Survey; 87R5729
interpersonal relationships, marital happiness, married college women; reference group orientations, role assumption/status; interviews; 87R2700
kibbutz community, network analysis; 87R3784
land access/social stratification, Yankee farm community; network patterns; survey, field study; 87S1991
leadership relationships, equalitarian vs hierarchical organizations; formal/friendship ties; 87S1955
marital role segregation; social network connectedness, Elizabeth Bott's hypothesis; interviews; Puerto Rican immigrants/adult children, couples; 87R6481
Mexican migrant networks, US; ethnographic/survey data; 87T0327
migratory experiences, Puerto Rican immigrants, US; bilingual educational programs; interviews/observational/other data; 87S1969
neighborhood social networks, summer vs Christmas seasons, transactional approach; questionnaire, interviews; household heads; 87R1790
network analysis, positional/relational patterns, latter-day morphology approach; 87S1952
network exchanges; institutional conditions; 87S1970
network structure, strike attitudes/behavior, garment factory; workers' role equivalencies; case study, observations; 87R9448
occupational status distribution/attainment; social networks; secondary data analysis; employed men, Netherlands; 87R4094
participant ties, Hollywood film industry; project-based organization; credit lists; 87R5990
personal network communities, urbanites' perceptions; interviews; East York, Toronto; 87R5728
political behavior; social networks, neighborhoods; National Election studies; September/November 1980; 87R1999
political candidate choice, industrial societies, psychological (Michigan school) vs social (Columbian school) explanations; 87R2059
population social structure, social status, role-sets, network position as measure; methodological aspects; 87R3779
power, exchange networks, vulnerability criterion; critique/reply; 87R1791
power, unilateral monopolies; peripheral vs central position, weak vs strong connection type; 87S1974
power-centrality relationship, exchange networks; 87R5726
primary/secondary friendship orientations, older women; interviews, observations; Oak Park, Illinois; 87R2873
professional contacts/connections, US authors; mail survey; 87R2146
psychological health/stress, elderly single-room hotel residents; social networks; interviews; Manhattan, New York City, New York; 87R1787

relative social status, small groups/bounded social networks, measurement indexes; 87R3406
social contagion/innovation; cohesion vs structural equivalence explanations; *Medical Innovation* reanalysis; 87R6908
social evaluation process, network approach; 87R8982
social movement participation, individual motivations; social networks; 87S1980
social network analysis, Euclidean distance measures vs correlations; response/reply; 87R7393
social network, Indian immigrant family, Toronto, Ontario; 87R3530
social networks, point-graph-centrality distribution; 87R7396
social roles, graph/semigroup homomorphisms, algebraic analytic framework; secondary data; Renaissance-era Florence, Italy; 87R7392
social structure perceptions, affiliative patterns, junior high school students; interviews, observation, ratings; 87R4653
sociocultural evolution, generative processes, multinational corporations' role; 87R5722
status attainment/occupational prestige, Netherlands/US/Federal Republic Germany; informal/family contacts; 87R3780
stress-induced illness/disability; social networks/support; 87R2770
structural/interpersonal/attitudinal characteristics, alcoholics vs their network members; interviews; 87R2870
unit's prominence/centrality, social networks, measurement techniques; 87R5730
upper class cohesion, social registry, Nichols School, Buffalo, New York; biographical material; 1892-1977; 87R2075
voluntary civil activity, Japanese communities, networking forms; 87T0009
widows'/widowers' life styles, urban US; survey; Chicago, Illinois; 87R2887

Social Order

classroom as natural social setting, negotiated order perspective; participant observation; 87R8012
disequilibrium forces, social systems, orthodox paradigm vs Karl Marx's dialectic; 87R1185
interpersonal cooperation, social structural conditions; 87R1464
legal system evolution, autopoietic self-reproduction; 87R8153
legal vs societal regulation, contractualism/formalism/functionalism perspectives; 87R8109
pharmacist professionalization/role negotiation; hospital social context/structure, interpersonal relations; participant observation; teaching hospitals; 87R2155
queueing, social organization; 87R8938
Rules, Exceptions, and Social Order by Robert B. Edgerton, strategic interaction perspective; review essay; 87R4472
social crisis investigation, Yugoslavia; 87R8158
social order, constraint/collaboration paradox; 87S1984
social order, liberal theory, constitutional contract vs evaluation debate; 2-book review essay; 87R1939
social order, Raymond Boudon's interpretation; book discussion; 87R5406
social stability/political conflict, communist societies; 87S1985
theory of spontaneous order, historical development, Friedrich A. Hayek's concept; 87R1351
trust, functions/necessity, social atomism vs holism; 87R1373
truth/deconstruction, theoretical issues; 87T0847

Social Participation

anthropological work, social involvement issues; literature review; 87R5421
community organization, elderly residents' involvement, Chicago, Illinois; interviews, participant observation; 87S1976
racial alienation/attitudes, black workers; minority organization membership; questionnaires; 87R3695
social/cultural participation, young people, Portugal; religious position; survey; 1983; 87R4421
voluntary organization participation, urban South Koreans; primary relationships; questionnaires; household heads/housewives, Pusan; 87R9998

Social Perception

acquired immune deficiency syndrome victims, community rejection; survey; Muncie, Indiana; 87R8479
activities/public perceptions, Unification Church members, Belgium; interviews; 87R9623
antipolice attitudes, young West Indian blacks, GB; interview survey; 87R1555
behavioral geography/environmental perception studies, research trends; 87R8791
blood donation; personal/perceived social norms; mailed questionnaires; community residents, Wisconsin; 87R7147
cancer control, public perceptions; telephone survey; Ohio; 87S1933
child abuse, sensitization campaign; 87R8303
child delinquency prediction, peer behavior evaluations; scales; first-graders, Montreal, Quebec; 87T0808
claims-making rhetorical devices, missing children problem; media reports, government records, US; 1980s; 87T0789
commercial gambling, media coverage; content analysis; newspaper, Philadelphia, Pennsylvania; 87R9638
community transition, deinstitutionalized mental patients, reasoning processes/life-world perceptions; participant observation, interviews, formal documentation; 87R8532
computer imperative adherence, home computer owners; questionnaire; 87R2534
crime coverage, Canadian press; content analysis; articles/editorials, Ottawa (Ontario) *citizen*; 87R9644
drug treatment centers, planning process, Switzerland; 87R7494
family's social representations, France; secondary survey data; 87R4698
friendship perceptions, Italian adolescents; social cognition measures; questionnaires; 87R7106
gender roles, television programs, audience perceptions; experiment; soap opera viewers; 87T1034
History of Bourgeois Perception by Donald M. Lowe; review essay; 87R2980
judgment convergence, structural/psychological factors; M. Sherif's study critiqued; 87R7153
law school deans' leader behavior, deans' vs faculty perceptions; questionnaire; US; 87R7187
leadership style, managerial effectiveness perceptions, police supervisors; surveys; US; 87R8181
legal consciousness/behavior, Japan; literature review; 87R8133
mental illness, newspaper portrayals, Canada; content analysis; 87R9643
mental patient rejection; stigmatization vs behavior explanations; mailed questionnaires, vignettes; Cincinnati, Ohio, residents; 87R8540
normative role/position, Swedish universities; 87R8008
opposite sex, adolescents' perceptions; cross-sex experiences/interaction; 87R8899
perceived threat levels; punishment; self-administered questionnaires, personal interviews; federal prison inmates; 87R7101
perceived underpayment; earnings, spouses' earnings; telephone interviews; married couples; 87R7764
perceptions of others/stereotyping; family structure; questionnaire; 87R3418
personal network communities, urbanites' perceptions; interviews; East York, Toronto; 87R5728
police public relations service, Montreal, Quebec, press-police relations; 87R9650
power perceptions, female corporate directors, US; survey, interviews; 87S1957
property crimes, mass media coverage; content analysis, newspapers, Nice, France/Geneva, Switzerland; 87R9652
public amenities' desegregation, black workers' attitudes, Randburg, South Africa; questionnaire survey; 87R7497
punishment appropriateness ratings; subjective/objective crime proximity; questionnaires; victims/nonvictims, Boston, Massachusetts; 87R1878
recombinant DNA technology hazards, scientific consensus; 87R8222
relative power/social distance perceptions, blacks; black population percentage; national survey; 87R7113
risk perception, social policy, public discourse; acid rain issue, France/West Germany; 87R6760
ruble value, urban/rural differences, USSR; questionnaire; 1981/82; 87R9248
science & technology, public distrust, industrialized countries; 87R6338
self-/other perceptions, rapid growth- vs stable rural community residents; ecological/class/lifestyle variables; disorganizational/compositional/subcultural perspectives evaluated; 87R6715
Sinai evacuation negotiation, political conditions, public ambivalence, Israel; 87R9634
smoking practices/attitudes, Spain; questionnaires; 87R8567
social cognition, college students; social role/position; experiments; 87R7164
social cognition/perception, information processing; literature review; 87R9220
social reality perceptions, high school students; television viewing; secondary data; California, Oregon; 87R7519
social science, visibility/public acceptance/policy-making role enhancement, US/GB; 87R7035

social structure perceptions, affiliative patterns, junior high school students; interviews, observation, ratings; 87R4653
social structure, Yugoslavia, press perceptions; content analysis; 1945-1975; 87R7513
sociology of culture, "relative attention" research paradigm; literature review; 87S1985
speaker age identification; physiological/social factors; adult males aged 25-75; 87R7894
street people, downtown community's perceptions; interviews; 87R6068
unemployment perceptions, Australian workers/union leaders; interviews; 87R9404
wealth assessments, New Zealand vs California farmers; ethnographic community studies; 87R7261
Young Offenders Act of 1982, Canada, mass media reactions; content analysis; articles; 87R9649

Social Philosophy
affirmative action, limited social philosophy; 87R6728
autonomous technology, Maurice Merleau-Ponty/Martin Heidegger's philosophy; 87R2529
Bakhtin, Mikhail, literary/cultural contributions; book review essay; 87R3332
democracy concept, Luigi Sturzo's/Alexis de Tocqueville's political philosophy; 87R7036
Dewey, John, experimentalist philosophy, Lester F. Ward's influence; 87R8037
Fernández de Moratín, Leandro, autobiographical/theoretical/dramatic works, 18th-/19th-century Spain; critical analysis; 87R7926
García Bacca, J. D. anthropological work, Spain; 87R6973
Hobbes, Thomas, political thought, historical context; 87R7082
man's sociopsychological condition, Jean-Jacques Rousseau's autobiography; 87R4255
meaning/understanding, Donald Davidson's/Jürgen Habermas's rationalizations; 87R8968
psychological realism, US founding fathers, science of politics perspective; 87R7633
Romero, Silvio, 19th-century Brazilian literary critic/social commentator; 87R1296
social inequality, 6th century BC, Buddhist philosophy; 87R4379
social part/contract, Immanuel Kant's/Spanish Jesuit Francisco Suarez's thought; 87R7070
social stratification/inequality, Mahatma Ghandi's views; literature review; 87R7711
Sturzo, Luigi, philosophical concerns; 87R6991
Sturzo, Luigi, political/intellectual thought; personal correspondence; 87R7017
subject-object relationship, Georg Simmel's approach; 87R6975
Tocqueville, Alexis de, political convictions; 87R6979
work-leisure relationship, André Gorz's vs G. W. F. Hegel's/Karl Marx's philosophies; 87R7539

Social Planning
academic labor force, size/age structure; organizational records; policyholders, Teachers Insurance & Annuity Association; 87R7723
disaster propensity, social preconditions, organizational countermeasures; 87R3040
economic development, women's/family's role, Middle East; 87R8857
educational planning, Hungary; 87R7989
elderly, welfare programs, municipal planning process, Sweden; interview survey; 87T0752
emergency evaluation times, nuclear disasters, computer model developed; case study; Public Service Company, Oklahoma; 87R8785
integral urban planning system, Yugoslavia; case study; Belgrade; 87T0012
local/global issues, 21st century, religion's role; 87R4374
mental health care service delivery, aged persons, interorganizational relations; 87R8556
recreational space planning, US user participation; 87R5844
seasonal population dynamics, Abkhaz Autonomous Soviet Socialist Republic, tourism planning implications; official statistics; 87R7442
social forecasting project, "Czechoslovakia 2010"; 87R5749
social management literature, USSR; 87R7320
social planning concept, Dutch sociology; 87R5416
social planning theories, social science specialization; 87T0870
social planning, emancipatory approach, societal self-direction; 87T0868
social policy/control, concepts/functions; 87R5132
socialist society formation, Poland; planning/human interactions/individual interests; 87R1380
sociological research, trends/tasks/themes, German Democratic Republic; 87R5451

Social Policy
"Censis" social research institution, Italy; conference papers; 87R5499
community care ideology, policy functions, Scandinavia; 87T1019
comparative social policy research, GB; 87R8749
comparative social policy, conceptual framework; 87R6736
development policy, Kenya, self-help concept; field research; 87R3063
drunk driving, social/economic costs, deterrent countermeasures; Australia; 87R2844
family size, Third World countries; old age security beliefs/values; interviews; couples, south-central India; 87S2002
family social policy, US, values/religion roles; 87R4747
health/education policy, elite attitudes, US/GB/West Germany; questionnaires; 87S1967
inequality, Hungary, social/economic policy reform; Marxist perspective; 87R2081
Israeli settlement removal, Sinai occupied territory, background/theoretical issues; special journal issue introduction; 87R9696
low-income aged/disabled, US, social welfare policy; case study; Supplemental Security Income; 87T0738
nursing home patients/health care workers, social policies' impact, US; participant observation; 87T0742
poverty/unemployment traps, tax/benefit structure reforms, UK; case study; 87T0954
redemocratization process, Latin America; 87R9776
social equality, policy issues, Yugoslavia; 87T0875
social planning, emancipatory approach, societal self-direction; 87T0868
social policy development/implementation, US Vietnam veterans, Small Business Administration efforts; 87R3675
social policy making, unintended consequences; policy intent/implementation procedures; 87T0895
social policy origins/functions, capitalism vs socialism; case study; Yugoslavia; 1979-1986; 87T0878
social policy origins/functions; 87T0896
social policy/control, concepts/functions; 87R5132
social policy/processes, welfare state crisis, postindustrial society; 87R9726
social work practice, research relevance problems; personal experience; GB; 87R5067
socialist goals, economic strategy/development, post-WWII Yugoslavia; 87T0866
tax system, Yugoslavia, socioeconomic inequality/income redistribution functions; 87R9754
unemployment perceptions, Australian workers/union leaders; interviews; 87R9404
unmarried mothers, social stigma, policy issues; 87R9266
welfare state crisis, Pierpaolo Donati's thought; comments; 87R2067
welfare state crisis, Pierpaolo Donati's thought; comments; 87R2068
working class, social policy; contemporary theory vs Karl Marx; 87R5955
youth runaway behavior, criminalization; policy; ethnographic approach; early 1900s vs 1960s-1970s; 87R5068

Social Power
actor/network interdependence, simulation studies, theoretical considerations; 87R9156
coercive actions/processes, state policies; 87R9127
coercive threats, dominant/subordinate relationships, game theory format; 87R7046
communication/information, journalistic knowledge monopoly vs oral traditions, H. A. Innis's views; 87R5456
empowerment model, organizational commitment/communication/resources; 87S1969
experimentation vs technological production, cognitive/social aspects; 87R8707
industrialists, social/political/economic roles/behavior, Ecuador; interviews; Quito, Guayaquil; 87R5745
legal decision making, interpretive paradigms, social/political control issues; 87R8144
Marxism/deconstruction, Louis Althusser's/Jacques Derrida's writings; 87R3145
power definitions, objective vs subjective models, research implications; 87R9155
relative power/social distance perceptions, blacks; black population percentage; national survey; 87R7113
social position/power, physicians; 87R4127
voting power, electoral subgroups, quantifying model proposed; 87R7577

Social Pressure
judgment convergence, structural/psychological factors; M. Sherif's study critiqued; 87R7153

males' vs females' conformity, group pressure settings; experiment; university students; 87R8898

Social Problems

black family structure, social problems/policies; 87R4715
black family structure; political/economic factors; 87R4764
black women/families, problems/issues; 87R5246
claims-making rhetorical devices, missing children problem; media reports, government records, US; 1980s; 87T0789
collective behavior, emergent norms/social structure, social movement vs other organizations; 87S1973
contemporary social problems, US , global context; 87S1944
family size, social/physical/other effects; literature review; 87R8426
limited labor market policy, Yugoslavia, social/economic implications; 87R9800
needs perceptions, Tunisian working class; modernization; 87R7468
popular literature, 19th-century US, social function; 87R4256
Russian sociology journal, letters to the editor; comments; 87R6967
social class relations, annual carnival's role, Barranquilla, Colombia; 87R9326
social issues, Catholic vs socialist pillars' approaches, Belgium; 87R4440
social issues/personal life relationships; *Journal of Social Issues* articles; 87R7052
social pathology, residential districts, Silesia, Poland; empirical studies; 1970; 87R2249
"social problem" concept, religious/evil symbolism; 87R3390
social problem institutionalization, acute poisonings, poison control centers; historical case study; 87R3029
social problems definition, textbook authors' role; content analysis; war coverage; 87S1936
social problems theory, constructionist vs objectivist approaches; 87R9147
social problems, conditions/processes, welfare state; 87S1938
social problems, India, preventive/curative approaches; 1938 convocation address; 87R5498
social problems, metropolitan areas, US; migration patterns; census, national statistics; 1975-1980; 87T0019
social reports/Netherlands, sociology's contribution; 87R3007
South Pacific migration to Australia, social consequences; published studies review; 87R2546
Technology, Ecology, & Social Development Project, ecol-humanistic model; 87R2524
urban problems, US, Marxist thought; 87T0008
welfare/income equality policies, market liberalism/democratic socialism critiqued, fraternity recommended; 87R6734
Western late-industrial society, tranformation/problems; 87R3003
youth problems, Europe, educational implications; 87R4666

Social Processes

acoustic phenomena/social processes, functional interrelationship; 87S1964
collective movements, informalization/formalization processes; Netherlands; 87R1623
The Constitution of Society: The Outline of the Theory of Structuration by Anthony Giddens; review essay; 87R9169
correlational change analysis, reliability/metric issues; 87R6895
democratic transition process, Brazil, Spain; 87R9788
household composition/formation, Minho province, Portugal; literature review; 87R6434
path/causal analysis, method appropriateness issues, structural approach proposed; 87R6905
power as communication medium, social intervention rhetoric; 87R7050
social policy/processes, welfare state crisis, postindustrial society; 87R9726
social processes vs functional imperatives, theoretical distinction; 87S1992
social processes, materialistic nature, Soviet Marxist views; 87R5585
social/political change, Muslim society, district paradigm; case study; religious leader's rise; 87R6176
technical innovation/change vs scientific paradigm, informational interaction model; 87T0231

Social Programs

food bank programs, Canada; social welfare cuts; 87R8823
mass media vs print use, working poor; education; interviews; women, Comprehensive Employment and Training Act program; 87R5185
Mexican National Food Program, food crisis/strategies; newspaper reports; 87R4839
poverty/welfare, public attitudes; surveys; 1980s; 87T0949
welfare policies, Switzerland; 87R6773
work incentive program, unemployed welfare clients, impression management strategy; 87R5664

Social Progress

peace/social progress, Karl Marx's work; 87R5275
progress as social problem, modern life; 87R8742
religion/anthropology, Franz Boas'/Kaufmann Kohler's thought, Jewish/German liberal influence; 87R1315
social progress, German Democratic Republic, working classes' role; 87R4068

Social Psychiatry

psychiatry/social psychiatry, Italy; 87R4903

Social Psychology

brewery strike, UK, sociopsychological analysis; participant observation; 87R7354
economic decision making, "satisficing" concept, social psychological perspective; 87R9188
experimental social psychology, operationalism persistence; 87R6858
female-male relations, social psychology research; 87R1411
infertility/involuntary childlessness, social/psychological implications; literature review; 87T0484
migration decisions, cognitive information process, social psychological perspective; mobility data; 87R1413
minority aging, double-jeopardy hypothesis, social-psychological perspective; literature review; 87R8101
Social Psychology by B. H. Raven & J. Z. Rubin; review symposium; 87R2512
social psychology of nonhuman primates, research issues; 87R5506
the self, social psychology's rediscovery; 87R1479
torture, victim humiliation; 87R9246

Social Reality

class formation/exploitation, rational-choice vs traditional Marxist theory; 87R5474
doctor-supply glut, physicians' beliefs, socially constructed phenomenon; literature review; 87R6549
ideology's function/creation; economic/political interests; 87R3839
nature/being metaphysics, Chinese concept/attitude; 87R3609
reality construction, reification phenomenon, Berger group's model; 87R3336
self/reality construction, suicide/schizophrenia/bohemianism, symblic interactionism perspective; autobiographical works, case studies; 87R5543
social issues, Catholic vs socialist pillars' approaches, Belgium; 87R4440
social reality/problem negotiation; group power; case study; Rosebush Hotel owners vs residents, Chicago, Illinois; 87R6782
sociology of knowledge/philosophy, weak/relativistic views critiqued; 87R6676
symbolic classification, individual vs shared cultural assumptions, inversion metaphor; 87R4926
systems theory, Niklas Luhmann's approach; 87R5473

Social Reform

agrarian reform, Carchi province, Ecuador; 87R7467
deinstitutionalization policy, Italy, psychiatrists' role; 87R8542
legal/economic system restructuring, USSR; 87T0201
Mead, George Herbert, progressive reform commitment; 87S1979
poverty/unemployment traps, tax/benefit structure reforms, UK; case study; 87T0954
power redistribution/decentralization, politicians' views, South Africa; interviews; 87R7576
religious meaning system, women social reformers, early 20th century; biographies; 87S1997
vegetarianism movement as secular religion, 19th-/20th-century Germany; 87R3619
visual sociology, social reform/behaviorism traditions; 87R5306
women's status/rights, Guinea, ideology vs reality; observation, interviews, statistics; 87R7646

Social Relations

body disorders/illness, social construction, workplace setting; observation, interviews; industrial plants, France; 87R3682
business/social relationships, Islamic Al Gamaliyya quarter, Cairo, Egypt; fieldwork, secondary studies; 87R4195
commitment/satisfaction, homosexual vs heterosexual relationships, investment model; questionnaire; 87R4681
computerized mail systems/conference facilities, heavy vs light users' characteristics; questionnaire survey; University of Massachusetts, Amherst; 87R2527
feminist geography research, theoretical/methodological issues; 87T1029
gender social construction, nongendered alternatives; 87R6798

Hindu/Muslim communities, India, social/economic/political interrelationships; 87R4361
housing cooperatives, economic action/space appropriation, Montreal, Quebec; interviews, participant observation, documents; 87R5731
labor exchange, village households, Hungary; questionnaire, case study; Tiszaigar; 87R9967
leadership/authority relations, Yoruba society, Nigeria; Islam/Christian institutions; case study; 87R4390
past/present/future perceptions, convalescent/retirement home residents; task/interpersonal orientations; interviews; 87R2890
reactionary religious ideologies, modern capitalist societies; 87R6242
reciprocal labor system, *Chetri* caste households, Nepalese village; 87R6030
reciprocity norms, Chinese vs Western societies; literature review; 87R5916
relational communication, content-relationship interface model; 87R7891
social categories/relations, Hinduism, India, Brahmin/king/sannyasi; hagiography, iconography, ritual; 87R2411
social change/adaptation, Poland; 87R1813
social relations, diffusion processes, unified general theory proposed; literature review; 87R5464
social relations, India, intercultural approach; 87R5411
social relations, individuals' well-being, less developed countries; computer technology; 87R2526
social relationship laws, social science research methods; 87R1345
social support; social relationships' structure/function/quantity; 87R7124
socialist society formation, Poland; planning/human interactions/individual interests; 87R1380
tobacco production, social group relations, Ilocano, Philippines; 87R4175
traditional trade persistence, capitalist penetration, Papua New Guinea; product monetization resistance; fieldwork; Maring, Tsuwenkai village; 87R3643
violence against police, Florida; community type vs departmental style; statistics; 1979-1981; 87R6777
voluntary organization participation, urban South Koreans; primary relationships; questionnaires; household heads/housewives, Pusan; 87R9998

Social Reproduction
cultural production control, mass media, social aspects; 87R9655
delinquency, social reproduction/repression issues; literature review; 87R7190
deviance/social control institutions, reproductive functions/client experience; case study; 19th-century child saving; 87T0446
family cycle, Andean mountain communities, Ecuador, social reproduction strategies; fieldwork; 87R4725
father-son/father-daughter educational mobility; Hungary, the Netherlands; large-scale surveys; 87R4330
gender difference production/reproduction, educational settings; extracurricular activity participation; observations; 87T1028
gender identity reproduction, Nancy Chodorow's pyschoanalytic/sociological synthesis; 87R9095
inegalitarian class/race/gender reproduction; schools' "hidden curriculum"; observation; lower class black students, northeastern US community college; 87R4356
labor force reproduction, capitalist context; state's actions; 87R5274
legal system evolution, autopoietic self-reproduction; 87R8153
microcomputers' emergence, private secondary boarding school students' response; field data; 87R8016
minority problems/separation, nation-state's role; 87R3569
patriarchal family structure/reproductive strategies; 15th-16th century Portuguese nobility; genealogical data; 87T0293
population reproduction, policy issues, socialist societies; 87R6730
racism/discrimination, advanced capitalist societies; 87R7210

States and Social Revolutions by Theda Skocpol; review essay; 87R1858
status/status-oriented action, Anthony Giddens's stratification model; 87S1968
structural heterogeneity, dependent capitalist countries, methodological dilemmas; 87R7676
the subject, Anthony Giddens's theory; 87R1392
theater audience, social composition/cultural attitudes; questionnaires; 87R7904
trade unions movement, Italy, dequalification issue; 87S1999
underground economy, Italy, capitalist crisis vs political explanations; 87R9603
unemployment structure, France vs GB; statistics; 1970-1984; 87R9356
utopian communities, self-perception/integration mechanisms; literature review; 87R7482
voting behavior, Vicenza, Italy; socioeconomic/religious factors; survey; 1946-1980; 87R1978

Social Studies

social structure, Yugoslavia, press perceptions; content analysis; 1945-1975; 87R7513
textbook selection process, National Council for the Social Studies policy; content analysis; official/leaders' statements, journal articles; 87R2312

Social Support

academic aspirations, ethnic group differences, Australian adolescents; external support perceptions; survey; Anglo vs Greek vs southern Italian 16-year-olds; 87R4661
action sciences, sociology's utility, jurisprudence/pedagogy cases; 87R5429
aged people, state vs adult children as support sources; Australian legislation; 87R8626
arterial blood pressure, males vs females, central Mexico community; perceived social support; interviews, medical tests; Temascalcingo; 87R4828
assistance patterns/life satisfaction, elderly; parental vs marital status; interviews; 87R6629
benzodiazepine tranquilizer use, sex differences, elderly; social support; interviews; Durham, North Carolina; 87R4983
change commitments, criminal exinmates, intervention methods; interviews; correctional centers, Canada; longitudinal analysis; 87R4516
child self-esteem; sex, parental support dimensions; self-report questionnaires; college students; 87R6514
coping ability, unemployed adolescents, Scotland; psychosocial variables; interviews; 87R9410
coping/well-being, Alzheimers patients' caregivers; personal/social resources; self-report questionnaires; US; 87R4951
depressive symptomatology; chronic medical problems, coping resources; longitudinal surveys; rural residents, Tennessee; 87R2783
depressive symptoms; confidant support, demographic variables, marital status; face-to-face interviews; Mexican immigrant women, San Diego County, California; 87R6573
divorce adjustment, gender differences; family stress; questionnaires; Texas; 87T0495
drinking behavior; attitudes/social support congruency; interviews; adults; 87R6616
economic crisis, Philippines, social networking processes/functions; 87R9520
elderly family member care, full-time working women, work-life management; community/employer/friend support; interviews; 87R7303
elderly, family/informal care, Sweden; literature review, national statistics; 87R8636
elderly, Middletown, US, life satisfaction/health/other characteristics; telephone interviews; Muncie, Indiana; 87S1932
elderly, social support networks, gerontological research issues; 6-book review essay; 87T0761
family life events, stress perceptions, social support utilization; sex differences; mail questionnaire; rural Michigan; 87R2713
family stress/adaptation, Double ABCX model; questionnaires; relocating US Army families; 87R2678
family support, black Americans; familial/demographic factors; interviews; adults; 87R4768
frail elderly, caregivers' emotional strain; interviews; Norway; 87T0491
friendship, nursing faculty; scholarly activity, social support, demographic variables; questionnaire; New York, Pennsylvania; 87R2779
health outcomes, employed males vs females; social support; questionnaire; 87R2768
health outcomes/solutions, community social support structures, roles/functions; 87R2766
health service utilization, US elderly, age/period/cohort effects; US Health Interview Surveys; 1972, 1976, 1980; 87R5025
health status; social network resources, control, trust; interview survey, medical records; health maintenance organization enrollees; 87R2777
help-seeking behavior; job insecurity; interviews; principal wage earners, Los Angeles-Long Beach, California; 87R3677
hospitalized psychiatric patients, India, family group support; 87R4751
illness careers, elderly retirement facility residents; social-psychological factors; interviews; 87T0589
informal support systems, elderly, planned retirement communities; Sun City Area Long Term Care Survey; Arizona; 1982; 87T0779
life quality/satisfaction, inner-city elderly, New York City; ethnicity; questionnaire; blacks/whites/Hispanics; 87R4997
life satisfaction, elderly; role support/loss, activity, self-concept; 87S1930
loneliness, older women; marital status, family/friendship relationships; interviews; 87R7111
maladaptive parenting, social support/life stress/personal control risk factors; interviews/questionnaires; white mothers, Canada; 87R2705
maternal/infant health outcomes, unmarried pregnant adolescents; psychosocial influences; questionnaire; Pima County, Arizona; 87R4651

mental health problems, working class mothers; paid employment, other factors; community interview survey; 87R2830
mental health/disorder; physical/psychosocial/sociocultural supplies access; questionnaire; residents, North Carolina; 87R6586
mental/physical well-being measurement, individual relationship vs global network support; interviews; adults, Purmerend/Haarlemmermeer, Netherlands; 87R9522
mortality risks; social ties; literature review; 87T0573
neighborhood social care, formal/informal sources' relationship, GB; secondary data; 87R8802
New York City 1977 blackout looting; neighborhood characteristics survey, statistics; 87T0794
occupational advancement, female vs male workers; social support; questionnaire; 87R7342
occupational stress/burnout, social support's role; questionnaire; correctional officers, US; 87R2129
past/present/future perceptions, convalescent/retirement home residents; task/interpersonal orientations; interviews; 87R2890
physical health, adults aged 30+, Pennsylvania; social support/network, mail questionnaires; 87R8466
pregnancy outcomes/birthweights; social support; literature review; 87R4934
primary group task performance; neighborhood age homogeneity; interviews; elderly, New York, Florida; 87R6633
psychological adaptation, battered women; social support systems; interviews, questionnaire; 87R6816
psychological distress, new mothers; social support; interviews; 87R4765
psychological distress, social structural variables' effect; prior distress; epidemiological surveys; 87R6582
psychological distress, women; work/family role, social support; interviews; 87S1943
psychological distress; social support/personality interaction; scales; student sample, South Africa; 87R2810
psychological symptoms, elderly; life-event stress; interviews; Kentucky; 87T0661
self-esteem, Israeli widows; emotional/instrumental support; questionnaires, interviews; 87R9229
service delivery/mortality rates, institutionalized elderly; formal vs informal support systems; survey; 87R8630
social movement organizations, local chapter functioning; membership vs community organization support; case study; Mothers Against Drunk Driving (MADD); 87S1985
social networks, support provision; network composition/structure, members' characteristics; quantitative/qualitative data; 87S1986
social support research problems, cultural factors; literature review; 87R9331
social support research, concepts/models/measures; 87R1786
social support types, stressor types, timing; theoretical perspectives/research directions; 87R3370
social support, blue-/white-collar males; unemployment; longitudinal panel data; Boston, Massachusetts; 87R5614
social support, elderly, multidimensional factor structure; interviews; family practice center, Pitt County, North Carolina; 87T0772
social support/networks, married female nurses; mail questionnaires; 87R1789
social support; social relationships' structure/function/quantity; 87R7124
spousal support perceptions/mother-infant involvement, Japanese vs US women; observation inventory; 87R4717
stress, medical school students; social support/relationships; survey, interviews; 87R6558
stress-buffering effects, perceived vs received social support; national survey; 87R1482
stress-caused illness episodes; social support networks; interviews; Denmark; 87T0583
stress-induced illness/disability; social networks/support; 87R2770
surgery recovery, myocardial infarction patients; psychosocial factors; telephone interviews; white males, Baltimore, Maryland; 87R4818
US Army family relocation, West Germany, support program needs; questionnaire; 87T0485
well-being, myocardial infarction patients; interpersonal relationships, self-concept; national survey; 87R8522
youth-adulthood transition, US; 87R6395

Social Systems

cultural institutions/artistic work, postindustrial society; 87R7200
cultural/socioeconomic/religious characteristics, Latin American countries; 87R7655
household/family structure, 19th-century Cuenca, Spain, diachronic analysis; archival data; 87T0498
investment construction projects, technological/economic/social systems; 87R6838
iron law of oligarchy, mitigating practices; case studies; ancient Athens, International Typographical Union; 87R3951
job satisfaction/workplace culture, restaurant, Scotland; participant observation; 87R1702
Luhmann, Niklas, systems theory; 87R7077
marriage counseling, social system theory's clinical utility; case study; 87R5287
pastoralism transition, communal Sami economy, European Arctic region; 1500-1700; 87R3590
pilgrimage center, Haiti, social/political function; field research; 87R4405
religion as partial system, Niklas Luhmann's theory; 87R6192
social crisis, Yugoslavia, political origins; 87R5917
social state concept, postmodern capitalism; 87R3973
social system-individual relationship, Niklas Luhmann's theoretical-methodological approach critiqued; 87R9268
social systems, ecological aspects, general systems ecological model, indirect control; 87R5453
social/political crisis, Yugoslavia; content analysis; newspaper/journal articles; 87R5817
sociocultural systems, material/social-structural/ideological subsystems, evolutionary relationship; Human Relations Area Files data; 87R3375
water allocation, farmer-managed irrigation systems, Indonesia; system/age/design, interpersonal processes; interviews, field observations; Balinese "subak" analyses; 1981-1983; 87R2209

Social Theories

friendship relations, sociological research issues; 87R1420
gender crossing, gentile societies, sociocultural mechanisms; 87R3127
genetic diversity, Liberia; sociocultural/ethnohistorical factors; case study; malarial resistance trait; 87T0361
health individual situational adaptation; sociocultural environment; 87R4809
health problems/care utilization, Moroccan immigrants, Anwerp, Belgium; demographic/cultural/health belief variables; interviews, participant observation; 87R8500
heterogamous/homogamous marriages, Kuwait, gender/age/religious characteristics; statistics; 1974-1984; 87T0441
homeless people/experiences, Birmingham, Alabama; interviews; 87S1932
human geography trends, Israel; sociocultural stressors; 87R5093
individualism, group relations, Japan vs Western industrialized nations; historically determined cultural/social structural factors; survey, structured observation, historical analysis; 87S1978
infant mortality, Mexico; community-level factors; survey; 87S1930
ischemic heart disease, middle-aged men, Ghent/Liege, Belgium; sociocultural characteristics; questionnaire; 87R8484
leprosy, social-biomedical treatment model; 87T0635
living standard/earnings differentiation, Czechoslovakia; education; 87R6726
longevity/life satisfaction, predictive factors; Duke Longitudinal Studies; 87R2894
Mafia/sexual/political aggression, Sicilian observers' judgments; sociocultural factors; scale ratings; 87R3427
marital quality, first-generation Chinese immigrants, US; demographic/structural/psychological variables; questionnaires; 87T0477
mate choice formation, farming community, Illinois; economic/social/familial/dyadic factors; archival records, survey, interviews, participant observation; 87R8350
mental health/disorder; physical/psychosocial/sociocultural supplies access; questionnaire; residents, North Carolina; 87R6586
military security, cultural mediation; 87R8757
neighboring practices, western communities, US; population/ecological change; 87S1947
new religious movements, Italian society; 87R2372
psychiatric hospital admissions/length-of-stay, Japan; cultural system; 87T0660
rape behavior/attitudes, rapists vs other felons; sociocultural myths, aggressive socialization; questionnaires, interviews, psychological scales; prisoners, Virginia; 87R6647
rural-urban migration, Gende, Papua New Guinea; economic inequality, sociocultural factors; participant observation, surveys; 87R1645
science history instruction, non-Western countries, cultural factors; 87T0235
sex-role identity/self-esteem, cultural influence; psychometric test, scales; college students, Madras, India/Australia; 87T1035
sexual harassment, assertive responses, females; cultural/organizational/personal resource power; interviews, questionnaires; auto plant assemblers; 87R8864
sexual identity disclosure, work settings; workplace characteristics, co-worker socialibity; questionnaires; lesbians; 87R5686
social development, global apprehension, systems theory/social parameters; 87R9184
socioeconomic achievement, religio-ethnic group differences; national surveys; 87T0155
socioeconomic crisis, Lebanon, ethical/historical origins; 87R5495
student jargon, 18th-19th centuries, sociocultural implications; historical documents/dictionaries; 87R8314
Third World development, anthropologists'/economists' approaches; 6-book review essay; 87R5770
tourism, sociocultural functions, USSR; questionnaire; travelers; 87R1930
value change, Western industrialized societies, R. Inglehart's post-materialism theory; questionnaire surveys; 87R5915
viral hepatitis epidemiology, lay/medical beliefs, southwestern US county; historical reviews, census tract incidence rate data, participant observation; 87R4854
"visible saints," Mediterranean culture area; clinical case study; 87T0648
women's political participation; ideological/campaign/socioeconomic factors; 87R5925
work attitudes, turnover intentions; training environment; interviews, questionnaires, observation; merchant marine engineering students, US/GB/Spain; 87R3730

Sociodemographic Factors

abortion/contraception/childbearing decision making, black teenage females; sociodemographic characteristics/educational attitudes/sex education & experience/friends' influences; interviews; 87R4795
alcoholism prevention, distribution of consumption model; sociodemographic variables; county-level statistics; Ontario; 87R8579
American Association of Affirmative Action directors, demographic/social/employment characteristics, race differences; questionnaires; 87S1929
anorexia nervosa patients, social class distribution; case notes; psychiatric referrals, Glasgow, Scotland, 1979-1983; 87R4972
anorexia nervosa, US blacks, family/sexual/psychiatric/social class history; case studies; hospital patients; 1976-1984; 87R4980
Arab-American immigrants, socioeconomic status; census data; 87R8258
Australian immigrant program, retention rates; government data; 87T0323
black suburbanization, US; socioeconomic status improvement, social inequality; sociodemographic data; 1960-1980; 87R6351
burnout, pastoral ministry, demographic correlates; inventory, survey; North Carolina metropolitan areas; 87R4114
cancer mortality differentials, older ages, multiple cause-of-death model; literature review; 87R6575
capital accumulation, return migrants, Jamaica; interviews, sociodemographic data; 87R3837
capital punishment attitudes, US; sociodemographic variables; questionnaire survey; 87R3423
career commitment, black police officers; sociodemographic/political variables; field study, interviews, observation; Detroit, Michigan/Denver, Colorado; 87R4523
child-family relations; sociodemographic factors; literature review; 87R2595
criminal homicide, demographic/environmental/social correlates, crime control/policy implications; police records; Nashville, Tennessee; 1983-1985; 87R8662
criminal victimization risks; routine activities/lifestyles variables; 1975 National Crime Survey; US; 87R8664
criminal violence, metropolitan areas, demographic structure, local culture; 87R3068
cultural consumption; cognitive intelligence, sociodemographic characteristics; Life Situation Surveys, Central Bureau of Statistics; Netherlands; 1979, 1983; 87R3869
deleterious behaviors/conditions; alcohol availability, sociodemographic variables; city-level data; Tennessee; 87R8574
depressive patients, Nigeria, sociodemographic characteristics; case notes; 87R4922
differential fertility, women, US; sociocultural changes; 1980 Current Population Survey; 87R2733
distress; social status, sex, marital status, undesirable events; literature review; 87R2827
divorce determinants; marriage duration; National Longitudinal Survey; young/mature women; 87R2696
divorce, Iran, recent trends; court records, published data; 1966-1983;

87R6411
drinking location selection, convicted drunken drivers; sociodemographic characteristics; questionnaires; Mississippi; 1982/83; 87T0713
drug addicts/abusers, population characteristics; case histories; L'Abbaye institution, Paris, France; 87R4955
drunk driving, legal/personal deterrents; sociodemographic variables; literature review; 87R8656
eating-disordered females, sociodemographic/psychodynamic characteristics; inventory; anorexic/bulimic outpatients; 87R4978
employment-criminality relationship; criminal records, employment history, home-life/demographic data; youths aged 13-18, Youth Services Center, Philadelphia, Pennsylvania; 87R5070
environmental concern, demographic variables; path analysis; 87R3033
family support, black Americans; familial/demographic factors; interviews; adults; 87R4768
fear of crime, Mississippi residents; demographic/population variables, prior victimization; survey; 87R5047
fear of crime, underlying constructs, college students; demographic/social factors; 87R6653
fertility differentials, majority/minority ethnic group women, Nigeria; social/demographic characteristics; survey; 87R8259
fertility levels, Indochinese refugees, US; interviews; 87R1582
first-marriage transition, Norwegian males; sociodemographic/other factors; life histories; 87R8413
gender roles, television portrayals, viewers' perceptions; demographic variables; questionnaires; 87S1975
grade average prediction accuracy, age/sex/racial-ethnic subgroups, college freshman; subgroup/dummy variable prediction equations; American College Testing Program data; 87R6169
health problems/care utilization, Moroccan immigrants, Anwerp, Belgium; demographic/cultural/health belief variables; interviews, participant observation; 87R8500
health/illness/death, GB, social patterning; statistics, surveys; 87R8492
homosexual males, contemporary China, demographic/personal characteristics; letter content analysis; 87S1977
household-formation systems, rural Europe, preindustrial era; 87R6765
infectious disease mortality rates, US; socioeconomic/demographic/health variables; SMSA data; 1980; 87R4891
innovation adoption, villager participation/perspectives, rural communities, Saudi Arabia; structured interviews; Wadi Fatma; 87R5112
institutionalized insane, demographic/treatment variables, 19th-century Philadelphia, Pennsylvania; register, data; 87R8536
job commitment/satisfaction, police officers; demographic/individual/organizational/role conflict factors; self-administered questionnaires; 87R2142
labor allocation, on-/off-farm work, family farms, North Carolina; farm/family/sociodemographic characteristics; 87S1986
labor force participation, Southeast Asian refugees, US; individual/household characteristics, sponsorship; telephone interviews; 87R1529
language choice/attitudes, deaf college students; demographic background; questionnaires, interviews; 87R2260
legal abortion attitudes, race differences; demographic/attitudinal/other factors; General Social Surveys; 1972-1984; 87R2728
Malaysian children, mothers' educational expectations; family characteristics, mothers' education/marriage age/premarital work experience; Malaysian Family Life Survey; 87R6174
married women's perinatal labor force participation; personal attitudes; Natinal Longitudinal Surveys of Labor Market Experience of Young Women; 87R5642
mortality rates; gender, social factors; death certificates; census; Finland; 1969-1971; 87T0314
mortality variability, nonmetropolitan counties, US; sustenance organization structure, regional demographic/environmental characteristics; public documents; 87R4620
national development, Thailand, rural-urban hierarchy's influence; government data; 1970s; 87R1812
news comprehension/awareness; demographic/media-use/interpersonal discussion variables; interviews; 87R1468
occupational choice; personality/taste/conventional factors; company records; 87R4092
political alienation, Richard Easterlin's temporal variability explanation; National Election Surveys; US; 1952-1980; 87R8441
prenatal care utilization; sociodemographic/psychological/health variables; 87R8490
psychopathological symptoms, adolescent females; sociodemographic factors; psychiatric hospital records; Massachusetts; 1973-1983; 87T0650
Puerto Rican migrants, US, demographic/socioeconomic characteristics; census data; 1960-1980; 87R8260
rape victimization rates; ecological factors, victim activities; official crime reports; Buffalo, New York; 1975; 87R3076
real income distribution, developing nations vs industrial democracies; 87R4584
religious attitudes/other characteristics, young people, Portugal; questionnaire interview survey; 1983; 87R4391
religious/political attitudes/behavior trends, Spain; statistics, surveys; 87R8076
remarriage, demographic changes; 87R8357
reproductive impairments, US females; demographic/socioeconomic variables; surveys; 87R8451
reproductive success, rural village, Trinidad; genealogical/demographic/economic factors; interviews; households; 87R6525
return migrants, sociodemographic characteristics; Panel Study of Income Dynamics; 1968-1975; 87R2564
sex-role attitudes, college students, India; background variables, community size; questionnaire; 1978; 87R3456
sex-role attitudes, liberal shift, young women; education/other sociodemographic factors; questionnaires; Pennsylvania; 1970-1981; 87R5256
sex-role norms; demographic/attitudinal/lifestyle factors; interviews, questionnaires; husbands/wives, Chicago, Illinois; 87R8908
substance intervention/prevention, adolescent treatment programs, demographic-based stratification approach; survey; 87R4982
substance use rates, women vs men; epidemiologic surveys; New York; 87R2849
suicide legitimacy, public attitudes, US; sociodemographic characteristics; 1982 General Social Survey; 87T0566
unmarried cohabiting partners, demographic/social/economic characteristics, Australia; national survey; 87R8372
value attitudes, Badajoz region, Spain; age, sex, social class, education; interviews; 87R8358
violence rate, Israeli cities; socioeconomic/demographic variables; 87R3072
violent crime rates, New Zealand; social/economic/demographic variables; official statistics; 87R6776
voluntary association membership, black Americans, post-civil-rights era; interviews; Chicago, Illinois; 87R9523
West German General Social Survey, demographic variables' stability; interviews; 87R5351
women's crime involvement; societal-level sex ratio; international data; 87T0806
young adults living in parental home, demographic characteristics; census, national survey; 87R4722

Socioeconomic Factors

ability/effort attribution, schoolchildren, Sri Lanka vs England; socioeconomic factors; interviews; 87R8705
adult mortality, Korea, levels/trends/socioeconomic differentials; national survey; 87R2559
agriculture policy, Finland, state intervention; 87R4159
American Indian-white vs black-white intermarriage patterns; socioeconomic characteristics; census; 87R8403
Anglo/black/Mexican-American migrants vs nonmigrants, socioeconomic differences; national data; southwestern US; 87S1995
antifeminist movements, cross-cultural/historical theory, 19th & 20th centuries; literature review; 87T0981
birth-sex ratio, cross-cultural analysis; literature review; 87R6426
bundling as courtship; ethnographic data; peasants, Austria; 87R6402
childhood mortality, racial/income-related patterns; census/other data; Boston, Massachusetts; 87R2579
chronic disease etiology, ischemic heart disease, socioepidemiological paradigms; socioeconomic stress factors; literature review; 87R4945
computer access/use, children; family income, age, sex; Current Population Survey; 87S1966
computer usage/access/attitudes, secondary school students; gender, socioeconomic status; questionnaire; California; 87S1965
crime control, US, political/class factors; 2-book review essay; 87R2431
cultural continuity, Karl Marx's worker alienation concept vs Melanie Klein's child projective identification process; 87R4921
drug abuse, youth peer cultures; social/psychological characteristics; 87R8598
educational expansion, Jordan; demographic/social/economic factors; 1950-1980; 87R4331
educational performance, primary schoolchildren; parents' cultural resources; empirical analysis; 87R4304
family structure, joint Madhava Brahmin families, Bangalore, India; socioeconomic factors; 87R8421

family type preferences, social/economic factors, Taiwan; national survey; 87T0520
family-building events, Sweden, changing patterns; secondary data; 1936-1960 female birth cohorts; 87R4701
family's socioeconomic characteristics, USSR; life-cycle stage; 87R4753
feudalistic-capitalism development, Iran; class struggles; historical/political/economic data; 87R5758
first-birth timing; historical/individual/couple time, background characteristics; national survey; US; 87R2702
functional incapacitation, myocardial infarction patients; socioeconomic factors; 87R8463
health care utilization; socioeconomic factors; survey; households, health care providers, Washington, DC; 87T0585
health education, individual behavior change vs socioenvironmental issues; literature review; health department program; Toronto, Ontario; 87T0607
health promotion policies, Sweden/Cuba; 87R6562
health service structure, INSALUD, Spain; economic/social factors, private vs public center concerns; 87R4928
health status differences, rural vs urban preschool children, Costa Rica; cultural-ecological factors; field research; San Jose, Veintisiete de Abril; 87R4894
health/happiness; urbanism, race, socioeconomic status; surveys; 1972-1983; 87R9236
health/socioeconomic status relationship, Michigan community; psychosocial factors; Tecumseh Community Health Study; 1959-1969; 87T0638
high educational achievement, Anglo- vs Asian-American students; family variables, parental attitudes; interviews; 5th-11th graders' parents, middle-upper middle class Texas school district; 87R3475
housing/housing policy; socioeconomic variables; Netherlands; 1974-1984; 87T0015
human health, socioeconomic issues; USSR conference reports; 87R2800
industrial-information society transition, US; 87R3402
information activities, less developed countries; socioeconomic conditions; 87R3875
innovation diffusion/social networks, rural agricultural development, northeastern Thailand; 87R9957
international migration, Mexico-to-US case; prior experience, resources, household life cycle; interviews; migrants; 87R8255
interregional migration selectivity, US; socioeconomic regional changes; Current Population Surveys; 1970-1983; 87R4601
Jewish Holocaust victims, non-Jewish helpers' identifications, game-theoretic analysis; historical case studies; Denmark, Lithuania, Germany; 87R7230
justice attitudes; juvenile justice panel members, Scotland; occupation, education, sex; mailed questionnaires; 87R8136
juvenile delinquency, police reaction; individual/neighborhood socioeconomic status; survey, police/court records; 87R6670
labor power/economic processes, sociological analytical tools/methods; 87R1822
life satisfaction, US elderly; personal/material resources; national questionnaire survey; 87R6622
living standard/earnings differentiation, Czechoslovakia; education; 87R6726
loneliness, late adolescent college students; background/personality factors; questionnaire; midwestern US; 87R1453
majority/minority socioeconomic group status, psychological consequences, high school students; questionnaire; midwestern US; 87R7094
marriage rates, Cádiz, Andalusia, Spain; statistics; 20th century; 87T0481
medical specialization, post-World War II, sociological/medical/economic explanations; 87R4098
mental health system utilization, Michigan; mental health board decentralization; 1974-1983; 87R4907
mortality variability, nonmetropolitan counties, US; sustenance organization structure, regional demographic/environmental characteristics; public documents; 87R4620
national health policy, stratification system's role; 87T0884
neighborhood crime, resident vs nonresident offenders; community racial/socioeconomic characteristics; arrest data; 87R5027
nonprofessional/nonmanagerial employees' income, socioeconomic determinants; 87S1997
nuptiality/fertility decline, Western industrialized countries vs Japan; socioeconomic factors; UN/US/French statistics; 1960-1985; article/comment; 87T0560
occupational achievement, migrants, Kaohsiung City, Taiwan; educational attainment, labor market conditions, gender; survey; 87R4087
occupational mobility/income attainment, young black vs white male workers; race, socioeconomic factors; national panel study; 1974-1981; 87S1942
occupational prestige, Netherlands; education, income, gender; empirical ratings; 87R5998
occupational/income mobility, Japanese Americans, model minority thesis; census; Arizona; 87R9302
parental rewarding/punishing persuasive appeals, adolescent perceptions; parental socioeconomic resources; 87R2627
part-time farming, structural changes; secondary/survey data; England, Wales; 87R6029
pension policy, cross-national variations, Western capitalist democracies; political/social/economic factors; historical case studies; 87R6746
political alienation/participation, Indian/colored South Africans; socioeconomic factors; 87R4017
political efficacy, black vs white adolescents; socioeconomic background, intelligence; scales; public junior high school students, Hampton, Virginia; 87R2604
political participation benefits; social class; 87R2071
political participation, gender differences; socialization/socioeconomic factors; secondary data; 87T1025
premarital sexual behavior/attitude changes, undergraduates; religiosity/socioeconomic/other factors; questionnaires; church-related southern US university; 87R8304
preventive detention, sexually violent offenders, Canada; regional/socioeconomic/offense disparities; parole files, questionnaires; 87R8183
professional workers, salaried positions status, age/gender differences; US Census Public Use Samples; 1940-1980; 87R4081
psychological distress, race/social class interactive effects; secondary analysis, epidemiologic surveys; 87R2821
religious distance/social acceptability, US/Canadian denominations; religious vs personal background factors; scale; university students; 87R4375
religious pilgrimage complex, Tarakeswar, India; socioeconomic change; 87R4378
residential segregation, blacks/whites, metropolitan US; socioeconomic/personal preference/structural/discrimination factors; national censuses, local surveys; 87R7852
rural medical practice, students' unwillingness, Pakistan; social class system; questionnaire survey; 87R4143
senior center utilization, elderly; race/sex/socioeconomic factors; interviews; 87R5013
sexual identity disclosure, work settings; workplace characteristics, coworker socialibity; questionnaires; lesbians; 87R5686
social class divisions, US, scaling methods; 87R8404
social development, global apprehension, systems theory/social parameters; 87R9184
social isolation, frail elderly, Tokyo, Japan; index; 87R6620
social/economic/political profile, black school board members, Texas; 87R3760
social/learning activities, adolescents, development of mastery; educational career, social class; longitudinal interview survey; 87R2323
socioeconomic constructs, theoretical formulation/development, metaeconomic institutionalization; 87S1999
socioeconomic vs scientific developments, Hungary, post-World War II; 87R4565
socioeconomic/diagnostic profile, mental hospital patients, Nigeria; 87R2819
spectator disorder (football hooliganism), changing forms/perceptions, GB; newspaper/football association meeting minutes; 1980-1985; 87R1952
student achievement levels, secondary schools; school environment; 87R2368
student achievement levels, West Germany; secondary school expansion; test scores; 87R2350
substance intervention/prevention, adolescent treatment programs, demographic-based stratification approach; survey; 87R4982
suburban socioeconomic change, US; life cycle/persistence/stratification variables; census data; 87R6913
suicide trends, India; social/physical/psychological factors; 87R1461
suicide; family/socioeconomic variables; cross-national comparisons, published statistics; 87R5508
teenage pregnancy, developmental outcome; socioeconomic factors; questionnaires; black/hispanic mothers, New York City, New York; 87T0541
union affiliations, French/US scientists; scientific discipline; professional association election results; 87R8188
university faculty stress dimensions; rank, academic discipline, tenure, age, sex, marital status; questionnaire; faculty; 87R7734

urban residential mobility/transport mobility habits; socioeconomic/spatial factors; France; 87S2003
urbanization factors, Third World countries; literature review, statistics; 87R4199
violent crime rates, New Zealand; social/economic/demographic variables; official statistics; 87R6776
viral hepatitis epidemiology, lay/medical beliefs, southwestern US county; historical reviews, census tract incidence rate data, participant observation; 87R4854

Socioeconomic Status
academic achievement, intermediate school students, Saudia Arabia; home background, socioeconomic status, "rentier" economy; questionnaire; 87R4267
acculturation/economic self-sufficiency, Vietnamese vs Sino-Vietnamese refugees; interviews; Illinois, California; 87R1546
breastfeeding behaviors, urban women, Tunisia; socioeconomic/work status, counseling; survey, interview; 87R4876
cardiovascular mortality, spatial/sex differentials, US; environmental/demographic/health sustenance variables; county-level mortality data; adults; 1920-1980; 87R4861
childhood mortality, racial/income-related patterns; census/other data; Boston, Massachusetts; 87R2579
childrearing costs; socioeconomic status, race; 87R2659
class-politics relationship, new class conceptualization; case study; Thatcherite politics, GB, 1979-present; 87R5959
consumer complaining behavior; social stratification variables; telephone survey, personal interviews; 87R3830
educational attainment; socioeconomic background; meritocratic/conflict/no-school effect theories; 87R5975
educational/occupational/income attainment, immigrant vs native-born Canadian women; census; 87R5577
ethnic identification, Jewish groups, Israel; socioeconomic status; survey; males, Beersheva; 87R3497
females' age at marriage consummation, Uttar Pradesh, India; socioeconomic factors; survey; 87R8409
health status, GB/Spain; socioeconomic status; 87R8488
illness behavior, Americans vs West Germans; socioeconomic status; questionnaire/interview survey; 87R8464
introversion/extraversion, Hindi- vs Tamil-speaking adolescents, South Africa; sex, socioeconomic status; Eysenck Personality Inventory, biographical inventory; 87R2591
leisure patterns, democratization thesis, Australia; national survey data; 87R7534
males' vs females' income mobility, labor/marriage markets; social background; panel data; 87R2655
neighborhood structure/charge, status/race variations, central city Cleveland, Ohio; 1930-1980; 87R9994
occupational titles/attainment, Canadian labor force, socioeconomic index; national census/survey data; 87R6810
outpatient psychotherapeutic care, quantity/quality; client social status; interviews; 87R6579
parental socioeconomic status, children's/parents' reports, statistical measurement model; secondary data; 87R3239
part-time farming, Poland, economic efficiency; survey; 87R9948
political/economic status, American Indians, underdevelopment theory; 87R1588
post-sentence offenders, outpatient forensic psychiatric referrals; social/demographic variables; patient/court/psychiatrist records; 87R2832
sex-typical/atypical blue-collar employment, females; ethnic origin, family background, socioeconomic status; National Longitudinal Study of the high school class of 1972; path model developed; 87R1658
socioeconomic classification framework, New Zealand; 87R1228
territoriality needs/motivations, adolescents; socioeconomic status; experiment; students; India; 87R4668
women's career choices/professional aspirations, social divergency/personal symbolization theories; 87R5243

Sociography
colonial studies, pre-World War II, Dutch social science; 87R5885
Dutch sociography, S. Steinmetz's/J. Krujit's cross-cultural comparisons; 87R3293
Hungarian sociography, WWI-WWII, origins/development; 87R9115

Sociolinguistics
Arabic as sacred language, Islamic Koran; 87R6091
attunement process, communication/deference systems, microlinguistics approach; 87R1517
black vs white older residents' speech, South Carolina island, phonological/morphosyntactic features; tape-recorded interviews; 87R6101
Bourdieu, Pierre, philosophy/sociology of language; 87R9164
cultural reproduction processes/codes; 87R4040
foreign language communication culture, Hungary, sociological analysis; 87T0059
Hispano-American language situations, sociolinguistic research, theories/methodologies; 87R4220
Indian sociolinguistics, multilingualism aspect; 87R6078
Japanese sociolinguistics, historical trends; 87R6099
language/discourse, sociological analysis; tape-recording; employees' meetings, France; 87T0038
linguistic borrowing, sociolinguistic studies/approaches; 87R2262
linguistic processes; historical-social setting; 87R4216
linguistic stratification, schools, internal/external colonial situations; 87R6093
Mexican-American Spanish, research status; symposium report; 87R6097
social interaction, interpretive conception; 87R5313
social psychological research, sociolinguistic techniques; 87R3433
sociolinguistic method/theory, gender-based focus advocated; 87R4222
sociolinguistics development, University of Chicago (Illinois), sociology-language department personality conflicts; 87T0048
sociolinguistics, current trends; 5-book review essay; 87R4205
sound/acoustic experiences-social processes, functional interrelationship; literature review; 87R5521
Southeast Asian sociolinguistics, recent studies; 87R6095
Spanish vs Catalan language usage, Catalonia, Spain; literature review; 87R6084
unstratified society, sociolinguistic patterns; Nganhcara (Cape York Peninsula, Australia) patrilects; 87R4233

Sociological Associations
Association for Sociology in Southern Africa, 1986 congress, program summary; 87R5401
basic sociology, applied sociology's contributions, future directions; conference address; 87R7028
conference topics, 1986 Eleventh International Sociological Congress, New Delhi, India; 87R9082
democracy; Sixteenth Latin American Congress of Sociology inaugural address; 87R9741
editorial policies, *Sotsiologicheskie issledovaniya*; 87R9055
electoral processes/politics, American Sociological Association, Piritim Sorokin's presidency; 87R7006
Eleventh World Sociological Congress, Delhi, India, development themes/Indian sociology; 87R6944
letters to the editor, *Sotsiologicheskie issledovaniya*; 87R9052
membership recruitment/maintenance, Society for Applied Sociology; case study; 87R6917
Mid-South Sociologial Association, organizational characteristics/vitality; 1986 presidential address; 87R5484
postindustrial society, sociological approaches; Swiss Sociological Congress introduction, 1985; 87R1830
race relations, Society for the Psychological Study of Social Issues contributions; historical review; 1954-present; 87R9294
rural sociology, discipline's history, epistemological goals; 87S1996
Society for the Psychological Study of Social Issues, publications program; citation/other data; 1939-present; 87T0838
sociological societies/publications, Belgium, historical overview; 87R3279
sociology research/utility, Yugoslavia; conference themes; 87R5422
sociology societies, Depression's/war's impact; 87T0834

leisure time activities, urban adults, USSR; questionnaire; Kerchi; 1982/1983; 87R9673
leisure, state intervention/policy; 87R7541
life satisfaction, early adulthood; intercollegiate sports' role performance; mail survey; 87R5869
life/value orientations, secondary school students, Siberia, USSR; health/sport attitudes; survey; students, parents; 87R4347
masculine identity, sports, historical development; case study; rugby; Norbert Elias's approach; 87R1949
mountain climbing, subcultural production/reproduction/transformation processes; 87R3941
Ohio Senior Olympics, participants' vs nonparticipants' characteristics; questionnaire, scale; elderly women; 87R9674
Olympic Games participation/meaning, European vs non-European nations; 87R3919
physical activity involvement, large corporations, employee socialization; questionnaires; Canada, Japan; 87R5881
physical education, girls' subcultural experiences, GB; qualitative research; schools, Liverpool; 87R8318
physical recreation, social barriers, Poland; human consciousness; research review; 87R5870
ritual solidarity, sports groups; 87R3925
self-concept/masculinity/feminity; women athletes vs nonathletes; scale measures; Australia; 87R7553
sex-role attributes, participants vs nonparticipants, Ohio Senior Olympics; questionnaire/other data; 87S1932
shuffleboard social system, seniors; participant observation, interviews; Ohio/Florida; 87R2903
social status/order maintenance, leisure participants; participant observation; university swimming pool users; 87R3904
"sport & peace" resolution, political debate decried, West German Sport Federation; 87R5866
sport doctrine/ideology, Maoist vs post-Maoist China; 87R7549
sport orientations, black-white differences; social status; survey; US; 87R3933
sport socialization, gender differences, elementary schoolchildren, São Paulo, Brazil; family/peer/teacher influences; questionnaire; 87R9685
sport stratification/preferences/choices, Sweden, social influences; questionnaire, survey; 87R7556
sport/leisure, Norbert Elias's/Eric Dunning's figurational sociology; 87R7532
sporting forms, sociocultural meanings, Highland gatherings, Scotland; 87R3928
sports injuries, children's legitimacy judgments; interview, questionnaires; 87R5859
sports participation, Bulgaria, work-leisure relationship; time budget surveys; 87R3937
sports participation, college students; self-imposed gender constraints, sex-role type; questionnaires, Bem Sex-Role Inventory; Cornell U, New York; 87R7554
sports participation, female athletes vs nonathletes; sex-role type, self-esteem; Interpersonal Disposition Inventory; Louisiana State University; 87R7548
sports participation, Muslim women; empirical data; 87R5876
sports participation-drug use relationship, adolescents; self-reports; northeastern US; 87T0715
sports participation/physical culture, USSR; 87R7558
sports, gender relations; response; 87R1950
sports, traditional values; 87R1947
sports/exercise participation, Finland; 87R1951
status crystallization, organized sports participants; questionnaires; 87R4054
successful horse race gambling, work/time commitments; interviews; professional/aspiring gamblers; 87R4981
value orientations, wilderness sports participants vs football players, US; questionnaire; 87R7562
women motorcycle riders, gender stratification theory; participant observation, interviews; 87S1980
women's sports, media coverage; journalists' beliefs/news gathering practices; southwestern US newspaper office; 87R1922
working class sports participation, Poland; 87R3939
world peace movement, sport's role; case study; West Germany; 1980-1984; 87R5865
world peace, sport's contributions, Central Committee German Sport Federation motion; Frankfurt, 1983; 87R5883

Sports Teams
althlete favoritism, workplace managers, USSR; questionnaire; 87R9692
basketball league organization, Trinidad & Tobago; clientelism; participant observation; 87S1970
college mascots/symbols, violence/sexism images; 87R7969

cultural assimilation, Japanese-American youths; basketball league participation; questionnaire, interviews, observation; 87R3930
foreign professional recruitment, Finnish amateur basketball league; mail questionnaire; 87R3931
paid attendance variability, professional basketball sports; team racial composition; longitudinal data; 87R7557
professional baseball, US, componential analysis; experiment; 87R3922
racial stacking, US professional football; league/media/other data; 87R1586
reward allocation incongruity, in-/out-group members; intergroup/-personal bias; experiments; sports enthusiasts; 87R3533
rugby football, cultural meaning, GB vs North America; 87R3917
sport clubs, socioeconomic characteristics; 87R3927
sports activities as collective representations/emotional expressions, sacred qualities; 87R5864
sports gambling, social organization, US; historical/empirical analysis, participant observation; 87R6605
voluntary sport organizations, bureaucratization process; interviews, organizational case study; Canada; 87R5732

Sports Violence
aggressive behavior, soccer games, television reporters' coverage/attitudes; content analysis; 87R3913
English Football League, fire/fan violence incidents; 87R7561
football hooliganism myths, GB; literature review; 87R9689
football hooliganism, GB, "casual" type; 87R1957
football hooliganism, GB, pre-World War I; historical research/reports; 87R3893
football violence, political/social protest functions; historical analysis; 13th century-present; 87R7550
major league baseball, social problems; 87R7560
soccer hooliganism, control measures' failure, England; 87R5880
spectator disorder (football hooliganism), changing forms/perceptions, GB; newspaper/football association meeting minutes; 1980-1985; 87R1952
sport fan violence, comparative analysis; 87R5871
sports violence, ice hockey, structural deviance theory; 87R3069
stadium tragedy, Brussels, Belgium, public reaction; sociopsychological factors; 1985; 87R7547

Spouse Abuse
Anglo- vs Mexican-American battered women, US, offense/victim characteristics; interviews; women's shelter residents; 87T0508
anti-women violence epidemic, US, legal/cultural aspects; 87R8121
battered women, medical personnel vs other help sources, effectiveness ratings; literature review, national interview survey; 87T0957
child/spouse abuse, military families, Hawaii, project development; 87T0966
coercion/deception strategies, male batterers, low-income families; 87R5030
domestic violence, ecological model; case study; 87R6421
interspousal assault, husband's vs wife's reports; Status Conflict Tactics Scale; 87R5194
male abuse of partners, annual rhythms; temperature changes; shelter records; 87T0488
male spouse abusers, treatment acceptance predictors; program data; 87R8657
marital patterns/violence, Vietnam combat veterans; 87R2676
marital rape, prevalence estimates; 87R8658
marital violence, police response, married male police officers; officer's characteristics/attitudes; questionnaire; Kansas; 87R8414
marital violence; religious commitment; mailed questionnaires; Quaker husbands/wives; 87R6419
spousal assault/injury, male vs females as victims/offenders; National Crime Survey; 87R6780
spousal violence; battered women's shelters; face-to-face interviews; battered women; 87R6415
spouse abuse, fully-employed husbands, prediction model; self-report data; 87R3699
spouse abuse, police response; literature review; 87R2436
spouse abuse, remarried families; national survey; 87R4738
spouse/child abuse; societal change, 1975-1985; interviews; nationally representative samples, households; 87R6493
victim reporting/service satisfaction, wife abuse incidents; police-laid criminal charges; 87T0797
victimization risk, spousal assault/battering; social class; national surveys; 87S1933
victimization, battered wives; patriarchal family system, alcohol abuse; Context Specific Approach; Johannesburg, Pretoria, South Africa; 87R2926
violence use/motives, battered women; questionnaires; 87R3078
wife abuse film, parochial school males' justifiability ratings; demographic variables; experiment; 87R6783
wife abuse incidents, husband's vs wife's responsibility, police officers' decisions; legal/extralegal factors; case profiles; 87R5204
wife abuse, US couples; structural/demographic vs cultural/psychological variables; Conflict Tactics Scale, survey; Durham, New Hampshire; 87R6639
wife assault rates, risk factors; interviews, medical/school records; New Zealand; 87R5195

Spouses
males' vs females' income mobility, labor/marriage markets; social background; panel data; 87R2655
marital relationships/adjustment; marital type; questionnaires; spouses; 87R2687
married couples' class identification discrepancies; working class identifications, husbands' vs wives' perceptions; interviews; Hamilton Country, Ohio; 87R6451
mortality risk, elderly; spouse bereavement; interviews; 87R5000
perceptual congruence, sexual experiences, husbands vs wives; relationship duration, intimacy; experiment; 87R2640
retention intentions, male/female Air Force members; spouse support; interviews; 87R9475
social class self-placement; husband's/wife's status; General Social Surveys; 87R5963
spousal homicide, female offenders, demographic/social characteristics; case records; Detroit, Michigan, 1982/83; 87S1958
spouses' age differences, first marriages; national survey; 87T0329
spouse's physical/psychological well-being, high-stress professional employment; mail survey; Certified Public Accountants' spouses; 87R6010
sterilization method selection, married couples; substantive/processual/contextual factors; longitudinal interview data; women, San Antonio, Texas; 87T0549
wife's achievement, dual-earner couples; husband's occupational attainment, wife's education; 87S1975

Squatters
housing settlements, Managua, Nicaragua, sociospatial contradictions; 87R5496
housing shortage, illegal solutions, Karachi, Pakistan; surveys; 87R7875
rural-urban migration, urbanization, squatter settlements, structural crises, non- vs developed nations; 1900-1979, Iran; 87R2219
slum/squatter settlements, Indian cities, government planning/policy approaches; 87R4191
squatter housing market, Hong Kong, commodification processes; 87R5791
squatter settlements/mobilization, cross-national research, methodological issues; 87S1997
squatters' rights, neighborhood renters' associations' stance, Geneva, Switzerland; 87R7851
urban social movements/organizations, political/economic/historical aspects, Mexico; case study; Tierra y Libertad squatter's movement; 87R9570
urban squatter settlements, Brazil, popular planning perspective; 87R6054

Sri Lanka
ability/effort attribution, schoolchildren, Sri Lanka vs England; socioeconomic factors; interviews; 87R8705
devotional practice, Colombo, Sri Lanka, devotees' characteristics; content analysis; handwritten letters; 87R4385
educational attainment, ethnic identity groups; cultural participation; multiethnic societies; cross-cultural analysis; 87R4310
ethnic conflict, Sri Lanka; book review essay; 87R1593
ethnic solidarity/mobilization, Tamils/Sinhalese, Sri Lanka, internal colonialism model; 87R9310
fertility analysis, Easterlin-Crimmins Synthesis Model critiqued; US, Colombia, Costa Rica, Nepal, Sri Lanka; 87R4607
indigenous Veddas, Sri Lanka, cultural integration; 87R7216
political/authority relations, precolonial Sri Lankan kingdoms; 87R5974
population/economic growth, Sri Lanka vs Sardinia; malaria eradication compaigns; 87R8764
social well-being, agricultural modernization, Sri Lanka; vertical/horizontal intra/intercommunity linkages; 87R7823
subsequent fertility, Pakistani/Sri Lankan women; differential child mortality; World Fertility Survey; 87R2731
Tamil/Sinhalese ethnic conflict, Sri Lanka, Left's position; 19th century-present; 87R9279
violence, Buddhist/Hindu society, Sri Lanka; 87R3065

St. Louis, Missouri
children's responsibilities, aging black parents' beliefs; interviews; black Church/fraternal organization members, St. Louis Missouri; 87R2902
community mutual aid, lowland Laotian refugees, women's role; case study; apartment residents, St. Louis, Missouri; 87R5572
voluntary neighborhood improvement organizations, working class women's roles; interviews; St. Louis, Missouri; 87R6789
Stability
attitudes toward guestworkers, West Germany, item reliability/"Socratic effect"; 1984 General Social Survey; 87R5332
attitudes toward guestworkers, West Germany, multiple indicator models, item reliability/stability; 87R5367
black family stability, pathology/structural-functional/emergent models, underlying value judgments; 87R6436
democratic politics, dynamic stability; hierarchy emergence; 87R3354
officeholders, rotation rate, political stability, Brazil, 1822-1889; 87R9847
panel data, misspecification/instability/ordinal variables; 87R5342
political/social attitudes, aggregate vs individual stability; 87R1223
self-consistency, boys vs girls; self-esteem; 87S1954
self-structure stability/change; identity, sex; questionnaires; college students; 87R5529
social/political stability, socialist societies, humanitarianism's importance; 87R4026
welfare state/minority inequality attitudes, West Germany, single-indicator multiple-wave panel models; 1984 General Social Survey; 87R5363
West German General Social Survey, demographic variables' stability; interviews; 87R5351
Stalinism
Joseph Stalin's/Mao Tse-tung's methods; 87R4029
public confessions, Spanish Inquisition vs Stalinist purges; 87R9782
Stalinism, Soviet vs Yugoslav Communist Parties comparison; historical analysis; 87R9794
Standard of Living
consumption trends, lifestyle framework; 87R9584
divorce, marital instability; age, marriage duration; telephone interviews; US; 87R8346
elderly's improved life satisfaction, GB; literature review; 87T0762
geographic cost-of-living indices, theoretical/methodological issues; US Census of Population & Housing; 87S1990
human needs, applied scientific research, Europe; UNESCO research project; 87R8201
international comparative analysis, methodological problems; Yugoslavia case study; 1960s-1980s; 87R9535
international standard-of-living mobility, European Economic Community nations; official survey; 87R4064
interstate migration patterns, elderly, US; economic variables; 87T0345
living standard/earnings differentiation, Czechoslovakia; education; 87R6726
living standards, dual-earner couples; patriarchal gender relations; 1968/1979 Panel Study of Income Dynamics; feminist research concerns; 87S1981
living standards, Italy, regional disparities; social/economic development; 87R5756
material living conditions, Czechoslovakia, tendencies/problems; 87R8425
material living conditions/social inequality, socialist countries, research issues; 87R3821
needs perceptions, Tunisian working class; modernization; 87R7468
progressive small-scale farmers, Transkei, South Africa; structured interviews; household heads; 87R7811
Standards
political science research, British universities, evaluation criteria criticized; 87R8706
potential academic dropouts, US high schools; standard-raising recommendations; 87R4323
routinization strategies, interactive service work; fieldwork; 87S1967
State
constitution's role, parliamentary/democratic states; book review essay; 87R3953
nation vs state concept, ethnological writings, translinguistic analysis; 87R9295
sociology of the state, Max Weber's unfinished treatise reconstructed; 87R6994
the state, conceptual meaning vs social reality, European political thought; 87R3995
world economy, theoretical analysis; 87R7475
State Capitalism
tax-transfer system, income inequality, Canada; 87T0292
State Formation
chiefdom-state development, Zulu tribe, political role differentiation process; 87R7649
historical materialism, Anthony Giddens's critique, state formation; book review essay; 87R5266
independent Palestine state, Middle East conflict, US public opinion; 87R7496
Muslim Mozabite confederacy founding/development, North Africa, environmental determinism factors; 1011-1053 AD; 87R3960
nation-state development, post-independence Algeria; transnationalization process; 87R7603
police function, state development issues; cross-cultural data; 87R6296
precolonial Islamic leadership definition/holy war involvement, Bundu, Southern Mauritania, northwestern Senegal; 1698; 87R9610
psychological realism, US founding fathers, science of politics perspective; 87R7633
state development, women's role, Australia; gender/class struggle; literature review, case studies; 1890-1949; 87R5891
state formation/options, structural/kinship factors; 87R2066
state-building process, Argentina vs Brazil; 19th century; 87R7658
State Intervention
agriculture policy, Finland, state intervention; 87R4159
arts/cultural products, state's political intervention; 87R4244
automotive industry crises, midwestern US, federal/state governments' responses; ethnographic/statistical/historical data; 1972-1982; 87R5755
earnings determination; industrial structure; secondary data; 87R5649
effectiveness assessment, state mental hospitals, survey instrument developed/tested; delphi survey, literature review; 87R4906
electrical utility regulation, class-state relationship issues; case studies; 87S1971
health care delivery, state's role, France; technological developments, professional/social/economic forces; statistics; 87R4948
industrial modernization, French socialist program; case studies; 87R9437
industrial relations crisis, Italy, Institute for Industrial Reconstruction recommendations; 87R9402
industry, state control vs liberalism; 87R9389
labor disputes, Tamoio sugar mill, São Paulo, Brazil; 87R3796
mental health care, US, deinstitutionalization issues; 87R8531
mental health system utilization, Michigan; mental health board decentralization; 1974-1983; 87R4907
negotiation process, health care institutions; governmental program merger directive; ethnographic data, interviews, documents; Nova Scotia; 87R5504
neighborhood organizations' service delivery style/autonomy, US; funding source/restrictiveness; case studies, survey; 87R3761
political class formation, Mexican peasantry, state's role; social histories; 87R9843
professional licensure attempt, social workers, Georgia; open-ended interviews; Atlanta; 1970-1980; 87R4076
social mobility, Poland; state intervention; 1945-1958; 87R2090
statism reinstitution, co-/self-managed enterprises, Yugoslavia, post-World War II-1980s; 87R9740
youth unemployment, GB; government intervention; participant observation, interviews; post-high school youth, parents, siblings; 87R5663
State Power
capitalist agriculture research, GB, political economy approach; literature review; 87R6037
democratic institutions, popular sovereignty ideal; 87R4009
general/professional education colleges, Quebec, founding history; 87R7956
language use/power, state control issues; George Orwell's *1984*, symposium; 87R6090
statism reinstitution, co-/self-managed enterprises, Yugoslavia, post-World War II-1980s; 87R9740
State Role
health service planning/distribution/use, Nigeria; class/state factors; 1960-1985; 87T0596
humanist values, state/market compatibility, Thomas Hobbes's/Adam Smith's/Renaissance humanism works; 87R5101
ideological themes, English writers, Middle Ages/Renaissance; 87R6118
labor force reproduction, capitalist context; state's actions; 87R5274
mass transportation policy, variable implementation, Mexico City, Mexico; political/economic conditions; primary/secondary data;

87R4182
minority problems/separation, nation-state's role; 87R3569
Muslim status, post-Independence India, political action/ideology; 87R3540
state as research object, neo-Marxism criticized; review essay; 87R2049
state education, Europe, historical origins; nation-building; 19th century; 87R6164
trade, historical/social functions, state's role; 87R9142

State Society Relationship
bureaucratic encounters, welfare state, citizenship rights issues; 87T0892
charity-state relations, England/Canada/US; 87R8747
child/family law, Canada, parental vs state rights; 87T0381
civil justice system crisis, Italy/West Germany/US; 87R8105
cultural contact/change, native Americans, European colonies; historical episodes; 87R9312
cyclical political-economic model, political sector effect variations; 87R9020
democratic institutions, popular sovereignty ideal; 87R4009
electrical utility regulation, class-state relationship issues; case studies; 87S1971
elite interlocks, corporate/state sectors, Canada; 87R5960
France's 1695 poll tax, social classification/exclusion characteristics; 87R7684
government-society relations, post-1985 earthquakes, Mexico City; 87R8775
industry, state control vs liberalism; 87R9389
juvenile criminal legislation, post-1871 Germany; government type; 87R8157
labor force reproduction, capitalist context; state's actions; 87R5274
law & society studies, critical inquiry methodology/theory; 87R6278
law crisis, Italy, *Homo italicus* concept; 87R7257
law/state crisis; journal issue overview; 87R7597
legal system, Italy, private vs public interests; 87R8094
legal vs societal regulation, contractualism/formalism/functionalism perspectives; 87R8109
local government, city politics; US Constitution constraints; historical theory review; 87R7880
minority problems/separation, nation-state's role; 87R3569
neighborhood organizations' service delivery style/autonomy, US; funding source/restrictiveness; case studies, survey; 87R3761
party/welfare state crisis, Italy; 87R8751
police force use, public vs national legitimation standards; case studies; San Diego, California/Liverpool, England; 87T0219
political aggregation crisis, current interpretations; 87R8753
political crisis, Italy/late-capitalist societies, cultural change aspects; 87R7588
political dissensus concept/typology; 87R7586
political exchange paradigm, Italian society; 87R7650
political/electoral behavior, Andalusia, Spain; 87R9562
populist ideology, New Zealand/US; 1860-1900; 87R2034
price determination, institutionalization patterns; 87R9574
social crisis investigation, Yugoslavia; 87R8158
social part/contract, Immanuel Kant's/Spanish Jesuit Francisco Suarez's thought; 87R7070
society/historicity, Alain Touraine's theory; 87R9058
sociology of law, 20th-century Europe; 87R8154
state as research object, neo-Marxism criticized; review essay; 87R2049
state crisis, normative/ideological concepts; 87R7027
state development, women's role, Australia; gender/class struggle; literature review, case studies; 1890-1949; 87R5891
state-economy relations, New Zealand corporation concept; 3-book review essay; 87R9510
state-masses relationship, Third World societies; 87R7688
state-populace relationship, China, historical evolution; 87S1987
state/market/self-management, Yugoslavia, planning issues; 87R9565
statism reinstitution, co-/self-managed enterprises, Yugoslavia, post-World War II-1980s; 87R9740
Sturzo, Luigi, state-institutions relationship; 87R7055
urban movements, Montreal, Canada; state/society relationships; secondary data; 1970s-1980s; 87R9612
welfare state crisis, functionalist interpretation; 87R7578
welfare state crisis, Spain, democratic legitimation solution; 87R7591

States (Political Subdivisions)
citation practices, New York Court of Appeals' case opinions; 87R4451
Marx, Karl, state concept, Ludwig Feuerbach's influence; 87R9750
stressful life, US states/regions, rate changes, 1982 vs 1976; official data; 87S2005

Statistical Bias
measurement error, panel analysis, attenuated vs inflated relationships; 87R5356
racial tolerance questionnaire responses; threatening stimulus wording; General Social Surveys; 87R9629
sample selection bias, War on Poverty Research, corrective statistical techniques; 87R5188

Statistical Inference
logit analysis, multivariate contingency tables, effect interpretation methodology; 87R5366
loglinear analysis, adjusted crosstabulation computations; illustrative data set, unemployment; 87R1239
reasoning/analytical thinking; formal statistical training; experiments; 87R3432

Statistical Significance
quantitative research, significance testing; critique/reply; 87R5353
statistical error, social work practice/research, explained variance estimation; 87R3226

Statistics
cross-classification tables, concordance probability models; 87R5359
ecological regression analysis, methodological issues; historical election data; Germany; 87R1240
federal statistics, access restrictions/research suppression; case study; White House Office of Management & Budget; 87S1929
longitudinal data registration, musical notation methodology; 87R5347
nominal-/ordinal-/interval-/ratio-level statistics, social science research; 87R3220
predictor vs criterion variables, nexus analytic approach; 87R5350
primary school enrollment, France, methodological issues; statistics; critique/reply; 87R4318
probability theory, homogeneity concept, epistemology of statistics; 87R5354
reliability measurement, statistical methods; 87R5330
religious phenomena research, Europe, survey/statistical techniques; 6-book review essay; 87R4432
semi-Markov models, Monte Carlo analytical approaches; simulated life histories; 87R5371
statistical analysis, microcomputer graphics technique; 87R5345
statistical matrices, deviations from proportionality expectations, analysis methods; published data, patents granted, US, 1963-1977; 87R6729
statistical method use frequency, psychiatry, quantitative skills instruction implications; content analysis; psychiatric journal articles; 1983-1984; 87T0096
statistical procedure; reply/response; 87R2703
statistical tests, alternative philosophical interpretations compared; 87R5349

Status
health differences, soviet women; fertility/other variables; 87T0478
status crystallization, organized sports participants; questionnaires; 87R4054
status hierarchy, medical profession, Czechoslovakia; published data; 87S1961

Status Attainment
achievement motivation configurations; birth order, gender; personality instruments; 87R8432
black Americans, demographic/socioeconomic trends; census data; 1954-1984; 87R1524
business development/industrial expansion, jobs vs environment argument, black civil rights organizations' stance; 87S1935
career/educational aspirations, minority/low-income adolescents; significant others; psychometric tests; Asian/black/Hispanic 8th-12th graders; 87R4285
changing sector employment, earnings/fringe benefits advantages; national survey; 87S1952
class attainment; division of labor, ideological differences, personal attributes; survey; 87R2099
class mobility, females, GB, data analysis approaches/problems; 1983 General Election Study; 87R7682
college enrollment changes, ethnic/socioeconomic/gender constraints; government surveys; 1970s/1980s; 87R9806
community development/socioeconomic change, Japanese immigrants, San Francisco Bay area, California; 87R7250
economic attainment, poor youth; social/community origins, marital status; 87R8806
education, GB, social class differences/inequality; reply; 87R2103

educational attainment/economic success, community college vs other postsecondary students; qualitative/quantitative data; 87R7962
empowerment strategies, workplace situations; gender, job dependency; interviews; 87R7378
ethnic group socioeconomic ranking, Israel; immigrant arrival data; government survey; 87R9853
intergenerational/occupational mobility, post-WWII US; opportunity structure changes, ascription, education; surveys; 1952-1984; 87S1979
intergroup achievement differences, decomposition method; 87R3229
Iranian immigrants vs political refugees/exiles, Los Angeles, California, demographic/religious/socioeconomic differences; census; 87R6359
Jewish mobility, US, family occupational genealogy; 87R3579
marital quality/stability, farm households; status competition vs status enhancement models; mailed questionnaires; 87R5211
new middle class vs working class, capitalist societies, status group approach; 87R7668
nursing job descriptions, clinical expertise models; 87R7736
occupational achievement, migrants, Kaohsiung City, Taiwan; educational/status attainment; survey; 87S1950
occupational attainments, credentialism/ethnicity, Israel; interviews; 87R9857
occupational mobility tables, social class divisions, the Netherlands; government statistics; adult males, 1970-1985; 87R9822
occupational mobility, retired professional sports players, Israel; interviews; soccer players; 87R9690
occupational status distribution/attainment; social networks; secondary data analysis; employed men, Netherlands; 87R4094
parental status attainment, young women's vs young men's reports, simultaneous covariance structure analysis; interviews; US; 87R3222
personal flow, US training hospitals, physicians; prestige hierarchies; questionnaires, interviews, directory data; 87R9903
political participation/leadership aspirations, gender differences; social status/personal control variables; Pennsylvania; 87R3476
professional orientations, USSR; longitudinal questionnaire data; 87R7765
reward allocation incongruity, in-/out-group members; intergroup/-personal bias; experiments; sports enthusiasts; 87R3533
rural immigration/emigration decisions; background characteristics, social/economic attainments; National Longitudinal Survey of the High School Class of 1972; 87R4605
secondary education, Scotland, state's role/school effectiveness/class conflict; post 1889; 87R6155
smoking behavior variations, rite of passage, health education implications; 87R9241
social behavior/attitudes; social structure/mobility; simulation game; 87R9818
social mobility analysis, status-specific inheritance/quasi-independence models critiqued; article/reply; 87R5965
social stratification, Western nations, country-specific variations; 87R7673
social stratification/mobility, big-time college football, postwar US, vacancy chain models; 87R3908
social/occupational mobility, Polish-American immigrants, Grand Rapids, Michigan; census data, city directory listings; 1860-1900; 87R7687
socioeconomic achievement, religio-ethnic group differences; national surveys; 87T0155
sponsored/contest norms, regular vs vocational education system, US vs GB; social background factors; national surveys; 87R6145
status attainment research, social structure/actor images; 87R5966
status attainment, intergenerational status transmission, farmers; cross-cultural analysis; Australia/Poland/US; 87R4070
status attainment/occupational prestige, Netherlands/US/Federal Republic Germany; informal/family contacts; 87R3780
stratification outcomes, GB/West Germany/Sweden; welfare policy; official data; 87R2112
structural pluralism, ethnic/gender inequalities, second-generation immigrants, Australia; census; 1981; 87R2123
students' occupational/educational aspirations, Third World countries; census/statistical/questionnaire data; secondary students, Barbados; 87R8317
success attainment/obstacles, occupational/community roles, urban American Indians, Chicago, Illinois; interviews; 87R5546
task group hierarchies, status seeking, bystander interventions; dominance behavior, gender; experiment; 87S1976
top social/political positions, occupants' influence, conceptualization/measurement issues; 87R3778
woman's status, feudal/post-World War II Japanese society; 87S1962

Status Inconsistency
racial separatism/job satisfaction attitudes, white enlisted males, US military; status inconsistency; questionnaire; 87R7745
social stratification, status inconsistency trends, Japan; national surveys; 1955-1975; 87R9851
societal beliefs; status inconsistency; survey; Detroit, Michigan; 87R9850
status inconsistency, theory/research issues; 87R4071
verbal behavior familiarity; status/solidarity effects; conversations; undergraduate females; 87R9838

Statutes
abortion, spousal notification; government legislation; survey, interviews; women seeking abortions, US; 87T0552
adoption records, sealing controversy, adoptees'/adoptive parents'/birth mothers' perceptions; content analysis; letters of response; 87R4721
divorce law, GB, clean break principle, child welfare implications; 87R4735
narcotics, synthetic manufacture, US, current criminal law regulation/revisions; 87R4965
statute law, public policy implementation, GB government; 87R4492
statute law/individual rights, Ronald Dworkin's work; 87R1758
US federal tax code, redistributive effects; 87S1949
Young Offenders Act of 1982, Canada, mass media reactions; content analysis; articles; 87R9649

Stem Family
postmarital residence patterns, rural Catalonia, Spain; farming, industrialization/modernization; census data; post-Civil War; 87R6437

Stepfamily
children's development/adjustment, family processes; parents' divorce/remarriage; questionnaires; 87T0442
family/health functioning, first- vs remarried families; canonical correlation analyses; 87R6503
parent-child-stepparent relations/childrearing patterns, postdivorce/separation; interviews; children; 87R2660
perceptions of others/stereotyping; family structure; questionnaire; 87R3418
remarriages/blended families, Western Europe, research issues; 87R8416
stepfamilies, clinical vs empirical research; literature review; 87R4720
stepfather family, dynamics/integration, therapy issues; literature review; 87R4766
stepparent perceptions; family structure; ratings; college students; 87R6435
stepparenting experience, live-in vs visiting children; interviews, questionnaires; stepparents, spouses; 87R6412

Stereotypes
aging attitudes, negative stereotypes, US; popular magazine articles; content analysis; 1970s; 87R5012
black families vs white families, television portrayal; 87R1886
immigrant women, sociodemographic profile, Alberta; census data; 87T0357
interaction style, correctional officers; urbanization, race, age; questionnaires; maximum security prisons, New York; 87R2473
media interaction, family structure/myth; case studies; two families; 87R4748
mutual stereotypes/interaction behavior, local Hong Kong Chinese/US exchange students; ratings; 87R7208
national stereotype assessments, college students, West Germany; questionnaire; 87R7127
perceptions of others/stereotyping; family structure; questionnaire; 87R3418
race images/treatment, children's picture books; content analysis; 87R9283
stepparent perceptions; family structure; ratings; college students; 87R6435
"stereotype" definitions, social psychology/mass media/popular culture research; 87R3458
women automobile drivers, folkloric stereotypes criticized; 87T1023

Sterilization
hysterectomy procedures, decision-making process; nonclinical factors; survey; Oxford, England; 87R8851
sterilization method selection, married couples; substantive/processual/contextual factors; longitudinal interview data; women, San Antonio, Texas; 87T0549
sterilization rate, Puerto Rican females, New York City; social/cultural/historical/individual forces; 87R4796
voluntary contraceptive sterilization selection; couple's religious/age heterogamy; national surveys; 87T0538

Stigma

acquired immune deficiency syndrome awareness, social stigma; scales; social groups; 87S2005
anorexia nervosa/bulimia, women's deviant identities; social processes; interviews, participant observation; 87R8596
divorce stigma; interviews; divorced individuals; 87T0462
feminist disclaimers/stigma, contemporary women's movement; interviews; 87S1978
genital herpes, information disclosure/management strategies; observation, interviews; self-help group; 87R6554
involuntary childless women, perceived stigma, information management strategies; interviews, questionnaires; 87R3128
Labeling Women Deviant: Gender, Stigma and Social Control by Edwin M. Schur; review essay; 87R6819
mental illness, labeled/labelers interpersonal relationship, social/emotional aspects; 87S1976
mental patient rejection; stigmatization vs behavior explanations; mailed questionnaires, vignettes; Cincinnati, Ohio, residents; 87R8540
negative label/status, others' vs actors' reactions; experiment; 87R7148
stigmatization perceptions, widows vs divorcees; Cleveland, Ohio; 87S1965
unmarried mothers, social stigma, policy issues; 87R9266

Stimuli
human stimulus, needs; theory/research overview; 87R9225

Stochastic Models
menarche/adolescent subfecundity, Bangladeshi females, hazard model; interview survey; 87T0303
national labor unions, founding rate, US; competitive processes, environmental effects; 1836-1985; 87R5645
personal wealth, size distribution, surplus theory of social stratification; 87R4038
semi-Markov models, Monte Carlo analytical approaches; simulated life histories; 87R5371

Stores
shopping malls, individual/community impact, US; interviews, participant observation; 87R7440

Storytelling
language/folktale cultural expressions, Japan, semiotic analysis; 87R3660
narrative traditions, folklore, occupational group members; personal experience narratives analysis, interviews; professional sailors; 87R2173

Strangers
interpersonal relationships, anthropologist/research community, fieldwork situations; 87R7762
natural disasters, impact/recovery, black vs white victims; interviews; Paris, Texas; 1982; 87R5169

Strategies
affinity/maintenance strategies, married couples, women's perceptions; inventory; 87T0445
agricultural crisis, farmers' persistence, Illinois; risk aversive management strategies, kin involvement/cooperation; interviews, observations, family case studies; 87R6046
economic development, comparative analytical approaches critiqued; 87S1972
empowerment strategies, workplace situations; gender, job dependency; interviews; 87R7378
farming continuation, adaptive strategies, noneconomic objectives, US farmers; farm crisis; statistics; 87R6024
job market opportunities, college graduates, Taiwan; job search method; statistics; 87R4112
management labor control strategies, capitalist enterprises; literature review; 87R5709
married couples, interactive/communication strategies, television fiction programs, US vs Italy; content analysis; 87R3872
purchasing commitment, vendors' negotiation strategies; interviews, participant observation; 87S1975
socioeconomic survival strategies, Barbadian women; case studies, life histories; 87T0974
survival charcteristics/mechanisms, poor households, Bangladesh; survey, interviews, case studies; 87R6772
Ur redevelopment policies, Quebec City; 87R9985
welfare state/labor society crisis, mobilization strategy; 87R5153

Stratification
linguistic stratification, schools, internal/external colonial situations; 87R6093
student achievement; instructional/institutional stratification; observation; 1st-grade classrooms, Chicago, Illinois; 87R4301
US schooling, class analysis; book review essay; 87R6167
working class stratification, US; book review essay; 87R5625

Stress
alcohol consumption, recently separated/divorced women; stress; treatment program participants; 87R2841
coping ability, bereaved elderly; self-esteem; interviews, mailed questionnaires; longitudinal analysis; 87R5002
family life events, stress perceptions, social support utilization; sex differences; mail questionnaire; rural Michigan; 87R2713
family relationships/stress/self-esteem/role expectations; chronically ill/handicapped children's presence; Michigan Early Adolescent Survey; 87R2754
organizational socialization/adjustment, newcomers, stress of socialization model; longitudinal analysis; university, oil field servicing company, electronics defense contractors; 87R1774
role conflict, stress, working women; personal characteristics, career saliency; survey; women in banking; 87R1668
stressful life, US states/regions, rate changes, 1982 vs 1976; official data; 87S2005
technological/natural disasters, social impact assessment, social/psychological stress model developed/tested; 87R5174

Strikes
brewery strike, UK, sociopsychological analysis; participant observation; 87R7354
capital/labor income distribution; unionization, strike activity; statistics; 1949-1978; 87R1722
Congress of Industrial Organizations' emergence, tanning industry strikes, Lynn, Massachusetts; 87R9390
doctors' strikes, Nigeria, political economic perspective; 87R4074
ethnic/racial conflict, 1880-1915, US; labor unrest; 87S1998
labor conflict, Ku Klux Klan mobilization, Wilkes-Barre, Pennsylvania; 1978; 87R3850
labor dispute, Punjabi immigrant women's experience, Canadian factory; interview; Mississagua; 1985; 87R9345
labor disputes, Tamoio sugar mill, São Paulo, Brazil; 87R3796
labor relations, strikes, coal industry, US; historical analysis; 1860s-present; 87R5692
network structure, strike attitudes/behavior, garment factory; workers' role equivalencies; case study, observations; 87R9448
protest songs, hardrock miner labor union strike, Newfoundland company town (Buchans); case study; 1983; 87R3711
research findings presentation; case study; women's strike experience; 87R1657
retail sales personnel strike, Finnish Alcohol Company, press reactions; 1985; 87R1908
retail sales personnel strikes, Finnish Alcohol Company, public opinion; interview polls; 1972, 1985; 87R1876
union-labor relations, 1980 FIAT strike, Turin, Italy, Communist Party's role; press articles, tape recordings, interviews; 87R3673
Women's Emergency Brigade, United Auto Workers' strike, Flint, Michigan; film; 87R3395
worker radicalism/strike activity, capitalist democracies; class power resources; historical data; Canada; 87R1660
workers' strike motivation/public distress awareness, labor conflicts, Italy; interviews; striking Treasury Department workers; 87R3719
working class families, Maharashtra, India; prolonged strikes/lockouts; 87R8422

Structural-Functional Analysis
advanced developed societies, characteristic aspects, structural-functionalist perspective; cross-national analysis; 87R9706
crime control causes/consequences, macro studies, structural functionalist vs conflict perspectives; 87T0203
family/economic structure, Australia/Europe/GB, societal complexity vs structural-functional explanations; 87R8381
functional theory/survey research methods, historical relationship, causation vs ecological correlation; 87R1323
Gouldner, Alvin W., works/theory; 4-book review essay; 87R5741
social control concept, Talcott Parsons's/Robert K. Merton's structural-functionalist theory, biocybernetic/clinical metaphors; 87R5481

Structural Models
careers theory, macrostructural implications; 87R7804
civilization development, ecological vs organic system models, control issues, Western civilization's unique status/challenges; 87R9536
covariance structure models, indirect effects, mathematical analysis; literature review; 87R5369
Giddens, Anthony, structuration theory; 87R7049
interpersonal social relations, structural equivalence/congruence, block modeling approach; 87R7398
marital functioning, structural equation model, methodological issues; survey; article/comment/reply; 87R6452
migration decisions, cognitive information process, social psychological perspective; mobility data; 87R1413

multidivisional form use, economic/political/ecological explanations; secondary data; US firms; 1960s; 87R9508
multilevel aging processes, conceptual distinctions; 87T0746
statistical power, covariance structure models, analytical strategies; 87R5365
structural change, socio-/ecosystem interaction; 87R3817
structural criminology, power relations; literature review; 87R2914
structural equations models, effect analysis; 87R3252

Structuralism
action/subjectivity/meaning relationship, text theory implications; 87R7059
communication theory, poststructuralist critique, political implications; 87R1907
cultural anthropology vs sociology of culture, Germany; 87R3329
education-social change relationship, Marxian base-superstructure perspectives critiqued; 87R6126
French Marxism crisis, structuralism/poststructuralism/Eurocommunism; book review essay; 87R3138
Making Sense of Marx by Jon Elster; book review essays, reply; 87R1349
meaning uncertainty, quantum/pragmatic vs classical physics/structuralist theories; 87R3171
methodological pluralism, structural vs action perspectives, life history data, social sciences; 87R1220
sociology of daily life, concept/object/focus; 87R7202
sociology, approach-based research, crisis of rationality; 87R3316
structuralist theories, French intellectual thought; 87R9152

Student Attitudes
adolescent attitudes, "Thatcher"- vs "Woodstock"-generation, GB; questionnaire survey; social science students; 87R5821
attitude/value transmission, medical school students; professional socialization; questionnaires; first-year students, Universities of Vienna, Graz (Austria); 1978-1983/84 comparison; 87R4316
boys from father-absent nuclear/extended family systems, Indian university students attitudes/expectations, South Africa; questionnaire; 87R7135
cheating behavior, college students, US; questionnaire; 87T0094
computer usage/access/attitudes, secondary school students; gender, socioeconomic status; questionnaire; California; 87S1965
computers, students' attitudes; questionnaire survey; 87R2514
deviance perceptions, master status theory; questionnaire; college students, midwestern US; 87R7193
employment/gender opportunities, university students' views/discourse; interviews; Scotland; 87R7356
managerial attitudes, US vs Australian business majors; nationality; questionnaire; 87R7292
nursing students' attitudes; nursing home clinical participation; scale questionnaire; 87R2307
public health, preventive medicine/community health course, medical students' attitudes/perceptions; questionnaires; Brooklyn, New York; 87T0098
rape tolerance, adolescents/college students/prisoners/community members; sexist/antisocial attitudes/personality; psychological scales; Wisconsin; 87R8865
religious/moral attitude trends, college students; questionnaire surveys; Williams College, Massachusetts; 1948-1984; 87R4397
school rules, students' perceptions/behaviors; student/organizational characteristics, social background; survey questionnaire; Newfoundland, Labrador; 87R7996
self-concept, personality development; nuclear war threat perceptions; scales/questionnaires; Pacific Northwest college students; 87R7138
sexual harassment attitudes, sex differences; questionnaire; 87R8327
sexual harassment perceptions, college students, US; psychological/demographic correlates; questionnaires; Washington State University; 87R7168
social comparisons; group membership; experiments; students, professional school; 87R9812
student quality/school standards, Leningrad State University, USSR; questionnaire; 87R2333
student's physical activity attitudes, Beijing, China; school type; scale; 87R5860
students' sex-role attitudes; coeducational vs single-sex schooling; questionnaire; 87R7980
teacher education, Spain, pedagogical students' satisfaction; questionnaire; 87R7975
technology genderization, institutional/symbolic/research work mechanisms,; questionnaire; engineering students, Norway; 87T0133

Student Behavior
avoidance/aggressive behaviors; negative sentiments; experiment; students; 87R1474
Coloured education, 1980 student boycott, Cape Peninsula, South Africa; case study, interviews; 87R8005
student behavior governance, cultural vs regulatory compliance strategies; 87R4328
student resistance, repressive capitalistic influences, Marxist theory critiqued; 5-book review essay; 87R6826

Student Teacher Relationship
alienation, public high school students, Hawaii; structural/compositional/sociopsychological factors; survey questionnaires, transcripts; Honolulu; 87R6153
educational achievement, US schoolchildren, teacher's perceptions; temperament/behavioral style; national surveys; 87R7934
graduate sociology programs, participatory educational environment; 87R6980
school disciplinary system, black vs white encounters; longitudinal questionnaire data; public school students; 87R8001
school rules, students' perceptions/behaviors; student/organizational characteristics, social background; survey questionnaire; Newfoundland, Labrador; 87R7996
sex-role socialization, high school students; teachers' influence; scale; 87R5259
socialization process, fine arts students, exemplary biographies use; feminist perspective; 87R6110
sociology graduate education, faculty/student concerns; *The American Sociologist* special issue introduction; 87R6948
student achievement, kindergarteners-12th graders, US; question-asking behavior; 87T0091
teacher-pupil social interaction, school context, socialization process; 87R4332
teacher-student interaction problems, economic development programs; cultural differences; questionnaire; 87R7985
teachers' efficacy attitudes; environmental conditions; interviews; middle-/high-school teachers; 87R2179
teachers' treatment of pupils, infant classroom; pupil's gender/behavior; video recordings; 87R6134

Students
academic achievement/self-concept, female intermediate school students, Saudi Arabia; school social climate/structure, family background; questionnaires; students/teachers/principals, Jeddah/Mekkah/Riyadh; 87R2311
academic performance improvements, public schools, New York City, New York; dietary change; California Achievement Test scores; 1979-1983; 87R8027
academic performance, public schoolchildren, New York; dietary change; California Achievement Test scores; 87R8026
adolescent gender/delinquency patterns; household class structure; interviews; Toronto, Ontario; 87R6665
cohabitative union initiation; education level; 1981 Swedish Fertility Survey; women; 87R8362
deliberation process, large vs small juries; experiment; 87R6282
distribution/retribution decisions, competitive vs cooperative relationships; equality/contribution principles; questionnaire; female nursing students, Sweden; 87R5533
friendship; network structure; questionnaire; University of Minnesota Medical School students; 87R1788
Hispanic financial aid recipients, income self-reports; student records; 87T0121
role identity negotiation, interaction strategies; transcripts; 87R9249
school dropout, academically marginal students; predictor variables; interviews; 87R6374
scientific career socialization/recruitment, grade school children; science textbooks; content analysis; New York; 87R4547
socialization process, fine arts students, exemplary biographies use; feminist perspective; 87R6110
socialization process, secondary school students, Belgium; discipline; documents, questionnaire survey; 87R4280
sociology of work, societal/sociological changes; 87S1964
student political involvement, Germany, 1918-1945; card-index records; 87R2305

Sturzo, Luigi
French Jesuit Abbot Henri Bremond's philosophy, Luigi Sturzo's interest; 87R7001
Popular Party deputies, post-WWI Italian parliament, personal backgrounds; 87R7013
spiritual development, Luigi & Mario Sturzo; personal correspondence; 87R6996
Sturzo, Luigi, "autonomy" concept; 87R6984
Sturzo, Luigi, historicist sociology; personal correspondence; 87R6985
Sturzo, Luigi, philosophical concerns; 87R6991
Sturzo, Luigi, political thought/involvement; personal correspondence; 87R6989

Sturzo, Luigi, political/intellectual thought; personal correspondence; 87R7017
Sturzo, Luigi, sociological system/institutions; 87R3315
Sturzo, Luigi, sociological/political/institutional thought; conference papers; 87R6968
Sturzo, Luigi, state-institutions relationship; 87R7055
Sturzo, Luigi, "The Cycle of Creation" dramatic poem; 87R6990

Styles
housing architectural styles, meaning attributions; scales; 87S1932
marital verbal/nonverbal interaction styles, identical ordinal position dyads; Hill Interaction Matrix, Cognitive-Affective Rating Scale; 87R4714

Sub Saharan Africa
agricultural/industrial development policy/capital accumulation, sub-Saharan Africa; 87R7429
chiefdom-state development, Zulu tribe, political role differentiation process; 87R7649
child mortality estimation, mothers' retrospective reports, data reliability issues; historical/clinical records; sub-Saharan Africa; 87T0328
civil wars/indigenous rebellion, Papua New Guinea/Kenya/Nigeria; 87R1750
depressive symptomatology, Namibian adolescent refugees, Beck Depression Inventory; 87R4944
education methods/environment, black Africa; personal experience; 87R1205
health care delivery, rural-urban inequities, Zambia; cross-national comparisons; 87T0614
individual functioning, corporate managers, Lusaka, Zambia; work achievement; interviews; 1985; 87R9908
industrial relations/working class exploitation, Sierra Leone, 1932-1961; 87R9385
law/legitimation, East African governments; 87R2004
Mbald tribe, Zaire, foreign missionaries'/colonials' influence; 87T0168
measles beliefs/health practices, mothers, Senegal; urban integration; interviews; 87T0587
migratory movements, middle-sized towns, Togo, methodological issues; survey; 87S2000
popular music development/functions, Yoruba "juju," southwestern Nigeria; music analysis, literature review; Ibadan; 1981/82; 87R3625
popular participation strategy, sociopolitical/cultural development, sub-Saharan Africa; 87T0387
population growth, current patterns/future trends, Africa; 1950-2025; 87R4626
praise poetry, Mukama oral tradition, Africa; 87R1640
religious syncretism, southern Africa; 87R8066
resource exploitation, cattle-keeping pastoral societies, Africa; 87R3032
self-identity, rural Nigeria/Niger villages; ethnic ties vs national consciousness; participant observation, interviews; males; 87R3550
therapy management/therapy management group concept, Central Africa; literature review; 87T0597
Yoruba oral poetry, West Africa, sociology of knowledge interpretations; 87R6675

Subcultures
alcohol problems, working men, Finland; treatment records; 87T0692
deputy court clerks' subculture, anthropology of law; observation case files, pretrial observations, case studies; southern US county; 87R4123
dermatographical patterns (tatooing), Japan; cultural factors; historical analysis; 87R7266
ethnic solidarity, subcultural value adherence; crime/violence; case study; Surinamese Creole residents, Bijlmermeer suburb, Amsterdam, the Netherlands; 87R6498
girls' culture/education, World War I-World War II era; census/survey/secondary data; 87R5214
heroin addiction/criminality; interviews; heroin addicts, Delaware; 87T0685
illness meanings, mind-body-society interactions; 87R8512
inner-city boxing subculture, US, interaction patterns/social processes; participant observation; 87R7796
legal culture concept; critique/responses; 87R2446
lesbians aged 65+, status/background/self-image/other characteristics; questionnaire; 87R3480
male drug addict, France; life story recounted; 87R2978
military themes, symbolic socializers, young males; qualitative analysis; cartoons; 87R4788
Music Television (MTV), postmodern cultural trends, social-ideological aspects; 87R1921
physical education, girls' subcultural experiences, GB; qualitative research; schools, Liverpool; 87R8318
radical political groups, research problems, sociologists as antipartisan; 87R1251
shuffleboard social system, seniors; participant observation, interviews; Ohio/Florida; 87R2903
small-firm development, Italy; political subcultures; 87R4025
social norm creation/maintenance, emotions' role; 87R1436
spectacular vs commodity-oriented youth cultures, sociological models, GB vs US; 87R2626
women motorcycle riders, gender stratification theory; participant observation, interviews; 87S1980
youth culture, girls' role, feminist sociological research; 87R2619

Subjectivity
action/subjectivity/meaning relationship, text theory implications; 87R7059
ethnic-origins reporting, distortions/discrepancies, US whites; 87R9298
Foucault, Michel, theory/works; other philosophers' comments; 87R3343
historical knowledge/causality theories; journal issue introduction; 87R5324
Metatheory in Social Science: Pluralisms and Subjectivities by Donald W. Fiske & Richard A. Shweder; review essay; 87R1192
modern sociology, objective vs subjective epistemologies; 87R6843
probability values/meanings, qualitative expressions, medical professionals; 87R5348
the subject, Anthony Giddens's theory; 87R1392

Subordination
female subordination/male vulnerability theories, psychological/anthropological data integration; 87T1016

Subsidies
home ownership problems, elderly, needs/maintenance capabilities; 87R7879
rent subsidies, low-income families, Belgrade, Yugoslavia; 87T0001
social housing programs, low-income tenants, Canada; rent-to-income policy, shelter allowances; income transfer computer analyses; 87R3023

Subsistence Economy
land/botanical resource use, subsistence production systems, Les Alves, France; folk biotape analysis; 87R3652
oral culture maintenance, illiterate Kaonde villagers, Zambia, subsistence implications; 87R2951
traditional subsistence horticulture, Newfoundland, efficiency/sufficiency; field data; 87R2196

Substance Abuse
adolescents' substance use, ethnic differences; income/community variables; questionnaires; 87R2853
alcohol/tobacco/marijuana use, adolescents; parental factors/attitudes/practices; longitudinal interviews; New York City, New York; 87T0720
alcohol/tobacco/marijuana use, Canadian adolescents; family's/friends' influence; Ontario; 87R8588
career decision-making readiness, high school students; alcohol use/abuse; questionnaire; rural central Pennsylvania; 87R8599
drinking problems, racial/gender/academic correlates, US college students; longitudinal questionnaire data; 1982-1985; 87R6608
drug treatment centers, planning process, Switzerland; 87R7494
drug use patterns, adolescents; ethnicity; scale questionnaire; 87R4974
drug use/abuse, early predictive factors, social development model, children/adolescents; literature review; 87R8584
illicit drug consumption, UK; estimates/surveys/other data; 87R8615
juvenile delinquency/substance abuse, adolescent males; school religious climate; strain/control theories tested; 87R8694
khat use, Yemenite immigrant villages, Israel; social/psychiatric factors; 87T0699
lifestyle/health changes, adolescents/children, Western societies; unemployment; secondary surveys; US, Sweden, UK; 87R8498
organic solvent inhalation, adolescent substance abuse, France; 87R4953
pathological/alcohol/drug/delinquency problems, male vs female adolescents; gender identity; surveys, interviews, questionnaires, tests; 1979-1984; 87T0404
recidivism/rearrest likelihood, alcohol-abusing probationers; age/education/other factors; program data; 87R8600
reported coffee/pancreas cancer linkage, public's reaction; interviews; secretarial/clerical workers; 87R2807
substance abuse prevention program, middle-school children, curriculum evaluation; 87R8602
substance addiction field, philosophy of science perspective; 87T0709
substance intervention/prevention, adolescent treatment programs, de-

mographic-based stratification approach; survey; 87R4982
substance use rates, women vs men; epidemiologic surveys; New York; 87R2849
substance use, incarcerated young males; arrest/adjudication/incarceration attitudes; scales; 87R8592
substance use, inner-city black vs white males/females; sexual knowledge/activity; self-administered questionnaire; 87R4991

Suburbanization
black middle class, suburban immigration, local resistance vs accommodation; literature review, census/other data; US; 87S1936
status changes/persistence, Chicago (Illinois) suburbs; community characteristics; 87R2220
urban service assessment, racial differences; suburbanization; Annual Housing Survey; 87R2239

Suburbs
apartment buildings, Prague, Czechoslovakia, suburban development/architectural style; 19th century-present; 87R6069
black suburbanization, US; socioeconomic status improvement, social inequality; sociodemographic data; 1960-1980; 87R6351
black vs white suburb's characteristics, US; census data; 1950-1980; 87R6071
central city dominance/suburban differentiation, ecological expansion theory; 87R4189
crime rate patterns/stability, US suburbs; official data; 1972, 1980; 87R2931
housing integration strategies, Cleveland, Ohio, inmovers' characteristics; survey; 87S1931
municipal service distribution, urban centers; personnel systems, bureaucratization; case study; four Detroit, Michigan, surburbs; 87R2242
racial segregation/structuring, suburban areas, dual housing market model; 1970-1980; 87R1590
residential segregation, Chinese/Japanese Americans vs blacks, US suburbs; 1960-1980; 87R9296
residential segregation, US suburbs, Chinese/Japanese/black/white Americans; 1960, 1970, 1980; 87R1567
social polarization, economically active males, London vs Southeast, England; census data; 1961-1981; 87R8734
suburban socioeconomic change, US; life cycle/persistence/stratification variables; census data; 87R6913
white population growth, US suburbs; black population percentage/change; 1950-1980; 87S1981
youth runaway behavior, criminalization; policy; ethnographic approach; early 1900s vs 1960s-1970s; 87R5068

Success
change commitments, criminal exinmates, intervention methods; interviews; correctional centers, Canada; longitudinal analysis; 87R4516
entrepreneurial success, business managers, India; personal variables; 87R7367
personal success ethic, Canada/US, Horatio Alger/organizational/existential/multitrack approaches; questionnaires; university students; 87R6138

Sudan
academic success, University of Khartoum students, Sudan; Arabic/English language proficiency; skills tests; 87R6087
agricultural development, farmer/nomads cooperative settlements, Fanj region, Sudan; macro/micro processes; case study; Blue Nile Integrated Agricultural Development Project; 87R4155
children's behavior/health, Khartoum, Sudan; urbanization; physical examinations, interviews; 1965 vs 1980; 87R8288
children's health/behavior, newly urbanized area, Khartoum, Sudan; physical examinations, interviews; 1965 vs 1980; 87R8297
ethnic segmentation, agricultural labor force, Sudan; capitalist development; 87R9595
ethnographic/anthropological writing, literary character; Sir Edward Evan Evans-Pritchard's career/publications, 1937-1956; 87R3639
Farming Systems Research, livestock rearing, northern Kordofan, Sudan; case study; 87R7816
irrigation agriculture, small-scale family farms; bureacratic control/management; case studies; Israel, Sudan, Kenya; 87R4163
marriage timing, Khartoum, Sudan; socioeconomic/institutional factors; survey; 1975; 87T0440
population displacement/repatriation, internal/external refugees, rural Sudan; 1955-1972 civil war; case studies; Yei, Mariai, Gilo, Aweil; 87R4577

Suffering
man's suffering, technological development issues; 87R2796

Suicide
adolescent suicide rates, England/Wales, 1950-1960s; statistics; 87T0565
celebrity suicides, imitative suicide cases; case studies; 87S1963
crime/political violence/suicide, Western societies; relative deprivation/deprivation, differential resistance/risk ("RO-DR" model); 87R2911
death rates; neurosis; follow-up data; neurotic patients, Birmingham, England; 87R2798
divorce-suicide relationship, Ira M. Wasserman's study, methodological problems; article/reply; 87R8454
homicide/suicide rates, US; state's quality of life; archival data; 87R9226
imitative suicides; publicized celebrity suicides; national data; 1948-1980; 87T0567
Parsons, Anne, personal biography/suicide, cultural context; letters, writings; 87R9062
rational suicide, permissive attitudes; 87R7161
religious/family integration, Emile Durkheim's theory; state-/county-level data; 87R2740
self/reality construction, suicide/schizophrenia/bohemianism, symblic interactionism perspective; autobiographical works, case studies; 87R5543
social problems, metropolitan areas, US; migration patterns; census, national statistics; 1975-1980; 87T0019
suicidal behaviors/attitudes/experiences; social background factors; interviews; residents, Calgary, Alberta; 87R5526
suicidal patients, commitment criteria validity; literature review; 87T0668
suicidal women's beliefs/behavior; parental characteristics; life history/therapeutic data; 87R3133
Suicide and Life-Threatening Behavior journal, annotated bibliography; 87R6533
suicide attitudes, institutionalized vs noninstitutionalized males/females; scales; 87R4672
suicide causes, Emile Durkheim's theory, Philippe Besnard's interpretation; article/reply; 87R6992
suicide epidemic model; 87T0563
suicide legitimacy, public attitudes, US; sociodemographic characteristics; 1982 General Social Survey; 87T0566
suicide lethality knowledge/attitudes, mental health professionals vs clergy; questionnaires; 87R2131
suicide methods, social/psychological correlates; case records; youthful victims; 87R1462
suicide mortality, psychiatric patients, Denmark; register data; 87R4901
suicide mortality; ethnic factors; statistics, census; immigrant groups, Canada; 87R2747
suicide patterns, India vs Western nations; secondary data; 87R2737
suicide prevention, Ronald Maris/Thomas Szasz debate; award address; 87R9231
suicide rate consistency, Eastern European nations, 1875 vs 1975; 87T0319
suicide rate/methods, gender differences, Italy; age/period of death/birth cohort; death certification data; 1955-1979; 87R6535
suicide rates, Canada; divorce; longitudinal data; 87R8455
suicide rates, Canada; interstate migration; 87R2577
suicide rates, immigrant groups, Canada; social integration levels; official statistics; 87R4805
suicide rates, seasonal variations; cause, age, sex; official data; Osaka, Japan; 87R2738
suicide rates, US teenagers; televised suicide news/feature stories; statistics; 87R6537
suicide rates/hospital utilization, psychiatric patients, Denmark; register data; 87R4900
suicide rates/trends, elderly, US; death certificates; 87R4802
suicide rates; immigration, unemployment, age; statistics, census; Canada; 87R2748
suicide rates; mass media stories; content analysis; suggestion/differential association theories; 87S1981
suicide trends, India; social/physical/psychological factors; 87R1461
suicide, Denys de Catanzaro's stress-diathesis theory critiqued; comment; 87T0366
suicide, former psychiatric hospital patients; case studies; South Australia; 87R2816
suicide, sociobiological self-preservation determinants, evolutionary perspective; 87T0359
suicide, US; religious/family integration variables; 1933-1980 official data; Emile Durkheim's theory tested; 87R8452
suicide-divorce rate patterns, observed association, Canada/US; aggregate data; 87R4804
suicide/homicide patterns; demographic/situational variables; contingency table/multiple classification analyses, logistic regression; 87R2920

suicide/homicide rates; divorce/migration rates; government statistics; 1970s; 87T0475
suicide/homicide rates; religiosity; cross-national data; industrial nations; 87R6536
suicide/homicide/accident mortality, aged population, Finland; official statistics; 87R4924
suicide; family/socioeconomic variables; cross-national comparisons, published statistics; 87R5508
suicide; sex, age, civil status; secondary/national/other data; Stockholm, Sweden; 87R2743
youth suicide, National Institute of Mental Health research program; 87R8453

Sumner, William Graham
Sumner, William Graham, imperialist/anti-imperialist views; 87T0815
Sumner, William Graham, Scottish moral philosophy; 87R7024

Superior Subordinate Relationship
allocation decisions, supervisors; individual vs group characteristics/contributions; 87S1954
attitude change, Greater Manchester Police; management control style, personal characteristics; questionnaire, interview; 87R2118
Between Women: Domestics and Their Employers by Judith Rollins, feminist issues; review essay; 87R3716
citizen volunteers, election campaigns, leaders' control strategies; 87R3963
coercive actions/processes, state policies; 87R9127
coercive threats, dominant/subordinate relationships, game theory format; 87R7046
collective organization/protest, female factory/domestic laborers; class/gender factors; oral history interviews, archival data; textile community, Henderson, North Carolina; 87R6713
"company culture" concept, worker-company relationship, rural France; monographic analysis; 87R1781
computer counting/monitoring, automated workplace, theoretical models; case study; medical insurance office, US; 87R9489
conversation styles, organizational leaders, followers' competence perceptions; conversation analysis; hospital employees; 87R3477
direct vs indirect influence tactic evaluation; sex; questionnaire; managers, Israel; 87R9413
disciplinary committees, French firms, internal social control; 87R1672
dispute resolution, communication strategies, Brazilian vs US female managers; interviews; 87R3731
employee behaviors/appearance, service vs production/clerical workers; fieldwork; fast-food workers, insurance salespeople; 87S1940
employee/organizational social contract; V. H. Vroom's V-I-E model reformulation; 87R3668
employer/employee relations; supervisor characteristics; questionnaires; industrial workers, Poona, India; 87R1743
friendship formation, day-care center children; authority relations; 87R3448
humanization, managerial philosophies/methods, US; workplace historical analysis, archival sources; 87R5718
information/communications technologies, capitalist societies; 87R6325
interpersonal interaction, white-nonwhite women, US; race, social class, gender; 87S1942
job satisfaction/performance, hospital nurses; perceived organizational communication satisfaction; field study; 87R4120
labor management practices, nonprofit human service organizations; interorganizational resource competition; mail survey; 87S1940
law school deans' leader behavior, deans' vs faculty perceptions; questionnaire; US; 87R7187
leadership style, managerial effectiveness perceptions, police supervisors; surveys; US; 87R8181
lower-paid workers' situation, patron-clientist system, Sierra Leone; 87R7324
management information systems, statistics' role, complex organizations; case studies; 87R5701
management research publications, academic prestige ratings; journal/prose passage readability; questionnaires; faculty members; 87R4525
managerial culture, corporate reorganization efforts; literature review, interview/other data; 87S1980
organizational problem solving, middle managers, Regional Institutes for Ambulatory Mental Health Care, Netherlands; questionnaires; 87R3767
patriarchal control, office workplaces; structural characteristics, automation; survey questionnaire; 87S1935
performance outcomes, vocational rehabilitation counselors; supervisors' leadership style/behavior; questionnaire; South Carolina; 87S1928
power interactions, Commodore Matthew C. Perry-subordinates/Japanese, dramaturgical perspective; historical documents; 87R3949
production organization/management, tool & die workshop, France; technological innovation; personal experience; 87R1701
production/domination relations, management decision-making strategies, legitimation effects; 87R1772
promotional opportunities, worker expectations/perceptions, gender differences; 87R9921
psychological-administrative violence, administrative obedience vs Stanley Milgram's paradigm; experiment; 87R5199
Quality of Work Life programs, unionized workers' support/opposition; case studies; US plants; 87R3692
subordinate correction, male vs female leaders' actions; equality/equity norms; experiment; psychology students; 87R7185
supervisory role/power/functions, capitalist enterprises; interviews; industrial supervisors, Essex, GB; 87R5684
unequal power relationships, workplace settings, worker responses; 87S1949
work force control/employment bureaucratization, US industries, Depression-WWII; official data; 87R1652
work inequalities/developmental contradictions, USSR; 87R4446
work life regulation, French employers' policies/attitudes; published statements, interviews; 87R3728
work organization, garment manufacturing industry, Hawaii, state's role; interviews, managers, workers; 87S1936
worker attachment; subordination legitimacy, legality belief; historical evidence; 87R2087
worker control systems, unions' role, advanced capitalist societies; 87R7445
worker motivation, Soviet industry; 87R3722
workplace discipline, typology developed; literature review; 87R7310
workplace relations, automobile plants, France/GB; political changes; interviews, documentary data; 87R7306

Superstitions
illness/textual form/social relations, semiotic relationship; ethnographic data; evil eye headaches, Crete; comments/reply; 87R3644

Supervision
computer counting/monitoring, automated workplace, theoretical models; case study; medical insurance office, US; 87R9489
family therapy training, feminist-informed vs traditional approaches; Delphi survey; family therapists; 87T0973
family therapy, live supervision training team approach; interviews, observations; 87R6657
occupational characteristics, classification systems, measurement issues; *Dictionary of Occupational Titles*, census; 87R4130
supervisory role/power/functions, capitalist enterprises; interviews; industrial supervisors, Essex, GB; 87R5684

Supply And Demand
elite vs popular cultural suppliers, urban areas; 87S1948
small-scale economic units, Hungary, socioeconomic benefit; 87S2001
social science information provision, North American research; 87R6678

Support
retention intentions, male/female Air Force members; spouse support; interviews; 87R9475

Support Networks
blindness rehabilitation agencies, US; organizational structure/behavior; questionnaire survey; population economy model; 87R8514
DisAbled Women's Network, Canada, history/goals/issues; 87S1943
elderly, social support networks, gerontological research issues; 6-book review essay; 87T0761
elderly's needs, England, family/community/state support; anthropological fieldwork, case study; 87R5009
end-stage renal disease patient, Appalachia, kinship/social/religious support networks; ethnographic case study; US; 87S1931
environmental disaster (man-made), youth vs elderly response; support networks, locus of control; interviews; Love Canal/Niagara Falls, New York, 1978/79; 87R3035
family support, black Americans; familial/demographic factors; interviews; adults; 87R4768
informal care provision, elderly; social network/demographic factors; 87S1983
informal elderly caretakers, mentally handicapped adults, UK; interviews; caretakers, Anglesey/Arfon, Gwynedd; 87T0749
informal social networks, migrant oil field workers' families, Oklahoma; interviews, participant observation; Lake Chickasha/Fort Cobb Reservoir communities; 87R3783
intergenerational/intragenerational relationships, elderly-family/friends, Italy; secondary survey data; 87R2877
mortality risks; social ties; literature review; 87T0573

old age socialization preparation, adult children of widowed mothers; interviews; 87T0759
old age, social roles/statuses, cross-national/-historical analysis; UN data; 87R2882
personal network communities, urbanites' perceptions; interviews; East York, Toronto; 87R5728
service needs, aging Prairie Bank Potawatomi Indians, US, formal/informal support networks; survey, participant observation; 87R6627
social network integration, elderly; rural vs urban residence; questionnaires; Washington; 87R8629
social networks, black/white rural families, structural characteristics/supportiveness; interviews; mothers, Georgia; 87R2662
social networks, support provision; network composition/structure, members' characteristics; quantitative/qualitative data; 87S1986
social support research problems, cultural factors; literature review; 87R9331
social support research, concepts/models/measures; 87R1786
social support/networks, married female nurses; mail questionnaires; 87R1789
support system quality/charactistics, elderly, southern California; interviews; 87T0754
well-being, widows vs widowers; support network/other variables; interviews; Winnipeg, Manitoba; 87R8639

Surgery
breast cancer patients, psychiatric morbidity, interview research project; interview transcripts; 87R4883
caesarean birthrates, GB, decision-making concerns; 87R6439
cesarean delivery rates, developed/less developed industrialized countries, Europe/North America/Pacific; mail questionnaires; government statistical offices, university research departments; 87R8497
coronary disease treatment/epidemiology, blacks' experiences; Coronary Artery Surgery Study; 87R4853
experimental surgery ethics, Baby Fae case; interview with Jack Provonsha, Loma Linda University (California); 87R4898
female psychosis/neurosis, sexual explanations, surgical intervention; 19th century; 87R6598
hospital patients, pre-/postoperative care improvement; psychosocial intervention program; case study; Vienna, Austria; 87R4896
hysterectomy procedures, decision-making process; nonclinical factors; survey; Oxford, England; 87R8851
plastic surgery, elective vs moral imperative justifications, women's/surgeons' attitudes; interviews; 87S1954
resident-patient relationships, surgery/psychiatry staff, urban hospital; participant observation, interviews; 87S1968
surgeons' personality traits/ethos; participant observation, questionnares; community hospitals, New York; 87R9868

Surinam
identity maintenance/construction, Surinamese Hindus, Surinam/Netherlands; religious politics; 87R3581
informal economic sector, Great Paramaribo, Surinam; interviews; independent furniture makers/car mechanics; 87R3820
marriage/family institutions, historical/current trends, Trinidad/Surinam/Guyana; participant observation/interviews/other data; 87R6490

Surrogate Parents
biopolicy/reproductive technologies, course development/design; 87R8446
surrogate motherhood, terminology issues; 87R8888

Surveys
animal subjects' use, medical research, attitudes survey, question/response ambiguities; personal experience; 87R3889
attitudinal surveys, personal vs telephone interviews; trend data, two national studies; 87R1202
complex sample surveys, standard error estimation, methodological issues; interview survey; New Haven, Connecticut; 87R6893
complex survey data, sampling problems/strategies; 87R3234
discussion partner choice, sociometric correlates; US General Social Survey; 87R7395
functional theory/survey research methods, historical relationship, causation vs ecological correlation; 87R1323
global variables' utility, social survey research; case study; education; 87R6881
health attitudes/behaviors research, computer-based vs paper mail questionnaire survey, response effects; 87R3195
informant interview responses, contagion/disease survey; cultural competence/knowledge; Guatemala; 87R3203
magazine-distributed questionnaire, exploratory research method; 87R5335
national sociological research system, postal employees as surveyors; 87R8988
open-ended survey questions, qualitative analysis; questionnaires; adolescents, West Germany; 1962,1983; 87R8972
popular culture/social life, GB, Mass Observation investigation; 1930s-1940s; 87R5307
public health, preventive medicine/community health course, medical students' attitudes/perceptions; questionnaires; Brooklyn, New York; 87T0098
rape research, randomized response technique vs traditional survey methods; experiment; nursing students; 87R8674
religious phenomena research, Europe, survey/statistical techniques; 6-book review essay; 87R4432
self-reported voting claims; third-party presence; survey data; 87R2056
survey interview, fictitious issues, respondents' opinion expression; 87R1198
survey research methods; two-book review essay; 87R1211
survey responses, Anglos vs Mexican Americans, Texas; ethnicity-of-interviewer; telephone survey; 87R5336
surveys, evidentiary value, scientific vs legal concerns; 87R8102
welfare state/minority inequality attitudes, West Germany, single-indicator multiple-wave panel models; 1984 General Social Survey; 87R5363
West German General Social Survey, demographic variables' stability; interviews; 87R5351

Survival
breast cancer patients, survival rates, married vs widowed white women; medical records; 87R7767
economic development, comparative analytical approaches critiqued; 87S1972
life stories, "recounting," Holocaust survivors; interviews; 87R1558
National Survival Game, male participants' characteristics/motivations/attitudes; questionnaire study; 87R5252
part-time farming, structural changes; secondary/survey data; England, Wales; 87R6029
passenger survival, *Titanic* sinking; sex, social class; official statistics; 87R4048
survival charcteristics/mechanisms, poor households, Bangladesh; survey, interviews, case studies; 87R6772
war topics, introductory sociology courses; 87S1960

Sutherland, Edwin Hardin
crime genesis, Edwin H. Sutherland's differential association theory; interview survey; adults, New Jersey/Iowa/Oregon; 87R5057
crime, psychiatric explanations, criminologists' critique; 87R8655
criminal behavior, Edwin H. Sutherland's differential association theory; interviews; 87S1957

Swaziland
agricultural development activities/projects, missionaries' involvement, Swaziland; secondary/field data; 87S1991
malaria resurgence, Swaziland; demographic changes; official records; 87R7832
women's wage employment, public/private sector, Swaziland; official statistics; 87R5231

Sweden
achievement test/school marks, sex differences; longitudinal research project; 87R2310
agricultural protection, 1970-1980 estimates, Sweden; official data; 87R7821
alcohol abuse, individual/population risks, prevention/treatment issues; Stockholm Adoption Study; 87R2866
alcohol consumption/intoxication, Scandinavian adults, negative drinking consequences; mail questionnaires; 87R2847
alcoholics' treatment, physicians' role, early 20th-century Sweden; 87T0707
alien residents' voting/participation rights, national parliamentary elections, Sweden; 87R3580
breadwinning, wives' orientations, Sweden, US; 87R8360
cardiovascular disease, Sweden; work strain/control, psychosocial support; 87S1964
child care issues, civil defense planning, Uppsala, Sweden; questionnaire; households; 87R6521
children, family sociology texts' portrayals; content analysis; US, Sweden; 87R6371
children's rights, legal structure's function, Sweden; 87T0385
church construction planning, residents' views, Sweden; folk religiousness; questionnaires, literature review; 87R8087
citizen political participation, local government, Sweden; government organizational structure; case study; 87R7592
Classes by Erik Olin Wright, Marxian/Weberian traditions, US/Sweden comparison; review essay; 87R2100
cohabitative union initiation; education level; 1981 Swedish Fertility Survey; women; 87R8362

collective residence experiments, Sweden; 87R9979
compulsory treatment, psychiatric patients, Italy vs Sweden; assessment/scales/other data; 87R2831
coresidence patterns, Sweden vs US; archival/census/other data; 19th-20th centuries; 87T0505
criminal lifestyle, Swedish welfare society; interviews; criminals; 87R6634
cultural patterns, advanced industrial societies; questionnaire surveys; 87R9573
dealienation process, worker self-managed factory, Stockholm, Sweden; 87R7462
death concpets/depictions, US vs Swedish children; age, gender, nationality; artwork analysis; 4-19 year olds; 87T0535
depressive disorders, Swedish women, provoking agents/vulnerability factors; interviews; 87R4917
depressive psychiatric illness; social environment variables; inventories; patients/controls, Sweden; 87R2811
distribution/retribution decisions, competitive vs cooperative relationships; equality/contribution principles; questionnaire; female nursing students, Sweden; 87R5533
doctor-patient communication, cancer cases, Sweden vs West Germany; medical system organization/regulations; questionnaires; Malmö, Kiel; 87R4893
drug abuse, prognostic factors; questionnaire survey; adolescents; Gothenburg, Sweden; 87R2596
economic sociology, US/Sweden, paradigm crisis; 87R1334
educational research, differential psychology vs educational process emphasis, Sweden; 87R7955
elderly, family/informal care, Sweden; literature review, national statistics; 87R8636
elderly, Swedish health/social welfare policy, implications for US; 87R8631
elderly, welfare programs, municipal planning process, Sweden; interview survey; 87T0752
elite settlements, political change characteristics; historical case studies; England, Sweden, Colombia, Venezuela; 87R9695
environmental issues/women's movement, political conflicts, Sweden; 1930s; 87T0911
family property ownership, sexual inequality, Sweden; mail questionnaires; males; 87R6795
family structure changes, Sweden; statistics; 87R8396
family structure/functioning, technological societies; family life education; interviews, personal observations; Denmark, Austria, Germany, Sweden, US; 87R2340
family-building events, Sweden, changing patterns; secondary data; 1936-1960 female birth cohorts; 87R4701
film industry, filmmaker's role, South Africa; 87R7907
free colleges, Swedish higher education; structural factors; 87T0841
Gambian immigration, Sweden; field research; mid-1960s-late 1970s; 87R9317
general practitioners, job satisfaction/medical care system evaluations, Sweden; interviews; 1978/79; 87R9924
governance problems, higher education institutions, Sweden; 87R8019
group analysis, rating scales, validation; 87R5547
health promotion policies, Sweden/Cuba; 87R6562

immigrant political rights/integration, Sweden, representative governments, dual-citizenship solution; 87R3528
innovative work designs, change process, Canada/Sweden/US; 87R7317
intraorganizational income inequality, manufacturing forms, Sweden; organizational hierarchical structure; earnings data; 87S1960
labor market flexibility, municipal authority; case study; Piteå, Sweden; 87R3690
lifestyle/health changes, adolescents/children, Western societies; unemployment; secondary surveys; US, Sweden, UK; 87R8498
male industrial workers, job/life satisfaction, Sweden; interviews; 87R7289
medical care policy development, Swedish Commission of Inquiry; interviews; commission members; 87R4887
mentally retarded adults, Sweden, psychiatric illnesses; interviews, psychometric instruments; 87R2817
modern social welfare state, conceptual/policy issues; 87R7653
morbidity/mental health, gender differences, Scandinavia; women's employment; surveys, statistics; Denmark, Finland, Norway, Sweden; 87R5244
neonatal health, pregnancy complications, antenatal care, mentally ill vs other mothers, Stockholm, Sweden; hospital/psychiatric records; 1976/77; 87R6578
"new politics" political parties, West Germany/Sweden/Austria, ideal-typical model; 87R7641
normative role/position, Swedish universities; 87R8008
nuclear referendum voting behavior, Sweden; pre-election interviews; 87R2010
occupational status, relocated women; questionnaire survey; Sweden; 87R6796
older women/politics, US, GB, Eastern Europe, Sweden; bibliography; 87T0744
physics subfields, Swedish researchers' prevalence, online bibliometric methodology; 87T0257
political conflicts, cultural milieus, Sweden/West Germany; 87R4002
post-World War II immigration matrix, Sweden; 87T0321
power failure, Sweden, December 1983; 87R1926
primary health care, political-economic perspective; cross-cultural analysis; 87R4859
primary medical care, Sweden, institutional development; interest groups; 87R4841
public preparedness/civil defense performance, people's perceptions, Sweden; 87R5180
scientific growth model, national characteristics, Sweden vs Denmark; 87T0833
second union formation, frequency/type, Swedish/Norwegian women; survey data; 87T0450
self-role behavior conceptions/attributions, Swedish vs kibbutz-raised Israeli children; questionnaires; 87R9201
sexual division of labor, Sweden; published surveys; 87R2724
small group activities, US/Swedish Japanese industry, diffusion process; outside consultants; 87S1952
social ambitions, new community planning; case studies; Märsta (Sweden) vs Foster City (California); 87R5127
social class measurements comparison; national data, Sweden; 87S2002
social science theory/methodology network, Swedish Collegium for Advanced Study in the Social Sciences; 87R5325
sport stratification/preferences/choices, Sweden, social influences; questionnaire, survey; 87R7556
Stockholm Syndrome, hostage crises, psychodynamics/treatments; 87R6644
stratification outcomes, GB/West Germany/Sweden; welfare policy; official data; 87R2112
substandard housing, Sweden; poems, photographs; 87R8945
successfully adjusted male alcoholics, long-term follow-up study, attrition rate; interviews; 87R8597
Swedish welfare state, structural changes; 87R7453
Turkish migrant women, Sweden, cultural differences, pregnancy/childbirth experiences; participatory research; 87T0555
TV vs in-church worship services uses/gratifications; mailed questionaires; Swedish viewers; 87R6233
urban planning, Sweden; 1890-1945; 87R6060
urban/rural vandalism, Sweden, situational/motivational explanations; police/interview data; Malmö, Arvika; 87T0803
value/lifestyle changes, Sweden's Secretariat for Future Studies, unpublished works; 87T0869
war planning, Sweden, child care availability; questionnaire; households, Uppsala; 87R6520
white-collar employee organizations, ideological development, Sweden; 1900-1980; 87R9527
work research, Sweden; literature review; 1980-1984; 87R9443
working women, Scandinavia, labor market position; statistics; 87R5245
workplace relations, advanced capitalist societies; published studies; 87R7297
Yugoslav immigrants' identity, Sweden; 87R9300

Switzerland

aesthetic decisions; direct vs indirect influence; experiment; high school students, Switzerland; 87R7093
alcohol treatment theory/system, Switzerland; 87T0717
authoritarian personality, life events, Swiss elderly; questionnaires, daily diaries; French speakers, Valais/Geneva; 1977-1983; 87R6623
breast self-examination attitudes/practices, Italian immigrant vs Swiss women; sociocultural factors; interview survey; 87R4857
drug treatment centers, planning process, Switzerland; 87R7494

family organization/relations, peasant households; inheritance system, power, political forces; historical documents, Mase, Switzerland; 13th century-present; 87R6507
federal legislative process, extraparliamentary commissions, Switzerland; 87R8138
income distribution, Switzerland; political-social mobilization; official data; 87R7666
intra-/intergenerational income mobility, Geneva, Switzerland; survey; 87R2085
juvenile delinquency, Swiss vs other nations' penal law; 87T0829
legal profession, France/Germany/Switzerland, professionalization trends; 19th-20th centuries; 87R2174
physical/psychological health, migrants; transnational migration; interviews; US females, Geneva, Switzerland; 87R4598
political control cycles, Zurich, Switzerland; 1880-1933; 87R9727
professional/lay help, alcoholism treatment, Switzerland; mail questionnaire survey; social workers; 87R2851
property crimes, mass media coverage; content analysis, newspapers, Nice, France/Geneva, Switzerland; 87R9652
religious beliefs/practices/values, young parents, Swiss Catholic families; questionnaires, interviews; 87R6431
social differentiation processes, minority group migration, Switzerland/Europe; 87R2551
social integration/isolation, adjustment processes, elderly; life histories, interviews; Geneva/Valais region, Switzerland; 87R2880
social stratification, Western nations, country-specific variations; 87R7673
urban conflicts, Switzerland; 87R7849
urban development conflict, Switzerland; population growth stabilization; 87R7876
welfare policies, Switzerland; 87R6773
work value changes, Switzerland; 87R1698
working hours' flexibility, sociopolitical effects; Switzerland; 87R2539

Symbiotic Relations
man/machine relationships, George Orwell's pessimism vs Vittorio Frosini's utopian view; 87T0845

Symbolic Interactionism
Alzheimer's disease experience, George Herbert Mead's theory of mind; 87R3434
Church of Scientology, social control/ethics/deviance, symbolic interactionist perspective; 87R3483
coping strategies, symbolic interactionism vs social semiotic analysis; 87R5480
cultural objects/consumer relations, postmodern era, symbolic interactionist theory; case study; liquor advertisements; 87R9073
educational research, ground theory approach/methodology; 87R1189
ethnic identity formation, black vs white college students; structural symbolic interactionist approach; 87R9318
family therapy theory/techniques, symbolic interactionism model; 87R3152
gender concept, theoretical research issues; 87T1037
mind-body problem, sociological theory development, George Herbert Mead's works re-analyzed; 87R9109
power interactions, Commodore Matthew C. Perry-subordinates/Japanese, dramaturgical perspective; historical documents; 87R3949
prosocial behavior, symbolic interactionism; 87R7103
race relations research, Caribbean, social psychological methodology; 87R7215
rational actor models, symbolic interactionist theory; 87R9015
role identities project, undergraduate students; twenty statements/SII test; 87T1069
Schooling as a Ritual Performance by Peter McLaren; review symposium; 87R8050
self-structure stability/change; identity, sex; questionnaires; college students; 87R5529
self/reality construction, suicide/schizophrenia/bohemianism, symbolic interactionism perspective; autobiographical works, case studies; 87R5543
Simmelian adventurer, symbolic aspects; 87R9120
social knowledge/interaction, George Herbert Mead's concept; 87R2082
sociological classics, George Herbert Mead's work, interpretative concerns; 87R3292
sociological theory, phenomenological/symbolic interactionism/ethnomethodological approaches; 87R4349
symbolic interaction studies, empirical basis; content analysis; professional journal articles; 87R3330
symbolic interactional leadership model; 87R9258
symbolic interactionism, developmental stages, applied sociology implications; 87R8680
symbolic interactionism, sociologial decline/revitalization; literature review; 1960s-present; 87R5444
symbolic interactionism, subjectivist vs objectivist debate; 87R7040
symbolic interactionism/semiotics integration; critique/response; 87R3366
symbolic interactionist research, Netherlands; 87R3493
threats, power structure, symbolic interactionism/phenomenological situation theory; 87R9168

Symbolism
acts/objects, symbolic uses, semiotic analysis; 87R9165
Bourdieu, Pierre, culture theory; 87R9328
Bourdieu, Pierre, social thought; interview; 87R9087
Bourdieu, Pierre, symbolic violence theory; 87R9119
Catholic symbolism, Andrew Greeley's novels/sociological writings; 87R6117
Christ's suffering/death/ressurection, triadic elements, psychoanalytical interpretation; 87R6198
college mascots/symbols, violence/sexism images; 87R7969
cultural redefinition/production, Chinese revolution, 1940s; 87R3611
elite empowerment/social construction expression, theatrical elements; secondary data; public drama; 87R9646
housing forms (longhouse), ethnic/cultural identity maintenance, Iroquois reserves; interviews; 87R3636
human body symbolization, primitive/feudalistic/capitalistic societies; 87R5478
human evolution, symboling vs labor's role, Leslie White's vs Friedrich Engels's thought; 87R5265
identity communication strategies, home as symbolic tool, Italy; 87R9197
Marian sanctuary, Loreto, Italy, historical symbolic functions; 87R6245
minority problems/separation, nation-state's role; 87R3569
motorcycle gang activity/symbolism, Japan; participant observation, interviews, questionnaires; 87R1621
ponkal ritual, south India, ceremonial/symbolic aspects; 87R5599
popular culture heroic figures, symbolic operations, third grade boys; visual media; interviews; Pacific Northwest; 87R1944
punk symbols, declarative/regulative aspects, Oslo, Norway; 87R9193
scriptural symbols/language, US culture/literature; content analysis; Bible/Book of Mormon/other literature; 87R6103
social metaphors, Binalayan fishcorral ritual, Philippines; 87R9335
"social problem" concept, religious/evil symbolism; 87R3390
social structure, cultural symbols' contribution, theoretical framework; 87R8905
social unit's territoriality weakness, sociological research implications; case study; Comacchio, Italy; 87R5311
symbolic classification, individual vs shared cultural assumptions, inversion metaphor; 87R4926
symbolic meaning, symbol-referent linkage; 87R3606
visible language, images/functions; 87R2256
women's career choices/professional aspirations, social divergency/personal symbolization theories; 87R5243

Symptoms
psychological symptoms, elderly; life-event stress; interviews; Kentucky; 87T0661

Synagogues
cultural structure/change, systems theory/cybernetics approach; 87R3597

Syncretism
religious syncretism, southern Africa; 87R8066

Synthesis
fertility analysis, Easterlin-Crimmins Synthesis Model critiqued; US, Colombia, Costa Rica, Nepal, Sri Lanka; 87R4607
social relations, diffusion processes, unified general theory proposed; literature review; 87R5464

Syria
cultural values, 2nd-grade reading textbooks, Near Eastern nations; content analysis; 87T0144
gender bias, Syrian school textbooks; content analysis; 87R4268
religion-society relationship, Saudi Arabia/Egypt/Syria; 87R7411

Systems
binary communication codes, logical/semantic problems; 87R4223
body/mind as information systems, idealism vs dialectical materialism tenets; 87R5102
system management/evaluation, feedback bias; 87R3753

Systems Theory
agricultural structural change/policy, analytical framework; 87R6743
conceptual differences, university residence staff/students, system goal consistency; 87R3188

cultural anthropology vs sociology of culture, Germany; 87R3329
employee assistance programs, systems theory principles; 87T1053
experience-oriented sociology, system theory, various examples critiqued; 87R9276
family systems, self-perception factor diagrammatic assessment technique; case example; 87R8423
family therapy, systems models/treatment critiqued; 87R8544
farming systems research, methodological/theoretical problems; 87S1993
health care services, general systems approach, patient-hospital-community relationships; 87R4889
health/human behavior, biopsychosocial model, system-based interdisciplinary approach; 87R6853
industrial catastrophes, organizational traits; case studies; Bhopal (India), space shuttle program; 87R6759
Luhmann, Niklas, systems theory; 87R7077
organizational environmental adaptation, coordinated management of meaning perspective; 87R5719
organizational structure, sociological theoretical developments; 87R5460
reconstructability analysis, system/subsystem relationships, social science applications; 87R6854
religion as partial system, Niklas Luhmann's theory; 87R6192
social structure, Anthony Giddens'/Jürgen Habermas's theories, action/system concepts; 87R3324
social systems, ecological aspects, general systems ecological model, indirect control; 87R5453
socialization process, general systems theory perspective, fundamentalist Christian implications; literature review; 87R8294
A Sociological Theory of Law by Niklas Luhmann; review essay; 87R6270
systemic functioning, social-psychological processes; 87T0482
systems theory, metaphysical aspects; 87R3396
systems theory, Niklas Luhmann's approach; 87R5473

Szasz, Thomas
mental illness, service delivery, Thomas S. Szasz's model; 87R5539
suicide prevention, Ronald Maris/Thomas Szasz debate; award address; 87R9231

Taboos
blood taboo, sexual division of labor, primitive/Western societies; 87R9342
sacred cow ideology, India, taboo's symbolism/persistence; observations, religious/secondary data; 87R4364

Tahiti
conflict avoidance model/ethic, Tahitian society, reactions to violence; secondary accounts, fieldwork; 87R3067

Taiwan
ability-achievement relationship, elementary schoolchildren, Taipei, Taiwan; longitudinal panel study; 87R3422
adult socialization, medical care preferences; migration, initiate network membership; interviews; Taiwan; 87R2718
agricultural labor force aging, ecological factors, Taiwan; 87R9946
alienation levels, Taiwanese vs US college students; questionnaires; 87T0414
alienation, Taiwanese college students; modernization; questionnaires; 87R3545
community development theory/practice vs traditional Chinese thought; 87T0857
dependent development, textile/electronics/petrochemicals sectors, Taiwan; nationalist state's role; interviews, archival data; 87R5744
deviant behavior, Taiwanese junior high school students, differential association theory's applicability; questionnaire; 87T0824
divorce rates, Taiwan; longer life expectancies; comments/reply; 87T0592
family type preferences, social/economic factors, Taiwan; national survey; 87T0520
housing space/location satisfaction, urban residents, Taichung (Taiwan) vs Western cities; survey; 87T0031
institutional reform, juvenile reformatories, People's Republic of China/Taiwan/Hong Kong; personal observations, documentary evidence; 87R2464
intercultural discrimination, defense mechanism function, Japanese vs Chinese/Koreans; historical reveiw; eighth century-present; 87R9293
job dissatisfaction, gender differences; occupational incongruity, class structure; Taiwan; 87R1688
job market opportunities, college graduates, Taiwan; job search method; statistics; 87R4112
marital fertility/child spacing, Taiwan; family structure changes; 87S1988
mortality patterns, familial role-related risks, Chinese vs American vs Chinese American societies; 87R8248
national language movement, Taiwan; 87R4221
occupational achievement, migrants, Kaohsiung City, Taiwan; educational attainment, labor market conditions, gender; survey; 87R4087
occupational achievement, migrants, Kaohsiung City, Taiwan; educational/status attainment; survey; 87S1950
organization/believer-church relations, Christianity/Buddhism/folk religion, Taiwan; 87T0149
population growth, development problems, Taipei, Taiwan; 87R9539
Protestant ethic orientation, Taiwanese vs Hong Kong college students; sociodemographic/other factors; scales; 87R6389
Protestant ethic, Taiwanese college students; scale/other measures; 87R2334
recent fertility decline, supplementary data, Taiwan; 87R9144
reciprocity norms, Chinese vs Western societies; literature review; 87R5916
social class structure/income level changes, Taiwan; government statistics; 87R9829
social welfare legislation, Taiwan; economic growth; 87T0210
sociology's development/sinicization, Taiwan; questionnaires; sociologists; 87R9036
working class size, Taiwan; internal/external factors; 1953-1983; 87S1962
working-class formation/industrial conflict, South Korea vs Taiwan; 87S1966

Tanzania
food self-sufficiency, Tanzania, policy failures; 87R7428
language policy/attitudes toward English, Tanzania; fieldwork; 87R4230
malaria, community adaptations, rural Muheza District, Tanzania; cross-cultural contacts; 87R4830
primary health care, political-economic perspective; cross-cultural analysis; 87R4859
regional planning administration, less developed countries, developed country academics' role; case studies; Tanzania, Papua New Guinea; 87R7725
social relations, African agriculture; case study; Haya, Tanzania; 1890-1960; 87R9968
underdevelopment, Tanzania, World Bank policy impact; official data; 87R9560

Task Oriented Groups
allocation decisions, supervisors; individual vs group characteristics/contributions; 87S1954
children's group problem solving; social interaction; experiment; 87R8296
competence assessments; task difficulty/performance; gender experiment; university students, Paris, France; 87R1458
decision rules, performance evaluation; 87R6892
friendships/academic tasks, students' out-group choices; teachers' tender- vs tough-minded attitudes; survey; 87R8002
group action theory, individual-/group-level processes; 87R3410
group activity, older adults, practical resource guide; 87R8627
group cooperation, dilemma games, Nuts vs n-PD; 87R3470
group problem-solving, human relations task, scientific ranking test; face-to-face vs computerized conferencing; experiment; college students; 87R9192
power/prestige legitimacy, task groups, theoretical model; 87R1409
self-analytic groups, therapy process, developmental arrestations; members' role differentiations; 87R2824
sustained altruism, crisis-counseling agency telephone volunteers, socialization history; 87R9206
task group hierarchies, status seeking, bystander interventions; dominance behavior, gender; experiment; 87S1976
task performance, science research/development teams, industrial companies; social structure; survey; US; 87R3409
task performance/attributions, high vs low instrumental college women; success vs failure; questionnaire; 87R7177
understanding attainment, iterative search, conceptual viewpoint; videotapes; sewing machine operation; 87R3449

Task Performance
job stress/satisfaction, mail sorters; manual vs automated procedures; interviews/questionnaires; 87R5620
language learning performance; normative expectations, self-perceived abilities; experimental test; undergraduate psychology students; 87R3726
primary group task performance; neighborhood age homogeneity; interviews; elderly, New York, Florida; 87R6633

students' performance/feedback perceptions; self-esteem; scale; 87R5519
task performance/attributions, high vs low instrumental college women; success vs failure; questionnaire; 87R7177
traditional/alternative matrix seriation, multiple classification, structural relationships; experimental tasks; children; 87R2597

Taxation
Federal Tax Code, US; interest groups; 87R1998
financial settlements, divorcing couples; 1984 US Tax Reform Act; 87R4705
France's 1695 poll tax, social classification/exclusion characteristics; 87R7684
government science/research defense spending, regional inequalities, GB; 87R5769
housing consumption taxation, GB; 87T0006
income transfer programs, analytical/methodological approaches; 87S1968
marital financial arrangements, GB; tax/income maintenance policies; 87R6474
poverty/unemployment traps, tax/benefit structure reforms, UK; case study; 87T0954
public voting behavior, predispositional factors, California tax-cutting initiatives; 87R1866
tax system, Yugoslavia, socioeconomic inequality/income redistribution functions; 87R9754
US federal tax code, redistributive effects; 87S1949
US macroeconomic policy, supply-side economics; 87S1963
welfare state, environmental tax financing, implementation problems; 87R6724

Teacher Attitudes
academic competence, children's self-appraisals, gender differences; test scores, teacher's ratings; 87S1931
belief convergence, US elementary schoolteachers; local environmental factors; interviews; 87R6135
bilingual education, educators' attitudes; bilingualism, social philosophy, educational experience; questionnaire; 87R2344
children's sex-role differences; teachers'/parents' behavior; observation, "infant" school children; GB; 87R4315
computer purchase requirement for freshmen, faculty attitudes, Drexel University (Philadelphia, Pennsylvania); questionnaire survey; 87R2533
computer usage/access/attitudes, secondary school students; gender, socioeconomic status; questionnaire; California; 87S1965
educational achievement, US schoolchildren, teacher's perceptions; temperament/behavioral style; national surveys; 87R7934
friendships/academic tasks, students' out-group choices; teachers' tender- vs tough-minded attitudes; survey; 87R8002
Guaraní/Spanish bilingual education, urban Paraguay, teachers' attitudes; questionnaire/interview/other data; 87R7953
school disciplinary system, black vs white encounters; longitudinal questionnaire data; public school students; 87R8001
sex-role socialization, high school students; teachers' influence; scale; 87R5259
sickness claims, primary schoolchildren, teachers' interpretations; interviews, observations; England; 87R2349
staff reduction actions, teachers' expectations/evaluations/morale, administrative implications; questionnaires; two-school districts, Lower Mainland, British Columbia; 87R7763
student achievement, prison classroom; teacher expectations; participant observation; 87R2465
student achievement; teacher expectations; observation; physical education setting; 87R4335
teacher resistance strategies/actions; 87R2301
teacher-initiated curriculum innovation, change perspectives/coping strategies; case study; physical education department; 87R8035
teachers' efficacy attitudes; environmental conditions; interviews; middle-/high-school teachers; 87R2179
teaching-job-sharing attitudes, costs/benefits; teachers, New South Wales, Australia; 87R2175
Technical & Vocational Education Initiative program recruitment, GB, form teachers' role; 87R4340

Teacher Evaluation
faculty teaching assignments, course utility vs schedule utility, mathematical programming models; faculty ratings; Miami University, Ohio; 87R9039
general/professional education colleges, Quebec, teachers' problems; statistics; 87R7952

Teachers
academic labor force, size/age structure; organizational records; policyholders, Teachers Insurance & Annuity Association; 87R7723
career change prediction teachers; career satisfaction, demographic variables; mathematics teachers; 87R2125
career patterns, primary/secondary school teachers; gender-specific career models, institutional environment; census data; US; 1970; 87R4132
de-alienation, human consciousness liberation, theoretical framework derived; case study; secondary school teachers, Israel; 87R5520
education reform, commission recommendations, teacher supply issue; content analysis; 87S1936
educational excellence vs teaching professionalism as reform goals; critique; 87R7959
educational reform movement, teacher training goal, USSR; 87R7779
feminist teachers, New Zealand, post-WWII educational context; life histories, case studies; 87R9904
pay equity/negotiation impasse resolution, public schools, participants' perceptions; questionnaires; 87R7732
perceived job characteristics, rural elementary/secondary school staff; communication network characteristics; survey, sociometric questionnaire; midwestern US; 87R2355
public school teaching, application forms' civil rights compliance (preemployment practices); school district size/ethnicity; inferential statistics; Texas; 87R1537
school decision making, teachers' perceived control; questionnaire; junior/senior high school teachers/administrators, Michigan; 87R2151
social categories, cognitive structure; questionnaire; 87R3425
social mobility, peasant-origin teachers, Poland; questionnaire; 87R4102
social worker instructors' scholarly productivity; research/environmental variables; questionnaires; 87R4554
teacher education as cultural politics, radicalized teaching force; 87R7973
teacher education crisis, US, social problem aspects; 87S1942
teacher education, feminist perspective; 87R4320
teacher education, progress/goals; 87R7984
teacher education, Spain, pedagogical students' satisfaction; questionnaire; 87R7975
teacher resistance strategies/actions; 87R2301
teacher typology, Indian school, educational/ideological discourse; 87R4133
teachers' role/social position, Poland, historical development; 87R4110
teaching profession, Poland; feminization process; literature review; 87R4107
teaching profession, qualifications/redefinition, ethical/political issues; 87R5987
teaching profession/new middle-class development, Spain, political vs economic influences, Franco regime; 1939-1975; 87R9918
teaching-job-sharing attitudes, costs/benefits; teachers, New South Wales, Australia; 87R2175
teaching-schooling conceptualization, democracy/social justice values; 87R6137
un-/underemployment, West German/US university teachers; secondary data, interviews; 87S1941
work-related stress, teachers; locus of control, age, sex; scale, questionnaire; 87R5994
worker alienation, urban public school teachers; tokenism; 87R3685

Teaching
classroom teachers, occupational structure; school organizational variables; 87R5984
sociology studies/discipline, purposes/practices, West Germany; 87R3263
sociology teaching, activism/perspectivity; 87R5375
teacher labor relations, union-school cooperation, US; 87R5656
Teachers' Work by R. W. Connell, new sociology of education; review essay; 87R4138

Teaching Methods
Americal Sociological Association teaching services program workshops; computer interview survey; 1985/86 annual meeting participants; 87R5377
biomedicine, public policy dimensions, teaching approaches/methods; 87R6923
computer-assisted teaching, experiences/concerns; 87R6929
debating, sociology teaching technique, student benefits; 87R5383
education research, teaching practices; book review essay; 87R7994
educational history/philosophy, teaching methods, use of literary texts; 87R1216
gameshow as in-class study technique, Chinese-Japanese politics course; 87R5385
human behavior, biological perspective, student misconceptions; 87R6963

imperialism, J. A. Hobson's/V. I. Lenin's theory, dramatic presentation as teaching technique; 87R5387
information science, educational reform, didactic theory/instructional techniques; 87T0123
introductory criminology classes, women/crime topics; 87R6964
introductory sociology classes, bonus-point attendance incentive system; 87S1977
introductory sociology course, modernization theme/framework; 87R6919
psychotherapy training program, theory/research/practice linkages; 87S1978
public administration teaching, professional curriculum, biopolitical/-behavioral issues; 87R8011
public lecture custom, British universities; cultural-anthropological perspective; 87R6148
race relations, teaching technique; 87R6928
second-language teaching strategies, vocabulary teaching; personal experience; University of Lisbon, Portugal; 87R2263
social class concept, teaching technique; 87R6961
social inequality, structural barriers, in-class exercise; 87R6933
sociology of sport, Australian university, course outline/bibliography; 87R9040
sociology teaching, general education courses, formal operational thinking emphasis recommended; 87R5392
sport sociology teaching method, literature use; 87R9025
sport sociology, critical awareness development; teaching methods; 87R9041
sport sociology, interdisciplinary undergraduate course description; 87R9026
sport sociology, teaching methods, film's utility; 87T1068
sport sociology, teaching, sociological imagination development, action projects; 87R9037
student achievement, kindergarteners-12th graders, US; question-asking behavior; 87T0091
students' attitudes/achievement, general/professional education colleges, Quebec; radical pedagogy; longitudinal data; 87R7938
teaching sociology, birthrate decline topic, student assignment; 87R6965
undergraduate criminology courses, teaching decisions, information sources/issues/teaching strategies; 87R5393
women's studies, teaching theories/practices; literature review; 87T0106

Teamwork

brigade labor organization system, USSR, workers' perspectives; questionnaire; Kishinevsk; 1985; 87R9418
family therapy, live supervision training team approach; interviews, observations; 87R6657
job satisfaction/workplace culture, restaurant, Scotland; participant observation; 87R1702
scientific team organization/interaction; researchers' psychological characterizations; 87R7092
task performance, science research/development teams, industrial companies; social structure; survey; US; 87R3409
therapy management/therapy management group concept, Central Africa; literature review; 87T0597
work distribution, psychiatric hospitals' therapeutic communities; participant observation, interviews, audio recordings; 87T0658

Technicians

computer technology, managerial/professional/technical work, rationalization mechanisms; 87R7776
engineering jobs, France, dequalification hypothesis; interviews; engineers/technicians, industrial firms; 87R9872
New Working Class theories, technical white-collar workers; occupational/technological change; questionnaires; technicians, Hong Kong; 87R2104
nuclear power regulations, probability risk assessment; interviews; engineers/other technical personnel; 87S1974
professional qualifications/occupational mobility, technical institute faculty members, USSR; questionnaire; Leningrad; 87R7770
science/technology intelligentsia, USSR, communications/research; questionnaire; 87R7788
technical experts, role integration/autonomy, industrial firms; case studies; engineering companies, GB; 87R4139
workplace democratization, workers' participation/motivation, airline mechanics; 87R7283

Technological Change

artificial intelligence, individual/cultural impact; 87T0274
blue-collar work experience/organization, advanced technology's impact, methodological/theoretical issues; 87R8221
computer technology, Marxist critique; 87T1042
computers' cultural influences, ethical issues; 87T0836
electronics, social/cultural change implications; 87R7262
grain-threshing technology adaptation, cultural/social consequences, rural folk areas; historical data, interviews; 18th century-1945; 87R2201
industrial labor force skill composition, Brazil; technological dependence; panel regression analyses; manufacturing industries, 1960-1975; 87R1649
industrial relations, trade unions' position, Italy; economic/technical change; 87R9350
industrial/information society transformation, US; 87R3013
labor market/process position, lower white-collar workers, GB/West Germany; organizational/technological change; empirical data; 87R6335
labor policy; information technologies implementation; secondary data; machine building industry, West Germany; 87R9412
later marriage/labor force entry, France/other European countries; literature review, statistics; 87R6485
man/machine relationships, George Orwell's pessimism vs Vittorio Frosini's utopian view; 87T0845
modern society, privatization tendency; 87T0003
modern technology, toxic risks; 87S1972
New Working Class theories, technical white-collar workers; occupational/technological change; questionnaires; technicians, Hong Kong; 87R2104
occupational status, pharmacists, GB; work/market changes; 87R7744
organizational/technological change, employee apprehensions/expectations, high technology settings; occupational status/position; 87S1964
production automation, manufacturing industry, US; 3-book review essay; 87T0284
settlement mobility, forager societies; technological variability; 87R3057
social change/regulation, contemporary Italian society; innovations; 87R2513
social/economic structures, technological development, France/US; 4-book review essay; 87R9422
society/culture, technological development's impact, "Kranzberg's laws"; 87T0280
technical innovation/change vs scientific paradigm, informational interaction model; 87T0231
technological change, complex organizations' adaptations; sociotechnical factors; longitudinal analysis; factories, New Jersey; 1973-1981; 87R5704
technological change, evolutionary analogy vs historical economics explanations; 87T0275
technological development consensus/conflict, West Germany; work-centered vs lifeworld-centered values; case study; nuclear technology dispute; 87R2516
technological development, risk assessment policies; France/Sweden/West Germany/US; 87S1963
technological developments, people's adaptations/fears, Western civilization; 87T0840
technological/institutional change, Karl Marx's views; 87R5264
Technology, Ecology, & Social Development Project, ecol-humanistic model; 87R2524
technology, social change implications; West German Sociological Society conference report; 87R5398
technology/skill concept, occupations/work research; 87S1952
textile industry employment, gender patterns; technological change; survey, census, case studies; England; 87S1974
undercover practices/surveillance, technological expansion; 87R5135
white-collar work automation, productivity/culture/health issues; 87R9349
work ethic experiences, alienation, technological change; 87R5693
workers' power, US; technological change; published data, case studies; 87R7294
working life/unemployment, new technologies' effects; literature review; 87R9398
workplace/worker control, US labor union's role; political/economic/technological change; 87S1952

Technological Innovations

abortion debate, fetus status concerns, post *Roe* v. *Wade* decision; medical/scientific developments; US; 87R3085
agricultural loan decisions, bank officers, Texas; socialization/organizational mechanisms, personal characteristics/perceptions; telephone interviews; 87R6039
automatized workplace/computerized society, human worker's role; 87R8212
classroom computer use, sociocultural/worldview implications; 87R4326

communication technology, cultural implications, South Asia; UNESCO seminar, Poona, India; 87R5826
communication/information, journalistic knowledge monopoly vs oral traditions, H. A. Innis's views; 87R5456
communications research/technology, Europe, collaborative strategies; symposium; 87R6343
communications/automation technological revolution, world economy implications; 87R7449
Computer-Aided Design systems, labor force impact; interviews, observation; 87S1978
computer-integrated manufacturing, West Germany, manpower problems/policy; case study; 87R3735
computer's utility, sociological fieldwork; 87R1233
conservation technology, innovator adopters-their neighbors, interpersonal interaction; telephone interviews; farmers, Illinois; 87S1993
earthquake prediction technology, policy formulation, US vs Japan; 87R6334
employee turnover, high-tech settings, worker participation/skill issues; interviews; 87S1961
experimentation vs technological production, cognitive/social aspects; 87R8707
health policy changes, cost containment emphasis critiqued; 87R6540
high technology industrial development, worker polarization, Newbury District, GB; 87R7424
high technology industry development, Cambridge, England, university's role; 87R4571
high technology industry, regional development, US; interorganizational transactional structure, local labor market factors; WWII-early 1980s; 87T0286
high-technology managerial elites/organizations, qualitative research methodological issues; participant observation, interviews, other data; Solar Corporation, New York; 87S2004
human capital demands, high technology industry, higher education's response; 87S1940
industrial automation, new management criteria/labor organization; 87R1836
industrial enterprises, Yugoslavia, socioeconomic change/adaptation strategies; 87R5765
industrial relations/social regulation, France; technological innovation; secondary/primary data; 87R9348
information systems industry, capitalist countries, socioeconomic impact; 87R4562
information technologies, social impact/commodification; 87R5091
information/communication technology, social uses, Europe/US/Japan; 87R4564
innovation adoption/diffusion, solar technologies, US vs French research; 87R4574
innovation management, human/process/structural/strategic problems; 87R7389
international terrorism, information technology solutions; 87R8841
job satisfaction, high technology vs traditional industrial sectors; Silicon Valley, California; 87S1974
man's suffering, technological development issues; 87R2796
mental illness, medical vs community model, technology's impact; 87R2828
microcomputer industry, technological development, power relations; 87R6340
microcomputer technology, access inequalities, educational/occupational consequences, high school students; survey, experiment; Twin Cities area, Minnesota; 87R6328
microcomputer technology, user attitudes/acceptance, high-technology corporation, California; questionnaire, interview; 87R5997
modern labor; industrialization processes; 87R1677
new reproductive technologies, androcentric bias, France; literature review; 87R8912
new technology, newspaper production process, compositors' adaptation; questionnaire survey, interviews; employees, Australian newspaper; 87R1712
office/industrial division of labor, work compensation, job security; new technology; 87R1653
organizational environments; technological change/breakthroughs; archival/trade data; minicomputer/cement/airline industries; 87R8220
power relations, advanced industrial societies; information technologies; 87R6683
production organization/management, tool & die workshop, France; technological innovation; personal experience; 87R1701
reproductive technologies, secrecy/stigma, users' attitudes; interviews, questionnaire; 87S1940
skill level, blue-collar manufacturing workers; microelectronic-based technology; cross-national data; 87S1944
skill/deskilling, retail meat industry workers, US; technological changes; interviews, trade journal articles; 87S1985
small group activities, US/Swedish Japanese industry, diffusion process; outside consultants; 87S1952
social policy origins/functions, capitalism vs socialism; case study; Yugoslavia; 1979-1986; 87T0878
sociotechnical systems projects, applicability/longevity; case study; computer operations department; 87R7388
statistical matrices, deviations from proportionality expectations, analysis methods; published data, patents granted, US, 1963-1977; 87R6729
technical innovation/change vs scientific paradigm, informational interaction model; 87T0231
technological catastrophes, stress prevention, policy issues; 87R8778
technological change, complex organizations' adaptations; sociotechnical factors; longitudinal analysis; factories, New Jersey; 1973-1981; 87R5704
technological change, Italian workplace; statistics; 87T0276
technological development consensus/conflict, West Germany; work-centered vs lifeworld-centered values; case study; nuclear technology dispute; 87R2516
technological innovation, computer revolution, wide-based public usage; 87R2521
technological innovation, Flemish machine construction firms, decision-making process; case studies; 87R3701
technological innovations as social/political experiments; case study; Chernobyl nuclear meltdown accident effects, West Germany; 87T0921
technological innovations, implementation problems, industrial enterprises, USSR; interdepartmental organization; questionnaire; workers, L'vov; 87R1782
technological inventions development, labor policy implications, Yugoslavia; 87R7434
technology development, social constructivist approach; case study; ultracentrifuges; 87R8213
technology history, interactive vs contextual dependency approach; 87R4568
technology-power relationship, interactive information systems; case study; 87R7419
telephone technology, women's social/personal use; North America; 1890-1940; 87S1956
unemployment, liberal-democratic ideology, Canada; 87R5630
unionization obstacles, high-technology firms, US Sunbelt; work environment/political climate, employee union attitudes; survey, interviews, field observations; Texas; 87S1976
wheat production/processing, industrial restructuring; institutional/technical changes; 87S1988
work organization, small/high-tech companies, US/France; 87S1979
work/technological change, France, state/employer/union/worker relations; 87T0277
working hours' flexibility, sociopolitical effects; Switzerland; 87R2539
youth education problems, USSR; technological innovations; 87T0107

Technological Progress
agricultural/industrial development policy/capital accumulation, sub-Saharan Africa; 87R7429
computer chip development, Silicon Valley, California; 87R4573
computers, cognitive formalization/ceremonialization; 87R4566
Darwinian theory vs biotechnology; 2-book review symposium; 87T0272
economic progress, adjustment rates, traditional- vs labor- vs profit-oriented farmers, Japan; 87R6049
educational experience, student-teacher interactional changes; computer-related technology; 87S1964
engineering/science, USSR, sociophilosophical/methodological problems; 87R4035
Fordism characteristics; control problems/new technology; 87R9457
health care delivery, state's role, France; technological developments, professional/social/economic forces; statistics; 87R4948
increasing technological dependence, utopian fiction literature; 87R1617
industrial growth/efficiency, manufacturing firms; steam utilization; Yonkers, New York; 1850-1880; 87R3814
intelligentsia's distribution, East German cities; information technology; 87R8793
local reindeer economy, Scandinavian Sami; snowmobile use; 87R7272
medical practice/knowledge, scientific vs experiential orientation, alternative healing; chronic illness cases; 87R4533
modern medicine's limits, developed countries; scientific/technological development, socioeconomic values; 87R4860
new technology diffusion, Europe; social adaptation/solidarity; 87R8744

political dissensus concept/typology; 87R7586
racial inequity, US; technological developments; 87R5578
science/technology policy making, citizen participation; 87R2486
science/technology; military spending; 2-book review essay; 87R4544
scientific discoveries, classification scheme, USSR; 87R6316
scientific/technological development, social mediation issue; 87R8217
social development, working class, USSR; technological progress; 87R6331
social/technological development, objective dialectic; 87R2515
society/culture, technological development's impact, "Kranzberg's laws"; 87T0280
socioeconomic development/reform, twelfth 5-year-plan, USSR; 87R2522
sociology as science, organizational structures/issues; 87R6309
technological decision making, technocratic fallacy; 87R2537
technological development, social causes/functions, socialist countries; 87R8218
technological innovation, orientations planning, financial/human resources; 87R8190
work-family relationship, Europe/US; journal issue editorial; 87R6440

Technology
autonomous technology, Maurice Merleau-Ponty/Martin Heidegger's philosophy; 87R2529
databased technology, cost/demand/affordability; article/comment; 87R2528
government-sanctioned mass killing, Nazi Holocaust vs Allied strategic bombing, World War II; 87R3081
hermeneutic philosophy, historical development; 87R7071
high technology industry development, Cambridge, England, university's role; 87R4571
informal work, wage work/self-employment comparisons; technological innovation; San Francisco, California; 87R1700
marginalized groups, Austria; capitalist development, government policy; 87R3800
occupational/income polarization, areal labor markets; hi-tech industries; official data; southeastern US; 87S1989
organizational productivity; information technology investments; 87R2520
science/technology research process, social studies, conceptual issues; 87R2507
sociocultural systems, material/social-structural/ideological subsystems, evolutionary relationship; Human Relations Area Files data; 87R3375
technological development, institutionalist economic theory; book review essay; 87R4570
technological development/diffusion, negative effects; book review essay; 87R4569
technological literacy measures, policy implications; national telephone survey; adults; 87R6336
technological literacy, Ivan Illich's concept; 87R6339
technological/natural disasters, social impact assessment, social/psychological stress model developed/tested; 87R5174
technology genderization, institutional/symbolic/research work mechanisms,; questionnaire; engineering students, Norway; 87T0133
technology, humanistic/technical dimensions, historical-critical analysis; 87R2519
Vietnam War, technical problems, technological-production model, US escalation; 87R1749
worker-controlled businesses, computer utilization; secondary studies, interviews; Berlin, West Germany; 87R3688

Technology Assessment
artificial intelligence, individual/cultural impact; 87T0274
computers' cultural influences, ethical issues; 87T0836
reproductive technologies, feminist-oriented assessment; 87T0996
societal risk management, nuclear technology, excessive cost criterion questioned; article/comment; 87T0285

Technology Transfer
agricultural research, Mexico, biotechnological possibilities/international dependency consequences; 87S1991
agricultural technology transfer, Egypt; research activities; statistics; 87S1995
agricultural/technological development, international research program's implementation problems, Kaduna, Nigeria; case study; Sub-humid Zone Program; 87R7843
economic stagnation, Argentina, indirect development strategy proposed; 87R7565
employee assistance programs, US vs Australia, technology transfer issues; 87R8564
industrial labor force skill composition, Brazil; technological dependence; panel regression analyses; manufacturing industries, 1960-1975; 87R1649
international technology flows, structural properties, suppliers'/recipients' costs/benefits; 87R6337
management information system, Egypt, technology transfer issues; 87R6342
small group activities, US/Swedish Japanese industry, diffusion process; outside consultants; 87S1952
social work research, Hong Kong, Western technology transfer issues; 87R9551
technical collaboration, Japanese-Indian projects; survey; 87R3553
technology transfer strategy, community development program, India; 87S1933
US agricultural technology exportation; case study; Rockefeller Foundation program, Mexico; 1943-1961; 87R4156
Western capitalist technology importation, social/labor market consequences, socialist/Third World countries; management control style, sociotechnological modernization lack; case study; Hungary; 87R6329

Teilhard de Chardin, Pierre
science-religion relationship, new science concepts, hyperphysics, Pierre Teilhard de Chardin's works examined; 87R1341

Telecommunications
analog-to-digital microcomputers applications, social science research; 87R9009
business practices, transportation/communication firms; deregulation; 87R9491
computerized bulletin board users, social interactions/relationships; observations; 87R2535
computerized mail systems/conference facilities, heavy vs light users' characteristics; questionnaire survey; University of Massachusetts, Amherst; 87R2527
international communication, ethical guidelines; 87R5832
international terrorism, information technology solutions; 87R8841
subject as consciousness/labor power, value theory implications, Karl Marx's thought; 87R3149

Telephone Communications
direction-giving, sequential organization; telephone conversation transcript; 87R1516
extreme case formulations, conversational uses; telephone conversations, court hearings; GB; 87R1515
opening routines, telephone conversations; transcripts; 87R1518
police calls, professional dominance thesis, linguistic strategies; case studies, published material; 87R1500
telephone message-communicational systems, British police force; semiotics analysis; 87R1509
telephone technology, women's social/personal use; North America; 1890-1940; 87S1956

Telephone Surveys
computer-assisted telephone interviewing, methodological issues; 87R8997
interview refusal rates; interviewers' voices/attributes; recordings, scales; 87R1229
questionnaire responses; middle-response alternative; telephone survey; 87R8978
response distribution, telephone survey research; confidentiality reminder; southern Nevada; 87R1210
telephone survey statistics, interviewer effects, measurement/estimates; 87R1217

Television
alcohol portrayals, prime time television programs, US; content analysis; 87T0721
alcohol/drinking portrayals, Finnish television; content analysis; programs; 87R2856
antitelevision campaign, orthodox Jews, Israel; 87R9642
antiurban sentiment, US; historical analysis; 87R4193
black families vs white families, television portrayal; 87R1886
black/female performers, music television video portrayals; content analysis; 87R3909
classroom teaching, network news applicability; content analysis; television news; 87R6924
conversation closing, live television news interviews; 87S1951
crime/delinquency prevention, children/adolescents; special television broadcasts; observations, letter analysis; Federal Republic of Germany; 87R2942
democratic electioneering, television-based modes, US; 87R7626
displaced South Korean families, televised Family Reunion Program; 87R3879
election-night predictions, Italian television, reliability/accuracy; 87R1995
females' stereotypical portrayal, television commercials; loglinear analysis; 87S1941

film dubbing, work organization, Italy; empirical data; 87R7514
Greek television, programming policies/content; public corporation status; case study; 87R9338
health care, television portrayal, US; 3-network program analysis; November, 1983; 87R3890
helplessness focus/attributions, local television news, New York City; content analysis; 87R1902
imaginative activity stimulation, radio vs television, elementary school children; experiment; 87R9215
information dissemination, language use; personal experience; mass media research; 87R5822
married couples, interactive/communication strategies, television fiction programs, US vs Italy; content analysis; 87R3872
Native Canadian broadcasting/programming, radio/television stations; 87R3887
police behavior, public's/elite's perceptions; police brutality broadcast; survey; 87R3881
politicized attitudes, New Christian Right; religious television; secondary data; 87R2409
Pope's 1983 Austrian visit, television coverage; content analysis, survey; 87R6228
public television, interorganizational funding network, US; political environment; Public Broadcasting Service time-interval data; 1976, 1979, 1982; 87R3764
religious broadcasting, resosurce mobilization perspective; 87R8065
scientific knowledge, television's popularization; content analysis; broadcast messages; 87R5833
sex/violence/drug/other attitudes, adolescents; music television viewing; survey; 87R6383
social interaction, mass mediation, television programming; 87R9639
sociological instruction, television soap opera material, uses/problems; 87R6453
Spanish-language radio/television preferences, Mexican-Americans vs other Hispanics, US; interviews; 87R7510
sport/leisure, government policy/televised presentations, Canada; case study; 1984 football Grey Cup; 87T0889
suicide rates; mass media stories; content analysis; suggestion/differential association theories; 87S1981
televangelism growth characteristics, US; 87R9611
televangelism, factorial causal model; questionnaire; viewers; 87R6216
television characters/concepts, parents'/children's perceptions, Japan/Korea/Philippines/GB/US; multidimensional scaling; 87R3885
television industry, US, social structural analysis, Marxist/feminist perspectives; interviews; scriptwriters; 87R1892
violence/sex portrayals, music television videos; content analysis; 87R3910
women's portrayals, television programs, socialist-feminist perspective; content analysis; 87R7521

Television Viewing

academic achievement-media use, reciprocal relationship, US high school students; national longitudinal survey; 87R4299
aggression levels, Chinese primary schoolchildren; social determinants; inventory, questionnaires; fourth graders/parents/teachers, Beijing; 87R4638
aggression-television viewing behavior, children, US, mediating factors; empirical research; 87R8407
childhood-television exploitative relationship, Neil Postman's theory critiqued; 87R6368
children's behavior, television's effects, mass media scholars' beliefs; mailed questionnaires; 87R3873
children's emotional behavior; family/parental communication style, television viewing; 87R1473
"Dallas" television program, West German vs US viewers' readings; interviews; 87R9682
drinking portrayals, "All My Children" soap opera; content analysis; 87R4987
emotional/mental health; televsion viewing; interviews; adults, southwestern US; 87R1920
gender roles, television portrayals, viewers' perceptions; demographic variables; questionnaires; 87S1975
gender roles, television programs, audience perceptions; experiment; soap opera viewers; 87T1034
imaginative problem solving, preadolescents, West Australia; television viewing; questionnaires; 87R7146
media use, prison inmates, frequency/diversity/derived gratification; questionnaire; 87R2474
Music Television (MTV) cultural/ideological/aesthetic implications; 87R1899
Music Television (MTV), decoding/consumption process; 87R1895
Music Television (MTV), postmodern cultural trends, social-ideological aspects; 87R1921
music television videos, viewing motivations, high school students; questionnaires; California; 87R3911
music videos, discourse analysis; 87R1906
nuclear holocaust, television portrayal, children's reactions; interviews; second-/sixth-graders, Charlotte, North Carolina; 87R5831
nuclear holocaust, television portrayal, parental reactions; questionnaire; second-/sixth-graders' parents, Charlotte, North Carolina; public schools; 87R5830
professional snooker's popularity, GB, social aspects; personal observation, literature review; 87R1946
program type preference, West German television viewers; questionnaire survey; 87R7509
prosocial television portrayals, children's awareness; parental disciplinary practices; field survey; mother-child pairs; 87R4634
social reality perceptions, high school students; television viewing; secondary data; California, Oregon; 87R7519
television news, children's understanding; newscaster's gender, content stereotyping; test, questionnaire; fifth-seventh graders; 87R1918
television nonviewers, demographic characteristics; General Social Surveys; 87R5856
television viewing tastes/habits, Inuit communities, Canada; demographic variables; questionnaire; eleven-communities, Eastern/Central Arctic regions; 87R3891
television viewing/credibility attitudes, black Americans; national surveys; 87R3870
television viewing; negative experiences/feelings; personal activity logs, questionnaires; 87R3880
television watching, surplus value/commodity form concepts; 87R3878
television/video viewing habits, leisure activities, 7th-9th grade students, Bayern, West Germany; questionnaire; 87R4660
television's ideological/social control, viewer as subject; 87R1893
TV vs in-church worship services uses/gratifications; mailed questionaires; Swedish viewers; 87R6233

Temperance Movements

middle-class lifestyle, 19th-century US; temperance movement; literature review; 87R6611

Tenants

credit crisis, tenancy-indebtedness cycle, family farms; 87R6041
intergenerational home sharing, social structure/dyad formation; status passages; life-history interviews; Madison, Wisconsin; 87R6626

Tennessee

church organizational activities; metropolitan residential environment; questionnaires; religious leaders, Seattle (Washington)/Nashville (Tennessee); 87R6200
deleterious behaviors/conditions; alcohol availability, sociodemographic variables; city-level data; Tennessee; 87R8574
depressive symptomatology; chronic medical problems, coping resources; longitudinal surveys; rural residents, Tennessee; 87R2783
economic survival strategies, rural black/white residents, Tennessee; interviews; 87S1936
energy attitudes/conservation practices, residential consumers, Knoxville, Tennessee; situational/personal characteristics; questionnaire; 87R8766
industrial pollution risks, industrial community perceptions, Oak Ridge/Rockwood, Tennessee; 87R5126
Ku Klux Klan support/opposition, Tennessee adults, correlated factors; telephone survey; 87R7407
no-till planting use, western Tennessee farmers, soil erosion implications; interviews; 87S1992
political orientations/activism, voting-age residents, Memphis, Tennessee; human nature beliefs; interviews, scales; 87R9636
secularization; interfaith marriage; mailed questionnaires; adult Catholics, Memphis, Tennessee; 87R6476

Tenure

workers' earnings/tenure, industrial settings; conglomerate organizational variables; 87S1962

Terminal Illness

doctor-patient communication, cancer cases, Sweden vs West Germany; medical system organization/regulations; questionnaires; Malmö, Kiel; 87R4893
doctor-terminal patient communication; doctor's death attitudes; questionnaires; family doctors, medical students, midwestern US university; 87R2741
end-stage renal disease patient, Appalachia, kinship/social/religious support networks; ethnographic case study; US; 87S1931
life prolongation, elderly outpatients'/health care professionals' perceptions; interviews; 87S1931
longevity, advanced malignant disease patients, psychosocial correlates; questionnaire; 87R2758
palliative nursing care/medicine, recent literature; bibliography; 87R4816

terminal patients, nurses' attitudes/care behavior; work setting; questionnaire; northeastern US hospital; 87R2745
terminal prognosis communication, physicians' attitudes; literature review; 1950s-1980s; 87T0654

Termination of Treatment
death determination/definition, epistemological issues; 87R4803
foster care termination, older adolescents, individuation process; 87R4659
psychiatric hospital admissions/length-of-stay, Japan; cultural system; 87T0660
severely handicapped newborns, treatment decision-making issues; 87R6530
staff-patient interaction, intensive care units; technologically intensive medical intervention, staff attitudes; conversation analysis, field research; West German hospital; 1980-1983; 87R4873

Terminology
emotion lexicons/taxonomies, cross-cultural differences; 87R8528
Lazarfeld generalization-specification model, social science usage; context analysis; Sociological Abstracts's *Thesaurus of Sociological Indexing Terms*; 87S1955
nation vs state concept, ethnological writings, translinguistic analysis; 87R9295
social science, conceptual encyclopedia development; 87R7026
surrogate motherhood, terminology issues; 87R8888

Territoriality
intercultural relations, sociospatial conflicts, Arab-Palestine laborers, Tel Aviv, Israel; survey, statistics; post-1967 Six Day War; 87R5888
seat-taking behavior, Japanese university faculty members, territoriality aspects; observation, interviews; 87R5505
social unit's territoriality weakness, sociological research implications; case study; Comacchio, Italy; 87R5311
territoriality needs/motivations, adolescents; socioeconomic status; experiment; students; India; 87R4668

Terrorism
antiterrorist policies, France; 87R5206
antiterrorist regulations, Italy, texts/applications; 87R5208
crisis, decision-making patterns; case studies; Netherlands; 87R5151
document analysis, ethnographic approach; Iranian hostage television news as illustration; 87R6863
domestic military intervention/terrorism, Spain; 1800s-1900s; 87T0969
international terrorism, information technology solutions; 87R8841
Israeli vs Palestinian terrorism, hypocritical US ideological stance; 87R8758
leftist terrorism, violence expressions; 87R5209
political ideology, Belgian terrorist group; content analysis; media accounts; 87R3978
political terrorism, rhetorical genres; 87R5207
right- vs left-wing political terrorism, West Germany, forms/goals/victims; government data; 87R5210
security measures' effects, quantification method; 87T0968
Stalinism, Soviet vs Yugoslav Communist Parties comparison; historical analysis; 87R9794
terrorism/civil disobedience, social change actions, assumption of responsibility; 87R1493

TestBias
astrology belief, confirmatory hypothesis-testing strategies; experiment; 87R4394
intelligence, late adulthood, testing biases; 87R7109

Testimony
Allport/Postman rumor psychology research, data distortions; 87R7169
court testimony, child victims, statutory/technological reforms; survey; 87R8155
court testimony, psychotherapist-patient privilege issue; case studies; court decisions; 87R8559
experimental psychology expert testimony, courtroom admissibility, legal principles; 87R4498
expert psychological testimony, eyewitness identification issues; 87R4478
expert scientific testimony, ethical issues, historical perspective; 87R4476
expert testimony, experimental psychologists, ethical principles; 87R4499
eyewitness identification, legal proceedings, expert psychological testimony; 87R4481
eyewitness testimony research, police investigators' use; interviews; New York; 87R4493
eyewitness testimony, adults/children aged 6 & 3; developmental differences; experiments; 87R4468
psychological testimony, judicial system's distrust; 87R4450

Tests
academic success prediction, standardized tests, biases/accuracy; 2-book review essay; 87R2367
dishonest behavior (exam cheating), college students, gender differences; self-esteem, sex-role socialization; Tennessee Self-Concept Scale, experiment; 87R7175
error/information distortion, judicial programmed instruction procedure; 87R2452
Family Relations Test, clinical applicability, Yugoslavia; 87T0510
humanistic sociology instruction, alternative testing approach; 87R6938
occupational hazard risk, social constructions; industrial practices, power relations; interviews, statistical/historical materials; US; 87R3683
school examination system, sociological investigation; 87R7964
statistical power, covariance structure models, analytical strategies; 87R5365
student selection criteria, University of Queensland medical school; questionnaires; English/sociology/computer science students comparison; 87R6158

Texas
agricultural lending policies, commercial banks, Texas; dominance/dependency/differentiation/size factors; questionnaire survey; 87R9973
agricultural loan decisions, bank officers, Texas; socialization/organizational mechanisms, personal characteristics/perceptions; telephone interviews; 87R6039

drug use, Chicano vs Anglo female adolescents; psychosocial factors; questionnaires; rural Texas; 87R4160
ethnic identity maintenance, Italian-American community, Texas; interviews; 87R1531
financial status/stress, demographic characteristics, US farm producers; telephone interviews; Texas, North Dakota; 87R6042
high educational achievement, Anglo- vs Asian-American students; family variables, parental attitudes; interviews; 5th-11th graders' parents, middle-upper middle class Texas school district; 87R3475
human origins/past, college students' beliefs; questionnaire; Texas; 87R5514
identity construction, street people; ethnographic field study; Austin, Texas; 87R7162
illness behavior, gender differences, Mexican Americans; fixed/nurturant/multiple role status; interviews; San Antonio, Texas; 87T0604
indigent health care, statewide policy planning; organizational processes, interest groups; Texas Task Force; 87R2804
infant birthweight/mortality, nonwhites/Anglos/Spanish-surname population, Texas; sociodemographic factors; birth/death records; 1980; 87R2568
inmigration decline, post-1980 Texas; sustenance- vs nonsustenance-related economic activities; ecological expansion theory applied; 87S1994
maternity care practices, Kampuchean refugees, Dallas, Texas; 87R2795
medical school enrollment reductions, effect estimates, Texas; 87T0103
physical health, Mexican Americans; marital status/satisfaction; interviews; San Antonio, Texas; 87R2767
public school teaching, application forms' civil rights compliance (preemployment practices); school district size/ethnicity; inferential statistics; Texas; 87R1537
quality of life perceptions; quality of community environment; survey; households, Waco, Texas; 87R5139
rural community development program; socioeconomic growth; dynamic interactive model, predictive ability; Banham Municipality, Fannin County, Texas; 87R2995
sexual/contraceptive knowledge, adolescents; health-belief attitudes, sex education, demographics; scales; 87R4656
social/economic/political profile, black school board members, Texas; 87R3760
voluntary cowboy camp organizations, social participation characteristics; case study, field trip; camp meeting, Fort Davis, Texas; 87S2004
voter registration/turnout rates, female Mexican Americans; 1974-1984; 87R3104

Textbooks
beginning school reading books, child as character/reader; textual

analysis; 87R7935
block diagram representation, Italian law text; 87R2425
children, family sociology texts' portrayals; content analysis; US, Sweden; 87R6371
college textbook market, homogenization tendency; interviews; publishers, editors; 87T0256
cultural values, 2nd-grade reading textbooks, Near Eastern nations; content analysis; 87T0144
early American textbooks/education discourse, value biases; 87R6692
gender bias, Syrian school textbooks; content analysis; 87R4268
homosexuality images, Canadian sociology textbooks; content analysis; 87R5372
human sexuality textbooks, sensitive illustrations, social class/heterosexual biases; content analysis; 87R8946
introductory sociology textbooks, Canada; 3-textbook review essay; 87R7016
Islam portrayals/treatment, West German school textbooks; content analysis; 87R6173
Japanese history textbooks, state-authorized changes, international controversy; case study; 87T0129
left-wing bias, introductory sociology textbooks; article/comment; 87R3267
lexical expansion, Maghrib (Morocco, Algeria, Tunisia) elementary school textbook vocabulary source; 87R6080
male sex-role literature, current anthologies, data/issues; 87R3261
marriage/family education, current introductory texts evaluated; 87R6446
reading textbook selection process, perceived influences; interview/other data; Indiana school districts; 87R2347
science textbooks' complexity, middle vs lower class school districts; content analysis; New York; 1983/84; 87R6156
scientific career socialization/recruitment, grade school children; science textbooks; content analysis; New York; 87R4547
sexology field, sexual politics; content analysis; textbooks; 87R6804
social problems definition, textbook authors' role; content analysis; war coverage; 87S1936
Social Psychology by B. H. Raven & J. Z. Rubin; review symposium; 87R2512
socialization; primary school reading textbooks; New South Wales, Australia; 87R2592
sport sociology, interdisciplinary undergraduate course description; 87R9026
textbook adoption processes, historical developments, reform recommendations; 87R2362
textbook selection process, National Council for the Social Studies policy; content analysis; official/leaders' statements, journal articles; 87R2312
textbook selection process, US/California, procedures/issues; 87R2329
Vietnam war coverage, introductory sociology textbooks, US; content analysis; 1954-1975; 87R9703

Textile Industry
collective organization/protest, female factory/domestic laborers; class/gender factors; oral history interviews, archival data; textile community, Henderson, North Carolina; 87R6713
family ties/ideology, textile industry, England; interviews, observation; Yorkshire mill; 87T1059
health protection, cotton textile workers, US, Occupational Safety & Health Administration (OSHA) legislation; case study; pluralist/Marxist theories rejected; 87R5643
international employment distribution, labor fragmentation, Babbage principle challenged; case study; clothing/textile industry, UK; 87R4090
labor market experiences/participation, retrenched male vs female workers, Australia; longitudinal interviews; Sydney; 87R9382
leisure behavior; work hours; interviews; male/female textile mill shift workers, England; 87R9663
militancy, southern textile workers, US; farm background, personal/intergenerational industrial experience; 87S1994
textile industry development/organization/ownership, Jalisco, Mexico; 19th century; 87R7669
textile industry employment, gender patterns; technological change; survey, census, case studies; England; 87S1974
union support, textile workers, southern US; 87S1976

Thailand
computer using organizations, Thailand, characteristics; 1985 survey; 87R6341
development, population mobility; census data; Thailand, China; 87R7681
drug abuse detoxification/cure, traditional methods, Thailand/Malaysia; 87R2776
elderly, children's attitudes, Thailand vs US; attitude/semantic differential tests; 87R5018
fertility, urban-rural differences, Thailand; cultural/educational variables; Accelerated Family Planning & Health Program data; 87R4629
folk-medical practitioners, Thailand, diagnostic diversity/rivalry; fieldwork; 87R4835
higher-status occupational groups, government resource allocation, Thailand; 87R4075
innovation diffusion/social networks, rural agricultural development, northeastern Thailand; 87R9957
migration/mobility behavior, Thailand; experimental program; questionnaire survey; households; 87R2548
national development, Thailand, rural-urban hierarchy's influence; government data; 1970s; 87R1812
political elite, power motivation/personality characteristics, Thailand; life-histories, interviews; former national political figures; 87R4016
political/social power, Bangkok, Thailand, surplus appropriation; social class; 87R5475
rural development project, southern Thailand; participatory facilitating techniques; case study; 87S1984
rural-urban mobility plans/behavior, northeast Thailand; social/psychological factors; interviews; 1978/79; 87R9821
self-concept structure/formulation, Muslim adolescents, Thailand; index measures; 87R8301
spatial structure of action, Thai village; interviews, participant observation; 87R9341
tourist-oriented prostitution, Thai girls'/foreign boyfriends' correspondence; content analysis; personal letters; 87R4679

Theater Arts
acquired immune deficiency syndrome (AIDS), theater productions, symbolic meanings; 87R2278
actors/theaters, stratification system; participant observation, interviews, case studies; Chicago, Illinois; 87S1972
handicapped persons, Austria, artistic/creative outlets; personal experience; theater group; 87R4865
number of performing arts organizations, metropolitan areas; population size; statistics; 87R2267
theater audience, social composition/cultural attitudes; questionnaires; 87R7904
theater companies, Quebec, conservative attitude; economic crisis; 87R6109

Theology
liberation theology, precursors, 1965 revolution, Dominican Republic; 87R9769
nature concept, modernity, functional-relational paradigm; 87R6700
rationality/validity/destiny, Franco Ferrarotti's views; two-book review essay; 87R6196
religious history canon, US; recent writings; 87R8074
theologians' position/power, France/Third World, post-Vatican II Council; 87R6213
urban marginalization/poverty, radical religious movements' role, Brazil; interview; Clodovis Boff; 87R5754
women's situation, institutional/individual factors, Jürgen Moltmann's anthropology; 87R3083

Theoretical Problems
abortion amendment, public opinion formation, Elisabeth Noelle-Neumann's spiral of silence theory; telephone survey; North Carolina; 87R7491
academic achievement, Dutch elementary school children; environmental factors; book review essay; 87R4317
academic disciplinary histories, functions/uses; book review essay; 87R3213
academic freedom, moral/legal/political theory; 87R4109
academic hierarchy, sociology, professionalization/politicization/socialization; 87R3295
action/order paradox, organization/role development, theoretical model; 87R1761
adolescent cigarette smoking; social bonding/differential association constructs; panel data; 87R1492
adolescent delinquent behavior, peer attachment theories; surveys; 87R5069
adolescent drug use; differential association; self-report questionnaires; southwestern US; 87R2854
adolescent pregnancy/childbearing/parenthood, low-income blacks, US; literature review; 87T0542
aggregate productivity trends, US, social indicator measurement schemes; 87R6725
aging process, sociological perspective; 87R5486
agrarian social class relations/capitalism, preindustrial Europe, Malthusian vs neo-Malthusian theories; comments; 87R9581

intercultural contact, modernizing culture, diversification vs convergence processes; Sicily; 87R3616
land/land-tenure ideas, intercultural correlations, Dene/Inuit tradition vs Canadian Law; 87R3559
law, traditional nature/behavior; 87R4480
marriage reforms, Communist Party, China, historical phases; 87R4770
pow-wows, ethnic/economic functions, rural tribal Indian communities, Oklahoma; 87R3628
protest songs, hardrock miner labor union strike, Newfoundland company town (Buchans); case study; 1983; 87R3711
"racing lad" occupation, England, tradition/change; interviews; 87R9880
religiosity, colonial influences, Third World countries; 3-book review essay; 87R6227
religious beliefs/practices, Maisen villagers, Christianity influences; historical analysis; Oro Province, Papua New Guinea; 87R3630
tradition changes, familial relationships, Ismaili migrant community, Vancouver, British Columbia; migration; 87R3516
tradition, ethnographer's working definition; 87R8956

Traffic

crime/traffic accidents; group meditation/prayer; questionnaire, statistics; 87R4435
criminal behavior deterrence; legal sanctions; experiment; seatbelt use, British Columbia; 87R2485
driver behavior, juvenile traffic offenders; Driver Improvement Educational programs, Mann Inventory Survey; Juvenile Traffic Court, Fresno, California; 87R2941
driver/pedestrian traffic behavior, Bogota, Colombia; unstructured observation; 87R2243
road closure evaluations; imageability; interviews; community residents, South Australia; 87R5158

Training

authoritarianism, British police recruits, importation vs socialization explanations; questionnaires, interviews, participant observation; 87R2121
decision-making skills, prison inmates; training program participation; experiment; correctional facilities, Massachusetts; 87R4506
expatriate managers, multinational corporations, selection/training procedures; interviews; 87R6663
family therapy, live supervision training team approach; interviews, observations; 87R6657
intercultural business situations, training programs, anthropology's role; 87R6833
language training access, immigrant women, Toronto, Ontario; literature review, personal experience; 87T0051
leadership training workshops, community development context, impact assessment; quantitative/qualitative data; Community Natural Resource Development Program, Ohio; 87R6034
marital satisfaction, equality perceptions, Lamaze-prepared couples; locus of control, body perceptions; 87R6528

older consumers' market potential, US, training program effectiveness; questionnaires; program participants; 87S2005
transition stress reduction, junior high school entrance; skills building training curriculum; experiment; US; 87R4344

Tranquilizing Drugs
benzodiazepine tranquilizer use, sex differences, elderly; social support; interviews; Durham, North Carolina; 87R4983
discretionary antipsychotic medication, psychiatrists' prescription; patients' clinical/social characteristics; questionnaire, medical records; 87R2809
prescribed drug use/everyday life management; medical records, interviews; black/white working class women, London, England; 87R4962
tardive dyskinesia as iatrogenic illness, social epidemiology; 87R2756
tranquilizer prescribing practices, rural vs urban doctors, GB; 87R8578

Transcendental Meditation
social integration, altered states of consciousness, spiritualism, transcendental meditation; 87R3445

Transference (Psychology)
Anna O., first psychiatric patient, Sigmund Freud's sexual transference concept; 87R2952
transference issues, Jewish therapist-Arab patient dyad; 87R8932

Translation
Capital by Karl Marx, English editions vs 1872-1875 French edition; 87R9351
interpretive transformation process, English translations, Max Weber's works; content analysis; 87R7004
literary translation, international relations implications, France; 16th-century poet Du Bellay's works; 87R4251
nation vs state concept, ethnological writings, translinguistic analysis; 87R9295

Transportation
business practices, transportation/communication firms; deregulation; 87R9491
Family Railway transportation, Netherlands, social control problems; 87R5738
long-distance truck drivers, Brazil, living conditions/social patterns; interviews; 87R3600
mass transportation policy, variable implementation, Mexico City, Mexico; political/economic conditions; primary/secondary data; 87R4182
Niagara Falls, tourist popularity, 19th century; transportation changes; visitor registers; 87R1937
rail rapid transit systems, US cities, cost-benefit analyses' bias; 87T0883
road closure evaluations; imageability; interviews; community residents, South Australia; 87R5158
stress symtomatology, bus drivers, Brisbane, Queensland, Australia; questionnaire; 87R7793
transport geography, Alan Hay's contributions, comparative historical analysis; 87R5089
transportation business development/operation, Nnewi Igbo people, Nigeria; kinship system; 87R6836
transportation disruption, post-1985 earthquakes, Mexico City; 87R7850
urban development/planning, USSR, transportation concerns; questionnaire; commuters; 87R7867
urban transport; social/economic stratification; 87R9830
work commitment/conflict, truckers, small, nonunion companies; participant observation, interviews; 87R7773

Transvestism
gender crossing, gentile societies, sociocultural mechanisms; 87R3127
lesbianism/homosexuality, North American Indian tribes, historic/contemporary status; 87R4683
transvestite prostitutes, subcultural environment/psychological characteristics, Singapore; interviews; 87R9835

Travel
cross-cultural interaction, US visitors/foreign hosts, facilitative guidelines; 87R6835
outer-space exploration, M. Melbin's frontier ideal type assessed; 87R6710
recreational travel/tourism, institutional vs natural seasonality; 87R3899

Treaties
international political relations, conformity/creativity approaches; Carter-Sadat/-Begin negotiations, Camp David; 1978; 87R1403
nuclear nonproliferation treaties, international issues; 87R7566
Panama Canal treaties, US Senate voting, public opinion poll influences; 1977; 87R7500

Treatment
alcoholics' treatment, physicians' role, early 20th-century Sweden; 87T0707
alcoholism diagnosis/treatment, gender differences; interviews; self-identified recovering alcoholics; 87R6619
alcoholism recovery; social organizational variables; questionnaire; inner-city treatment center staff/patients; 87R4976
breast cancer treatment, adjuvant chemotherapy, policy formulation; transcribed audiotape; National Institute of Health conference; 87S1941
breast cancer treatment, health policy development, US; 87S1941
cancer control, public perceptions; telephone survey; Ohio; 87S1933
chronic mental patients, care principles, health professionals' knowledge; test; mental health professionals, Canada; 87R4902
coronary disease treatment/epidemiology, blacks' experiences; Coronary Artery Surgery Study; 87R4853
drug addicts/abusers, population characteristics; case histories; L'Abbaye institution, Paris, France; 87R4955
electroconvulsive therapy use patterns, 1950-1983; official data; California; 87R6600
emotional socialization processes, disturbed children, therapeutic school staff members' explanations; participant observation; 87S1975
Finnish Alcoholics 1936 Act, treatment/punishment aspects; 87T0716
health care, biopsychosocial approaches, climatotherapy, Czechoslovakia; 87R4890
medical practice/knowledge, scientific vs experiential orientation, alternative healing; chronic illness cases; 87R4533
psychiatric diagnosis process; intra/extra-organizational conflicts; participant observations, interviews; community mental health center, northeastern US; 87T0644
severely handicapped newborns, treatment decision-making issues; 87R6530
severely handicapped newborns, treatment decisions, institutional policy formulation; 87R6531
treatment institutions, staff's social control fucntion; observation; 87R4083
women's counseling center, Austria, goals/activities/achievements; 87R5234

Treatment Compliance
Alcoholics Anonymous, commitment process; 87R6618
chronically mentally ill, outpatient commitment, outcome effectiveness; 87S1938
health outcomes/solutions, community social support structures, roles/functions; 87R2766
high blood pressure prevention, intervention program, social-psychological models; questionnaire; employee participants; 87S1988
male spouse abusers, treatment acceptance predictors; program data; 87R8657
patient understanding/retention, medical advice, Dominican Republic; observation, interviews; patients, rural clinic, El Rio district; 87T0634
patient's refusal/treatment rights, emergency situations; 87R4942
refusal of medical treatment, case/statutory law, institutional implications; 87R4881
right to refuse treatment issue, mental health litigation, legal mobilization style/outcome; case studies; Colorado, New Jersey, Massachusetts, California; 87T0613
successfully adjusted male alcoholics, long-term follow-up study, attrition rate; interviews; 87R8597
total medication use, elderly, doctor-patient communication strategy; 87S1941
treatment/nontreatment decisions, critical care settings, ethical/implementation issues; 87T0640

Treatment Programs
academic skills, failure students; remedial education treatment program; test scores; 87T0120
addictive behavior, treatment focus, self-help group's utility; 87R8586
adolescent drug prevention program effectiveness, peer vs other programs; 87R8613
adolescent therapeutic communities, instrumental intervention vs reality confrontation; participant observation; 87T0643
adolescent vs child maltreatment, service agencies' response; 1980 National Incidence Study of Child Abuse & Neglect; 87R8315
agoraphobia, sociological perspective; 87R3457
alcohol consumption, recently separated/divorced women; stress; treatment program participants; 87R2841
alcohol problems, treatment entry barriers, gender differences; interviews; 87R8612
alcohol treatment theory/system, Switzerland; 87T0717

alcohol use/dependency, antisocial personality vs genetic types, treatment issues; 87R2868
alcohol/drug abuse, welfare agencies' roles; 87R2858
alcohol/drug abuse, wellness/employee assistance programs, US industry; 87R7358
alcoholism treatment, controlled drinking vs abstinence controversy, media coverage; case study; 87R1904
alcoholism, social problems/treatments/solutions, USSR; 87T0708
anti-alcoholism campaign, USSR; 87R9561
assertiveness training program, intervention/response-shift effects; experiment; engineers; 87R6889
child/spouse abuse, military families, Hawaii, project development; 87T0966
chronic youth offenders, identification/treatment, social dyslexia model; 87R6664
delinquency behavior modification/prevention, social learning/community approaches; 87R5075
delinquency prevention programs, psychiatric profession's dominance; 87R6667
depressive patients, Nigeria, sociodemographic characteristics; case notes; 87R4922
drug abuse detoxification/cure, traditional methods, Thailand/Malaysia; 87R2776
drug abuse treatment program, family therapy approach; 87R4988
drug preventive education, treatment/rehabilitation programs, Singapore; 87R4966
drug rehabilitation systems, Malaysia, organization/control issues; observation, interviews; 87R4971
drug therapy cost-benefit analysis, life quality dimensions, MIMIC-disability index; questionnaire; psoriasis patients; 87R4851
drug treatment centers, planning process, Switzerland; 87R7494
drug treatment policy, sociological model; 87R5283
drug-related doctor impairment, treatment/prevention programs; 87R6613
elderly problem drinkers, social agency identification/policy; survey; Florida; 87R2852
employee assistance programs, research purposes/methods; literature review, interviews; 87T1056
employee assistance programs, US vs Australia, technology transfer issues; 87R8564
family/self drawings, institutionalized abused/neglected children, projective analysis; 87S1939
handicapped persons, Austria, artistic/creative outlets; personal experience; theater group; 87R4865
heroin career duration, gender differences; interviews, event-history analysis; urban blacks aged 18-23; 87R2843
inductive research, "grounded theory" method; case studies; heart patients, schizophrenic adolescents; 87R6594
juvenile delinquency prevention/treatment, Ocean Tides Residential, Educational & Family Services Program, Rhode Island; historical analysis, archival data, interviews; 87R5074
juvenile delinquency, Ohio; Youth Advocacy Program; questionnaire, interviews, case file records; 87R2948
juvenile delinquency; martial arts training; personality inventories; 87R6674
leprosy, social-biomedical treatment model; 87T0635
long-term care outcomes, frail elderly home-care recipients, New York, predictive factors; program data; 87T0785
mentally retarded, residential care/treatment, public policy, Michigan; 1830-1983; 87R8553
methadone diversion treatment; interviews, ethnographic data; 87R8609
prison/postprison experiences, recidivists vs nonrecidivists; questionnaire interviews; 87R4519
professional/lay help, alcoholism treatment, Switzerland; mail questionnaire survey; social workers; 87R2851
psychiatric disorders, institutional/therapeutic innovation, Razi University, Tunisia; 87R4909
residential institutions, disattached youth, Israel; observations, interviews; staff members; 87T0217
skid row alcoholics, rehabilitation program, recovery/reentry process; 87R8576
social skill development, re-arrest rate, male adolescent delinquents; intevention style; experiment, inventories; 87R6673
substance intervention/prevention, adolescent treatment programs, demographic-based stratification approach; survey; 87R4982
therapeutic communities, operational styles, GB; participant observation; Ashley/Beeches halfway houses; 87R6580
therapeutic community, interpersonal/intergroup tensions; case study; coercive borderline patient; 87R8934
therapy management/therapy management group concept, Central Africa; literature review; 87T0597
treatment/counseling problem drinkers, family member involvement; 87R2867
weight reduction decisions, motivational factors, obese adults, Canada; questionnaire; 87R8572

Trends
adoption plans, premaritally pregnant women, trends/correlates; national survey; 87R4696
divorce, remarriage, recent trends; published data; 1960-1980; 87R6442
family/household composition change, US; Panel Study of Income Dynamics; 1970s; 87R4777
industrial-information society transition, US; 87R3402
lawsuit proliferation crisis, existence questioned; 87R8145
marriage timing, Khartoum, Sudan; socioeconomic/institutional factors; survey; 1975; 87T0440
population studies, research trends; 87R8801

Trials
court proceedings, insanity trials, physicians as expert witnesses; historical evidence; GB; 1760-1843; 87R8108
court testimony, psychotherapist-patient privilege issue; case studies; court decisions; 87R8559
deliberation process, large vs small juries; experiment; 87R6282
experimental psychology expert testimony, courtroom admissibility, legal principles; 87R4498
expert psychological testimony, eyewitness identification issue; 87R4449
expert scientific testimony, ethical issues, historical perspective; 87R4476
expert testimony, experimental psychologists, ethical principles; 87R4499
expert witnessing, sociologists; interracial violence case study; black teenagers, Arizona; 87R4469
eyewitness identification, legal proceedings, expert psychological testimony; 87R4481
eyewitness testimony research, police investigators' use; interviews; New York; 87R4493
eyewitness testimony, adults/children aged 6 & 3; developmental differences; experiments; 87R4468
female defendants, media coverage, Angela Davis/Jean Harris/Patricia Hearst trials; content analysis; feminist/traditional/general interest magazines; 87R1919
insanity defense, Edward Oxford's 1840 treason trial, England; 87R8134
psychological testimony, judicial system's distrust; 87R4450
revolutionary scientific/religious thought, Galileo Galilei/Giordano Bruno, Roman Catholic Inquisition proceedings; 87R8721
scientific expert witness disagreement, jurisprudence/policy making, historical case studies; 1860, 1885; 87R4473
threats, courtroom form/functions; 87R4215

Trinidad And Tobago
basketball league organization, Trinidad & Tobago; clientelism; participant observation; 87S1970
ethnic-state relations, Guyana vs Trinidad & Tobago; international capitalist penetration; 87R7460
interlocking directorates, Trinidad & Tobago; annual reports; 87R7639
marriage/family institutions, historical/current trends, Trinidad/Surinam/Guyana; participant observation/interviews/other data; 87R6490
matrifocal family/mating system, Trinidad, kinship/biology relationship; fieldwork; 1970; 87R3589
reproductive success, rural village, Trinidad; genealogical/demographic/economic factors; interviews; households; 87R6525
Trinidad Creole society, Chinese community's economic role, 19th century; newspaper articles; 87R7226

Tropical Regions
ecological destruction/decline cycles, Latin American settlements, social context/processes; Trans-Amazon Highway, Brazil/Lago Agria, Ecuador/Tambopata Valley, Peru; 87R4149
tropical deforestation rates/process, developing countries; UN data; 87S1995

Truancy
truancy, juvenile detention facility; prior record, background/personality factors; case files; 87R2470

Trust
science & technology, public distrust, industrialized countries; 87R6338
trust, functions/necessity, social atomism vs holism; 87R1373

Tunisia
alienation, post-independence Tunisia; 87R7575
breastfeeding behaviors, urban women, Tunisia; socioeconomic/work status, counseling; survey, interview; 87R4876
breastfeeding determinants; World Fertility Survey questionnaire; women, Egypt, Jordan, Tunisia, Yemen; 87R8224
child development, Tunisia; mother-child physical contact; 87R2603
incense ritual, southern Tunisia; magical/religious/mystical dimensions; 87R5605
Jerbian minority groups, Tunisia, religious/economic life; fieldwork; 87R1626
needs perceptions, Tunisian working class; modernization; 87R7468
psychiatric disorders, institutional/therapeutic innovation, Razi University, Tunisia; 87R4909
social class consciousness/political action, Testour, Tunisia; field data; 87R4051
worker-government conflict, Tunisia; 87R7477
Turkey
development Turkey; migration patterns; 87R9572
economic growth/development, Turkey; post-1923; 87R7473
elderly cohort survivorship, inter-provincial patterns, Turkey; socioeconomic conditions; census data; 1970-1980; 87T0751
ideal vs everyday behavior, Turkish Jewish culture; case study; 87T1027
Ottoman Turks, modernization reforms, French positivism's influence; 87R6970
petty commodity production, capitalist society, social structure implication, surveys, fieldwork, interviews; Turkey; 87R9533
Twentieth Century
appetite control patterns, European society, Middle Ages-20th century; 87R3613
British famine policy, India, 1800s/1900s; literature review; 87T0943
capitalist world-system development, mercantile/colonial periods, China; post-19th century; 87R9592
child welfare, social control aspects, New South Wales, Australia; literature review; 1800-1940; 87T0382
cousin marriage, European societies; ethnographic data; Andalusia (Spain); 1871-1975; 87R6430
democracy/totalitarianism, 19th-20th century politics; book review essay; 87R7625
division of labor; population size; cross-national/historical data; 87R5458
domestic military intervention/terrorism, Spain; 1800s-1900s; 87T0969
educational reform, historical contexts, Argentina; 1895-1947; 87R9819
emotions/anger, childrearing standards, 20th-century US; case study; 87R9250
family violence, social control issues, child protective agencies; case records; Boston, Massachusetts, 1880-1960; 87T0961
housing policy, New Zealand, historical development; 1900s-1980s; 87R4197
immigrant groups, social integration, marriage/birth rates, Buenos Aires, Argentina; 1860-1923; 87T0018
immigrants/working class formation, Jewish immigrants, Palestine vs US, 1881-1920; 87R9355
immigration policy, group integration/cohesion, Chile; 87T0349
industrial capitalism, 20th-century Europe; book review essay; 87R1799
Italian emigration, nationalists' attitudes, Argentina; 1900-1930; 87T0305
kinship/inheritance/household/socialization patterns, Farndale farming community, England; case study; 87R6050
labor relations, strikes, coal industry, US; historical analysis; 1860s-present; 87R5692
land acquisition/loss, Chicanos, US southwest; 19th-20th centuries; 87R9763
loan societies, Jewish immigrants, US; contextual analysis; late 19th/early 20th century; 87R5575
nation-state formation, geopolitical/geoeconomic factors, Europe, Perry Anderson's/Immanuel Wallerstein's theories, comparative macrohistorical model; 87R9783
national labor unions, founding rate, US; competitive processes, environmental effects; 1836-1985; 87R5645
new romanticism, Western societies; 87R3626
Roman Catholicism/society relationship, 20th century Spain; 87T0182
secularization/religious decline, US; content analysis; *New York Times*; 1855-1975; 87T0175
social change, Third World countries; 87S2000
social conflicts, Italian peasantry; criminal records; local courts, Cuneo Province; 1901-1903; 87T0851
social history, 20th-century Quebec, Catholic Church's role; 2-book review symposium; 87R2412
social life, 20th-century Quebec, Catholic Church's role; 2-book review essay; 87R2389
social mobility, US males; economic transition; census/survey data; 19th-20th centuries; 87R9827
sociology, twentieth-century Germany; 4-book review essay; 87R1333
state development, women's role, Australia; gender/class struggle; literature review, case studies; 1890-1949; 87R5891
urban housing patterns, turn-of-the-century Rosario, Argentina; residents' occupational characteristics/social interaction; 87R9531
women's rights, scientific theories/reason vs passion debate impacts; Enlightenment-present; 87T0261
Typology
antisocial/deviant behaviors, empirical typology; Piedmont Health Survey; North Carolina; 87R9480
ethnic structuration/identity, James McKay/Frank Lewins typology; interviews; Italian Americans, Scottsdale, Arizona; 87R1570
household consumption, multiple classification data analyses, Karl van Meter's basic types notion; 87R3235
marital relationships, classification typology; inventory; 87R4762
social class differences/inequalities, Poland, typology of subjective viewpoints; 87R1393
substance use patterns, measurement/assessment issues, Canada; 87T0723

Uganda
infant/child mortality/health, developing countries; maternal nutritional/health status; Ugandan Demographic Research Project; 1970; 87T0581
Unconscious (Psychology)
unconscious mental processes, pre-Sigmund Freud research traditions; 87R5079
Underemployment
disability-unemployment relationship, methodological problems/solutions; Michigan Panel Study of Income Dynamics; 1976-1979; 87R9426
employment patterns, Atlantic Canada-Ontario migrants; regional industrial sector differences; census; 1981; 87T0309
job dissatisfaction, gender differences; occupational incongruity, class structure; Taiwan; 87R1688
psychosocial functioning, employed black/white males, US; underemployment/-payment; survey; 87R5652
regional employment, urban/rural shifts, Norway; 1930s-present; 87T0855
un-/underemployment, West German/US university teachers; secondary data, interviews; 87S1941
underemployment measurement, social indicator approaches; 87T0885
underemployment, gender differences, US; family household/demographic/structural inequalities; population survey data; 1972, 1982; 87R1708
underemployment, labor force position; Labor Utilization Framework evaluated; 87R1724
underemployment, temporary help services industry, employer benefits; interviews, participant observation, literature review; clerical/light industrial workers/employers, US; 87R5673
Undergraduate Programs
anthropology program, University of Toronto, Ontario, Thomas Forsyth McIlwraith's impact; autobiographical/other data; 87R6972
college enrollment changes, ethnic/socioeconomic/gender constraints; government surveys; 1970s/1980s; 87R9806
epidemiology, liberal arts characteristics; 87R7967
information technology, social implications, Italian universities' curricula; 87R7504
Undergraduate Students
Asian encounter, Chicago, Illinois; 1980 applied sociology intervention, participant-observation method; 87R5381
educational experience, student-teacher interactional changes; computer-related technology; 87S1964
identity status, political/occupational/religious/sexual components, college women; age, college experience; interviews; 87R7150
important person perceptions, left- vs right-wing political science students; questionnaires; University of British Columbia; 87R5921
interpersonal attraction; personalistic self-disclosure, valuable information delivery; experiment; female undergraduates; 87R3412
introductory sociology class, first-day encounter/preparation; 87R6931

leadership styles, males vs females; experiment; college students; 87R9262
pseudoscientific beliefs, Christian fundamentalism vs cult science; Likert scales; undergraduates; 87R6195
religious/moral attitude trends, college students; questionnaire surveys; Williams College, Massachusetts; 1948-1984; 87R4397
role identities project, undergraduate students; twenty statements/SII test; 87T1069
youth alienation, personal/social correlates; psychological tests; undergraduates; 87R2620

Underground Movements
clandestine/underground university, Poland, purpose/organization; 87R2300
underground publishing, Hungary; personal interview; Gábor Demszky; 87R7516

Undocumented Immigrants
economic earning capacity, US-born Hispanic males; immigrant Hispanic labor; 1970 US Census; 87R7315
illegal Mexican immigration, US; psychological variables; Spanish-language interviews/questionnaires; illegal border-crossers; 87R1960
Mexican nationals, US, immigration/incarceration experience; interviews; 87R3527
southern border, Mexico, political/social/economic problems; 87R1970
undocumented aliens, US, social/economic/demographic characteristics; literature review; 87T0334

Unemployment
adolescent well-being; unemployment; questionnaires; employed/unemployed youths, Adelaide, Australia; 87T0086
automotive industry crises, midwestern US, federal/state governments' responses; ethnographic/statistical/historical data; 1972-1982; 87R5755
chronic unemployment, coping strategies, Canadian youth; life histories, case study; Montreal, Quebec; 87R1681
coping ability, unemployed adolescents, Scotland; psychosocial variables; interviews; 87R9410
crime rate, black youth, US; unemployment relationship; 87T0398
crime rates, US; economic structure, poverty, unemployment; cross-sectional analysis; 1980; 87T0788
diabetes-depression symptomatology; employment status; scale; clinic patients, Orange County, California; 87R7298
disability/retirement/economic activity rates, older men, England; unemployment increase; census; 87R2895
displaced workers' adjustment; advance notification of plant closures/layoffs; Current Population Survey; 87S1967
economic problems, postsocialist government accession, France; economic policies; 1981-present; 87R5894
employment trends/government policies, postrecession GB; 87R7325
employment/income patterns, women, UK; 87T0994
female unemployment, Austria, public policy response/job training programs; content analysis, case study; 87R3723
health status, labor market subgroups; unemployment; literature review; Marxist analysis; 87R6593
health; unemployment; interviews; 1979-1984; unemployed, employed, southeastern Michigan; 87R9417
household division of labor/psychological well-being; male vs female unemployment; mail questionnaire survey; 87R3736
household division of labor; wife's employment/earnings; Hartford, Connecticut; 87S1956
job loss, US, political economy issues; 1970-1980; 87R1690
job separations, young adults; drug/alcohol use; interviews; 87R5653
labor force attachment, discouraged/unemployed workers; official statistics; 87R7344
labor force participation, black youths, social/psychological perspective; 87R3737
labor force status, sociology/anthropology graduates; Statistics Canada data; 1982; 87R1271
lifestyle/health changes, adolescents/children, Western societies; unemployment; secondary surveys; US, Sweden, UK; 87R8498
marginalized groups, Austria; capitalist development, government policy; 87R3800
political attitudes, unemployed workers, Toronto, Ontario; plant closures; questionnaire surveys, interviews; 87R5641
postindustrial movement, urban underclass, racial dilemmas, US; demographic/labor market data; SMSAs, 1966, 1972, 1982; 87R2229
poverty/unemployment traps, tax/benefit structure reforms, UK; case study; 87T0954
poverty/unemployment, Reagan administration policy impact; 87R8820

Unwed Mothers
adolescent mothers-partners, behavioral characteristics; intracouple age discrepancies; 87T0412
adolescent pregnancy, black females; significant others' attitudes; questionnaire; 87T0399
adolescent pregnancy/childbearing/parenthood, low-income blacks, US; literature review; 87T0542
adoption plans, premaritally pregnant women, trends/correlates; national survey; 87R4696
child maltreatment, young vs older adolescent mothers, Arizona; socioeconomic factors; case files; child protective services, Maricopa County; 1976-1978; 87T0394
demographic trends, single teen-age mothers; literature review; Canada; 1980s; 87T0426
low socioeconomic status pregnant adolescents, Santiago, Chile, sociocultural characteristics; interviews; 87T0388
postpartum adaptation, adolescent mothers; family style/structure; interviews; 87T0550
pregnancy, black female adolescents, social/health impacts, prevention efforts, New York; vital statistics; 1973-1982; 87T0553
premarital fertility behavior, black vs white women, US; national survey; 87T0540
teenage out-of-wedlock childbearing; birth control knowledge vs family attitudes; survey; 87T0403
teenage pregnancy/motherhood, high school completion; preschool intervention program participation; interviews, other data; 87T0402
unmarried mothers, social stigma, policy issues; 87R9266

Upper Class
celebrities/social elites, stratification/differentiation; content analysis; newspaper gossip column, West Germany; 87R1519
self-esteem/deviant behavior, upper-status junior/senior high school students; perceived parental pressure; questionnaire; 87T0822
upper class cohesion, social registry, Nichols School, Buffalo, New York; biographical material; 1892-1977; 87R2075

Urban Areas
angling participation/socialization, urban youth; marginality, ethnicity; 87S1930
antiurban sentiment, US; historical analysis; 87R4193
arrest rates, 1981 urban rioting, England; race/age/other factors; police data; 87R3074
black/white income inequality, southern urban US; SMSAs' location/industry structure; 1980 census data; 87S1963
career/educational aspirations, minority/low-income adolescents; significant others; psychometric tests; Asian/black/Hispanic 8th-12th graders; 87R4285

cities, modern society's pathologies, new environmental paradigm proposed; 87T0007
citizen dissatisfaction, urban communities, attitudinal/behavioral responses; literature review; 87R2237
city health plans, World Health Organization, Europe; 87R9974
criminals' dangerousness, forensic psychiatrists' predictions/discretion; police/psychiatric/court records; criminal defendants, Northtown One-Day Assessment Clinic, Canada; 87R5200
cultural features, urban areas, planning implications; official data; USSR; 87R9662
cultural resources distribution, US, high/folk/popular art forms; 87R1940
deviant behavior control, urban hospitals, institutional police forces vs hospital psychiatrists; case study; Veterans Administration Medical Center; 87R8549
electoral behavior, Turin, Italy; social structure; 1976-1980; 87R2032
elite vs popular cultural suppliers, urban areas; 87S1948
ethnic interaction patterns, Malaysia; interviews; suburban residents, Kuala Lumpur, Petaling Jaya; 1981/82; 87R9297
ethnic/racial conflict, 1880-1915, US; labor unrest; 87S1998
ethnographic research, urban sociologists, historical development, current interest revival; 87R4185
female family heads, succession barriers, urban households, Osaka, Japan; historical records; 1707-1872; 87R8868
gender equity, urban environmental obstacles; 87R7870
group rituals/charismatic leaders, urban communes, US, collective effervescence; 1970s; 87R8055
heroin career duration, gender differences; interviews, event-history analysis; urban blacks aged 18-23; 87R2843
homelessness, mentally ill vs economically disadvantaged; triangulated field data; Texas; 87R2836
illness etiology, "natural" designation, Tswana-speaking black urbanites, South Africa; township socioeconomic conditions; survey; 87R3595
intra-urban migration, ethnic group differences, Winnipeg, Manitoba; 6-group comparison; 87R4198
maternity care practices, Kampuchean refugees, Dallas, Texas; 87R2795
metropolitan dominance; corporate network prominence/linkages; 87R7869
middle class organization/function, political liberalization-process, Brazil; 87R7580
middle-class consciousness, master artisans, urban New England; association documents; 1789-1850; 87R5967
motor vehicle accident death rates, urban areas; population density/growth; census, statistics; US; 87R4877
municipal financial policies, Turin, Italy, social/economic impact; statistics; 1975-1980; 87R2009
occupational/family/cosmological values, urban Huhhot, People's Republic of China; technological/economic/political developments; participant observation, interviews; 87R3647
political/social power, Bangkok, Thailand, surplus appropriation; social class; 87R5475
population growth, current patterns/future trends, Africa; 1950-2025; 87R4626
psychological health/stress, elderly single-room hotel residents; social networks; interviews; Manhattan, New York City, New York; 87R1787
public expenditures/policy, local governments; political fragmentation/orientation; statistics; Italian towns; 87R1977
residential distribution/segregation, Canadian cities; age, sex; censuses; 87T0010
residential segregation, ecological vs political economic approach, Philadelphia, Pennsylvania; census tract level data; 1930-1980; 87R4046
self-/other perceptions, rapid growth- vs stable rural community residents; ecological/class/lifestyle variables; disorganizational/compositional/subcultural perspectives evaluated; 87R6715
service awareness, "in-home" vs "aging network" programs, elderly; age/education/health status variables; interviews; small urban communities; 87R5005
social movements, capital/state interactions, urban areas; 87S1982
social problems, metropolitan areas, US; migration patterns; census, national statistics; 1975-1980; 87T0019
social service delivery, urban areas, Michigan/Ohio; environmental/organizational characteristics; 87T0819
structural evolution, parental households, Tilburg, Netherlands; demographic/industrial development; population register data; 1880-1920; 87R3803
urban conflicts, neighborhood associations' role, Geneva, Switzerland; journal issue introduction; 87R7878
urban conflicts, Switzerland; 87R7849
urban conflicts/neigbhorhood associations, Geneva, Switzerland; 87R7853
urban dialect emergence, Jordanian cities; demographic/social/geographic factors; 87R6074
urban disorders, GB, Right's vs Left's response; 1985; 87R5202
urban environment, research strategies/methodologies; 87R4183
urban fragmentation, East/West Beirut; Lebanese war; 87T0024
urban gardening movement, US, public agency support; fieldwork, interviews, participant observation; 1970s; 87R5868
urban land allocation, Beijing/Shanghai/Tienjin, People's Republic of China; case studies; 87T0028
urban noise reduction, health professionals' roles; personal experience; 87R8763
urban organizations' effectiveness; client characteristics; 87R8161
urban police resources, public choice/social conflict/organizational constraints models; annual statistics; Detroit, Michigan; 1928-1976; 87R2475
urban residential mobility/transport mobility habits; socioeconomic/spatial factors; France; 87S2003
urban service assessment, racial differences; suburbanization; Annual Housing Survey; 87R2239
urban sociability forms, postindustrial society; 87R2218
urban struggles, actor groups, Geneva, Switzerland; 87R7861
urban transport; social/economic stratification; 87R9830
voting behavior, Vicenza, Italy; socioeconomic/religious factors; survey; 1946-1980; 87R1978
youth recreational center, Manchester, England, sociological research methods; 87R3187

Urban Crime

adult shoplifters, GB, theft conviction consequences; court cases; 87R6648
crime patterns/rates; socioeconomic variables; cyclical time-space analysis; 87R5041
crime rate, black youth, US; unemployment relationship; 87T0398
crime rates/severity, inner-city London, England; survey; household; 87R6641
crime victimization, intergroup differences; heterogeneity, urbanization, inequality; National Crime Survey data; 1973-1979; 87R8671
criminal activity, black ghettos, offense-residence linkage; arrest data, census; Milwaukee, Wisconsin; 87R5049
criminal behavior; environmental factors; interviews; proprietors, commercial subcenters, Brisbane, Australia; 1974-1978; 87R4460
current/emerging criminal predators, US/other industrialized countries; 87R5037
police policies/arrest behavior, proactive/class control vs reactive/crime control models, Toronto, Ontario; qualitative/quantitative data; 1895-1955; 87R4453
pretrial public opinion polls, Bernhard Goetz case, New York City subway shooting incident; 87R6268
riot control, special police unit, GB; 87R4488
urban crime, Soviet-US cooperation; joint seminar remarks; 87R5043
victimization probability; neighborhood physical/social/opportunity structure; surveys; US, Netherlands, GB; 87S1948
violence rate, Israeli cities; socioeconomic/demographic variables; 87R3072

Urban Development

apartment buildings, Prague, Czechoslovakia, suburban development/architectural style; 19th century-present; 87R6069
city growth, negative potential, eastern Mediterranean; 87R9989
community innovations, Urban Development Action Grant Program applicants, US; community differentiation/poverty/maturity/government; 87R4201
comparative urban patterns/processes, conceptual foundations; 87S1964
computer chip development, Silicon Valley, California; 87R4573
European urban industrial transition, European Economic Community's policies/problems; 87T0852
fiscal strain, urban US, rationalized/traditional reform governmental responses; survey; 87S1946
green/open space, Rome, Italy, urban development implcations; statistics, surveys; 87R2238
high technology industry development, Cambridge, England, university's role; 87R4571
integral urban planning system, Yugoslavia; case study; Belgrade; 87T0012
London Industrial Strategy, England, conceptual/practical problems; 87R6058
mass transportation policy, variable implementation, Mexico City, Mexico; political/economic conditions; primary/secondary data;

87R4182
new fiscal populism, proponents' social/political characteristics, US/France; survey; mayors; 87S1951
population growth, development problems, Taipei, Taiwan; 87R9539
population trends, developing countries; socioeconomic development; UN statistics; 87R8247
rank-size distribution, regional differentiation, Austro-Hungarian cities; censuses; 1857-1910; 87R2222
road closure evaluations; imageability; interviews; community residents, South Australia; 87R5158
social interaction, traditional manufacturing vs advanced industrial cities; 87R3806
social polarization, economically active males, London vs Southeast, England; census data; 1961-1981; 87R8734
special economic zone policy, Shenzhen, China, developmental problems; 87S1980
transport geography, Alan Hay's contributions, comparative historical analysis; 87R5089
Ur redevelopment policies, Quebec City; 87R9985
urban conflicts, Geneva, Switzerland, sociological analysis; 87R7855
urban development conflict, Switzerland; population growth stabilization; 87R7876
urban development, housing inequalities/segregation, Eastern Europe; 87T0035
urban development/planning, USSR, transportation concerns; questionnaire; commuters; 87R7867
urban economic transition, dual economy integration; article, comments, questions; 87T0005
urban growth management, cross-national projects; 87R2250
urban growth, Irkutsk region, Siberia, USSR; 87R7877
urban housing patterns, turn-of-the-century Rosario, Argentina; residents' occupational characteristics/social interaction; 87R9531
urban planning, New Belgrade, Yugoslavia; 87T0016
urban planning, sociological analysis, Netherlands; literature review; 87R4186
urban poor, US, social programs/services; 87R2232
urban problems, Paris, France, Soviet viewpoint; official statistics; 1976-1982; 87R9990
urban spatial organization/planning, local regressive developments; 87R9977
urban/regional systems, research developments; 1980s; 87R8800

Urban Education

part-day absenteeism, high school students; gender/ethnic/socioeconomic variables; attendance data; San Francisco (Calif) Unified School District; 87R4266

Urban Fringe

infant feeding patterns, maternal attitudes/cultural beliefs; physical exams, interviews; infants, mothers, peri-urban Mali, West Africa; 1982/83; 87T0372
suburban socioeconomic change, US; life cycle/persistence/stratification variables; census data; 87R6913

Urban Policy

economic policy outcomes, state/federal trial courts; local environmental factors; court opinions; 87R8935
mass cultural consumption, public/private expenditures, Italy; statistics; 87R1943
mass transportation policy, variable implementation, Mexico City, Mexico; political/economic conditions; primary/secondary data; 87R4182
municipal economic intervention, London (England) Industrial Strategy; 87R1829
progressive social movements, urban communities; case study; Santa Monica, California; 87R2217
slum/squatter settlements, Indian cities, government planning/policy approaches; 87R4191
urban conflicts, Switzerland; 87R7849
urban gardening projects, collectivist/bureaucratic conflict; fieldwork, participant observation; 87R1770
urban social movements/organizations, political/economic/historical aspects, Mexico; case study; Tierra y Libertad squatter's movement; 87R9570

Urban Population

anti-apartheid struggle, South Africa, urban general strikes; 87R9620
battered women, medical responses; participant observation; urban hospital emergency departments; 87T0605
breastfeeding behaviors, urban women, Tunisia; socioeconomic/work status, counseling; survey, interview; 87R4876
employment/occupation patterns, early 20th-century French urban families; government surveys, historical data; 87R6018
family structure, joint Madhava Brahmin families, Bangalore, India; socioeconomic factors; 87R8421
housing space/location satisfaction, urban residents, Taichung (Taiwan) vs Western cities; survey; 87T0031
human/rat population interactions; ethnographic case studies; neighborhoods; intervention recommendations; 87R7881
identity construction, street people; ethnographic field study; Austin, Texas; 87R7162
leisure time activities, urban adults, USSR; questionnaire; Kerchi; 1982/1983; 87R9673
migration control policy effects, China; census data, interviews; policy makers/planners, scholars; 1982; 87T0308
number of performing arts organizations, metropolitan areas; population size; statistics; 87R2267
occupational/family/cosmological values, urban Huhhot, People's Republic of China; technological/economic/political developments; participant observation, interviews; 87R3647
personal network communities, urbanites' perceptions; interviews; East York, Toronto; 87R5728
population decline, mortality rates, early modern European cities; secondary statistics; Frankfurt-am-main, Germany/Austria; 1651-1840/1754; 87T0132
postindustrial movement, urban underclass, racial dilemmas, US; demographic/labor market data; SMSAs, 1966, 1972, 1982; 87R2229
Poverty and Progress: Social Mobility in a Nineteenth Century City by Stephan Thernstrom; introduction/comments/response; 87R7713
social reality/problem negotiation; group power; case study; Rosebush Hotel owners vs residents, Chicago, Illinois; 87R6782
spatial distribution, Puerto Rican cities; economic development/life-cycle factors; census tract data; San Juan, Ponce, Mayaguez; 87T0026
suicidal behaviors/attitudes/experiences; social background factors; interviews; residents, Calgary, Alberta; 87R5526
urban economic transition, dual economy integration; article, comments, questions; 87T0005
urban lower middle class, colonial Punjab, Indian, origins/development/behavior; 87R5743
urban movements, Montreal, Canada; state/society relationships; secondary data; 1970s-1980s; 87R9612
urban quality of life concept, community control era/mass society/information age; 87R7854
young urban professionals, US, political culture/power; General Social Surveys; 1972-1985; 87R5958

Urban Poverty

development policy, Kenya, self-help concept; field research; 87R3063
health care services, urban poor, political aspects; case study, US Medicaid program; 87R8477
homelessness, shelter system, New York City; economic restructuring/deindustrialization; interviews; male first-time shelter arrivals; 87R6061
inner-city boxing subculture, US, interaction patterns/social processes; participant observation; 87R7796
malnutrition, urban shanty dwellers, India; environmental pollution, sanitation practices; 87R3058
managed health care programs, urban poor, implementation problems; case study; Boston, Massachusetts; 1981-1984; 87R8491
poor families, social work agency relationships, inner-city neighborhoods, US; participant observation, case studies; 87R3488
status changes/persistence, Chicago (Illinois) suburbs; community characteristics; 87R2220
street people, downtown community's perceptions; interviews; 87R6068
teenage male prostitution phenomenon, Piccadilly, London, GB; homelessness, unemployment; case study; 87R7191
uncompensated care provision, public vs private hospitals; surveys, government data; 87T0953
urban marginalization/poverty, radical religious movements' role, Brazil; interview; Clodovis Boff; 87R5754
urban poor, US, social programs/services; 87R2232
urban squatter settlements, Brazil, popular planning perspective; 87R6054
youth values/condition, Rome, Italy; urbanization; statistical/secondary data; 87R6378

Urban Renewal

community destruction, urban renewal programs/environmental disasters, legal/moral implications; 87R8736
gentrification process/neighborhood revitalization; 3-book review essay; 87R9992
gentrification trends, residential sales value vs resident income changes, US; census/housing data; Philadelphia, Pennsylvania; 87S1958
housing abandonment, industrial metropolis, historical/structural antecedents; literature review; Philadelphia, Pennsylvania; 87S1967

local redevelopment policy, Detroit, Michigan, benefit-cost analysis; 87R2221
neighborhood revitalization, uneven spatial distribution; urban Manhattan; city-wide/neighborhood institutional conflict; J-51 tax subsidy program, Upper West Side/Chelsea, Manhattan, New York, New York, 1970-1980; 87R2248
political/economic restructuring crisis, urban Marseilles, France; 87T0011
residential gentrification, supply- vs demand-side explanations; literature review; 87T0033
social reality/problem negotiation; group power; case study; Rosebush Hotel owners vs residents, Chicago, Illinois; 87R6782
urban displacement, neighborhood community effects, Central Harlem/New York City, New York; historical analysis; 87R4192
urban industrial transition, entrepeneurial renewal; article, comments, questions; 87R9986
urban industrial transition, physical renewal/adaptation phases; 87T0030
urban institutional renewal, local self-government, entrepeneurs vs caretakers; article, comments, questions; 87R9995
urban planning, Sweden; 1890-1945; 87R6060
urban planning, triage mechanism; literature review, case study; Philadelphia, Pennsylvania; 87R6064
urban renewal, Philadelphia, Pennsylvania, business elites' influence; city/civic organization records; 87R6718
US urban industrial transition, federal/state aid compacts; 87T0014

Urban Sociology

19th-century France/England/US, urban social science, diffusion process; 87R2246
deindustrialization, micro-/macrolevel effects, urban anthropological research; case study; US Sunbelt; 87R5751
deindustrialization, post-1970s recession, US, human/social costs; official statistics; 87R5761
ethnographic research, urban sociologists, historical development, current interest revival; 87R4185
gentrification process/neighborhood revitalization; 3-book review essay; 87R9992
housing abandonment, spatial distributions, Philadelphia, Pennsylvania; 1930s-1980; 87R4188
modern urban sociology, Max Weber's contributions; 87R9980
sociological research, work/family/regional topics, German Democratic Republic; literature review; 87R5433
urban geography, research emphases; literature review; 87R4200
urban movements, Alain Touraine's/Manuel Castells's action theory vs other approaches; 87R1853
urban planning, sociological analysis, Netherlands; literature review; 87R4186
urban sociology, development/orientations; 87R6057
urban sociology, France, historical phases; 87R6053
urban sociology, theoretical roots/debates; 87R2241
urbanism, professionalization trend, France; 1909-1929; 87R9882

Urban to Rural Migration

development towns, Israel, migration propensity; official statistics; 87R2224
elderly outmigration patterns, metropolitan areas, Canada; environmental variables; census, statistics; 87T0320
metropolitan-nonmetropolitan migration, Great Plains counties, US; reduced agricultural dependence; census data; 87R5103
migration flows, metropolitan/nonmetropolitan areas, US, temporal/subnational variations; census/other data; 1935-1980; 87R4630
population change, net migration; crime rate; official data; central cities, US; 1970-1980; 87R2927
population redistribution patterns, large cities, US vs India; deurbanization/deindustrialization processes; censuses; 87R2230
population redistribution shifts, metropolitan areas, regional restructuring vs deconcentration perspectives; US; 87R7856
urban-rural migrants, quality of life vs economic motivations; interviews; Gallatin Valley, Montana; 87R8279
well-being, city-to-town migrants, attribution model tested; 87R7114

Urbanism

crime victimization, rural Mississippi; social change, crime prevention practices; survey; 1983; 87R5035
French architecture/urbanism, Edouard Le Corbusier's work; 87R9983
professionalization strategies, urban development occupations, historical analysis; 87R6019
social movements, urban communities; community coehsiveness; case study; antifreeway movement, Brisbane, Australia; 87R7485
sociopsychological well-being/urbanism relationship, determinist/compositional/subcultural theories; General Social Surveys; 1974-1982; 87R3453
urban bias, underdevelopment/dependency issues; 87R9975
urban space/structure, social class struggles; book review essay; 87R9991
urbanism, professionalization trend, France; 1909-1929; 87R9882
urbanism, space/time dimensions, violence control; 87T0027
voluntary organization participation, urban South Koreans; primary relationships; questionnaires; household heads/housewives, Pusan; 87R9998

Urbanization

agricultural survival strategies, family farmers, mid-Atlantic US; urban growth; participant observation, interviews; 87R4151
American Indian-white vs black-white intermarriage patterns; socioeconomic characteristics; census; 87R8403
birth spacing/rate; religious pronatalism's urban secularization; 19th-century Mormon Utah; 87R2723
children's behavior/health, Khartoum, Sudan; urbanization; physical examinations, interviews; 1965 vs 1980; 87R8288
children's health/behavior, newly urbanized area, Khartoum, Sudan; physical examinations, interviews; 1965 vs 1980; 87R8297
creativity freedom, sociological theory, utopian communities; case study; Christ's House of Faith, St. Paul, Minnesota; 87R6205
crime victimization, rural Mississippi; social change, crime prevention practices; survey; 1983; 87R5035
crime; urban growth; district-level census data; India; 1971, 1981; 87R2930
economic growth, less developed countries; urban bias/dependency; cross-national data; 87S1998
extended family ideology, expenditure patterns, traditional African societies; modernization; questionnaires; families, Nigeria; 87R6160
family structure, India; industrialization, urbanization, socioeconomic changes; 87R2695
metropolitan dominance; corporate network prominence/linkages; 87R7869
migration flows, metropolitan/nonmetropolitan areas, US, temporal/subnational variations; census/other data; 1935-1980; 87R4630
neighbors' interaction, urban Norway, individuality/sociability tensions; field data; 87R4184
population distribution, Cuba, metropolitanization process; 87R2561
population dynamics/migration patterns, Mexico, social/gender differences; 87R2550
primate cities growth, Jane Jacobs's vs world-system theories; cross-national analysis; 87S1950
rural-urban migration, urbanization, squatter settlements, structural crises, non- vs developed nations; 1900-1979, Iran; 87R2219
social interaction, traditional manufacturing vs advanced industrial cities; 87R3806
socioeconomic development, urban Kaduna, Nigeria; micro-/macrolevel processes; quantitative/qualitative data; 1916-1980; 87R3801
urban growth, Third World; ecological vs political-economic factors; secondary data; 87R5753
urban societies/cities, historical/social/political origins, Europe/Third World; literature review; 87R7873
urbanism, space/time dimensions, violence control; 87T0027
urbanization factors, Third World countries; literature review, statistics; 87R4199
urbanization process/history, Europe, 1000-1950; 2-book review essay; 87R7859
urbanization strategy, South Africa, historical context/content; 87R9289
urbanization, underdeveloped countries; modernization, urban bias, economic dependency; panel data; 87R7416

Uruguay

capitalistic growth, Uruguay, external intervention; 87R1980
economic transformation, Uruguay, history/function/structure; 87R1797
electoral principles/patterns/reforms, Uruguay, democratic transition; 87R2044
female paid home-work, industrial capitalist societies/Uruguay; literature review; 87R9447
governmental transition, Uruguay/other Latin American countries; 87R1818
job market, Uruguay, structural changes; 87R2003
labor movement, political upheavals, Uruguay; 87R2023
Lebanese immigrant communities, identity/culture, Australia/Uruguay; Lebanese war; fieldwork; 87R3532
Left movement, Uruguay, history/future; 87R2055
liberal democratic institutions, Uruguay; 87R2007
military dictatorships, democratization processes, popular movements' role, Brazil/Argentina/Uruguay/Chile; 87R9721

political development/democratic transition, Uruguay/Chile; 87R2001
political parties/crises, Brazil/Argentina/Chile/Uruguay; 87R4011
poverty/income distribution, Uruguay, authoritarian government policy; 87R7866
profit distribution, economic sectors, Uruguay; 87R2035
voting patterns, Uruguay; social/political/structural factors; election results; 87R1976

Utah
birth spacing/rate; religious pronatalism's urban secularization; 19th-century Mormon Utah; 87R2723
flood crisis, Utah, voluntary labor force organization, Church of Jesus Christ of Latter-Day Saints' role; spring 1983; 87R3043
job success/failure, Cleerfield (Utah) Job Corps Center corpsmembers; demographic/familial/motivational/educational/psychological variables; questionnaire; August-December, 1984; 87R1663
juvenile delinquency, Utah; population/employment change, energy development; pooled time-series/cross-sectional data; 87S1996
morale, large bureaucracies; self-report instrument interviews; Artillery/Airborne unit members, Utah Army National Guard; 87R3763
religious beliefs, Mormon youths, Utah; survey; Salt Lake City; 87R6370

Utilitarianism
criminal justice system, blaming/excusing processes, medical model; utilitarian perspective; 87R8119
judicial sentencing decisions, utilitarian principles model; cross-sectional data; incarcerated offenders, Georgia; 87R2923
political science/sociology, utilitarianist approach, G. C. Homans's exchange theory/New Political Economy; 87R1388

Utilization
community-based organizations, utilization patterns; interview survey; residents, South Carolina; 87S1928
faculty teaching assignments, course utility vs schedule utility, mathematical programming models; faculty ratings; Miami University, Ohio; 87R9039
farm organizations/agencies, farmers' utilization; farming dependence; questionnaire; Mississippi; 87S1928
interpersonal utility comparisons, triangulation strategy; 87R6739
social service needs/underutilization, black Americans; participant observation, questionnaires; support group members; 87R3575

Utopias
creativity freedom, sociological theory, utopian communities; case study; Christ's House of Faith, St. Paul, Minnesota; 87R6205
increasing technological dependence, utopian fiction literature; 87R1617
kibbutz ideological development, utopian thought; 87R5115
knowledge acquisition, utopian thought; 87R8697
man/machine relationships, George Orwell's pessimism vs Vittorio Frosini's utopian view; 87T0845
Rajneeshee movement followers, demographic/psychological characteristics; longitudinal survey data; 87R9614
social theory, 1960s vs 1980s; 87R5750
utopia/catastrophe representations, science fiction literature; sociolinguistic analysis; 87R2265
utopian communities, self-perception/integration mechanisms; literature review; 87R7482
utopian movements, macro-/micro-level conflicts; literature review; 87R7479
utopian novels' publication, GB/US, world-system perspective; 87R7464
utopias/heterotopias, modern world; 87R3362

Uttar Pradesh, India
criminal offenders, India, social needs/characteristics; police records, interviews; Uttar Pradesh; 87R5028

Validity
basic vs applied research, social science, validity/reliability; 87R3210
collective action mobilization; legitimacy/validity/propriety issues; laboratory study; college students; 87R3895
computer simulation models, validity tests; 87R9018
data collection instruments, response categories, quantitative evaluation method; 87R8984
health interview surveys, perceived morbidity concept; national survey; Australia; 87T0575
informant interview responses, contagion/disease survey; cultural competence/knowledge; Guatemala; 87R3203
job characteristics/satisfaction management instruments' mobility/validity; contextual content analysis; 87R9915
natural/social sciences, Marxism's relevance; 87R1273
news media, attention/exposure measurement, self-report questionnaires' validity/reliability; longitudinal interviews; adolescents/parents, US; 87R9640
political sophistication, measurement reliability, US/West Germany; 87R8995
rationality/validity/destiny, Franco Ferrarotti's views; two-book review essay; 87R6196
scale length, reliability, validity; mathematical analysis; 87R3240
sex-role conflict, scale measure developed; 87R7287
small-sample generalizability, external validity, disaster research; 87R1242
social order legitimation/validity, causal analysis; 87R8973
social science knowledge credibility, citations to refuted findings; case study survey data; 87R5438
surveys, evidentiary value, scientific vs legal concerns; 87R8102
validity/reliability concepts, social sciences, methodological issues; 87R1179

Value (Economics)
human life, price/value calculation, moral issues; 87R3002
subject as consciousness/labor power, value theory implications, Karl Marx's thought; 87R3149

Value Neutrality
environmental impact assessment, subjective bias; 87R8767
fertility revolution, economic/demographic approach integration, methodological/theoretical issues; reply; 87T0300
homosexuality research, heterosexuality bias; literature review; 87R8335
modern economics, value neutrality claim; 87R5090
scientific ethos/values, normative structure; questionnaires; scientists, Warsaw, Poland; 87R7777
social scientists' race/ethnic attitudes, cultural relativism notion critiqued; 87R7209
societal representation/ideology, school curriculum, Australia; 87R7972

Value Orientations
abortion policies, value issues; 5-book review essay; 87R8437
Alaska Native Corporations, organizational structure, culture/values issue; 87R9488
artistic classification systems, ritual dimensions; 87T0065
classical social theories, phenomenological/rhetorical perspective; 87R6844
cultural patterns, advanced industrial societies; questionnaire surveys; 87R9573
diagnostic process, community mental health centers; power relations/value conflicts; case study; 87R8538
educationally difficult youths, egocentric value orientation, Czechoslovakia; 87T0137
family lifestyle, urban migrants; early socialization; 87T0444
family size, Nepal; value orientations, background variables; Terai Development Survey; 1977/78; 87R3653
family therapy, new epistemology application, sociopolitical constraints; 87T1055
family values/attitudes/behavior, Portuguese youth, post-1974 revolution; statistical/interview/other data; 87S1999
gender-/work-role values, working-class adults; questionnaires; 87R7309
hippies, values/lifestyle, US culture; 87R5803
human sexuality textbooks, sensitive illustrations, social class/heterosexual biases; content analysis; 87R8946
individual's socioemotional development, intentional value-feelings, quantification coding system; biographical data; 87S1971
interpersonal communication, culture-specific aspects; 87R9200
interpersonal utility comparisons, triangulation strategy; 87R6739
kibbutz leisure activities, ideological vs actual value hierarchy, social/political relevance; case study; Gelil-Yam bittuz, Israel; 87R7536
nature concepts/parks, Belgium; social factors; 87R9955
organizational studies, motivation concept's shortcomings; 87R9245
parent-child value transmission/congruence; 87T0536
political systems value change, cyclical process, GB/Germany; literature review; 87R9334
political values, urban/suburban Canadians; housing tenure; survey, interviews; 87R7700
religious beliefs/practices/values, young parents, Swiss Catholic families; questionnaires, interviews; 87R6431
science history instruction, non-Western countries, cultural factors; 87T0235
sex-role attitudes/aspirations; parenthood transition; national longitudinal data; 87T0490
sociology of work, research approaches, USSR; 1950s-present; 87R9461

strategic management concept, health care sector, value orientations; 87R2797
teenage out-of-wedlock childbearing; birth control knowledge vs family attitudes; survey; 87T0403
value change, Western industrialized societies, R. Inglehart's post-materialism theory; questionnaire surveys; 87R5915
value change, younger age groups, industrial countries; 87R1620
value development/economic consciousness, Czechoslovakian population; national development; 87R5818
value orientation, medical students, gender/time variations; questionnaires; 87R7977
value orientations research, methodological problems; 87R3442
value orientations, English-/French-/Italian-background children, Canada; sex, ethnicity; interviews; 87R4640
value orientations, wilderness sports participants vs football players, US; questionnaire; 87R7562
value orientations; nonfamily living; National Longitudinal Surveys; young men/women; 87R2710

Values
actual/perceived career commitment; sex; questionnaires; male/female university students; 87R6456
black family stability, pathology/structural-functional/emergent models, underlying value judgments; 87R6436
cultural causation, Max Weber's/Talcott Parsons's vs Ann Swidler's model; 87S1972
farming practice, economic stress, Mennonites; ideologies/values; survey; Kansas; 87R6212
human life, price/value calculation, moral issues; 87R3002
religious phenomena research, Europe, survey/statistical techniques; 6-book review essay; 87R4432
science-religion conflict; 87R4396
social sciences, value systems, Leo Strauss/Raymond Aron/Max Weber debate; 87R5488
South African divestment appeals, student-university values conflict; 87R5784
understanding, philosophical/methodological problems; round-table discussion, USSR; 87R3176
value orientations research, methodological problems; 87R3442
values complex, sociology; presidential address, 1967 Midwest Sociological Society; 87R3304
values/goals clarification problems, industrial society; 87R6706

Vancouver, British Columbia
occupational categories, Sikh immigrants, Vancouver, British Columbia; participant observation, interviews, documents; 87R3506
tradition changes, familial relationships, Ismaili migrant community, Vancouver, British Columbia; migration; 87R3516

Vandalism
criminal behavior; environmental factors; interviews; proprietors, commercial subcenters, Brisbane, Australia; 1974-1978; 87R4460
urban/rural vandalism, Sweden, situational/motivational explanations; police/interview data; Malmö, Arvika; 87T0803

Variables
contingency tables, multiple/partial association model; 87R5352
dichotomous dependent variables, regression procedures, statistical properties/interpretation; 87R3232
global variables' utility, social survey research; case study; education; 87R6881
independent variables, social/behavioral research, "unpackaging process"; 87R3206
latent variables, metric definition; comments/replies; 87R3246
West German General Social Survey, demographic variables' stability; interviews; 87R5351

Variance (Statistics)
covariance structure analysis, measurement error/response reliability; questionnaires; school leavers, Scotland; 87R1237
distribution similarity, measures; 87R3245
panel data, misspecification/instability/ordinal variables; 87R5342
statistical error, social work practice/research, explained variance estimation; 87R3226
statistical power, covariance structure models, analytical strategies; 87R5365

Vasectomy
vasectomy applicants, screening process, eligibility criteria; mail questionnaire survey; family planning clinics, doctors; 87R2732
voluntary contraceptive sterilization selection; couple's religious/age heterogamy; national surveys; 87T0538

Vatican
catechetical documents, traditionalist/integrationist attacks, France; *Pierres Vivantes* publication; 87R6183
Latin American Episcopal Council (CELAM), new initiative adoptions; historical analysis; 1955-present; 87R6211
theologians' position/power, France/Third World, post-Vatican II Council; 87R6213

Veblen, Thorstein Bunde
institutional change, Thorsten Veblen's theory, normative components; 87R9113
natural Christianity, Thorstein Veblen's vision, Edward Bellamy's influence; 87R3307
scientific creativity, Thorstein Veblen's vs Charles S. Peirce's views; 87R3290
social change period, knowledge/information organization; 87R3802
Veblen, Thorstein, economic theory, semiotics perspective; 87R3792

Venereal Diseases
genital herpes, information disclosure/management strategies; observation, interviews; self-help group; 87R6554

Venezuela
elite settlements, political change characteristics; historical case studies; England, Sweden, Colombia, Venezuela; 87R9695
herbal medicine, health/disease beliefs/practices, female practitioners' role/status, Warao Indians, Venezuela; 87R3663
industrial employment, female discrimination, coping mechanisms; interviews/personnel records/participant observation; steel plants, Ciudad Guyana, Venezuela; 87R7334
open-range cattle ranching, Venezuela/Florida, parallel adaptations; 19th century; 87R2197
religiosity, colonial influences, Third World countries; 3-book review essay; 87R6227
social organization, Yanomamo society, Venezuela, violence/aggression; 87R1396

Verbal Communication
acute poisonings, telephone hotline intervention, task-specific problems; field research, transcriptions; 87R6539
attorney communication competence, criminal trials; observer ratings, questionnaires, interviews; 87R4113
communication competency/classroom success, ethnic differences, assessment instrument; Asian/black/Hispanic/white university students; article/response; 87R6100
communicative interaction process, speech expression rules, acquisition model; 87R1417
community concept, riot participants' discourse, Bristol, England; content analysis; newspaper/radio/television/personal accounts; 87R7525
conversation quality, small peer groups; age; turn-taking analysis; second/fifth/ninth/twelfth graders, young adults; 87R2254
conversational behavior; gender identity; recorded conversations; undergraduates; 87R4208
conversational continuers/assessments, sequential organization; audio-/videotapes; 87R1501
conversational interaction, context levels, bureaucratic environment; 87R9205
conversational turn taking, H. Sacks's/E. Schegloff's/G. Jefferson's theory criticized; 87R7893
cultural misunderstanding, Aboriginals-non-Aboriginal verbal interaction, grammar vs sociocultural context; 87T0041
educated spoken Arabic, sociolinguistic variation, morphological/syntactic/stylistic differences; 87R6096
emotion communication, married couples, face-needs model; tape-recorded conversations, questionnaires; 87R6491
English interjections, *OK/yeah/uh huh*, discourse/decision-making functions; family therapy session data; 87R7887
ethnic attitude/prejudice expression, daily conversations, Amsterdam, Netherlands; 87R4236
event reporting, constituent component omission, speaker/coparticipant interaction; 87R4219
faculty unionization, private university, argumentation styles; 87R8957
family members-medical professionals interaction, linguistic analysis; videotaped conversations; video-taped conversation analyzed; spoken/written channels; information negotiation, methodological benefits; 87T0632
female vs male verbal behavior, sports associations, participation/power issues; discourse analysis; 1984 General Assembly, Norwegian Confederation of Sports; 87R5861
foreign language communication culture, Hungary, sociological analysis; 87T0059
job interviews, interactional/ethnographic phenomena; taped conversations; 87R1506
marital arguments, conflict escalation, emotional dynamics; case study; 87S1976
natural-disaster-related narrative, communication utility, time concept; 87R3489

police calls, professional dominance thesis, linguistic strategies; case studies, published material; 87R1500
political speeches, rhetorical format/audience response; political party conferences, Great Britain; 1981; 87R1503
provider-patient relationship; patient communicative behavior; inventories; lower-back-pain patients; 87R4863
scientific disputes, written letters, social structure; conversational analysis; 87R1512
single interaction episodes, conversation analytic modality; 87T0054
social order construction, Jewish summer camp setting, anthropological interactional perspective; interviews, document analysis, participant observation; 87R3500
social rhythms/pauses, human behavior; 87R3492
speaker age identification; physiological/social factors; adult males aged 25-75; 87R7894
student learning, interview accounts, analytical approaches; 87R6872
turn-final/-medial utterances, natural conversations; experiments; 87T0058
verbal behavior familiarity; status/solidarity effects; conversations; undergraduate females; 87R9838
verbal conflict/questioning episodes, family dinners, discourse organization; videotapes/audiotapes; 87R3469
verbal obscenity, psychological concerns; 87R4218

Verdicts
group decision-making processes, criminal juries, Spain; experiments; 87T0208
jury decisions; evidence, extralegal influences; courtroom observations, posttrial interviews; jurors, sexual assault trials; 87R2448

Verification
scientific results, publication/verification process; 87R2500

Vermont
major/daily life events, adolescents; empirical instruments; 87R2605

Verstehen
acquired immune deficiency syndrome, field research, Verstehen methodology; 87S1940
class consciousness, nonessentialist interpretation; 87R5273
constructivist sociology, science as nonobjective; critique; 87R8196
depression, older women; intimate relationship qualities; questionnaires; Madison, Wisconsin; 87R8855
ethnographic data, rural Appalachia daily life, hermeneutical approach; 87R5544
event reporting, constituent component omission, speaker/coparticipant interaction; 87R4219
Habermas, Jürgen, discussion model; 87R5466
interpretive sociology, US, European influences; 87R3301
life stories, critical phenomenological interpretive method; Jean-Paul Sartre's/William Faulkner's/Martin Heidegger's works; 87R2287
meaning/understanding, Donald Davidson's/Jürgen Habermas's rationalizations; 87R8968
natural/social science relationship, "verstehen" method evaluated; 87R1498
"reading a picture" metaphor, psychophysiological aspects; 87R8941
relationship intimacy/communication, interpretive themes; personal written reports, audiotaped conversations; 87R7144
religions, interpretive vs explanatory investigation methods, Paul Ricoeur's synthesis; 87R6214
self-concept, dynamic interpretative structure; literature review; 87R9232
social development, metatheoretical problems, Marxian-Weberian integration proposed; 87S1996
social interaction, interpretive conception; 87R5313
social order legitimation/validity, causal analysis; 87R8973
social sciences, religion explanations; comments/reply; 87R4445
sociological classics, George Herbert Mead's work, interpretative concerns; 87R3292
sociology of communication, new directions/research possibilities; 87R9656
sociology of medicine, social constructionist approach; 87T0615
sociology of work; Max Weber's/Alfred Schütz's concepts, comprehensive framework proposed; 87R5447
sociology-rationalism, Michel Maffesoli's work; book review essay; 87R5415
sociology's development/*Verstehen* concept, W. Sombart's work; 87R3276
sociology's stagnation, natural science model critiqued; comment/reply; 87R9072
status quo, interpretive understanding; 87S1978
student learning, interview accounts, analytical approaches; 87R6872
symbolic classification, individual vs shared cultural assumptions, inversion metaphor; 87R4926
text sociology, Carlo Ginzburg's contribution; 87R4214
textual interpretation, E. D. Hirsch's theory; book review essay; 87R6748
textual meaning, mathematical representation; G. Muskens's critique, reply; 87R3256

Veterans
Agent Orange contamination, Vietnam War veterans, US, health/legal issues; case study; 87R7360
health care, elderly veterans, service delivery problems; Delphi Survey; 87T0783
marital patterns/violence, Vietnam combat veterans; 87R2676
post-traumatic stress disorder Vietnam War veterans, short-term therapy program; 87S1940
posttraumatic stress disorder vulnerability, adolescent soldiers, Vietnam war; combat peer group dissolution, death experiences; interviews, psychological tests; Veteran's Administration hospital patients; 87R7362
posttraumatic stress disorder, Vietnam War veterans, current social pressures; 87R8533
readjustment/coping, disabled Israeli war veterans; potency; interviews; 87S1947
social policy development/implementation, US Vietnam veterans, Small Business Administration efforts; 87R3675
Vietnam Veterans Memorial, ritual symbol aspects; observational/other data; 87S1985
Vietnam veterans, social organizational movement aspects, US; 87R9478
war perceptions, Vietnam veterans; qualitative interviews; 87R4919

Vico, Giovanni Battista
social identities, Giambattista Vico's theories; article/comments/reply; 87R7160

Victimization
attitudes toward crime, victim's sexy vs conservative clothing style; experiment; college students; 87T0792
crime fear/victimization experiences, gender differences, Alabama; questionnaires; 87S1992
crime victimization, intergroup differences; heterogeneity, urbanization, inequality; National Crime Survey data; 1973-1979; 87R8671
crime victims' status/rights, South Africa; 87R5045
criminal behavior; serious crime victimization experience; interviews, follow-up survey; males, Philadelphia, Pennsylvania; 87R2929
criminal victimization risks; routine activities/lifestyles variables; 1975 National Crime Survey; US; 87R8664
dowry-related crimes, women victims, Delhi, India; 87S2001
farm victimization, crime type; socioecological factors; survey data; Arkansas; 87S1996
fear of crime, Mississippi residents; demographic/population variables, prior victimization; survey; 87R5047
fear of crime/victimization; gender, residence area; questionnaires; registered drivers, Alabama; 87S1928
Labeling Women Deviant: Gender, Stigma and Social Control by Edwin M. Schur; review essay; 87R6819
nonincestuous rape victimization, women; victim's incestuous abuse history; interviews; San Francisco, California; 87R6372
physical well-being, conceptual perspectives/models; panel study; New York; 87S1968
rape victimization rates; ecological factors, victim activities; official crime reports; Buffalo, New York; 1975; 87R3076
sexual assault vulnerability, women; lifestyle/age changes; interviews; sexual assault victims, Philadelphia, Pennsylvania; 87R5051
spousal assault/injury, male vs females as victims/offenders; National Crime Survey; 87R6780
victimization probability; neighborhood physical/social/opportunity structure; surveys; US, Netherlands, GB; 87S1948
victimization risk, spousal assault/battering; social class; national surveys; 87S1933
victimization/offending causal factors, lifestyle/exposure model; British Crime Survey; 1981/82; 87R6645
violence victimization, courting couples' perceptions; gender; questionnaires; college students, US; 87T0964
violent crime victimization risk; smoking/bar-going variables; General Social Surveys; 87R5056
violent crimes, US, inter- vs intraracial patterns; national survey data; 87R6649

Victimology
combative/noncombative victim response; rapist type; personal/historical data; 87R2925
crime victims, discourse/attitude/behavior; social position; interviews; France; 87T0827

Victims

actress Marilyn Monroe/murderess Ruth Ellis, biographers' views/fact selection; feminist perspective; 87R6791
Anglo- vs Mexican-American battered women, US, offense/victim characteristics; interviews; women's shelter residents; 87T0508
blame assessment, friends of rape victims; rape myth beliefs, self-esteem, gender; questionnaires; college students; 87R2913
court testimony, child victims, statutory/technological reforms; survey; 87R8155
crime as social vs legal phenomena, victim-offender interactions; 87S1986
crime victims, social/judicial marginalization, mass media perspectives; content analysis; newspaper articles; 87R8648
feminist self-defense strategies/movement vs victim prevention strategy/services; case study; 87T1010
homicide victims, age/sex distribution, European/non-European nations; World Health Organization data; 87R2918
judicial decisions, homicide cases; offender/victim social characteristics; case records; 87R8651
perceptional/hallucinatory disturbances, adult female incest survivors; 87R8854
rape legislation, reform effects; 87R5196
sexual harassment, higher education institutional policies; feminist perspective; 87R5221
victim injury potential, noncommercial robberies; resistance; National Crime Survey data; 87R5033
victim precipitation, male vs female homicides; court records; 87S1964
victim reporting/service satisfaction, wife abuse incidents; police-laid criminal charges; 87T0797
victim support scheme evaluation; questionnaire; victims, workers, community residents, Merseyside, England; 87R2484
victimization, battered wives; patriarchal family system, alcohol abuse; Context Specific Approach; Johannesburg, Pretoria, South Africa; 87R2926
violent crime victimization risk; smoking/bar-going variables; General Social Surveys; 87R5056

Victorian Period

Anna O., first psychiatric patient, Sigmund Freud's sexual transference concept; 87R2952
clitoridectomy practice, 1850s, London, England; 87R2981
cousin marriages, Victorian England; 87R8339
differential development, Nigeria; colonial/missionary ideology; 87R4425
female sexuality, Victorian womens' attitudes; literary writings, questionnaire; 87R2641
interior design business, Victorian era, William Morris's influence; 87R7911
religious observance, progressive/traditionalist Orthodox Jews, London, England; 1840-1860; 87R6240
sexual/racial attitudes/behavior, 19th-century British Empire; historical literature, colonial records; 87R4685

Videotape Recordings

black/female performers, music television video portrayals; content analysis; 87R3909
music videos as postmodern art, social implications; 87R5304
music videos, long-term viewer effects; 87R1941
television/video viewing habits, leisure activities, 7th-9th grade students, Bayern, West Germany; questionnaire; 87R4660
video censorship debate, New Zealand; 87R1917
violence/sex portrayals, music television videos; content analysis; 87R3910

Vienna, Austria

attitude/value transmission, medical school students; professional socialization; questionnaires; first-year students, Universities of Vienna, Graz (Austria); 1978-1983/84 comparison; 87R4316
doctor-patient relationship, asymmetries; interviews, tape-recorded consultation analyses; Vienna, Austria hospitals; 1981-1983; 87R4897
Gasser Road punks, Vienna, Austria, style/antagonism; interviews, field research, case study; 87R1487
hospital patients, pre-/postoperative care improvement; psychosocial intervention program; case study; Vienna, Austria; 87R4896
Slovenic identity/cultural influence, Austria; 6th century-present; 87R9281
social scientists' migration, ideology vs pragmatism, Nazi Germany/Austria; 87R9888
turn-of-the-century Vienna/Kurt Waldheim's anti-Semitism, Austria, current interest/fascination; 87R6677

Vietnam

Chinese population, demography/social structure/economic strength; 1920-1975; 87R1592
education/curriculum conflicts, Vietnam; social class relations; 1913-1938; 87T0102
minority languages, Vietnam, coexistence/interaction; 87R2258
Muong ethnic minority, Vietnam, cultural change/policy issues; interviews, literature review; 87R7273

Vietnam War

adaptation strategies/gender roles, Vietnamese refugee families, Philadelphia, Pennsylvania; family system; participant observation, interviews; 87R9224
Agent Orange contamination, Vietnam War veterans, US, health/legal issues; case study; 87R7360
marital patterns/violence, Vietnam combat veterans; 87R2676
post-traumatic stress disorder Vietnam War veterans, short-term therapy program; 87S1940
posttraumatic stress disorder vulnerability, adolescent soldiers, Vietnam war; combat peer group dissolution, death experiences; interviews, psychological tests; Veteran's Administration hospital patients; 87R7362
posttraumatic stress disorder, Vietnam War veterans, current social pressures; 87R8533
social policy development/implementation, US Vietnam veterans, Small Business Administration efforts; 87R3675
Vietnam Veterans Memorial, ritual symbol aspects; observational/other data; 87S1985
Vietnam veterans, social organizational movement aspects, US; 87R9478
Vietnam war coverage, introductory sociology textbooks, US; content analysis; 1954-1975; 87R9703
Vietnam War, technical problems, technological-production model, US escalation; 87R1749
war perceptions, Vietnam veterans; qualitative interviews; 87R4919

Villages

biological/cultural continuity, elderly women's role, Cserepfalu village, Hungary; participant observation/interview/life history/other data; 87T0757
change processes, rural village community, Santulhoa, Portugal; socio-economic factors; historical analysis; 87R7825
Chinese society; 3-film review essay; 87R2198
"civilizing offensive" strategy, ideological groups' struggles, rural Dutch community; oral history, archival data; 1879-1920; 87R7436
cultural redefinition/production, Chinese revolution, 1940s; 87R3611
customary/national land law interface, Dayak Village, East Kalimantan, Indonesia; legal case analysis; 87R3661
democratic village self-government, *panchayat* system's role, India; 87R9737
distributive justice criteria/rules, Chinese village; field study; 87S1987
drinking habits, village pubs, Melton, England; gender, age, social class; fieldwork data; 87R3437
elderly's needs, England, family/community/state support; anthropological fieldwork, case study; 87R5009
family life cycle, Japanese peasants, Tokugawa period; role transitions; register data; 1825-1869; 87R7829
household labor allocation, Central Javan villages; agricultural/nonagricultural resource access; observations, interview surveys; 87S1990
political development, Ngeremlengui District, Belau, Micronesia, residents' interpretations, high- vs low-ranking villages; field research; 87R2106
reciprocal labor system, *Chetri* caste households, Nepalese village; 87R6030
revolution recruitment/involvement, Aliabad village, Iran; community change/participation, economic/ideological alternatives; 87R2386
spatial structure of action, Thai village; interviews, participant observation; 87R9341
survival charcteristics/mechanisms, poor households, Bangladesh; survey, interviews, case studies; 87R6772
village community structure, Goa, India; Marxist perspective; 87R6026
village court development/utiliztion, precolonial Agarabi, Papua New Guinea; interactionist perspective; 87R6285
women's status/social influence, male-dominated societies; women's family/friendship/community networks; participant observation, life histories, interviews; Muslim Arab village; Israel; 87R1559

Violence

aggression patterns, married couples vs male friends, outsiders' perceptions; experiment; college students, northeastern US; 87R7119
alcohol-crime link, correlation vs causation, public policy implications; cross-disciplinary research needs; 87R6638
anti-social worker violence, UK; 87T0952
antisocial behavior-media violence relationship, social science research; 87R8840

Bourdieu, Pierre, symbolic violence theory; 87R9119
children's imagination schemata, developmental implications; content analysis; stories; 87R3080
chronicity/violent recidivism, criminal offenders; longitudinal data; 1958 Philadelphia (Pennsylvania) cohort; 87R3075
collective racial violence, US/GB, typological framework; 87R1544
college mascots/symbols, violence/sexism images; 87R7969
conflict avoidance model/ethic, Tahitian society, reactions to violence; secondary accounts, fieldwork; 87R3067
courtship violence, conflict resolution strategies; questionnaires; undergraduates; 87T0392
courtship violence, cultural/social/personal dimensions, theoretical/conceptual framework; literature review; 87R6408
crime rate patterns/stability, US suburbs; official data; 1972, 1980; 87R2931
crime situations, criminals' definitions; criminalization stage; interview survey; prison inmates, Japan; 87R6643
crime victimization, intergroup differences; heterogeneity, urbanization, inequality; National Crime Survey data; 1973-1979; 87R8671
crime/political violence/suicide, Western societies; relative deprivation/deprivation, differential resistance/risk ("RO-DR" model); 87R2911
criminal behavior; serious crime victimization experience; interviews, follow-up survey; males, Philadelphia, Pennsylvania; 87R2929
criminal careers, violent juvenile offenders; demographic factors; National Youth Survey; 87T0826
criminal violence, metropolitan areas, demographic structure, local culture; 87R3068
criminals' dangerousness, forensic psychiatrists' predictions/discretion; police/psychiatric/court records; criminal defendants, Northtown One-Day Assessment Clinic, Canada; 87R5200
dangerousness, male psychiatric patients, clinical vs actuarial prediction; institutional/follow-up records; 87R8839
emotions, articulation/signification, rule-governed conduct; 87S1974
expert witnessing, sociologists; interracial violence case study; black teenagers, Arizona; 87R4469
guerrilla movements, opponents' strategies, Indochina/Algeria/Cyprus/Cuba; 87R3959
interpersonal violence, police decision-making/control styles; incident location/context, participant characteristics/behaviors; literature review; 87R6298
interspousal assault, husband's vs wife's reports; Status Conflict Tactics Scale; 87R5194
judicial transfer decision, juvenile vs adult justice system jurisdiction; race; court data; 87T0191
leftist terrorism, violence expressions; 87R5209
limited democracy, guerrilla organizations, Colombia; 87R4006
media violence, short-term effects, cognitive-associationist network perspective; experiments, observation; 87R8831
play-fighting, adolescent residential treatment home males, sexual/aggressive negotiation; participant observation; 87R4508
police force use, public vs national legitimation standards; case studies; San Diego, California/Liverpool, England; 87T0219
police violence, US, impact on crime; 87R6290
pornography/censorship issues; feminist perspective; 87R6409
preventive detention, sexually violent offenders, Canada; regional/socioeconomic/offense disparities; parole files, questionnaires; 87R8183
prison violence; crowding vs social control models; death logs, disciplinary/major incident reports, field observations; Texas; 87R2463
racial violence, GB, causal factors; 87R5552
rape legislation, reform effects; 87R5196
sex/violence/drug/other attitudes, adolescents; music television viewing; survey; 87R6383
sexual violence perceptions, males; pornographic movie soundtrack; experiment; undergraduates, University of British Columbia; 87R1463
small handgun violence, US, gun control legislation/consequences; secondary survey data; 87R2472
social field theory, libertarianism/collective violence relationship; 87R3389
social organization, Yanomamo society, Venezuela, violence/aggression; 87R1396
social problems, metropolitan areas, US; migration patterns; census, national statistics; 1975-1980; 87T0019
sociology of religion, Europe/US, historical development; 87R6209
urban disorders, GB, Right's vs Left's response; 1985; 87R5202
US homicide trends; government's war involvement; statistics; 1948-1978; 87T0963
victimization, battered wives; patriarchal family system, alcohol abuse; Context Specific Approach; Johannesburg, Pretoria, South Africa; 87R2926
violence against police, Florida; community type vs departmental style; statistics; 1979-1981; 87R6777
violence legitimacy, industrial societies' institutional structure/material values; 87R5747
violence prediction, behavioral science theories; juvenile court records; Montreal, Quebec; 87T0965
violence rate, Israeli cities; socioeconomic/demographic variables; 87R3072
violence, Buddhist/Hindu society, Sri Lanka; 87R3065
violence/sex portrayals, music television videos; content analysis; 87R3910
violent crime rates, New Zealand; social/economic/demographic variables; official statistics; 87R6776
violent crime victimization risk; smoking/bar-going variables; General Social Surveys; 87R5056
violent crime/hunting licenses, inverse correlation, US counties; official data; 87R5039
violent crimes, US, inter- vs intraracial patterns; national survey data; 87R6649
violent juvenile offenders, organizational control/reforms, Department of Youth Services, Massachusetts; interview/survey/other data; 1976-1985; 87T0823
violent offense rates, adolescents, US; self-report data, interviews; 87R8305
violent/property crime rate; age/cohort/period; Uniform Crime Report data; 1964-1977; 87R2917
wife abuse incidents, husband's vs wife's responsibility, police officers' decisions; legal/extralegal factors; case profiles; 87R5204

Virginia
black boundary maintenance, Danville, Virginia, repressive justice; court/police data; 1900-1930; 87R3498
black farmers, Virginia, agricultural social organization; 1930-1978; 87R7822

Virginity
coitus initiation, young adolescents; parent's marital status; interviews; 87T0417
female's negation/devaluation, Catholic/Orthodox ideology, Virgin Mary cult's role; 87R6236

Visitation
child visitation/custody conflicts, Yugoslavia; interviews; parents, Belgrade; 87R4737
family bonding, visitation, institutionalized chronic mentally ill; social factors, patient's impairment; secondary data; board & care homes; 87R4911

Visual Arts
art valuation procedures, popular-vs high-art galleries; interviews; gallery directors/employees/artists, Chicago, Illinois; 87T0067

Visual Sociology
photographs' ideological content, teaching critical awareness; 87R8942
"Photography and Sociology" by Howard S. Becker; translated excerpt; 87T1067
"reading a picture" metaphor, psychophysiological aspects; 87R8941
sociology film/discussion series, adult community residents; 87R6841
sociology teaching, art/architectural slides; 87R6920
teaching sociology visually as visual sociology; 87R8943
visual anthropology/sociology, course descriptions; 87R6969
visual sociology, course description; slide-tape presentations; 87R8948
visual sociology, data validity/reliability issues; 87R3197
visual sociology, social reform/behaviorism traditions; 87R5306

Vocabularies
educational success/failure, social group lexes, Australian adolescents; Illawarra/Sydney, New South Wales; 87R2253
lexical expansion, Maghrib (Morocco, Algeria, Tunisia) elementary school textbook vocabulary source; 87R6080
photography vocabulary development, neologism formation; 87R5308

Vocational Education
behavioral/vocational vs liberal education, political/ideological context; 87T0115
correctional institutions, academic/vocational education programs, California; institutional security/crowding/finances; descriptive/official data; 1980-1985; 87R4505
equity/excellence problems, higher education, Quebec's response; 87R7937
mentally retarded adults, peer conflict resolution; discourse analysis context; 87R5613
occupational prestige, vocational high school curricular programs, Israel; schools/ ethnic/social status/gender comparison; 87S1987
sponsored/contest norms, regular vs vocational education system, US vs GB; social background factors; national surveys; 87R6145

Technical & Vocational Education Initiative program recruitment, GB, form teachers' role; 87R4340
technical education, GB, National Advisory Council on Education in Industry & Commerce; 87R4322
vocational education, 19th-century Germany/France; 87T0128
vocational education, community care courses, GB; personal experiences; 87R5066
vocational vs academic tracking programs, secondary school students; 87R8009
youth socialization, African countries; 87R4786

Vocational Rehabilitation
performance outcomes, vocational rehabilitation counselors; supervisors' leadership style/behavior; questionnaire; South Carolina; 87S1928
vocational rehabilitation, social science issues; journal issue symposium; 87T0631

Voluntarism
citizen volunteers, election campaigns, leaders' control strategies; 87R3963
civil religious beliefs, US presidents, voluntarism theme; 87S1929
disabled services, voluntary agencies, Israel, organizational characteristics/trends; self-reports; 1972-1982; 87R1794
farm crisis, rural residents' social awareness; voluntary association membership; telephone surveys; North Dakota communities; 87S1990
flood crisis, Utah, voluntary labor force organization, Church of Jesus Christ of Latter-Day Saints' role; spring 1983; 87R3043
guardian angel patrols, crime-fighting effectiveness, US/Canadian cities; participant observation, interviews; 87S1934
immigrant socialization; informal voluntaristic agencies; case study; Jewish immigrants, Israel; 87R1563
law enforcement effectiveness; citizen participation movements (Guardian Angels); interviews, crime data; New York City subways; 87R4477
organizational development, private voluntary associations, Third World; institutional/structural factors; field research; Nigeria, Senegal, Togo; 87R7413
philanthropy funding/purpose, 20th-century US; 87R9528
technological innovation, orientations planning, financial/human resources; 87R8190
US civil religion, Ronald Reagan's contributions/voluntarism themes; 87R9708
voluntarism, informal social coordination, Europe; historical analysis; 87R3785
voluntaristic action, societal constitutionalism framework; 87R5842
voluntary association membership, black Americans, post-civil-rights era; interviews; Chicago, Illinois; 87R9523
voluntary mutual insurance funds, 19th-century Europe; 87R7346
voluntary welfare sector, new definition/social role; 87R5714

Volunteers
4-H volunteer training, needs assessment methodology; questionnaires; 4-H leaders, Pennsylvania; 87R7813
acquired immune deficiency syndrome research/education, volunteer recruitment; 87T0629
acquired immune deficiency syndrome, voluntary service organizations' development/structure, economic-political environment effects, Connecticut; 87S2004
alcoholic rehabilitation, skid row clients; volunteer sponsors; questionnaires, case study; Re-Entry Program, Compass Center, Seattle, Washington; 87R6607
alternative advisory services, treatment system, Denmark; 87R5276
Arab-Jewish relations/reconciliation, Israel, voluntary organizations' role; 87R5557
community ties, local/extralocal memberships, prediction models; survey; voluntary association members, Seattle, Washington; 87R7406
cowboy camp meetings, voluntary participation, power/status issues; case study, literature review; 87S2003
futures rsesarch, volunteer participation; case study; Rocky Moutain community initiative; 87T0865
primary health care, political-economic perspective; cross-cultural analysis; 87R4859
prisoner volunteer subjects, biomedical research, ethical/scientific issues; 87R6321
rural volunteer fire companies, community culture expression, class/gender characteristics; interviews, participant observation; firefighters, officials, northeastern New York; 87S2005
sustained altruism, crisis-counseling agency telephone volunteers, socialization history; 87R9206
voluntary organization participation, urban South Koreans; primary relationships; questionnaires; household heads/housewives, Pusan; 87R9998
volunteer subjects' health data files, research utility improvement; 87T0618
volunteers' vs paid workers' social/personal characteristics, community mental health systems; interviews, questionnaires; 87S1938

Voodooism
justice concept, Haitian *vodoun* religion; article/comment; 87R4373
pilgrimage center, Haiti, social/political function; field research; 87R4405

Voters
candidate electoral success, voter expectation biases; interviews; US presidential election voters; 1980; 87R2061
political behavior; social networks, neighborhoods; National Election studies; September/November 1980; 87R1999

Voting Behavior
abortion proposals, Senate voting patterns; social/political variables; 87R9795
budgetary behavior, local governments, Italy; local/national electoral cycle; time-series data; 87R1984
candidate electoral success, voter expectation biases; interviews; US presidential election voters; 1980; 87R2061
candidate presentation/image making, nonverbal aspects, voter manipulation impact; case studies; 87R7498
class block voting, Canada, class consciousness information relationship; National Elections Study; 87R7638
congressional election outcomes; presidential vs party-related forces; election records; 1938-1978; 87R4005
Democratic-Republic partisanship, across-poll differences; 87R7579
ecological regression analysis, methodological issues; historical election data; Germany; 87R1240
election-night predictions, Italian television, reliability/accuracy; 87R1995
electoral abstentionism, 1981 abortion referendum, Italy; questionnaire interview survey; Milan; 87R2030
electoral behavior, Australia/New Zealand; electoral system differences; survey/aggregate data; 1960-1984; 87R3958
electoral behavior, Turin, Italy; social structure; 1976-1980; 87R2032
electoral opposition, presidential referendum election, International Union of Electrical, Radio & Machine Workers; local union size/spatial concentration; 1964; 87R9761
electoral participation, black vs white Americans; vote validation/survey data; 87R1974
electoral trends, 1980s, US; economic/foreign events; public opinion polls; 87R5922
electoral trends, US; 87R7624
health policy voting behavior, US House of Representatives, influential factors; 87R4001
high- vs low-status voters, knowledge gap, political campaigns; surveys, interviews; New Hampshire gubernatorial campaigns; 87R9768
individual political consciousness; other household members' social characteristics; interviews; households, Isle of Sheppey, England; 87R5665
mayoral change, social stability, Japan; voters' preference structure; computer simulated model; 87R7572
municipal annexation elections, large vs small jurisdictions' voting power, mathematical analysis; 87R4018
national preelection estimates; respondent selection/interviewing techniques; case study; 1984 US presidential election; 87R7657
nuclear referendum voting behavior, Sweden; pre-election interviews; 87R2010
overvoting malpractice, Jamaica; national election statistics; 1976, 1980; 87R7598
political behavior/class power struggles, rural Minho, Portugal; 87R3976
political behavior; social networks, neighborhoods; National Election studies; September/November 1980; 87R1999
political campaigns, voter involvement/perceptions, Iowa; media influence; questionnaire survey; adults; 87R3999
political candidate choice, industrial societies, psychological (Michigan school) vs social (Columbian school) explanations; 87R2059
political participation, US; social class, political alienation/trust; national survey data; 87S1961
political party preferences, gender differences, Norway; 1949-1985; 87R9715
political/social forecasting, methodological problems, conflict analysis technique suggested; *Time* magazine predictions, 1984 US presidential race; 87R7602
poll credibility/political effects, press/general public perceptions; questionnaire surveys; 87R1877
poll forecasts, national elections, predictive accuracy; 87R1986

populism support, wheat vs cattle producers, Great Plains region; 19th century; 87S1991
presidential vote choice, fundamentalists vs evangelicals, US; issues attitudes; national survey; 87T0160
presidential vote choice; self-interest; interviews; 87R5951
presidential vote choices, US farmers; economic pressures; survey; 1984; 87R9966
public voting behavior, predispositional factors, California tax-cutting initiatives; 87R1866
roll-call voting patterns, Guttman scaling vs factor analysis techniques; 87R6906
rural politics, France, 1750-1880; book review essay; 87R9933
seat distribution/voting power proportionality, mathematical analysis; 87R3219
self-reported voting claims; third-party presence; survey data; 87R2056
social issues/agenda, shifting voting patterns, US; 87R6732
subgroup's power, voting body; subgroup size/cohesiveness; 87R5907
volatile partisan attachments, "moderate" voters, Germany's Weimar Republic; 87R5900
voter choice, GB; political attitudes; interviews; 87R2013
voter participation, union representation elections; model constructs; election data; Michigan; 87R5946
voter preferences/decision making; group size; R. G. Niemi's partial single-peakedness; phenomenon extended; 87R7596
voter rationality, Anthony Downs's model; 87R7594
voter registration/turnout rates, female Mexican Americans; 1974-1984; 87R3104
voter self-reports, external validation measures; 1980 National Election Study; 87R7571
voter turnout, uncertain outcome elections; opportunity costs; 87R7615
voter turnout; alienation-partisan identity relationship; national election surveys; US, 1964-1980; 87R4019
voting behavior patterns/variation, Italy; 1985 election results; 87R2058
voting behavior, decision making, GB; societal/individual factors; longitudinal study; 87R5933
voting behavior, ecological concern; mediating variables; mail survey; California, Colorado; 87R5911
voting behavior, GB/France/West Germany/Italy; economic/other variables; Euro-Barometer Surveys; 1983; 87R7622
voting behavior, gender differences; situational/structural/ideological factors; General Social Survey; 87S1937
voting behavior, Netherlands; postmaterialist orientations; 87R7636
voting behavior, rational choice model, West Germany; 87R7495
voting behavior, Vicenza, Italy; socioeconomic/religious factors; survey; 1946-1980; 87R1978
voting behavior; candidate-elector personality congruence; election data; longitudinal analysis; 87R3968
voting behavior; exit polls; 87R4022
voting bloc formation, women; National Election Studies; 1972-1984; 87R3082
voting outcomes, politicians' vs voters' predictive accuracy; survey; ballot measures, Oregon; 87R2026
voting pattern changes, Argentina, 1973-1983; interviews; males; 87R7616
voting patterns, Uruguay; social/political/structural factors; election results; 87R1976
voting power, electoral subgroups, quantifying model proposed; 87R7577
voting preferences, 1981 general election, Greece; social/political change; survey; 87R7623

Voting Rights
antisuffragism movement, US, ideology/mobilization; content analysis; journal articles; 87R3855
multilingual electoral ballot provisions, language assistance rationalizations; census, interview survey; Chinese adult population, Chinatown, San Francisco, California; 87R3543

Vulnerability
depression, women, "vulnerability" vs "strain" models; critique/reply; 87R8543
differential vulnerability, minority/female workers, 1974/75 US recession; labor market discrimination; National Election Survey; 87R5627
female subordination/male vulnerability theories, psychological/anthropological data integration; 87T1016
international political conflict; capital/trade dependence; cross-national data; 87S1972
psychological distress/vulnerability, life event control, women, unmarried persons; panel data; household heads, Chicago, Illinois; 87T1017

Wages
agricultural labor force, proletarianization; *latifondo* economic structure; case study; Calabria, Italy; 1813-1896; 87R9962
discriminatory behavior, job-seeking/hiring; 87R7336
earnings determination; industrial structure; secondary data; 87R5649
employees' earnings; industrial structure; 1973 Current Population Survey; 87R7311
employment earnings; occupation's gender composition; aggregate census data; 87R3743
fertility, Seychelles plantations; female wage labor, household size; ethnographic fieldwork; 87R7274
hourly wage differences, men vs women; government survey; Australia; 1982; 87R9374
income attainment, core/periphery workers; dual economy- vs dual-labor market characteristics; 1972 Census of Manufacturers; 87R7433
justice judgments, pay-for-work settings; scales; 87S1970
labor aristocracies, reform politics, capitalistic/monopolistic/imperialist companies; 87R5638
living standard/earnings differentiation, Czechoslovakia; education; 87R6726
office/industrial division of labor, work compensation, job security; new technology; 87R1653
pay equity/negotiation impasse resolution, public schools, participants' perceptions; questionnaires; 87R7732
pay/welfare increases, Soviet workers; 87R2937
private vs social wage growth, advanced capitalist economies; panel data; 1962-1980; 87R3797
professional contradictions, nurses' complaint vocabularies; interviews; South Australia; 87R7800
psychosocial functioning, employed black/white males, US; underemployment/-payment; survey; 87R5652
unpaid family labor; modernization; International Labor Organization statistics; cross-national analysis; 87R2653
wage differences; type of first college entered; 87R4325
wage differentials, minorities/females/white males, New York; occupational segregation; comparable worth study; 87S1947
wage earnings, males vs females, Malaysia; interview-questionnaire survey; 87R3678
wage labor distribution changes; collective action; Weberian/Structural-Marxist perspectives evaluated; post-WWII; 87R1691
wage variation, manufacturing industries; labor unionization, employer's market power; rational panel data; 87S1946
women's wage employment, public/private sector, Swaziland; official statistics; 87R5231
workers' earnings/tenure, industrial settings; conglomerate organizational variables; 87S1962

Wales
adolescent attitudes, "Thatcher"- vs "Woodstock"-generation, GB; questionnaire survey; social science students; 87R5821
adolescent suicide rates, England/Wales, 1950-1960s; statistics; 87T0565
decarceration process, US/England/Wales, social control issues; 87R8131
ethnic autonomy movements, status group solidarity; cultural organization patterns; case study, field research; Welsh/Breton ethnic subsolidarity movements, 1950-1984; 87R1526
family income allocation, cross-class employed couples; tape-recorded interviews; England, Wales; 87R5970
migration-fertility relationship, England/Wales; OCPS Longitudinal Study, censuses, birth registration data; 87R2553
occupational stratification pattern, England/Wales; 1972 Oxford Mobility Survey, 1974 reinterview; males; 87R2089
sociolinguistic data elicitation techniques, reporter's test; Welsh examples; 87T0037
spoken Welsh, learners, English speakers' acquisition; ethnographic data; 87R4235
tourism, ecological impacts, Heritage Coasts, England/Wales; 87T0904
Welsh language, current status; 87R9308
youth unemployment, GB; government intervention; participant observation, interviews; post-high school youth, parents, siblings; 87R5663

Wallerstein, Immanuel Maurice
Wallerstein, Immanuel, world system theory critiqued; 87S1985

War
Anglo-Argentine conflict, Malvinas (Falkland Islands), residents' attitude changes; questionnaires, interviews; 87R9698
battle of Masada, Jewish history, modern commemoration/context; 87R1622

homosexuality attitudes, migrant Creole-Surinamese females, Netherlands, traditional values/behavior; 87R4686
interpersonal attitudes, lesbian/bisexual women; mail questionnaire; 87S1977
social change, welfare rights organizations, urban poor women; case study; Brooklyn Welfare Action Council, New York; 87R5228
woman suffrage movement, radical-moderate transformation; 87S1949
women motorcycle riders, gender stratification theory; participant observation, interviews; 87S1980
Women's Emergency Brigade, United Auto Workers' strike, Flint, Michigan; film; 87R3395
women's movement, religious (nuns) vs lay status groups, Catholic Church; document analysis; US; 87R4433
women's movement, sexual libertarian branch; two-book review essay; 87R2628
working women's organization, office workers' recruitment/participation; participant observation, interviews; 87R2124

Womens Rights

artificial reproduction/birth control debates, GB; feminist perspective; 87T0997
battered women's movement, organizational decentralization, local level manifestations; interviews; 87R9622
criminal justice system, female offenders' experience/treatment; 87R6262
dowry-related crimes, women victims, Delhi, India; 87S2001
elite-based women's movement, US, 1945-1960; case study; 87S1934
family planning measures adoption, married women, Patna (Bihar), India; educational/occupational/family status; survey; 87S2000
female labor force participation, pluralist conceptions critiqued; 87R5623
female offenders, criminal justice decisions; feminist movement; court/parole data; 87R8168
infant welfare movement, early 20th-century Australia, medical profession's rhetoric; 87R3091
maiden name retention, post-marriage, legal norms; court cases; 87R3112
male bias, Australian community studies; article/response; 87R2988
patient-doctor communication problems, Turkish women, Western Europe; personal experience; 87R8890
policy preferences, gender differences; questionnaire surveys; 87R3132
pregnant women's work reassignment, high risk workplaces, Quebec; 1979 legislation; interviews, statistics; 1984-1986; 87R9364
prochoice movement, organizational/environmental opportunities/obstacles; 87R3114
sexual harassment, definitional perspectives; 87R3089
social justice/public polocy, gender issues; 2-book review symposium; 87T1038
suffrage, plebiscitarian principle's institutionalization; nation-state structural characteristics; worldwide event history analysis; 1848-1986; 87S1976
woman's status, feudal/post-World War II Japanese society; 87S1962
women motorcycle riders, gender stratification theory; participant observation, interviews; 87S1980
women-in-ministry research, academic/political value; 87T1015
women's law, money/time/work issues; 87R6257
Women's law, Scandinavian law school curriculum; 87R6251
women's legal status, UN declarations/conferences; 87R7593
women's leisure experiences, GB, political issues; 87R7526
women's movement, sexual libertarian branch; two-book review essay; 87R2628
women's political/social action, Poland vs Western Europe/US; late 18th century-present; 87R9619
women's position, South African society; historical analysis; 87R6788
women's rights movement, US, individualist vs collectivist principles; 87R5220
women's situation, Malaysia, historical/cultural factors; 87T0972
women's status, state's position, Malaysia; 87R9707
women's status/rights, Guinea, ideology vs reality; observation, interviews, statistics; 87R7646
women's work rights, state-level vs European Economic Community policy/legislation; 87R6266
working women, sexual discrimination, historical analysis; case study; *Equal Employment Opportunities Commission* v. *Sears, Roebuck, & Company*; 1973-1986; 87R5225

Words

strategic maps, scientific research, documentary analysis methodology; 87R3185
survey responses, "poor" vs "welfare" wording; General Social Surveys; 87R6884

Work

employment/occupation patterns, early 20th-century French urban families; government surveys, historical data; 87R6018
marital adjustment/relationship beliefs, dual-career/career-work/single-career couples; questionnaires, inventories; 87R6497
psychological distress, women; work/family role, social support; interviews; 87S1943
work concept/values, cultural-historical development; 87R3368
work research, Sweden; literature review; 1980-1984; 87R9443
work, psychological meanings/motivations; 87R9455
work-family relationship, Europe/US; journal issue editorial; 87R6440
work/family life, US working class, early 20th century; historical data; 87R6512
work's role, postindustrial society; 87R9456

Work Attitudes

attitude change, Greater Manchester Police; management control style, personal characteristics; questionnaire, interview; 87R2118
body disorders/illness, social construction, workplace setting; observation, interviews; industrial plants, France; 87R3682
career commitment, black police officers; sociodemographic/political variables; field study, interviews, observation; Detroit, Michigan/Denver, Colorado; 87R4523
child welfare workers/supervisors, demographic characteristics, work attitudes/experience; survey; National Child Welfare Training Center inservice, University of Michigan; 87R4136
childbirth spacing differentials; postwar GB; current/prospective employment factors; longitudinal survey, census data; women; 87R7330
employment status/perception of work, Caribbean women; survey; 87R9435
family ties/ideology, textile industry, England; interviews, observation; Yorkshire mill; 87T1059
future occupations, apprentices' attitudes; Czechoslovakia; 87R1451
job commitment, nonfarm wage workers, US; age; national survey; 1977; 87R9409
job commitment/satisfaction, police officers; demographic/individual/organizational/role conflict factors; self-administered questionnaires; 87R2142
job commitment; perceived organizational support, family support; mail questionnaire; US Air Force personnel; 87R5671
job satisfaction/motivation; job characteristics, publication productivity, nursing school faculty; mail questionnaire/survey; 87R2127
job satisfaction; job values/rewards; survey; employees, West Germany; 87R1682
labor force attachment, discouraged/unemployed workers; official statistics; 87R7344
labor force attachment, US youth, model development; National Longitudinal Surveys, Labor Market Experience of Youth; 14-21 year olds, 1979; 87R1651
labor market outcomes/participation; worker attitudes; national survey; 87R9393
life satisfaction/role preference, married women; employment status; interview; 87S1944
manual/professional work, gender inequalities, GB; personal experience; 87R7343
mental health, employed vs nonemployed mothers; home/child care/sex/work role attitudes; survey; Sheffield, England; 87R8906
new technology, newspaper production process, compositors' adaptation; questionnaire survey, interviews; employees, Australian newspaper; 87R1712
production process, socialist society, automation vs creativity concerns; 87R7290
retirement attitudes, gender differences, older workers; sex-role identity, work attitudes; 87R4994
school experience, work attitudes/behaviors; cultural influences; Palermo vs Milan/Bologna, Italy; 1982; 87R2306
self-esteem/work motivation, social welfare recipients, legislature assumptions tested; case study; job training program, Delaware; 87T0942

social welfare program choices, middle class commitment; questionnaires; 87R6768
turnover intentions, certified public accountants; professional/organizatonal commitment, work-related attitudes; questionnaire; 87R9897
unemployment coping, nonwork activity participation; Protestant work ethic belief, work involvement; questionnaire; 87R3906
unionism, industrial attitudes, white-collar workers; work position/conditions, structural/technological changes; mail survey; bank employees, Australia; 87R5648
university budget cut crisis, faculty perceptions; interviews; 87R2313
work attitudes, turnover intentions; training environment; interviews, questionnaires, observation; merchant marine engineering students, US/GB/Spain; 87R3730
work concept/values, cultural-historical development; 87R3368
work consciousness change, male academics aged 50-60; interviews; Boston, Massachusetts; 87R4101
work ethic experiences, alienation, technological change; 87R5693
work incentive program, staff complaints/deviance attributions; 87S1971
work meaning, Israeli occupational groups; interviews; 87R5646
work meaning/ideology, secondary students' definitions, Italy; questionnaire survey; Naples; 87R1670
work orientation, value change, West Germany; reply/response; 87R5674
work outcome importance, full- vs part-time hospital employees; questionnaire; western US; 87R9469
work patterns/industrial structure, Japan vs other Western societies; 87R9502
work value, Israeli kibbutzim, philosophical aspects; 87R3669
work/time/institution concepts, social change's impact, industrialized nations; 87R9429
workplace responsibility/roles; 87R1717

Work Environment
cardiovascular disease, Sweden; work strain/control, psychosocial support; 87S1964
"company culture" concept, worker-company relationship, rural France; monographic analysis; 87R1781
culture/social reality maintenance, air traffic controllers' native-view perspective; ethnographic interviews, participant observation; TRACON, Los Angeles, California; 87R2165
empowerment strategies, workplace situations; gender, job dependency; interviews; 87R7378
females' job transfer willingness, sex-atypical plant jobs; blue- vs white-collar socialization; questionnaire; 87S1998
job absenteeism, nonfarm employees; industrial/organizational variables; national survey, census, labor statistics; 87R3732
joking relationships, corporate cultures, consensual vs contractual legitimation; 87R3490
occupational environment deterioration, India, corrective measures; 87R5615
occupational health/safety laws, Quebec, legal vs social science research methodology; case study; right to refuse dangerous work law; 87R9466
occupational stress/burnout, social support's role; questionnaire; correctional officers, US; 87R2129
organizational environments; technological change/breakthroughs; archival/trade data; minicomputer/cement/airline industries; 87R8220
organizational structures, US vs Japanese manufacturing plants; task environment/other variables; survey; 87R7376
perinatal outcome; pregnant women's employment; epidemiological studies; 87R3733
right to refuse work, law's institutionalization, Quebec; case records; 1978-1981; 87R9453
sexual harassment, assertive responses, females; cultural/organizational/personal resource power; interviews, questionnaires; auto plant assemblers; 87R8864
sexual identity disclosure, work settings; workplace characteristics, coworker socialibity; questionnaires; lesbians; 87R5686
work attitudes, outside assembly workers, Czechoslovakia; survey; 87R5668
work satisfaction, human service agency employees; education/gender/organizational influences; mail questionnaire; 87R1671
working conditions/daily life, immigrant women, Montreal, Quebec; life histories, government statistics; 1971-1981; 87T0316
working conditions; occupational sex segregation; Quality of Employment Survey; 87S1958
workplace culture; computer technology; 87R2525
workplace relations, advanced capitalist societies; published studies; 87R7297

Work Experience
body disorders/illness, social construction, workplace setting; observation, interviews; industrial plants, France; 87R3682
daily working life, sociologists/writers, Italy; qualitative biographical interviews; 87R5374
labor force attachment, US youth, model development; National Longitudinal Surveys, Labor Market Experience of Youth; 14-21 year olds, 1979; 87R1651
labor market outcomes/participation; worker attitudes; national survey; 87R9393
post widowhood poverty; work experience, life course variables; Panel Study of Income Dynamics; 87R6538
self-esteem formation; work autonomy; field research; 87R1723
social program goals, intentions vs consequences, analytic framework developed/tested; Work Incentive Program (WIN); 87R6731
subjective work experience; job/gender factors; questionnaire; letter carriers, Alberta; 87R7771
work attitudes, outside assembly workers, Czechoslovakia; survey; 87R5668

Work Groups
culture/social reality maintenance, air traffic controllers' native-view perspective; ethnographic interviews, participant observation; TRACON, Los Angeles, California; 87R2165
productivity differences, autonomous work groups; job satisfaction, leadership dimensions; questionnaire survey; 87R3769
resident-patient relationships, surgery/psychiatry staff, urban hospital; participant observation, interviews; 87S1968
self-managing work teams, external leader's role/effectiveness; interviews/questionnaire/other data; manufacturing firm; 87R9260

Work Humanization
egalitarian organization, medical group practice, Cleveland, Ohio; interviews/survey/published/other data; 87R5721
humanization, managerial philosophies/methods, US; workplace historical analysis, archival sources; 87R5718
industrial labor organization, automation/humanization issues; literature review; Marxist perspective; 87R5658
labor market flexibility, municipal authority; case study; Piteå, Sweden; 87R3690
modern information technology, humanistic criteria, socialist societies; 87R4556
productivity/competition, socioeconomic development, USSR; 87R1821
quality of work life programs, job redesign approach; literature review; 87R5683

Work Leisure Relationship
althlete favoritism, workplace managers, USSR; questionnaire; 87R9692
artistic production/work, postindustrial society; 87R7913
everyday lives, nonprofessional painters/poets, Italy; interviews; 87R7201
family life satisfaction/nonwork activity, adult males; work schedules; Canadian Quality of Life Survey; 87R9427
job involvement, salaried/wage employees, Finland; interviews; 1980s; 87R1740
labor process democratization/just social order, Emile Durkheim's vs Michael Buraway's theories; 87R9065
labor-work-leisure ratio, postindustrial capitalism; 87R7530
leisure time/activities, US; work ethic; 87R9676
time allocation, work/leisure/housework, Australian adults; interview surveys, longitudinal analysis; 87R1935
tourism/leisure changes, industrial social systems; 87R9670
work-/leisure-time utilization, USSR, historical perspective; 87R3305
work-family conflict; job/family involvement; questionnaire; university employees, northeastern US; 87T0461
work-leisure relationship, André Gorz's vs G. W. F. Hegel's/Karl Marx's philosophies; 87R7539
work/leisure patterns changes, post-1961 UK; employment categories; secondary data; 87R7529
work/nonwork opinions/attitudes, Italian vs French female workers; questionnaire survey; 87R9452
work/time/institution concepts, social change's impact, industrialized nations; 87R9429

Work Organization
brigade labor organization system, USSR, workers' perspectives; questionnaire; Kishinevsk; 1985; 87R9418
capitalist firms, labor participation, power distribution effect model; 87R9586
collective action, decision-making logic, unions; power relations structure; case studies, other data; 87R7321
conversation styles, organizational leaders, followers' competence perceptions; conversation analysis; hospital employees; 87R3477

cultural institutions/artistic work, postindustrial society; 87R7200
division of labor justification, production cost estimation; 87R9380

labor process, US restaurant industry; observation, interviews, personal experience; 87S1967
life prolongation, elderly outpatients'/health care professionals' perceptions; interviews; 87S1931
patients' rights issues, state mental hospital staff attitudes; questionnaires; New England; 87R8529
Peronism, Argentina, working class views; interviews; auto workers; 87R2039
political attitudes, unemployed workers, Toronto, Ontario; plant closures; questionnaire surveys, interviews; 87R5641
productivity differences, autonomous work groups; job satisfaction, leadership dimensions; questionnaire survey; 87R3769
routinization strategies, interactive service work; fieldwork; 87S1967
socioprofessional differentiation, Lodz, Poland; empirical studies; 1965 vs 1976; 87R1382
sociopsychological climate, worker collectives, Czechoslovakia/USSR; literature review; 87R5617
technological innovations, implementation problems, industrial enterprises, USSR; interdepartmental organization; questionnaire; workers, L'vov; 87R1782
unequal power relationships, workplace settings, worker responses; 87S1949
union support, textile workers, southern US; 87S1976
welfare state unemployment policy, unemployed auto workers' perceptions/political thinking; interviews, questionnaire; 87S1982
work attitudes, outside assembly workers, Czechoslovakia; survey; 87R5668
work attitudes/activities/conflicts, medical center employees; computerized system's introduction; interviews; 87R2536
work/nonwork opinions/attitudes, Italian vs French female workers; questionnaire survey; 87R9452
worker attachment; subordination legitimacy, legality belief; historical evidence; 87R2087
worker discipline/productivity, social management issues; Soviet conference reports; 87R1715
worker morale development, Soviet labor collective, cash incentives experiment; 87R7301
worker motivation, Soviet industry; 87R3722
worker participation support, union vs nonunion workers; 1977 Quality of Employment Survey; 87R1676
workers' social/political attitudes, Western capitalist societies; inequality experiences; interviews; Guelph, Ontario; 87R1695
working class consciousness; structural vs nonwork factor explanations; interviews/questionnaires; manual workers, Edmonton, Alberta; 87R4063
workplace antismoking policies, worker/union support; survey; US; 1984/85; 87R9366

Worker Consciousness

labor aristocracies, reform politics, capitalistic/monopolistic/imperialist companies; 87R5638
work-consciousness theories, blue-collar workers; 1960s, 1970s; 87R9416
work/nonwork opinions/attitudes, Italian vs French female workers; questionnaire survey; 87R9452
worker consciousness, Czechoslovakia; 87R5903

Worker Control

commodity production, labor process control; 87S1934
dealienation process, worker self-managed factory, Stockholm, Sweden; 87R7462
employees' self-management, Poland, economic/political reforms; 87R1706
internal labor markets, employee access, hospital vs chemical/oil firm laboratories; interviews/other data; midwestern US; 87R7789
labor-management relations, workplace control; plant closing; interviews, documents; General Motors Corvette plant; 87R7359
modern labor; industrialization processes; 87R1677
production process, labor's vs capital's contribution; Annual Survey of Manufacturers; 87S1933
Quality of Work Life programs, unionized workers' support/opposition; case studies; US plants; 87R3692
regionalism ideology, Quebec; self-management movement; 87R6717
self-management concept, social context; 87R6719
self-managing work teams, external leader's role/effectiveness; interviews/questionnaire/other data; manufacturing firm; 87R9260
statism reinstitution, co-/self-managed enterprises, Yugoslavia, post-World War II-1980s; 87R9740
trilateral (state/trade union/entrepreneur) bargaining, interest organizations, Italy; survey; 87R1720
unemployment, Yugoslavia; social inequality; 87R9386
worker democracy experiments, US, ideological justifications; 87S1955
workers' control, pre-/postrevolution, USSR; literature review; 87R9791
workers' courts, Yugoslavia, informal model; 87R1684
workers' power, US; technological change; published data, case studies; 87R7294
workplace organization, democratic participation, underlying social imagery; 87R9369
workplace relations, automobile plants, France/GB; political changes; interviews, documentary data; 87R7306
workplace/worker control, US labor union's role; political/economic/technological change; 87S1952

Worker Machine Relationship

human-computer interaction research, experimentation methods; literature review; 87R6327
information/communications technologies, capitalist societies; 87R6325
Man and the World Today by Howard L. Parsons; Russian translation critiqued; 87R5326
man/machine relationships, George Orwell's pessimism vs Vittorio Frosini's utopian view; 87T0845
socioeconomic development, man-environment interactions, Soviet society; 87R5764
technological change, Italian workplace; statistics; 87T0276
unequal power relationships, workplace settings, worker responses; 87S1949
work ethic experiences, alienation, technological change; 87R5693
work/technological change, France, state/employer/union/worker relations; 87T0277

Worker Ownership

alternative economic enterprises, West Germany, structure/goals/member motivation; 87R3822
employee firm ownership interest, gender differences; questionnaire; supermarket chain union members, Philadelphia, Pennsylvania; 87R9405
occupational injury rates; worker participation/ownership; questionnaires; 87R6555
profit-sharing/capital-sharing program effects; 87R9598
race-/gender-based wage/opportunity differentials; employee ownership; 87S1981
self-management, employee-owned/worker-cooperative systems, organizational governance; Yugoslavia, Israel, Mondragon (Philippines), US; 87R3845
union-led worker cooperative movement, A&P supermarkets, Philadelphia, Pennsylvania; 1981/82; 87R1738
worker management, Austrian business, social processes; observation, interviews; 87R3725
worker management, furniture/carpentry factory, Austria; 87R3740
worker-controlled businesses, computer utilization; secondary studies, interviews; Berlin, West Germany; 87R3688
worker-owned firms, definitions; 87T1063
workers' collective, Austrian furniture/industrial design company, learning process; 87R3772
workplace democracy, worker-managed enterprises, Austria; 87R3734

workplace democratization; survey, case studies; Oregon; 87R9459
Worker Participation
capitalist firms, labor participation, power distribution effect model; 87R9586
contemporary firms, sociological theory, institutional perspective; 87R1779
democratic economic institutions, reforms, state policies; literature review; 87R1778
disciplinary committees, French firms, internal social control; 87R1672
egalitarian organization, medical group practice, Cleveland, Ohio; interviews/survey/published/other data; 87R5721

working conditions/daily life, immigrant women, Montreal, Quebec; life histories, government statistics; 1971-1981; 87T0316
working hour reductions, Italy, undesirable consequences; 87R9384
working women, Scandinavia, labor market position; statistics; 87R5245
working women, sexual discrimination, historical analysis; case study; *Equal Employment Opportunities Commission* v. *Sears, Roebuck, & Company*; 1973-1986; 87R5225
working women, South Africa; 3-book review essay; 87R9378
working women's organization, office workers' recruitment/participation; participant observation, interviews; 87R2124
workplace discrimination, older women; 87S1934
young women's job stability, sex-atypical jobs, military/civilian firms; National Longitudinal Survey; 87R1734

Workplaces

collective justice evaluations, work settings, blockmodeling methodology; article/reply; 87R8130
family-work interactions, working class, pre-/post-World War II US; industrialization; case study, interviews; Studebaker Automobile Corporation, South Bend, Indiana; 87R3702
feminist organizational design, workplaces; ethnographic research, case studies; 87R1692
first-job socialization experiences, business graduates, gender differences; Likert scales; 87R2162
individual workplace, objective/subjective conditions; 87R5619
industrial social work, skills/activities; 87R2135
job satisfaction/workplace culture, restaurant, Scotland; participant observation; 87R1702
justice judgments, pay-for-work settings; scales; 87S1970

microelectronic communications technology, home-work utilization costs/advantages; literature review; 87R7282
microelectronic information technologies, instrumental-functional rationality; 87R7067
occupational hazard risk, social constructions; industrial practices, power relations; interviews, statistical/historical materials; US; 87R3683
occupational race/gender concentration, US; Equal Employment Opportunity Commission statistics; 1980; 87R2138
right to refuse work, law's institutionalization, Quebec; case records; 1978-1981; 87R9453
sexual harassment, definitional perspectives; 87R3089
shop-floor trade-union organizations, power resources, blue-collar industries; questionnaire; 87R7351
work settings, social service provision, personnel directors' vs occupational welfare officers' perceptions; interviews; 87R2119
workplace democratization, workers' participation/motivation, airline mechanics; 87R7283
workplace discipline, typology developed; literature review; 87R7310
workplace discrimination, older women; 87S1934
workplace play, adolescents, US; observations; 87S1948
workplace relations, automobile plants, France/GB; political changes; interviews, documentary data; 87R7306
workplace sex-role spillover, males' vs females' experience; questionnaire; adults; Los Angeles County, California; 87R7307

Workshops (Courses)

Americal Sociological Association teaching services program workshops; computer interview survey; 1985/86 annual meeting participants; 87R5377
Carnegie, Dale, presentation coaching movement, dramaturgical analysis; 87R7178
leadership training workshops, community development context, impact assessment; quantitative/qualitative data; Community Natural Resource Development Program, Ohio; 87R6034
older consumers' market potential, US, training program effectiveness; questionnaires; program participants; 87S2005
sexual harassment affirmative action program, University of Michigan; questionnaires; resident staff members; 87R8844
teaching assistant workshops, sociology graduate students, Michigan State University; 87R1253

Workshops (Manufacturing)

social collectivities' power, predictor measure; case study; shop committees, Israeli organizations; 87R5799

World Economy

agrarian crisis, capitalist world economy, production/social dimensions; investment dependence; 87R1842
business organizations' ideologies, Mexican bourgeoisie; foreign dependence; case studies; 1975; 87R9814
capitalist world economy, 16th-19th centuries, commodity chain concept; wheat flour/shipbuilding case applications; 87R5782
capitalist world economy, southern Africa's status; 1870-1967; 87R5786
class struggle concept, socialism's perspective, historical evolution; 87S1959
communications/automation technological revolution, world economy implications; 87R7449
contemporary social problems, US , global context; 87S1944
economic development, agriculture's role, Hong Kong/Singapore/South Korea/Taiwan; world-systems perspective; 87R9600
economic development, Australia vs Argentina, global capitalist economy; 1700s/1800s; 87R9542
economic growth/development, industrialized vs less developed nations; educational expansion; 87S1947
economic growth/development, Turkey; post-1923; 87R7473
female labor, world market factories, Southeast Asia/California; 87R1843
global political economy, future scenarios; 87R7463
globalization process, Japanese society's adaptation, religion's role; 87R8082
Goode, William, *World Revolution and Family Patterns*; 87S1980
international political conflict; capital/trade dependence; cross-national data; 87S1972
international/internal social class struggles, national liberation movements' impact; 20th century; 87R9587
nation-state development, Andean countries; transnationalization; 87R7471
national industrialization rates/status; manufacturing vs service sector size; cross-national data; 87T0337
New International Economic Order, UN policy; 87R7466
Non-Aligned Movement's world peace goal, opposition to US power, international economic factors; 87R9773
organized global capitalism, intergovernmental economic organizations, advanced capitalist states; global capitalist crisis, underdeveloped countries' integration; 87R1841
overseas investment, post-World War II, US; economic factors; case study; Ford Motor Company; 87R1965
peripheral development, Ottoman Empire; capitalist world-economy incorporation; trade data; 1750-1820; 87R3804
racial/ethnic status groups, capitalist world system; 87S1938
semiperiphery status, South Africa, world-economy incorporation; political factors; 1870-1945; 87R1814
social structure, Third World model; 87R9530
Third World development, anthropologists'/economists' approaches; 6-book review essay; 87R5770
tobacco production, social group relations, Ilocano, Philippines; 87R4175
trade, historical/social functions, state's role; 87R9142
waged/unwaged work relationship, US/southern Africa/Mexico; household/labor force gender-based structure; 87R5787
Western capitalist vs communist technical-bureaucratic systems, modern world order; 87R7444
world crisis, European civilizational decline, theoretical implications; 87R9585
world economy, core/semiperiphery/peripheral stratification, state gross national product/industrialization differences; statistics; 1938-1983; 87R5780
world economy, Marxist interpretations; 5-book review essay; 87R3832
world economy, transnational perspectives; published statistics; 87R7455
worldwide economic development, educational expansion; cross-national analysis; 1930-1950, 1955-1970, 1965-1980; 87R1798

World Population

population trends, developing countries; socioeconomic development; UN statistics; 87R8247
World Population Plan, international conference policy issues; 87R8245

World Problems

development priorities, women's role; 87S1999
international cooperation/interdependence, political mechanisms, negative outcome avoidance; 87R9705
social crisis, India, world historical perspective; 87R3205
sociology trends, India; conference valedictory address; 87R6721
suffrage, plebiscitarian principle's institutionalization; nation-state structural characteristics; worldwide event history analysis; 1848-1986; 87S1976
technological developments, people's adaptations/fears, Western civilization; 87T0840
world crisis, European civilizational decline, theoretical implications; 87R9585
world hunger/famine alleviation, international strategies' goals/failures; 1970s-present; 87T0945
world society/politics, universalistic vs particularistic ultimate values; 87S1982

World System Theory

American Indian poverty/culture, metropolis-satellite/world-systems perspectives; 87R7232
capitalist world economy, 16th-19th centuries, commodity chain concept; wheat flour/shipbuilding case applications; 87R5782
capitalist world-system development, mercantile/colonial periods, China; post-19th century; 87R9592
crime control, socialist vs capitalist societies; library/field research; 87R8122
economic growth, temporal variations, peripheral countries; economic dependency; panel regression analyses; 87S1982
electronics, social/cultural change implications; 87R7262
ethnicity forms, welfare state influence; 87R9588
human basic needs satisfaction, Third World; foreign aid, multinational corporation investments; cross-national data; 87R3846
inequality, democracy, less-developed countries; world system/development status; Kenneth A. Bollen's & Patrick D. Nolan's research critiqued; 87R3844
labor force participation, sex-linked occupational differentiation, less-developed countries; economic development, investment dependence; cross-country analysis, 1970/1980; 87S1979
multinational corporations, analytical concepts, world systems theory critiqued; 87R5793
nation-state formation, geopolitical/geoeconomic factors, Europe, Perry Anderson's/Immanuel Wallerstein's theories, comparative macro-historical model; 87R9783
political vs social labor movements, historical world trends; 87R5788

primate cities growth, Jane Jacobs's vs world-system theories; cross-national analysis; 87S1950
self-reliance development strategies, Caribbean/Central America, world system perspective; case studies; Jamaica, Nicaragua; 87R1964
sociocultural evolution, generative processes, multinational corporations' role; 87R5722
unequal development/exchange, Western Guatemala, peripheral differentiation; 87R9601
utopian novels' publication, GB/US, world-system perspective; 87R7464
Wallerstein, Immanuel, world system theory critiqued; 87S1985
Western hegemonic development, 13th-century world system; 87S1945
world system analysis, dependency theory, methodological innovations; 87R1187
world system, Kenneth Boulding's theories; 87R9591

World War I
football hooliganism, GB, pre-World War I; historical research/reports; 87R3893

French Air Force, 1928-1940, technical organizational failures; psychohistorical factors; 87R5700
government-sanctioned mass killing, Nazi Holocaust vs Allied strategic bombing, World War II; 87R3081
Japanese internment camps, University of California research project, investigators' publications; 87R1594
Poles/Jews/Germans relationship, World War II, Poland; monographs, published accounts; 87R3524

Worldview
classroom computer use, sociocultural/worldview implications; 87R4326
deviance/social control, Western scientific worldview, Eastern alternatives; 87R3482
ideology's function/creation; economic/political interests; 87R3839
planetary survival, communist society solution; 87R3617
proslavery arguments/perceptions, southern US, early 19th century; 87R5551
search for meaning, Western youth, elective centers concept; 87R8302
world civilization, worldview components, God's role/power; 87R6708

Writers
alcoholism, US authors, biographical/critical issues; 87R4258
authors, anomie/socialization; 87R2136
Bakhtin, Mikhail, literary/cultural contributions; book review essay; 87R3332
book market's organization, 19th-century Portugal; 87R3882
daily working life, sociologists/writers, Italy; qualitative biographical interviews; 87R5374
female writers/female characters, modern literature, Malaysia; 87T0079
intellectual work/orientation, empirical/secondary data; Italian sociologists/writers; 87R5985
professional contacts/connections, US authors; mail survey; 87R2146
television industry, US, social structural analysis, Marxist/feminist perspectives; interviews; scriptwriters; 87R1892
women authors, writer-reader relationship, 19th-century US; 87R1707

Writing
changing youth attitudes, Israel; content analysis; autograph books; 1925-1980; 87R1221
ethnographic texts, construction practices; 87R3646
ethnographic/anthropological writing, literary character; Sir Edward Evan Evans-Pritchard's career/publications, 1937-1956; 87R3639
participatory sociology/writing course described; student autobiographies; 87R5391
print vs audiovisual/electronic communication modes; article/comments; 87R2531
reading/writing activity, social class influences, consumer-producer gap, cultural democratic implications; 87R4212
sociology writing guide; book review essay; 87R1278
thesis development, sociological research, teaching model; 87R3266
Writing for Social Scientists: How to Start and Finish Your Thesis, Book, or Article by Howard S. Becker; review essay; 87R1258
written instruction interpretation; content analysis; cook book recipes, US; 1965-1975; 87T0061

Writing for Publication
article acceptance rates/quality; single- vs multiple authorship; citation analysis; 87T0264
authors' referencing patterns, higher education publishing; citation analysis; 87R8033
biomedical scientific community emergence, Mexico; literature review; 1959-1979; 87T0250
core vs specialty sociological journals, integrating role; citation analysis; 1960, 1973; 87R1321
doctoral dissertation requirements, scientific fields; 87R9044
editorial policies, *Sotsiologicheskie issledovaniya*; 87R9055
ethnographic writing, teaching methods, US; textbook review; 87R3650
Halloween sadism research, news/media reports; personal experience; 87R4082
management research publications, academic prestige ratings; journal/prose passage readability; questionnaires; faculty members; 87R4525
manuscript rejection rates, scholarly journals, interdisciplinary variation; 87S1960
manuscript review, publication outcomes, *Rural Sociology* journal; archival data; 87R8192
monograph writing, modern European ethnography, epistemological problems; 87R3667
productivity/collegiality, women sociologists, Canada; journal contributions; 87R1267
publication outcome/review process, *Rural Sociology*; archival data; 87S1989
publication productivity, social work academics; individual/structural characteristics; questionnaires; 87R5061
refereeing criteria, scholarly publishing; article/comments/reply; 87R5380
research productivity; sex, organizational position; questionnaires; social workers; 87R2489
scientific texts, disciplinary consensus; case studies; 87R2498
social science manuscripts, review process, *American Sociological Review*; content analysis; literature review; 1977-1982; 87R8186
social science, rhetorical/literary aspects; 2-book review essay; 87R3162
social sciences publication, author tactics; article/comments; 87R9054
Society for the Psychological Study of Social Issues, publications program; citation/other data; 1939-present; 87T0838
Writing for Social Scientists: How to Start and Finish Your Thesis, Book, or Article by Howard S. Becker; review essay; 87R1258
